<b>What Obstacles or Problems Have Hindered Committee Function?</b>	Blurring of administration functions and committee charges. Lack of calendar to help track and coordinate accreditation and effectiveness cycle reports. Need for improved integration with other District-level planning committees.		
<b>What Changes Should be Made in Committee Composition, Function, or Charge to Enhance its Effectiveness?</b>	Cross-representation of DPAC with other District-level governance committees (DBC, TPPC) to improve communication and integration. More clearly articulate nature and scope of DPAC functions.		
<b>What Additional Goals Should the Committee Establish for the Coming Year?</b>	Develop calendar of annual goals and activities in coordination with IE&SS Committee and accreditation calendar. Include representation from DBC and TPPC on DPAC and regular reporting out. Solicit requests from DPAC membership for agenda items and discussion topics. Continue to evaluate committee membership and meeting frequency.
