

LOS ANGELES COMMUNITY COLLEGE DISTRICT

NOTICE TO CONTRACTORS 2017 INFORMAL BIDDING CONTRACTOR LIST

The Los Angeles Community College District (LACCD) has adopted the Uniform Public Construction Cost Accounting Act under Public Contract Code §22000 et seq. In accordance with the California Uniform Public Construction Cost Accounting Commission, LACCD is inviting all interested licensed contractors to submit an application to be included on LACCD's 2017 Informal Bidding Contractor List of qualified contractors. LACCD will maintain a list of qualified contractors according to the trade categories of work that they perform. Qualified contractors would be solicited on each informal bid between \$45,000 and \$175,000 (LACCD reserves the right to formally bid a project under \$175,000). Contractors that are interested in being on the 2017 Informal Bidding Contractor List of qualified contractors are required to have a current contractor license for their designated classification(s) and are subject to verification from the Contractor State License Board (CSLB). Bid bonds, performance bonds, and payment bonds would continue to be required of all contractors doing work under these provisions.

SB 854 was signed into law on June 20, 2014. LACCD requires all contractors who submit a 2017 Informal Bidding Contractor List application to be registered with the Department of Industrial Relations.

If interested in being placed on the LACCD's 2017 Informal Bidding Contractor List for public works projects between \$45,000 and \$175,000, please complete the LACCD application. We will be reviewing and approving Pre-Qualification application forms throughout the year. The first review date for submission of completed applications is December 21, 2016, 2:00 p.m. The application can be accessed on the LACCD Facilities Planning & Development webpage:
