Subject: ADOPT NON-RESIDENT TUITION

Adopt non-resident tuition for the 2017-18 fiscal year of \$225 per semester unit for students attending the District colleges who are non-residents of the State, and a capital outlay fee of \$26 per semester unit.

Background: Education Code Section 76140 requires each district Board to establish a non-resident tuition fee no later than February 1 of each year for the succeeding fiscal year. District may use any of the following options for establishing the fee:

1. The statewide average cost per FTES calculated for FY2017-18, including projected increase in U.S. Consumer Price Index (USCPI), is \$234 per semester unit; or
2. LACCD's cost per FTES calculated based on the above formula, is \$225 per semester unit; or
3. Rate not higher than District's average cost with 10% or more non-credit FTES; or
4. Any one of a contiguous district's rate as permitted under SB 646, Chapter 317, Statutes of 1983; or
5. Rate not higher than District's cost, nor lower than the statewide average cost as provided by Chapter 985, Statutes of 1989 (SB 716).
6. Highest Years Statewide Average Tuition. Use the greater amount of statewide nonresident tuition from 2012-13 through 2015-16, which is from 2015-16 at \$234 per semester unit; or
7. No more than 12 Comparable States Average Tuition. No greater than the 2015-16 average nonresident tuition fee of public community colleges in a minimum of 12 states comparable to California in cost of living. This average is calculated to be \$425 per semester unit.

Additionally, the District, pursuant to ECS 76141 (enacted by AB 2055, Chapter 853, Statutes of 1991), has the capacity to charge non-resident students an amount not to exceed District's capital outlay per FTES for the preceding year. This additional fee cannot exceed fifty percent (50%) of non-resident fees

established by the District and must be expended for capital outlay purposes. The District's capital outlay cost per FTES is \$76 per semester unit.

The current fiscal year 2016-17 non-resident tuition rate is \$206 plus a \$37 nonresident capital outlay fee for a total of \$243. The District's calculated cost for fiscal year 2017-18, using actual base year (FY2015-16) FTES, was \$225.

Staff recommends that the District adopt the non-resident tuition fee of \$225 per semester unit based on option 2, which is the District average cost. Staff also recommends that the District adopt the non-resident capital outlay fee of \$26 per semester unit which is lower than the District's cost per FTE's. The 2017-18 non-resident tuition rate is \$225 plus a \$26 non-resident capital outlay fee for a total of \$251.

Refer to Exhibit I for a comparison of non-resident tuition and capital outlay fees of LACCD's contiguous districts.

Subject: **APPROVE IN-STATE STUDENT TRAVEL**

Los Angeles Community College District

Three students and one administrator will travel to the Community College League of California Annual Legislative Conference in Sacramento, California during the period of January 29 to January 30, 2017.

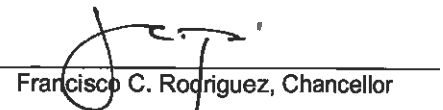

Background: This conference is sponsored by the Community College League of California. The purpose of the trip is to provide students with the opportunity to connect with advocates and learn the latest news on higher education in California. Students will also learn about new members of legislative committees, legislative proposals affecting colleges and student learning, and advocacy strategies for the current legislative year.

FISCAL IMPLICATION: The total cost of the trip is \$4,300. \$4,300 in District funds will be used for this travel.
