Oral Presentations

President Field read the cautionary language for speakers and their personal responsibility and, potentially, personal liability for defamatory remarks.

With respect to the debarment hearing that was held on December 9, 2009, Mr. Phillip Boutte and Mr. Gabriel Fedida addressed the Board with their concerns that FEI Enterprises, Inc. was denied its right to a fair and impartial hearing as required by the 14th Amendment.

Scheduled speaker Mr. Robert Klein was not present.

For the record, Trustee Pearlman indicated that she believes the debarment hearing was a fair hearing according to the legal advice that the Infrastructure Committee received. She acknowledged at that time that decisions were made that were not acceptable to some of the people who were speaking, but that the hearing was held fairly. Everybody was given equal time and everybody had an opportunity to present witnesses. She also acknowledged at that time the fact that the decisions did not make everybody happy. She stated that this does not mean it was not a fair hearing.

Scheduled speaker Ms. Margo Murman withdrew her request to address the Board.

Mr. Daniel Wright addressed the Board on behalf of the Van de Kamp Coalition. He spoke regarding the July 15, 2009 Board meeting at which the Board considered the transfer of the Van de Kamp Satellite Campus from LACC to the District’s administration and the lease of the $61 million campus to non-community college lessees. He distributed e-mail messages regarding the constraints of the Van de Kamp Environmental Impact Report (EIR) and environmental review issues of the LACC Northeast Campus change in tenancy.
