

Los Angeles Community College District
COVID-19 Emergency Response & Recovery Update
Chancellor Francisco C. Rodriguez, Ph.D.
November 4, 2020

A detailed 3D rendering of a coronavirus particle, showing its characteristic spherical shape with a textured grey surface and prominent red, crown-like spikes protruding from it.

CORONAVIRUS (COVID-19)

COVID-19 / STATISTICS

As of November 4, 2020:

- U.S. and the world remain in grips of COVID-19 public health pandemic. New wave of cases/death world wide, prompting shutdowns in Europe and elsewhere
- In two weeks, on Nov. 19, LACCD will be at eight months of emergency operations for the District and Nine Colleges
- National toll of more than 233,000 deaths and 9.36 million positive COVID-19 cases
- District totals remain low, less than 200 confirmed cases
- L.A. County with more than 7,070 deaths and 310,000 cases
- Fall 2020 Semester with some limited, on-campus instruction
- Educational delivery and business operations will remain in remote environments and online for Winter and Spring 2021

COVID-19 UPDATE

Today, time to recognize LACCD's "First Responders" for District and Colleges who have answered the call to help keep LACCD Community Safe

More than 240 Personnel at District and Colleges have been involved with the District Emergency Operations Center & Colleges' Incident Command Centers

Trained under FEMA Incident Command System Protocols, this dedicated team has spent thousands of hours working in response to national, state and local declared emergencies

***“Semper Defendere Educationem”
Always Defend Education***
