Com. No. BT3. Adopt a Resolution Initiating a Motion to Sanction Trustee Scott J. Svonkin

Com. No. BT3A. Response to Com. No. BT3 ("Adopt a Resolution Initiating a Motion to Sanction Trustee Scott J. Svonkin")

President Kamlager stated that tonight is a celebratory night for three Board members, their families and friends, as well as the beginning of New Leadership and a return to conducting the Business of the Board with dignity, decorum and civility. It is our responsibility to handle the District’s business in a way that protects the Board’s and the public’s time as well as focuses on the critical business of the District.

The essences of both motions are allegations of violations of the Board Rules by one Board member against another. These motions deal primarily with interpersonal relations between Board members. These two motions are serious, egregious and sad. They are also a distraction, taking important time away from the true Business of the Board.

As Chair, my job is to protect the Public’s time, and to move the agendas that come before this body.

Dr. Jeter indicated that under the Board Rules, the members of the public have a right to speak to a matter before it is heard.

Motion by Trustee Moreno to refer these items to an ad hoc committee for review, investigation, and resolution.

Due to the lack of a second, the motion failed.

Trustee Moreno offered a friendly amendment to the motion that these items be referred to an ad hoc committee for review, investigation, and recommendation to the Board.

**WHEREAS,** Effective January 1, 2017, Assembly Bill No. 1887 prohibits California state-funded and state-sponsored travel to states that have implemented laws that authorize or allow discrimination on the basis of sexual orientation, gender identity, gender expression, same-sex relationship, or same-sex marriage; and

**WHEREAS,** This new law requires the California Attorney General to develop, maintain, and publish a list of states that are subject to the travel ban; and

**WHEREAS,** The California Attorney General has determined that the states of Alabama, Kansas, Kentucky, Mississippi, North Carolina, South Dakota, Tennessee, and Texas are subject to the travel ban as these states have implemented laws that authorize or allow discrimination on the basis of sexual orientation, gender identity, gender expression, same-sex relationship, or same-sex marriage; and

**WHEREAS,** The travel ban restrictions set forth in AB 1887 apply only to state agencies, departments, boards, authorities, commissions, the University of California, and the California State University, but does not apply to local public agencies such as the Los Angeles Community College District (“LACCD”); and
WHEREAS, The Board of Trustees for the LACCD hereby declare that LACCD funds and resources shall not be used to fund, sponsor, or support employee or student travel to states that have implemented laws that authorize or allow discrimination on the basis of sexual orientation, gender identity, gender expression, same-sex relationship, or same-sex marriage; now, therefore, be it

RESOLVED, That LACCD funds and resources shall not be used to fund, sponsor, or support travel to states that have implemented laws that authorize or allow discrimination on the basis of sexual orientation, gender identity, gender expression, same-sex relationship, or same-sex marriage; and be it further

RESOLVED, That, since the California Attorney General has determined that the states of Alabama, Kansas, Kentucky, Mississippi, North Carolina, South Dakota, Tennessee, and Texas have implemented laws that authorize or allow discrimination on the basis of sexual orientation, gender identity, gender expression, same-sex relationship, or same-sex marriage, no LACCD funds or resources shall be used to fund, sponsor, or support employee or student travel to any of these states; and be it further

RESOLVED, That the Board of Trustees for the LACCD hereby direct the Chancellor to create a list of the states that are subject to the LACCD travel ban and to update that list as the list of AB 1887 travel banned states is updated.

President Kamlager indicated that she would remove her name as Chair of the Budget & Finance Committee and Member of the Legislative & Public Affairs Committee and the Facilities Management & Oversight Committee.

President Kamlager indicated that in light of the fact that she has been elected President of the Board and looking at the composition of the committees being presented in this item, she feels it would be unfair to her and to the District for her to serve in those capacities.

Motion by Trustee Buelna to adopt Com. No. BT5. as amended.

Motion by Trustee Veres, seconded by Trustee Buelna, to postpone Com. No. BT5. with the necessary modifications until the next regularly scheduled Board meeting.

On behalf of the College Presidents and Senior Staff, Chancellor Rodriguez expressed his appreciation to the new members as well as the existing members of the Board of Trustees for their support. He stated that the highest legislative priority in the State of California as indicated through the LACCD is Assembly Bill 19 authored by Assembly Member Miguel Santiago, which would provide every single Southern Californian the opportunity to attend any community college tuition free if they attend full time beginning in the Fall 2017 semester. He expressed his appreciation to Dr. Robert B. Miller, Vice Chancellor of Finance and Resource Development, for his efforts in promoting this bill.

Ms. Deborah Paulsen addressed the Board in opposition to Item M. Service Agreements Agreement Number 4500244968 as it relates to a Los Angeles Mission College (LAMC) agreement with Rolando R. Cuevas to provide services and support to establish a satellite location in Sunland Tujunga.

Ms. Butler expressed her concerns that the individual was hired without being approved and that professional experts are being hired in lieu of permanent employees.

Ms. Karen J. Martin, Director, Personnel Commission, concurred with Ms. Butler that the duties listed in this item should be performed by a classified employee. She indicated that the rate of pay is $75 per hour, which is the top step of a Vice President’s salary.

Dr. Monte E. Perez, President, LAMC, indicated that this agreement is not for a student recruiter only. The duties include setting up and coordinating a student center, government relations, fundraising, recruitment, and scheduling. He indicated that this is a contract with an approved vendor to establish the foundation of the satellite center. He stated that there are already classified staff including counselors, financial aid staff, and admissions and records staff at the facility.

Trustee Veres inquired if this is a one-time-only contract.

Dr. Perez responded in the affirmative.

There being no objection, Agreement Number 4500244968 was separated for the vote.

Com. No. BSD2. Approve Business Services Actions

President Kamlager noted the following amendment:

IX. AUTHORIZER AMENDMENT TO AGREEMENT

Authorize Amendment No. 6 to Agreement No. 4500182429 with Ciber Inc. to include changes beginning on July 13, 2017 for a 6-month period to add new software functionality and programming to support Homeless Youth functionality for CCCApply and Financial Aid in PeopleSoft Campus Solutions Student Information Systems. This programming is needed to support processes that are required to capture and utilize the State mandated student homeless youth data and integrate it into the PeopleSoft Campus Solutions, at a total amount not to exceed $60,000.

Background: These additional capabilities and services are necessary to comply with new State requirements in compliance with Assembly Bill No. 801. The State has recently implemented changes to the CCCApply Domestic state wide applications and has added new fields to capture an applicant declaring that he or
she is homeless. To accommodate these State requirements requires modifications to the PeopleSoft system that include, but are not limited to, the application process and the automated communications to the students. This will also allow the system to automatically place the students in a custom group so that the fees are waived. Additionally, this will include the necessary work to track and award BOG D in the Financial Aid module.

The proposal for this added change order was evaluated by staff from the Office of Educational Programs and Institutional Effectiveness, Office of Information Technology, and Office of General Counsel and the SIS Steering Committee and a recommendation to proceed was made by the Vice Chancellor. Funding is through the Office of Educational Programs and Institutional Effectiveness.
