Interim Chancellor Barrera responded that the District is working towards a more uniform platform for online programs. She indicated that the State of California is funding an initiative on online education and is moving towards a single platform and will be issuing a Request for Proposal (RFP) shortly.

Mr. Donald Gauthier, President, District Academic Senate (DAS), indicated that the DAS and the Distance Education coordinators will be meeting shortly regarding this and expect to have further information in the fall of 2013.

Com. No. BSD2. Business Services Routine Report

With respect to Roman Numeral I. Authorize Additional Voluntary Benefits Item B. as it relates to the authorization of a contract with Pet Assure to provide discounted employee-paid pet insurance, Trustee Eng inquired if there would be additional administrative costs or if there would be no administrative costs because it is part of the employees' opportunity to add, subtract, or amend items of coverage.

Interim Chancellor Barrera indicated that there is not an administrative fee for administering the pet insurance. She stated that the premiums would be paid through payroll deduction. She further stated that enrollment in this program would take place as part of the overall open enrollment process.

President Santiago requested that Interim Chancellor Barrera monitor this item in order to ensure that there will be no additional cost to the District for the pet insurance program. He indicated that if there is an additional cost, this item would be revisited on a later date. He offered the following amendment:

I. AUTHORIZE ADDITIONAL VOLUNTARY BENEFITS

- ...
- B. Authorize a contract with Pet Assure to provide discounted employee-paid pet insurance during the period of January 1, 2014 through December 31, ~~2016~~ 2014 (3 years 1 year). If appropriate, the Chancellor would continue to monitor this and if there would be any cost, the Board would be made aware of this so that it can take any appropriate action at that point in time.

Ms. Goulet recommended the following alternative amendment:

- B. Authorize a contract with Pet Assure to provide discounted employee-paid pet insurance during the period of January 1, 2014 through December 31, ~~2016~~ 2014 (3 years 1 year). Have the Board authorize the contract for the period of one year in order to allow staff to identify what the marginal cost is to the Board and the Board can then make an assessment next year whether that is de minimis or whether that is something that needs to be put in as a condition of the benefit.

Ms. Goulet recommended that the Board go forward with the one-year contract, identify the marginal cost within one year, and make an assessment regarding whether or not to renew the contract.

President Santiago offered the following interpretation of the amended language and requested Ms. Goulet's assistance:

The Board would proceed with this for one year at no cost to the District. Should there be a cost, it would be incurred by the employee from the point that the Board renews or does not renew the contract.

Ms. Goulet offered the following language as an alternative amendment:

- B. Authorize a contract with Pet Assure to provide discounted employee-paid pet insurance during the period of January 1, 2014 through December 31, ~~2016~~ 2014 (3 years 1 year) at no cost to the District for the premium with a further report to the Board of Trustees regarding the administrative cost prior to the renewal.

President Santiago requested the following additional amendment (in italics):

- B. Authorize a contract with Pet Assure to provide discounted employee-paid pet insurance during the period of January 1, 2014 through December 31, ~~2016~~ 2014 (3 years 1 year) at no cost to the District for the premium with a further report to the Board of Trustees regarding the administrative cost prior to the renewal and only to be administered during the normal enrollment period.

The maker and seconder of the main motion accepted this as a friendly amendment.

With respect to Roman Numeral II. Approval of New Educational Programs Item A. as it relates to an Associate of Arts (AA) degree in Anthropology for Transfer at ELAC, Trustee Pearlman inquired as to why the AA degree in Anthropology does not apply to all of the colleges.

She indicated that colleges that offer Anthropology AA degrees for transfer are required to adopt the new TMC.
