ARTICLE 1, PREAMBLE

The Board of Trustees of the Los Angeles Community College District (the "Board") and the Los Angeles Community College District Administrators' Association (the "Union"), represented by Teamsters Local 911, have entered into this Agreement because they share the desire to provide access to education and the means to achieve success for the diverse students and communities our District serves. The Board recognizes the importance of the work of this Unit toward achieving those ends and remains committed to maintaining a professional relationship with administrative employees, which will support the continued success of the Los Angeles Community College District (the "District").

ARTICLE 2, RECOGNITION, EXCLUSIVE REPRESENTATIVE AND ORGANIZATIONAL SECURITY

- A. The Unit.** The Board recognizes that Teamsters Local 911 is the duly certified exclusive representative of those regular and non-regular employees included in the Unit, as listed below. The Unit may be modified in accordance with Government Code sections 3540 et seq. and the rules and regulations of the California Public Employment Relations Board ("PERB"); those modifications, once approved by PERB, become parts of this Agreement without further negotiations.

The union reserves the right to assert that modifications may be made to the unit. The District reserves all its rights regarding unit modification.

The District and Local 911 agree that the Unit shall consist of academic administrators who are primarily involved with supervision of faculty members and/or other employees and who generally have a higher level of authority than department chairs for hiring, firing and discipline. The Unit shall include the following classifications:

Dean
Associate Dean
Assistant Dean

B. Organizational Security and Dues Check Off

1. Dues Check Off
 - a. The District agrees to deduct dues as may be specified by the union twelve (12) times per year.
 - b. Such deductions along with a written statement of the names of the employees from whose pay dues deductions were made and the amounts deducted, shall be forwarded to Teamsters Local 911 within thirty (30) days from the close of the pay period for which the deductions were made.

2. Agency Shop

- a. The District shall deduct and make appropriate remittance to Teamsters Local 911 all dues and/or service fees in amounts to be determined by the union within thirty (30) days from the close of the pay period during which the deductions were made in accordance with the following provisions:
 - (1) Upon assignment to a classification in the Unit, union dues will be deducted from the pay of Unit members.
 - (2) The District shall deduct amounts equivalent to union dues ("agency fees"), as determined by Teamsters Local 911, for all Unit members who have an agency fee deduction card on file with the Disbursements Branch of the Operations Division.
 - (3) Unit members who object, on religious grounds, to paying union dues or agency fees, shall apply to Teamsters Local 911 for exemption from the provisions of sections 2 (Dues Check Off), and/or 3 (Agency Shop) above. If such exemption is agreed upon by the union, the District shall deduct the equivalent of union dues from the pay of the Unit member and shall pay that sum to the non-profit charitable organizations approved by the District for payroll deductions of the Unit member's choice.

The District shall not be liable to the Union or to Teamsters Local 911 by reason of the requirements of this article for the remittance or payment of any sum other than that constituting the actual deductions made from the wages earned by the employee.

The Administrators' Unit and Teamsters Local agree they shall pay reasonable attorney fees and costs and in all other ways shall indemnify the Los Angeles Community College District, its officers, employees and agents, from any liability arising from any and all claims, demands, suits, actions, proceedings, or other actions arising from compliance with this article, or in reliance of any list, notice, certification or authorization furnished under this article. Teamsters Local 911 agrees that it shall refund to the District any sums paid to it in error within thirty (30) days of being informed of the error.

ARTICLE 3, NON-DISCRIMINATION, EQUAL EMPLOYMENT OPPORTUNITY, AMERICANS WITH DISABILITIES, HARASSMENT, AND COMMITMENT TO DIVERSITY

- A. Non-discrimination.** The Board and the members, employees, and officers of the Union agree not to discriminate against any District employee, officer or student on the basis of race, ethnicity, national origin, religion, sex, age, pregnancy, sexual orientation, political beliefs, affiliations and activities, marital status, veteran status, physical or mental disability or medical condition.

The Board shall not discriminate against Unit members or applicants for positions contained in the Unit because of their membership in the Unit or because of their exercise of other rights to meet and negotiate as provided by law.

The District and the Union shall strive to promote a collegial and non-hostile work place for all district employees. Concerns regarding discrimination, retaliation, and hostile work place should be brought to the attention of the appropriate Vice President or compliance officer for investigation and remediation, which could include the use of a mediator.

B. Equal Employment Opportunity, Diversity, Harassment and Americans with Disabilities. The Union and the District shall actively practice equal opportunity for all students, employees and applicants for employment, without regard to race, ethnicity, national origin, religion, sex, age, pregnancy, sexual orientation, political beliefs, affiliations and activities, marital status, veteran status, physical or mental disability or medical condition.

The District and the Union agree that no student, member of the public or employee should be subject to harassment on any of these prohibited bases.

 - a. In the event that a Unit member with good cause cannot submit a written request for leave, he/she must make every reasonable effort to contact his/her supervisor by telephone to inform the supervisor of the need for the leave.
 - b. If the Unit member is not capable or competent to file for the leave him/herself, the District may accept application from a family member or close friend.
 - c. Decisions to extend leaves beyond the period authorized below or to authorize compensation beyond that which is authorized below shall be made at the discretion of the Chancellor.

3. Rights Upon Return.
 - a. A Unit member shall return to the same location and the same classification from which leave was taken if he/she returns to service no later than one (1) year from the beginning date of the leave.
 - b. During this one (1) year period, if a Unit member would have been reassigned to another classification or transferred to another location, notwithstanding the leave, such reassignment or transfer shall be affected and the Unit member shall have return rights to the new classification or location.
 - c. Beyond one (1) year, the Unit Member shall be given consideration to return to a position as near as reasonably possible to the position held prior to the leave.
4. Cancellation of or Early Return from Leave. A request for cancellation of the leave by a Unit member already on leave or for whom leave has been approved may be granted at the discretion of the District.
5. Effect on Sabbatical. Time on leave does not count toward the service requirements for sabbatical, with the exception of time spent on paid military leave. Leaves do not constitute a break in continuity of service but may reduce the number of days served in a year below the minimum required for a sabbatical.
6. Failure to Return from Leave. A Unit member who fails to return from leave and who, without good cause has failed to file a request for an extension of the leave prior to the expiration of the leave, shall be considered to have abandoned his/her position, and may be recommended for dismissal in accordance with procedures set forth in applicable Education Code sections.

B. Mandatory Leaves.

1. Governmental Order Leave. Granted to a Unit member to appear as a witness in court (other than as a litigant) or to respond to an official order from a governmental jurisdiction (including jury duty) for reasons other than his/her own misconduct.
 - a. Length of Leave. Limited to the specific times and dates specified on the order.
 - b. Compensation. Not to exceed two (2) weeks during any two (2) consecutive fiscal years, of regular salary shall be paid if the Unit member has provided a copy of the order to his/her supervisor. Additional leave shall be without pay; however, the Chancellor or the appropriate College President, shall not unreasonably deny payment for State or Federal jury service because a trial extended beyond the two (2) weeks provided herein.
 - c. Effect on Benefits. The District shall continue to pay the cost of all benefits while the Unit member is on leave.

- d. Hours of Work. If an employee's normal work week contains one or more days of "evening duty" (starting time of 12:00 noon or later), for the duration of jury service, the employee's starting time shall be changed to conform with the starting time of jury service. The employee shall be responsible for coordinating a replacement for him/herself for evening duty.
2. Illness Leave. A paid or unpaid leave granted to a Unit member who is compelled to be absent from duty because of illness or injury or because of quarantine occasioned by his/her own or another's illness.
 - a. Calculation of and Compensation for Illness Leave.

- (1) If a newly assigned Unit member was not a District employee in a classification in which illness leave accrues, upon initial appointment to an administrative position, that Unit member shall be granted twelve (12) days of full-pay illness leave and eighty-eight (88) days of half-pay leave.

Thereafter, Unit members will be credited annually with twelve (12) full pay days, during the pay period in which July 1 falls. At that time, half-pay illness days will be credited to make up any difference between the number of full-pay days the Unit member has accumulated and one hundred (100) days. If the number of full-pay days a Unit member has accumulated equals or exceeds one hundred 100, no additional half-pay days will be credited.

- (a) For purposes of this article, a day of illness is considered an eight (8) hour day. If a Unit member is assigned less than full-time, a day of illness shall be considered the amount of time which constitutes that person's average work day.
- (b) There shall be no year-to-year limit on the number of full-pay illness days a Unit member may accumulate.
- (c) Half-pay days shall not be used prior to the exhaustion of full-pay days. After the exhaustion of half-pay days, the Unit member shall be on unpaid leave for the duration of the approved leave unless the approved leave extends to the following fiscal year, when full- and half-pay balances are credited.

Upon the request of the Unit member, when full-pay illness is exhausted, he/she shall be allowed vacation pay in lieu of half-pay. Notification must be given to the Unit member's time reporting office which details the days to be taken as vacation pay. The date when such payment commences shall be no earlier than the requested date, and shall continue only as long as the Unit member has a vacation balance. After the exhaustion of vacation pay, the Unit member shall be paid half pay to the extent that such balance exists. Regardless of the method of payment (full-pay, half-pay or vacation pay), the Unit member shall still be considered to be on illness leave.

- (d) Illness pay shall be calculated to include all differentials and increments normally paid to the Unit member.
- (e) There shall be no lump-sum pay off for accumulated illness leave upon the retirement of the Unit member.
- (f) Salary payments shall be withheld until there is valid leave on file for a Unit member, or until the Unit member provides the required documentation to support the ongoing need for the leave.

b. Length of Leave.

- (1) Informal Leave. Informal illness leave is limited to twenty (20) working days or less.
- (2) Formal Leave. Formal illness leave shall be granted in increments of six (6) months or less. Formal leave, paid or unpaid, shall not extend for more than one (1) year. If, at any time, in the opinion of the District's physician consultant, a Unit member would be unable to return to service, a leave sufficient only to allow the Unit member to apply for disability retirement will be granted.

c. Request Procedure.

- (1) Informal Leave. Request for informal leave must be made as soon as possible to the Unit member's immediate supervisor.
- (2) Formal Leave.
 - (a) Complete the Leave of Absence request form.
 - (b) Attach a statement on the designated form (Attending Physician's Statement) from a licensed physician or practitioner, which verifies that the Unit member cannot work because of illness or injury.
 - (c) Submit these forms to the immediate supervisor, who, after the required approvals are obtained, forwards the forms to the Personnel Relations Branch. Such documentation shall be submitted prior to the twentieth day of informal leave to avoid delays in salary payment. The District shall send to the Unit member all necessary forms upon the request of the Unit member.
 - (1) Once leave is approved, a Unit member must submit a "Certification of Illness or Injury" (Form 60.82B) per every pay period of leave in order to receive salary payment.
 - (d) Based upon the advice, where necessary, of the District's physician

consultant, the leave will either be approved or denied, and Unit members shall be so informed in writing by the Office of Personnel Operations.

d. Return to Service.

(1) For absences due to maternity, illness or injury, the Unit member shall:

(a) for absences of fewer than six (6) consecutive working days, submit a signed "Certification of Illness or Injury" card (Form 60.82B).

(b) for absences in excess of five (5) days, but fewer than eleven (11) consecutive working days, submit a "Certification of Illness or Injury" card (Form 60.82B) signed by a licensed physician or practitioner.

(c) for absences in excess of ten (10) consecutive working days, submit a "Certification of Illness or Injury" card (Form 60.82B) signed by a licensed physician or practitioner, and an "Attending Physician's Statement" (Form C305) signed by a licensed physician or practitioner.

(2) For absences due to quarantine, regardless of the length of the absence, the Unit member must submit a County Health Office "Exclusion and Readmittance" form.

(3) Return Procedure. The College President or Vice Chancellor shall have the discretion to admit to service a Unit member who has been on illness leave without an examination by the District's physician consultant. If, in the opinion of the College President or Vice Chancellor, the Unit member does not appear fit to return to service, the Unit member shall be examined by the District's physician consultant. In preparation for such examination, the Unit member must have a completed "Attending Physicians Statement" to present to the physician consultant.

e. Employment While on Leave. An illness leave period is considered as beginning on the first day for which illness is claimed at the time the Unit member usually reports to work, extending through the last day for which illness is claimed (at the time the Unit member usually departs for the day). If, between these two times, the Unit member is engaged in any gainful employment, he/she will be required to forfeit any illness pay paid by the District during the period the Unit member was engaged in outside employment.

f. Extra Assignments. Unless otherwise authorized by the District's physician consultant, the Unit member must take leave from any hourly rate or other extra assignment with the District for the period of time the Unit member is ill or quarantined.

3. Industrial Accident Leave. Leave granted in the event a Unit member experiences an illness or injury whose cause arose out of his/her course and scope of

employment. Such leave shall be granted only after the District has accepted the Unit member's Workers Compensation claim.

a. Length of Leave.

- (1) For instances where the District agrees that the illness or injury arose out of the course and scope of the Unit member's employment, leave shall be granted from the first day of absence, but shall not exceed sixty (60) working days for each accident or illness. The leave shall terminate on the day following the last day of the Unit member's eligibility for Temporary Disability payments. The sixty (60) day balance shall be reduced by one (1) day for each day of authorized absence, regardless of the amount of the authorized Temporary Disability payment.
- (2) The sixty (60) day maximum is not accumulated from one year to the next; in the event that the absence extends into the following year, only the unused portion of the leave for that accident or illness will be available.
- (3) A Unit member who is unable to return to service after the initial sixty (60) days of leave shall continue on Industrial Accident Leave, and shall receive compensation in accordance with paragraph 2. below.

b. Compensation.

- (1) During the period of time that a Unit member has been determined to be temporarily totally disabled, he/she shall be eligible for Workers Compensation Temporary Disability payments ("TD"). TD payments never equal the amount of the Unit member's full salary.

During the first sixty (60) days of leave, TD payments shall be supplemented by the District to the extent that the Unit member receives full salary. Thereafter, TD payments shall, at the discretion of the Unit member, be supplemented with accumulated illness leave. The Unit member's illness leave balance shall be reduced by an amount, which, when combined with the TD amount, results in the Unit member receiving full salary. The District shall issue these salary payments as salary warrants, subject to all authorized deductions.

After illness leave balances are exhausted, the Unit member may apply vacation balances to TD payments to receive full salary. After all balances are exhausted, the Unit member shall continue to receive TD payments directly from the District's Workers Compensation Administrator.

In no case shall the Unit member receive an amount in excess of full salary.

- (2) After a Unit member has been determined to be "permanent and stationary" (his/her condition will get no better and no worse), TD payments shall terminate. If able, the Unit member shall return to service. If the Unit

member, because of permanent disability, is determined to be a "Qualified Injured Worker" by the Workers Compensation administration, the Unit member may be eligible for vocational rehabilitation. During the period of time the Unit member is participating in vocational rehabilitation, he/she will usually receive Vocational Rehabilitation Temporary Disability (VRTD). VRTD payments shall be supplemented in the same manner as TD payments so that the Unit member receives full salary if his/her illness or vacation balances are sufficient.

- (3) If, after a Unit member receives final settlement in a Workers Compensation case, he/she is absent because of illness arising from the industrial accident or because of continuation of industrial illness, he/she may be eligible for Illness Leave, in accordance with section I. of this agreement.

c. Effect on Benefits.

- (1) Time on Industrial Accident Leave does not constitute a break in service.
- (2) During the entire period of leave, the District shall contribute to the Unit member's health and welfare benefits to the same extent that such contributions were made while the Unit member was in active service.
- (3) The first sixty (60) days of leave are not charged against any illness or vacation balances.
- (4) Time on leave counts toward step advancement and retirement credit; time on leave does not count toward eligibility for other leaves.

- d. Activities While on Leave. An Industrial Accident leave period is considered as beginning on the first day for which industrial illness or injury is claimed at the time the Unit member usually reports to work, extending through the last day for which illness or injury is claimed (at the time the Unit member usually departs for the day). If, between these two times, the Unit member is engaged in any gainful employment, he/she will be required to forfeit any pay paid by the District during the period the Unit member was engaged in outside employment. Such employment may also affect the Unit member's eligibility for TD or VRTD.

A Unit member on Industrial Accident Leave may not leave the State of California without the authorization of the governing board.

- e. Assault and Battery Leave. A type of industrial accident leave which is granted because of an absence due to an injury caused by an assault and/or battery suffered by a Unit member in the course and scope of his/her employment. The determination as to whether the absence is considered an assault and/or battery leave shall be the responsibility of the Human Resources Division.

- (1) Length of Leave. After approval, leave shall be granted from the first day of injury or illness and shall continue for no longer than one (1) year. If the Unit member is unable to return after one (1) year, and he/she is still eligible for Workers Compensation temporary disability or vocational rehabilitation temporary disability payments, he/she shall be placed on an Industrial Accident Leave. Otherwise, the Unit member shall be placed on any other paid or unpaid leave for which he/she can document eligibility.
 - (2) Compensation. The Unit member shall receive full pay in the classification in which he/she was serving at the time of injury during the term of the leave, but shall not include pay for any extra or hourly rate assignments the Unit member might have. If such non-regular, additional assignments are covered by another collective bargaining agreement, additional benefits may derive from that agreement. Workers Compensation temporary disability payments to the Unit member shall be supplemented so that gross pay equals the gross pay the Unit member earned while in active service. Such supplementation shall be borne by the District and shall not be charged to the Unit member's illness leave or vacation balances.
 - (3) Additional Provisions. All applicable portions of the Industrial Accident Leave section of this agreement shall apply to Assault and Battery Leaves.
 - (4) Report to Law Enforcement Agency. In accordance with Education Code section 87014, whenever any Unit member is attacked, assaulted or menaced by any student, it shall be the duty of that Unit member, and the duty of any person under whose direct supervision the Unit member is employed who has knowledge of the incident, to promptly report the same to the appropriate law enforcement authorities. Education Code section 87014 also provides as follows: failure to make the report shall be a misdemeanor punishable by a fine of not more than \$200.00. Any action by a member of the governing board or any Unit member of the District which is designed to directly or indirectly urge or influence a Unit member not to make the report shall also be a misdemeanor, and shall be punishable by a fine of not less than \$100.00 and not more than \$200.00.
 - (5) Request Procedure. The Unit member should complete the District's leave of absence request. The Division of Human Resources shall be responsible for verifying the Workers Compensation status of the Unit member. The leave shall not be approved until written verification of the report to authorities is submitted.
4. Bereavement Leave. Time off granted in the event of the death of a person defined below.
- a. Length of Leave. Bereavement leave of up to three (3) working days, or five (5) working days if out of state travel is involved, or if travel of more than two hundred (200) miles one-way is required shall be granted to a Unit member because of the death of a person in one of the following relationships:

- (1) The mother, father, grandmother, grandfather, son, son-in-law, daughter, daughter-in-law, or a grandchild of the Unit member or the Unit member's spouse.
- (2) The spouse, brother or sister of the Unit member, or any relative living in the household of the Unit member.

- (3) Those closely related by blood or marriage not mentioned above.
- (4) A close friend, fiancée, or roommate.

- b. Compensation. Full salary shall be paid for the period of the leave and shall not be charged to a Unit member's illness leave or vacation balances.

5. Family and Medical Leave.

- (1) biological, adopted and foster children under the age of 18;
- (2) anyone under the age of 18 who is treated as the employee's child;

- (5) spouse

- b. Length of Leave. Leave may not exceed twelve (12) weeks per calendar year, taken continuously or intermittently or on a reduced work schedule. Leave is not accumulative, and unused leave does not carry over from year to year. For a new child, leave must be completed within twelve (12) months after the birth, adoption or placement for foster care.

If a husband and wife both work for the District, and both are eligible for leave, the total amount of leave for the two (2) employees is limited to twelve (12) weeks, which can be divided between the two employees, if the leave is taken for birth, adoption, foster care placement, or for the care of a sick parent whose care can be split between the two employees.

- c. Compensation. No salary shall be paid during the period of the leave, however, employees may elect to take any available paid illness or vacation leaves, as appropriate, in lieu of unpaid Family and Medical leave.
- d. Effect on Benefits. Unit members on Family and Medical Leave shall be covered by the District's benefits as described in Article 10 of this agreement as if they were in paid service for the period of the leave.

Time on Family and Medical Leave does not count as service in meeting the requirements for other leaves.

- e. Request Procedure. Where appropriate, all requests must be accompanied by verification from a physician or other practitioner licensed to practice in California that the leave is required. Other forms of documentation, including but not limited to adoption papers, birth certificates and marriage certificates, required to verify the need for leave or the relationship that the Unit member has with another person, shall be provided by the Unit member upon the request of his/her supervisor.

6. Maternity Leave. An unpaid leave granted to Unit members who are pregnant.

- a. Length of Leave. A maternity leave shall be granted for any requested period during the pregnancy.
- b. Compensation. No compensation shall be paid by the District.

(2) A Unit member may interrupt maternity leave for the purpose of commencing illness leave.

c. Effect on Benefits.

 - c. Qualifying Events. The following are the events which may be used as a basis for requesting Personal Necessity Leave:
 - (1) Bereavement . The death of a mother, grandmother, father, grandfather, grandchild of the Unit member or of the spouse, mother-in-law, father-in-

cited in the notification; however, the reason, its sufficiency and its necessity shall not be subject to the provisions of Article 18, Grievance Procedure.

2. **Administrative Reassignment.** When a College President or a Division Head determines that a Unit member's reassignment is required for the good of the college or division, the Unit member shall be informed in writing of the need for the reassignment, the position to which the Unit member will be reassigned, and the effective date of the reassignment. This notification shall be made no later than thirty (30) days prior to the effective date of the reassignment unless business necessity makes such notification impracticable. The specific reason for the reassignment shall be cited in the notification, however, the reason, its sufficiency and its necessity shall not be subject to the provisions of Article 18, Grievance Procedure. Within ninety (90) days of reassignment, the Unit member shall be given a new duty statement. The Unit member shall be provided training or retraining, as determined by the District, needed to meet the scope of the new duties.
3. A Unit member who is in a classification, which has positions, authorized at more than one (1) location may request a voluntary transfer in accordance with procedures developed by the District. Where an opening exists in his/her classification, the Unit member shall be considered for the position and shall be offered an interview.

D. Duty Statement. Within ninety (90) days of transfer or reassignment (voluntary or involuntary), the Unit member shall be issued a duty statement in accordance with the provision of Article 7, Class Specification and Duty Statement, of this Agreement. Every reasonable effort shall be made to provide the Unit member with such duty statement as close to the effective date of transfer or reassignment as possible. See Appendix A.

The grievance procedure is not for the adjustment of complaints relating to the following:

1. Any and all matters relating to the selection, hiring, or promotion of employees.
2. Suspensions, demotions, dismissals subject to the provisions of the Education Code, and letters of reprimand which are not part of the official Personnel File.

4. The review of a written, open, non-confidential reference submitted in conjunction with a selection or evaluation of a Unit member for a position.

6. Denial of a request for a permissive leave.
7. Safety issues including but not limited to alleged violations of Article 17 of this Agreement.
8. Alleged violations of Article 5, Board of Trustees Rights and Responsibilities, of this Agreement.

A. Definitions.

1. **Grievant.** A grievant is a member or group of members of the Unit.
2. **Group Grievances.** Grievances of a similar or like nature may be joined as a single grievance upon the written consent of the grievants involved. Should the grievants so consolidate, the final grievance decision shall be binding upon all parties to the consolidated grievance. Such consolidated grievances may be carried through the process by one designated Grievant or by the Union.
3. **Unit Member.** A District employee in the LACCD Administrators' Association/Teamsters Local 911 Unit.

4. **Respondent.** The management employee who has the authority to adjust the complaint or grant the remedy sought.
5. **Representative.** Any employee of the Los Angeles Community College District designated by (a) the Union to represent a grievant(s) or (b) the District or College manager to represent a respondent.
6. **Work Day.** Any day of the calendar year, except Saturdays, Sundays and legal or school holidays, within the grievant's assignment period.
7. **Time Limits.** Time limits contained in the grievance process shall be followed by both parties unless they are extended by mutual agreement.
8. **Mediation.** Mediation is defined as a formal process agreed upon by and including the parties to resolve grievances to avoid arbitration. The goal is to resolve the grievance at the lowest possible level in the shortest amount of time at the lowest cost to the parties.

B. General Provisions.

1. The Unit member initiating the grievance may elect to represent him/herself at any step in the grievance process and/or, be accompanied by a Union representative. However, no party may be represented by attorneys at steps one (1) or two (2). If the representative is a Union representative he/she shall serve without loss of pay. Prior approval for absence from regular duties shall be granted by the appropriate supervisor to the grievant and his/her representative.
2. Any level of review may be waived, extended, shortened or revert to a prior step by written agreement between the grievant(s), the Union and the District.
3. Before any formal written grievance is filed, the Grievant should make a good faith effort to discuss his/her complaint with his/her immediate supervisor in an effort to resolve the matter.
4. If the matter is not resolved informally, the Grievant may then proceed with a formal grievance.
5. Any investigation or other handling or processing of any grievance by the grieving employee(s) shall be conducted so as to result in minimal interference with, or interruption of, any work activities of the grieving employee(s) or of the staff.
6. Grievance meetings and/or hearings shall be scheduled at mutually convenient times and places during District business hours. The parties to the grievance and their representatives shall attend grievance meetings and/or hearings without loss of pay.
7. The respondent shall inform the grievant of any limitation upon his/her authority which would prevent full resolution of the grievance and shall direct the grievant(s) to the person who has the authority to resolve the grievance.

8. If a grievance is not processed by the grievant at any step in accordance with the time limits of this Article, it shall be deemed withdrawn and conclude the grievance. If the Respondent fails to respond to ~~act upon~~ the grievance in a timely manner at any step, the running of its time limit shall be deemed a denial of the grievance and termination of the step in question, and the Grievant may proceed to the next step.
9. The filing or pendency of a grievance shall not delay or interfere with implementation of any District action during the processing of the grievance unless the parties agree to the contrary.

C. The Grievance Process.

1. **Step One.** Within twenty (20) days after any specific or documented incident upon which the grievance is based, the grievance must be presented in writing on the District's Grievance Form to the appropriate Vice President. If the grievance involves a disagreement or dispute between the Unit Member and his or her immediate supervisor, then the next line of authority shall hear the grievance.
 - a. The Unit Member shall (a) write a clear and concise statement of the incident, including the names of the parties involved, which led to the grievance, (b) identify the specific section of the Agreement that was allegedly violated; and (c) provide a desired remedy.
 - b. A meeting between the Grievant and the Respondent or his/her designee, shall take place within ten (10) work days from the date the grievance was received by the Respondent. The Grievant shall be responsible for making the appointment and the Respondent or his/her designee shall be responsible for meeting within the ten (10) work days, unless agreement is reached (in writing) to extend this time limit. The Respondent or his/her designee shall respond in writing to the Grievant within five (5) work days following the date of the meeting. The decision shall contain a clear and concise statement explaining the reason for the decision.

If the respondent in this step is the Chancellor, Step Two is waived, and the grievant may elect to proceed in accordance with the procedures for Step Three.

2. **Step Two – Grievance Appeal.** If the grievance is not resolved in Step One, the Grievant may appeal the Respondent's decision, within ten (10) days after the receipt of the decision. The Unit Member shall present the original written grievance to the next level of authority with a copy of the written decision from Step One. The grievant shall notify the Respondent of his/her action as part of Step Two.

Within ten (10) work days of receipt of the Grievance Appeal, a meeting shall take place between the grievant and the Step Two authority or his/her designee. The Grievant shall be responsible for making the appointment with the Step Two authority, or his/her designee. The Step Two authority, or his/her designee, shall be responsible for meeting within ten (10) work days, unless a written agreement is

reached to extend this time limit. The Step Two authority, or his/her designee, shall reply to the Grievant in writing within ten (10) work days following the date of the meeting. The decision shall contain a clear and concise statement explaining the reason for the decision.

A copy of the reply shall be sent to the Chancellor, each of the parties, the Office of Employer/Employee Relations and the Step One authority.

3. **Step Three – Second Grievance Appeal.** If the grievance is not resolved at Step Two, the Grievant may, within ten (10) days after the receipt of the decision in Step Two, present the original written grievance to the College President. If the Respondent in Step Two was the College President, the Grievant may forward the Grievance to the Vice Chancellor of Human Resources, who shall serve as the Step Three Respondent. The Grievant shall present the original written grievance, copies of the Step One and Step Two decisions, and his/her reasons for appeal to the President (or Vice Chancellor). The Grievant shall be responsible for making the appointment with the College President (or Vice Chancellor). Within ten (10) days, a meeting shall take place to discuss the matter. Due to the objective of resolving the matter in a timely fashion, no extension of time shall be entertained unless the College President (or Vice Chancellor) is unavailable. The College President (or Vice Chancellor) shall reply in writing within ten (10) work days following the meeting. The decision shall contain a clear and concise statement explaining the reason for the decision.
4. **Step Four – Request for Arbitration Hearing.** If the Grievant is not satisfied with the decision at Step Three, he/she shall consult with the Union and the Union may choose to submit the matter to the Office of Employer-Employee Relations for a hearing. Any requests for Arbitration shall be made in writing within ten (10) days after the final decision in Step Three.

A copy of this written request, along with the original grievance and all decisions made under Steps One, Two and Three, must be forwarded by the Union to the Step One, Step Two, and Step Three authorities.

5. **Selection of an Arbitrator.** The Office of Employer-Employee Relations and the Union President (or his/her designee) shall agree on an arbitrator. Each party shall nominate potential arbitrators until both parties agree on the arbitrator to hear the matter.
6. **Limitations Upon the Arbitrator.** The arbitrator shall have no power to add to, subtract from, disregard, alter, or modify any of the terms of this Agreement. The arbitrator shall have no power to grant a remedy in excess of that sought by the grievant. The Arbitrator shall have no power to render recommendations. The arbitrator's decision shall be limited to specific findings regarding the alleged misinterpretation, misapplication or violation of the Collective Bargaining Agreement or a written rule, regulation, policy or procedure of the Los Angeles Community College District.

- a. **Governing Law.** The hearing shall be conducted in accordance with Government Code section 11513; no other section of the Administrative Procedures Act shall apply to this hearing procedure.
- b. **Privacy.** The hearing shall be private with attendance limited to the parties to the grievance and their representative(s), if any, witnesses while testifying, and representatives from the Office of Employer-Employee Relations.
- c. **Coordination Duties.** The Office of Employer/Employee Relations shall be responsible for the arrangements of the hearing, the recording of the proceedings, the maintenance of records, and any other services required by the arbitrator to assist him/her in carrying out his/her duties.
- d. **Preservation.** The hearing shall be tape recorded. The parties shall have access to the tape recordings. A transcript of the proceeding shall be prepared at the request of either party or of the arbitrator. The cost of the transcript shall be borne by the party requesting it, except that the cost shall be shared by the parties if the arbitrator requests the transcript.
- e. **Witnesses.** The parties shall exchange lists of proposed witnesses not later than five (5) working days prior to the first day of the hearing. Either party may request the presence of witnesses and the production of records. The hearing officer shall have the authority to cause the appearance at the hearing of any District employee without that employee losing pay. The hearing officer shall have the authority to require the parties to produce records relevant to the hearing.
- f. **Evidence.** Representatives for the parties shall exchange all documents at least ten (10) work days prior to the first day of the hearing if such documents and/or materials are to be entered as evidence during the hearing to give each party notice and opportunity to prepare.
- g. **Expenses.** The District and the Union will share equally the payment of the services and expenses of the arbitrator (hearing officer). Each party shall bear the expense off the presentation of its own case.
- h. **Arbitrator's Authority and Decision.** The arbitrator's decision shall be based solely and exclusively on the documentary evidence presented, the testimony of witnesses, and the arguments presented by the parties and the hearing record. The arbitrator shall have the authority to recommend the payment of salary only if the grievant rendered service for which he/she was not paid.
- i. **Findings.** The arbitrator shall render written findings, conclusions and decisions within sixty (60) days of the termination of the hearing. The arbitrator's decision shall be limited to specific findings regarding the alleged misinterpretation, misapplication or violation of the Collective Bargaining

Agreement or a written rule, regulation, policy or procedure of the Los Angeles Community College District. The findings, conclusions, and recommendations shall be sent to the Grievant, the Union and the District. The decision rendered by the arbitrator shall become final and binding upon the Grievant(s), the District, and the Union and shall constitute the final administrative remedy available to the Grievant.

7. **Grievance Files.** The District's Office of Employer-Employee Relations shall maintain a file of all grievance records and communications separate from the personnel files of the Grievant(s), and grievance documents and decisions shall not be included in the personnel file, except to the extent provided by the final decision.

ARTICLE 19, TEMPORARY FORMAL / INFORMAL ASSIGNMENT: COMPENSATION

A. Definitions.

1. Temporary Formal Assignment. A temporary formal assignment is one where the unit member's personnel record has been modified as a result of a request duly authorized by an agent of the Board of Trustees, resulting in a personnel action ratified by the Board to reflect a change in assignment from one classification in the bargaining unit to another classification at a higher rate of pay in the bargaining unit for the purpose of performing the duties and carrying out the responsibilities of that position.
2. Temporary Informal Assignment. A temporary informal assignment is one where the unit member has been assigned on an unofficial basis to perform all or part of the duties of the position of another unit member and the unit member's personnel record has not been modified.

- B. Compensation.** A temporary informal assignment may not exceed twenty (20) consecutive working days. The pay rate for unit members in temporary informal assignments shall not change.

A temporary formal assignment shall be processed after the unit member has performed the duties of the position for twenty (20) consecutive working days. A unit member shall receive compensation for a formal assignment at the rate of pay for the classification in which he/she is temporarily working beginning with the twenty-first day of the performance of duties of the position. The unit member must assume all of the duties of the position in order to have a temporary formal assignment and to receive pay at the rate of the higher classification.

If the unit member believes that he/she is eligible for a temporary formal assignment under the terms of this Article, and such an assignment has not already been made, the unit member must request that the assignment be made. If the unit member is to receive retroactively the higher rate of pay, such request must be made no later than thirty (30)

working days from the date that the unit member assumed the duties of the new assignment. In the absence of the processing of a temporary formal assignment and of a timely request for such formal assignment, there shall be no retroactive pay awarded. If a request is made after thirty (30) working days, then, after approval by management, pay at the higher rate shall commence effective the date the request was made. The determination whether a formal assignment is appropriate shall be within the sole discretion of District management.

C. Night Duty and/or Weekend Duty

When a unit member is called upon to work evenings and/or weekends, his/her supervisor will give reasonable notice to the Unit member and consider input from the employee before confirming the work schedule.

ARTICLE 20, PERSONNEL FILE

A. Definition. A personnel file is the official record of the employee's work history with the District. It may include, but not be limited to the following: employment application, resume, performance evaluations, letters of recommendation or commendation, counseling letters, reprimands, other work related documents that have been shared with or generated by the employee, and employ responses to any documents in the file.

The District's Office of Employer-Employee Relations shall maintain a file of all grievance records and communications separate from the personnel files of the Grievant(s), and grievance documents and decisions shall not be included in the personnel file.

B. Placing Materials in the Personnel File. Materials may be signed, dated and placed in the file by the appropriate administrator. Prior to placing any material in a Unit member's file, the employee shall be given a copy. The Employee may attach his/her own statement to any material placed in the personnel file.

C. Removing Adverse Materials from the Personnel File. Adverse material which has been placed or will be placed in an employee's personnel file shall not be retained in that file for more than four years after original receipt of the materials unless the employee asks that the material be retained.

D. Viewing the Personnel File

1. A Unit member and/or Union representative shall have the right, at any reasonable time, to inspect a personnel file at the college and/or at the District office.
2. The Unit member may elect to have a Union representative accompany him/her to inspect the personnel file.

3. The Unit member shall have the right to give written consent to a Union representative to inspect the Unit Member's personnel file.

The Los Angeles Community College District
and
the Los Angeles College Faculty Guild, AFT Local 1521,
the AFT College Staff Guild, Los Angeles, AFT Local 1521A,
the Los Angeles City and Counties School Employees Union, SEIU Local 99,
the Los Angeles/Orange Counties Building and Construction Trades Council,
the Supervisory Employees Union , SEIU Local 721; and
the Public, Professional and Medical Employees Union of
the California Teamsters, Local 911
Regarding
Hospital-Medical, Dental, Vision Group Coverage,
Group Life Insurance Coverage, and
the District's Employee Assistance Program

The Los Angeles Community College District (the “District”) and the exclusive representatives of the District’s employees (the Los Angeles College Faculty Guild, AFT Local 1521; the AFT College Staff Guild, Los Angeles, AFT Local 1521A; the Los Angeles City and County School Employees Union, SEIU Local 99; the Los Angeles/Orange Counties Building and Construction Trades Council; the Supervisory Employees Union, SEIU Local 347; and the Public, Professional and Medical Employees Union of the California Teamsters, Local 911—hereinafter collectively referred to as the District’s “Exclusive Representatives”) agree to the following provisions regarding the District’s Health Benefits Program, group life insurance coverage and employee assistance program. This agreement is intended to replace all existing agreements between the parties on the subject of the District’s Health Benefits Program as defined in this agreement, as well as the District’s group life insurance coverage and employee assistance program, and for that reason shall, notwithstanding anything to the contrary in any of the individual agreements between the District and its Exclusive Representatives, entirely supersede all previously negotiated agreements between the parties with respect to those subjects:

I. Health and Related Benefits Program for Active Employees and their Dependents and Survivors

- A. Health Benefits Program.** The District’s "Health Benefits Program" consists of group benefit plans recommended by the Joint Labor/Management Benefits Committee and approved by the Board under which eligible District employees (and their eligible dependents) receive hospital, medical, dental, and vision care coverage. The purpose of the Health Benefits Program is to provide quality health care to the District’s employees, retirees, and their eligible dependents and survivors.

- 1. Eligibility.** Each of the following employees and his or her dependents and survivors are eligible to receive benefits and enroll in plans under the Health Benefits Program once the District has verified the employee's, dependent's or survivor's eligibility under this agreement:
 - a. Every member of a classified bargaining unit who is employed at least half time as either a probationary or regular classified employee.
 - b. Every faculty member who is employed at least half-time in one or more monthly rate assignments.
 - c. Every member of the administrators' bargaining unit who is employed at least half time.
- 2. Dependents.** Dependents who are eligible to enroll in plans under the Health Benefits Program include an eligible employee's:
 - a. Spouse.
 - b. Qualified domestic partner as specified in Appendix I.
 - c. Unmarried dependent children under age 19.
 - d. Unmarried dependent children age 19 through 25 who are full-time students at a college or university.
 - e. Unmarried dependent children (not otherwise eligible under subsection 2.c or 2.d, above) without regard to age who are physically or mentally incapacitated, and who are being claimed as dependents on the employee's federal income tax returns. (However, a dependent's coverage under this subsection must be a continuation of his or her coverage under the Health Benefits Program and, if there is ever a break in coverage, the dependent shall not be eligible to re-enroll.)

As used in this section, the term "dependent children" means an employee's natural children, step-children, legally adopted children, foster children, and the dependent children of a domestic partner only.

- 3. Survivors.** Upon the death of an active employee, the District shall deem the employee to have resigned from District employment on the date of his or her death and to have begun receiving a retirement allowance whether or not the employee was in fact old enough to retire. If, based on that premise, the employee would have been eligible to continue his or her participation in the hospital and medical plans available to active employees under Section III below, Article III of this Agreement shall be applicable to the employee's survivors as if they were survivors of a retiree. For that purpose, references to survivors of retirees in Section III shall be deemed to refer to those individuals.

4. Enrollment. Verification of eligibility, and enrollment or re-enrollment in plans shall be administered as follows:

a. Initial Enrollment. Upon employment, each new employee who is eligible to enroll in plans under the Health Benefits Program shall receive complete information regarding the District's Health Benefits Program, and may enroll in hospital, medical, dental, and vision care plans at any time, except that enrollment in the Premium Only Plan described in Section II can only take place during the designated time periods. If the District receives the employee's enrollment forms on or before the 15th day of the calendar month, the District shall process the forms so as to make coverage effective on the first day of the following calendar month, otherwise coverage shall become effective on the first day of the second calendar month following the District's receipt of the forms.

b. Re-enrollment Following a Break in Coverage. Following a break in coverage for any reason other than an error by the District, an eligible employee may re-enroll in hospital, medical, dental, and vision care plans at any time. However, unless re-enrolling during an open enrollment period, the employee must re-enroll in the same plan he or she was enrolled in when his or her previous enrollment ended. If the District receives the employee's re-enrollment forms on or before the 15th day of the calendar month, the District shall process the forms so as to make coverage effective on the first day of the following calendar month, otherwise coverage shall become effective on the first day of the second calendar month following the District's receipt of the forms.

c. Open Enrollment. There shall be an open enrollment period each enrollment year during which eligible employees may change plans. The District shall establish and announce the dates of such open enrollment period, and shall mail open enrollment materials to employees fourteen or more days before the beginning of the open enrollment period. If an eligible employee requests a change of plan, he or she shall continue to be covered under his or her existing plan until coverage under the new plan can be instituted.

d. Changes in Enrollment Other Than During Open Enrollment. Once enrolled in a plan, employees are generally barred from changing their enrollment except during an open enrollment period. Nevertheless, changes may be made under the following circumstances:

(1) Any employee who is enrolled in a closed panel plan and who changes his or her permanent residence to a location that is outside the service area of the plan may, by submitting a timely application to the District, change his or her enrollment to a plan that provides service in the area of his or her new permanent residence without a break in coverage. To be timely, the application for a change in enrollment must be received by the District within ninety (90) days after the employee established his or her new permanent residence.

- (2) Any employee who is enrolled in a closed panel plan and who, during an approved study, retraining or sabbatical leave of absence of sixty (60) days or more, temporarily relocates to a location that is outside the service area of the plan may, by submitting a timely application to the District, temporarily change his or her enrollment to a plan that provides service in the area in which he or she will be temporarily located. To be timely, the application for a temporary change in enrollment must be received by the date on which the employee's leave commences.
 - (3) Any employee whose enrollment in a plan is terminated at the request or option of the plan provider for any reason other than non-payment of premium may enroll in another plan without a break in coverage by submitting a timely application to the District. To be timely, the application for a change in enrollment must be received by the District within ninety (90) days after the employee's enrollment was terminated.
 - (4) Finally, any employee who has had a "qualified life event" as defined by Sections 125 and 129 of the Internal Revenue Code may change his or her eligible dependents by submitting a timely application to the District. To be timely, the application for a permissible "qualified life event" change must be received by the District within thirty-one days of the qualifying event.
- e. Mandatory Re-enrollment During Open Enrollment.** The District, upon recommendation of the JLMBC, may designate any open enrollment period as a mandatory enrollment period during which every eligible employee must re-enroll for himself or herself and for each of his or her eligible dependents. If an employee fails to re-enroll during any such mandatory enrollment period, his or her enrollment in hospital, medical, dental, and vision care plans shall end at the beginning of the next plan year. In that event, the employee may, if he or she remains eligible, re-enroll in plans at any time and the District shall verify his or her eligibility and process the employee's re-enrollment forms as if they were initial enrollment forms— i.e. if the District receives the re-enrollment forms on or before the 15th day of the calendar month, it shall process them so as to make coverage effective on the first day of the calendar month following receipt of the forms, otherwise coverage shall become effective on the first day of the second calendar month following the District's receipt of the forms.
- 5. District Contribution Towards Premiums.** Eligible employees shall be entitled to the District's contribution towards the premium costs of the plans in which they and their dependents are enrolled if:
- a.** the eligible employee was in paid status during the calendar month preceding the month during which benefit coverage is effective and received at least one-half of the pay he or she would have earned had he or she received pay for full-time work; or
 - b.** the eligible employee, even though not in paid status, is on a formal illness leave of absence for a period of not more than eighteen months.

- c. a specific section of the collective bargaining agreement applicable to the employee (for example, a section specifying compensation during certain leaves) explicitly provides for his or her entitlement to the District's contribution.

For the purposes of Section 5.a, every eligible employee, other than a temporary monthly-rate faculty member, shall be deemed to be in paid status during any recess or intersession if he or she is scheduled to return to paid status in his or her position at the end of the recess or intersession. A temporary monthly-rate faculty member shall be deemed to be in paid status during any recess or intersession if, before the beginning of the recess or intersession, he or she is assigned to a position at any district location that will render him or her eligible for benefits and is scheduled to return to paid status in that position at the end of the recess or intersession.

- 6. **Payment of Premiums During Unpaid Leaves.** Eligible employees who have been granted an unpaid leave of absence and who are therefore not entitled to the District's contribution towards the premium costs of the plans in which they and their dependents are enrolled may continue to receive benefits under the Health Benefits Program by paying the District in advance for the full monthly premium of the plans. The amount of the reimbursement shall be determined by dividing the annual premium for the plans by twelve and multiplying the result by the number of months of leave during which the employee will not be entitled to the District's contribution towards premium costs.

Payment must be made by check or money order made payable to the District, and may be made in monthly installments.

Should an employee fail to make a payment required by this section, coverage shall terminate at the end of the month for which the last payment was received. Should the District terminate an employee's coverage in error, it shall reinstate the employee's coverage as soon as the error is discovered and, at the employee's option, either issue the employee a refund of the amount he or she paid for the months during which he or she did not receive coverage, or extend the employee's coverage for an equivalent period.

- 7. **Continued Eligibility and Payment of Premiums Following Layoff or Furlough.** Notwithstanding anything in Sections I.A.1 and I.A.6 to the contrary, employees who have been furloughed shall remain eligible to receive benefits under the Health Benefits Program, and shall continue to be entitled to the District's contribution towards the premium costs of the plans in which they and their dependents are enrolled, during the period of their furlough. Furthermore, employees who have been laid-off shall remain eligible to receive benefits, and shall continue to be entitled to the District's contribution towards the premium costs of their plans, according to the following table:

Years of Service	Months of Continuation Following Layoff
1-5	2 months
6-10	4 months
11 or more	6 months

A furlough is a temporary lay-off for a specified period with a definite return date. A layoff is a separation from regular service for lack of work or lack of funds, or because of a reduction in force.

These rules for furlough and lay-off do not apply to employees who are in temporary or limited status or classified specially funded program (SFP) status unless they hold regular or permanent status in another position in the District.

8. Conditions of and Limitations on Eligibility and Coverage.

- a. Employees and their dependents may not be enrolled in more than one District sponsored plan at any one time. For that reason, an employee may be enrolled in a plan in his or her own capacity as an employee, or as a dependent of another employee, but not simultaneously in one plan as an employee and in another plan as a dependent. Likewise, children or other individuals who qualify as dependents may be enrolled in a plan only once as a dependent, not simultaneously in one plan as a dependent of one employee and in another plan as a dependent of another employee.
- b. Every employee (or in the event of his or her incapacity, the employee's representative or agent) shall report any event or change of circumstance that has an effect on the administration of coverage under the Health Benefits Program. Such events or changes include, but are not limited to, change of address or telephone number, marriage, divorce, dependent's loss of eligibility, death of the employee, or death of a dependent.

9. COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985). Once an employee who has enrolled in a plan under the Health Benefits Program becomes qualified for COBRA benefits, the District shall ensure that he or she is given the opportunity to continue coverage under the Health Benefits Program pursuant to COBRA in the manner prescribed by federal law.

10. If the internal responsibility for the administration of the Health Benefits Program is changed because responsibilities among the administrative units of the District are reorganized, notice of that change shall be given to the exclusive representatives within thirty days.

11. Health Care Legislation. In the event that new health care legislation is enacted and the District is required to implement a plan pursuant to such legislation, the District and the Exclusive Representatives shall consult in order to assess the effects of such legislation.

12. Pre-funding Retiree Health Benefits Costs. The District has established and will maintain a Trust with the California Public Employee's Retirement System (CalPERS) to prefund retiree health benefit costs for all eligible fulltime

employees. The Trust is funded with annual contributions to the trust of 1.92% of the total full time salary expenditures in the district. Additionally the District will direct an amount equivalent to all of the Federal Medicare Part D subsidy returned to the District each year into the trust fund. Funding from both of these sources commenced with fiscal year 2006-07 and the initial contribution will be the accumulated amount of **\$12,245,929.16** for fiscal years 2006-07 and 2007-08.

An annual report of the status of the Trust will be made each year.

Annual funding of the Trust from both these sources shall continue until/unless the parties agree otherwise due to changes in the healthcare landscape which make prefunding no longer necessary. Should that prove to be the case the 1.92% of the total full time salary expenditures will be placed on the salary schedules of all full time employees, effective the end of the payroll month that the decision is made to no longer fund the trust.

- B. Group Life Insurance Program.** The District's group term life insurance program shall be continued for the duration of this Agreement subject to modification based on the recommendations of the Joint Labor Management Benefits Committee and approval of the Board.
1. All active employees eligible for benefits under Section I.A.1 of this Agreement shall be eligible for group term life insurance benefits under the program.
 2. The limits of coverage under the program shall be \$50,000, however, employees age 70 or above shall receive coverage equal to an amount equal to the greater of the minimum amount required by Federal Law or 50% of the amount in force immediately prior to his or her 70th birthday. This reduction shall take place on the premium date coincident with or immediately following his or her 70th birthday.
- C. Employee Assistance Program/ Wellness Services.** The District shall make available to all active employees (including those who are not eligible for benefits under Section I.A.1 of this Agreement) employee assistance and wellness services. The services shall help employees deal with problems that might adversely impact their work performance, health, and well-being and shall include assessment, short-term counseling, informational resources and referral services. Such services hold the same level of privacy/confidentiality as other medical services. Modification to the employee assistance and wellness services may be recommended by the Joint Labor Management Benefits Committee to the Board of Trustees.
- D. Tax Sheltered Retirement Plans.** The District shall continue its voluntary salary reduction agreement program under which employees may contribute to tax sheltered retirement plans under Internal Revenue Code Sections 403(b) and 457. The process for selecting third-party administrators (TPAs) for these plans shall include the issuance of a formal request for proposals by the District, review of the responses by a task group consisting of representatives of the District and the Exclusive Representatives, and selection of TPAs based on the recommendation of the task group.

A list of the 403b vendors and enrollment forms available through our District can be found at www.403bcompare.com. or via a link on the District's web site.

- E. IRC 125 and 129 Plans.** The District shall continue its voluntary flexible spending account plan covering medical and dependent care expenses under Internal Revenue Code Sections 125 and 129.

II. Health Benefits Program for Part-time Temporary Faculty¹ and Temporary Adjunct Faculty

The District shall provide eligible part-time temporary faculty and temporary adjunct faculty members access to its hospital/medical, vision and dental group coverage plans as provided in this Section beginning in Plan Year 2006. Access to the District life insurance plan is not included. When an employee is eligible, he or she will have access via either of two methods: District Contribution and Premium Only Plan (see. Section II. A. below), or No District Contribution--Access Only (see Section II. B. below).

A. District Contribution and Premium Only Plan

- 1. Eligibility.** A part-time temporary faculty member or temporary adjunct faculty member is eligible to receive access to hospital/medical group coverage, except the District life insurance plan, under this section if he or she has been assigned and working as a part-time temporary faculty member or temporary adjunct faculty member in the District and meets the eligibility requirements below:
 - a.** Be assigned to a .33 (or higher) FTE temporary (limited or long term substitute) or adjunct faculty load in the District to count towards eligibility for this plan.
 - b.** Open but inactive assignments - no work, no pay - do not constitute employment in this context. Should the faculty member have an adjunct assignment in another community college district, verification denoting the FTE of the assignment is to be provided to the District.
 - c.** Have completed at least a .2 FTE part-time temporary faculty member or temporary adjunct faculty position in the District during three or more semesters out of the previous eight consecutive semesters.
 - d.** Sign an affidavit (developed by the District) that he or she is not eligible for hospital/medical coverage through another employer and provide this eligibility verification at the start of each academic year.
 - e.** Participate in the District's "premium only plan" (POP) under the terms of Internal Revenue Code Section 125, so that the employee's contribution to

¹ This refers to those part-time temporary faculty who are employed less than half time in one or more monthly rate assignments. Faculty serving in a .50 (or higher) FTE temporary monthly rate assignment as a limited or long term substitute instructor are eligible for full benefits for the duration of that assignment and should refer to Section I of this Agreement regarding their eligibility requirements.

the District sponsored hospital/medical, vision, and dental group plans will be deducted, pre-tax, from salary warrants. The amount of the employee's contribution toward the premiums, for the hospital/medical plans, along with any possible premiums for vision, and dental group plans paid for by the employee must not exceed his or her net take home pay each month, otherwise the employee is not eligible to participate in or continue to participate in the POP.

- f. District Contribution.** If criteria a–e above are met, the District will contribute \$180 toward the total monthly cost of the part-time temporary faculty member or temporary adjunct faculty member's medical premium only.
- g. Term and Conditions of Coverage.** A part-time temporary faculty member or temporary adjunct faculty member who was eligible for coverage and who has prepaid the premium(s) via the POP for the entire Spring and Fall semesters of any plan year shall remain eligible for coverage during the time between the end of that Spring semester and the beginning of the subsequent Fall semester contingent upon verification of continued eligibility. The premium payments shall equate to twelve months coverage and shall be deducted from ten monthly pay periods for each twelve-month coverage period.
- h. Enrollment.** Eligible employees may enroll at each 6-month cycle but an employee who becomes ineligible cannot reenroll until the start of the next annual cycle because of the conditions set by the IRC 125 plan year rules.
- i.** If any provision herein regarding the premium-only plan conflicts with the Internal Revenue Code, the latter will prevail and the conflicting provision will be nullified.

2. Premiums.

- a.** To receive medical plan coverage under this agreement, an eligible part-time temporary faculty member or temporary adjunct faculty member must, in advance and in accordance with applicable District procedures, agree to participate in the POP for a period of a plan year, contingent upon verification of continued eligibility, and pay the balance of the premium, minus the District contribution of \$180 per month towards the medical premium.
- b.** To participate in the District's vision and dental plans, the eligible adjunct faculty member will agree to participate in the POP and pay all of the premium(s). The adjunct faculty member agrees that premiums will be deducted, pre-tax, from the faculty member's monthly salary warrants as described in Section II.A.1.e above.
- c.** A part-time temporary faculty member or temporary adjunct faculty member's coverage (with a District contribution) shall cease immediately upon his or her failure to pay the balance of the required insurance premium(s) in accordance with District procedures. The faculty member's

deductions for the required payments will be made for the last working day of each month preceding the month in which coverage will be effective.

- d. New enrollment, or reenrollment, will only occur during the district “open enrollment” period and will become effective the following semester.
3. **Extension of Coverage.** Any extension of coverage, at the adjunct faculty member's own expense, subsequent to termination of employment with the District, shall be in accordance with applicable state and/or federal law.
4. Colleges will make every effort to report information regarding adjunct faculty assignments to the district’s Benefits Section by the deadline for enrollment. If an eligible adjunct is denied coverage in error, the district will cover its portion of the premium costs retroactive to the date of the adjunct’s eligibility up to the start of the plan year.

B. No District Contribution—Access Only

Part-time temporary faculty member or temporary adjunct faculty members who meet the eligibility requirements in sections B.1 through B.3 below and who prepay the cost of a full year’s coverage (in ten equal installments, paid monthly September through June representing a full year’s coverage) of the premium(s) via payroll deduction or electronic fund transfer shall be eligible to participate in the District’s medical and/or dental and/or vision plans.

1. Be assigned to at least a .2 FTE part-time temporary faculty member or temporary adjunct faculty position in the District during the semester for which coverage is requested. Only District service shall count toward eligibility for this plan. Open but inactive assignments—no work, no pay—do not constitute employment in this context.
2. Have completed at least a .2 FTE part-time temporary faculty member or temporary adjunct faculty position in the District during three or more semesters out of the previous eight consecutive semesters.
3. Sign an affidavit (to be developed by the District) that he or she is not eligible for hospital/medical coverage through another employer and provide this eligibility verification at the start of each academic year.

MOU. All provisions, not contrary to statute or the terms of this Agreement, of the Memorandum of Understanding between the parties signed June 24, 1999 relating to part-time health benefit coverage shall remain in effect.

Reopener. The parties may mutually agree that Section II, Health Benefits for Adjunct Faculty, be reopened for further negotiations after one year.

III. Health Benefits for Retirees, their Dependents and Survivors

- A. **Hospital-Medical, Dental and Vision Benefits.** Eligible retirees and their eligible dependents and survivors shall have the right to continue their participation in the Health Benefits plans available to active employees, subject to the terms and conditions of this Agreement. Nothing in this Agreement, however, shall be

construed as conveying any vested right to any particular plan, plan design, or plan component. The terms of the District's Health Benefits Program, as well as the plans available under the Program, remain subject to alteration by action of the Joint Labor/Management Benefits Committee or any future agreement between the District and its Exclusive Representatives.

B. Eligibility. A retiree who is eligible to continue his or her participation in the health benefits plans which are available to active employees is one who has retired from District service under the rules of the Public Employees Retirement System (PERS) or the State Teachers Retirement System (STRS), who is receiving a retirement allowance from that system, and who:

1. —for employees whose most recent uninterrupted District employment began before February 11, 1992—has rendered continuous paid service to the District in a “qualifying position” for three or more years immediately preceding his or her retirement; and—for employees whose most recent uninterrupted District Employment began before July 1, 1998—has rendered continuous paid service to the District in a “qualifying position” for seven or more years immediately preceding his or her retirement; or
2. —for employees whose most recent uninterrupted District employment began on or after July 1, 1998—has rendered continuous paid service to the District in a “qualifying position” for ten or more years immediately preceding his or her retirement; provided, however, the employee received district paid benefits each month during the 39 months immediately preceding his or her retirement.

For the purposes of this section, a “qualifying position” is any position that made the employee eligible to enroll in plans under Section I above, except those who are in temporary or limited status or classified specially funded program (SFP) status unless they hold regular or permanent status in another position in the District.

Employees who have been assigned and have served continuously (without a break in service) in a specially funded program (SFP) for 20 years shall vest in the retiree benefits provided they meet the eligibility requirements in III B 1. or 2. above.

In addition, no absence from the service of the District under any paid leave of absence, or any unpaid leave of absence, or layoff of thirty-nine (39) months or less, shall be deemed a break in the continuity of service required by this section. An individual shall be deemed to have “retired from District service” if the effective date of his or her retirement under PERS or STRS is no later than the day after his or her resignation from District employment.

(This language, although it differs from the eligibility language that appeared in prior agreements between the parties, reflects the parties existing interpretation of that language and is declarative of the parties’ original intent.)

C. Dependents and Survivors. To qualify as a dependent or survivor who is eligible to continue his or her participation in the hospital and medical plans available to active employees—

1. a dependent or survivor must be an eligible retiree's:
 - a. spouse on the date of retirement* from District service;
 - b. qualified domestic partner as specified in Appendix I, on the date of retirement* from District service;
 - c. unmarried dependent child under age 19;
 - d. unmarried dependent child age 19 through 25 who is a full-time student at a college or university; or
 - e. unmarried dependent child (not otherwise eligible under subsection 1.c or 1.d, above) without regard to age who is physically or mentally incapacitated, and who is being claimed as a dependent on the retiree's federal income tax returns. (However, a dependent's coverage under this subsection must be a continuation of his or her coverage under the Health Benefits Program and, if there is ever a break in coverage, the dependent shall not be eligible to re-enroll under this subsection.)

As used in this section, the term "dependent children" means an employee's natural children, step-children, legally adopted children, foster children, and the dependent children of a domestic partner only.

—and—

2. a dependent may not be enrolled in any plans other than those under which the retiree is covered, or in the case of any survivor, the survivor must have been enrolled in plans as a dependent at the time of the retiree's death.

D. Limitations on Survivor Eligibility. A survivor's eligibility to continue his or her participation in the Health Benefits Program shall be limited as follows:

1. The eligibility of a surviving spouse shall terminate when he or she remarries, enters into a domestic partner relationship, or is eligible for group coverage under his or her own employment.
2. The eligibility of a surviving qualified domestic partner shall terminate when he or she marries, enters into another domestic partner relationship, or is eligible for group coverage under his or her own employment.
3. The eligibility of a surviving child who is a dependent of a surviving spouse or domestic partner shall terminate when the eligibility of the surviving spouse or domestic partner terminates, unless the eligibility of the surviving spouse or domestic partner terminates because of death, in which case the child shall remain eligible as if the surviving spouse or domestic partner had not died.

E. Enrollment. Enrollment and re-enrollment in plans shall be administered as follows:

* This provision became effective for new hires at the start of the 2007 plan year.

1. **Initial Enrollment.** Upon retirement, each new retiree who is eligible to enroll in plans under the Health Benefits Program shall receive uninterrupted coverage under the plan in which he or she was enrolled as an active employee, provided the employee submits all necessary applications and other required documentation in a timely fashion.
2. **Open Enrollment.** There shall be an open enrollment period each enrollment year during which eligible retirees may change plans. The District shall establish and announce the dates of such open enrollment period, and shall mail open enrollment materials to retirees fourteen or more days before the beginning of the open enrollment period. If an eligible retiree requests a change of plan, he or she shall continue to be covered under his or her existing plan until coverage under the new plan can be instituted.
3. **Changes in Enrollment Other Than During Open Enrollment.** Once enrolled in a plan, retirees are generally barred from changing their enrollment except during an open enrollment period. Nevertheless, changes may be made under the following circumstances:
 - a. Any retiree who is enrolled in a closed panel plan and who changes his or her permanent residence to a location that is outside the service area of the plan may, by submitting a timely application to the District, change his or her enrollment to a plan that provides service in the area of his or her new permanent residence. To be timely, the application for a change in enrollment must be received by the District within ninety (90) days after the retiree established his or her new permanent residence.
 - b. Any retiree whose enrollment in a plan is terminated at the request or option of the plan provider for any reason other than non-payment of premium may enroll in another plan by submitting a timely application to the District. To be timely, the application for a change in enrollment must be received by the District within ninety (90) days after the retiree's enrollment was terminated
4. **Mandatory Re-enrollment During Open Enrollment.** Upon recommendation of the JLMBC the District may designate any open enrollment period as a mandatory enrollment period during which every eligible retiree or survivor must re-enroll for himself or herself and for each of his or her eligible dependents. If a retiree or survivor fails to re-enroll during any such mandatory enrollment period, his or her enrollment in hospital, medical, dental, and vision care plans shall end at the beginning of the next plan year. In that event, a retiree or survivor (and his or her eligible dependents) may, if he or she remains eligible, re-enroll in plans. The retiree or survivor may re-enroll in plans at any time and the District shall verify his or her eligibility and process the retiree's or survivor's re-enrollment forms as if they were initial enrollment forms—i.e. if the District receives the re-enrollment forms on or before the 15th day of the calendar month, it shall process them so as to make coverage effective on the first day of the calendar month following receipt of the forms, otherwise coverage shall become effective on the first day of the second calendar month following the District's receipt of the forms.

F. District Contribution Towards Premiums. The District shall contribute towards the premium costs of the plans in which an eligible retiree and his or her eligible dependents and survivors are enrolled as follows:

1. For retirees (and their eligible dependents and survivors) who became eligible under Section III.B.1, the District will pay 100% of the District's contribution towards premiums.
2. For retirees (and their eligible dependents and survivors) who became eligible under Section III.B.2, the District will pay 50% of the District's contribution towards premiums for those retirees who rendered service in a "qualifying position" for at least ten years but fewer than fifteen years; 75% of the District's contribution towards premiums for those retirees who rendered service in a "qualifying position" for at least fifteen years but fewer than twenty years; and 100% of the District's contribution towards premiums for those retirees who rendered service in a "qualifying position" for at least twenty (20) years.

G. Conditions of and Limitations on Eligibility and Coverage.

1. Active employees who become eligible retirees under this agreement are entitled to uninterrupted coverage under the Health Benefits Program provided they submit all necessary applications and other required documentation in a timely fashion.
2. Retirees, their dependents, and survivors may not be enrolled in more than one District sponsored plan at any one time. For that reason, a retiree may be enrolled in a plan in his or her own capacity as a retiree, or as a dependent of another retiree, but not simultaneously in one plan as a retiree and in another plan as a dependent. Likewise, children or other individuals who qualify as dependents may be enrolled in a plan only once as a dependent or survivor, not simultaneously in one plan as a dependent or survivor of one retiree and in another plan as a dependent or survivor of another retiree.
3. To the extent allowed by law, benefits provided under the District's Health Benefits Program shall be secondary to the benefits provided to a retiree or his or her dependents or survivors under Medicare. Furthermore, as a condition of continued enrollment in any hospital or medical plan available under the Health Benefits Program, each retiree and every eligible dependent and survivor age 65 and older must (unless exempted from this requirement under Board Rule 101701.16C) apply for and obtain coverage under Part A (hospital benefits)—either paid or premium free—and Part B (medical benefits) of Medicare. It shall be the sole responsibility of the employee or survivor to provide the District with verification of enrollment in Medicare. The District shall acknowledge receipt of verification of Medicare enrollment upon a retiree's request.
4. Every retiree (or in the event of his or her incapacity, the retiree's representative or agent) shall report, by telephone, e-mail, or written correspondence, any event or change of circumstance that has an affect on the administration of coverage under the Health Benefits Program. Such events or changes include, but are not limited to, change of address or telephone number, marriage, divorce, dependent's loss of eligibility, death of the retiree, or death of a dependent.

5. A retiree's or survivor's eligibility (and that of his or her dependents) under this agreement shall terminate whenever the retiree or survivor accepts employment in a position covered by STRS or PERS and becomes eligible for health benefits by virtue of that employment.

IV. Joint Labor/Management Benefits Committee

A. The District shall convene, and the Exclusive Representatives shall all participate in, a Joint Labor/Management Benefits Committee (JLMBC). The role of the Committee is to contain the costs of the District's Health Benefits Program while maintaining and, when feasible, improving the quality of the benefits available to employees.

B. The Committee shall be composed as follows:

District: one voting and one non-voting District Member appointed by the Chancellor (If one member is absent, the member present shall be the voting member);

Employees: six Employee Members, one appointed by each of the Exclusive Representatives (If the one member from any unit is absent, a substitute member from the unit who is present shall be the voting member);

Committee Chair: an additional voting faculty member who shall serve as Chair, nominated by the President of the Los Angeles College Faculty Guild and confirmed by a simple majority of the regular voting members of the Committee. The District shall grant the Chair of the Committee at least 0.2 FTE reassigned time to perform the duties of that assignment. The Chair may make an annual request to the District for an additional 0.2 FTE reassigned time to complete specified projects recommended by the JLMBC.

Additional Members: Although each Exclusive Representative will appoint one regular voting member on the Committee, the Committee shall adopt rules under which each Exclusive Representative may appoint additional non-voting members in proportion to the size of each unit.

C. The Committee shall have the authority to:

1. review the District's Health Benefits Program and effect any changes to the program it deems necessary to contain costs while maintaining the quality of the benefits available to employees (this includes, but is not limited to, the authority to substitute other plans for the District's existing health benefits plans);
2. recommend the selection, replacement, and evaluation of benefits consultants;
3. recommend the selection, replacement, and evaluation of benefit plan providers;
4. review and make recommendations regarding communications to faculty and staff regarding the health benefits program and their use of health care services under it;

5. review and make recommendations regarding benefit booklets, descriptive literature, and enrollment forms;
 6. study recurring enrollee concerns and complaints and make recommendations for their resolution;
 7. participate in an annual review of the District's administration of the Health Benefits Program;
 8. review and make recommendations about the District's health benefits budget; and
 9. if health care legislation that necessitates modification of the District's Health Benefits Program is enacted before the termination of this agreement, assess the effects of such legislation and make recommendations to the District and the Exclusive Representatives about appropriate action to take.
- D.** Any action of the Committee must be approved by the affirmative vote of the voting District member and all but one of the voting Employee Members at a meeting of the Committee at which a quorum is present. A quorum shall consist of the voting District member and any five voting Employee Members.
- E.** Any changes proposed by the Committee in the benefit program, providers, and consultants shall be submitted to the Board of Trustees for its consideration.
- F.** The District shall provide the Committee with relevant financial data including, for example, data regarding money received from providers (as a refund, return of premium, or similar credit), and all expenditures the District considers to be part of the "overall cost to the District of maintaining the Health Benefits Program."

V. Managing the Health Benefits Program

By September 1 of each year the JLMBC shall report to the Board of Trustees on the committee's actions and activities to mitigate increases to the cost of the Health Benefits Program so that it continues to provide quality health care to the District's employees, retirees, and their eligible dependents at a reasonable and sustainable cost to the District.

72411

(a) Every educational administrator shall be employed, and all other administrators may be employed, by the governing board of the district by an appointment or contract of up to four years in duration. The governing board of a community college district, with the consent of the administrator concerned, may at any time terminate, effective on the next succeeding first day of July, the term of employment of, and any contract of employment with, the administrator of the district, and reemploy the administrator, on any terms and conditions as may be mutually agreed upon by the board and the administrator, for a new term to commence on the effective date of the termination of the existing term of employment.

(b) If the governing board of a district determines that an administrator is not to be reemployed by appointment or contract in his or her administrative position upon the expiration of his or her appointment or contract, the administrator shall be given written notice of this determination by the governing board. For an administrator employed by appointment or contract, the term of which is longer than one year, the notice shall be given at least six months in advance of the expiration of the appointment or contract unless the contract or appointment provides otherwise. For every other administrator, notice that the administrator may not be reemployed by appointment or contract in his or her administrative position for the following college year shall be given on or before March 15.

(c) If the governing board fails to reemploy an administrator by appointment or contract in his or her administrative position and the written notice provided for in this section has not been given, the administrator shall, unless the existing appointment or contract provides otherwise, be deemed to be reemployed for a term of the same duration as the one completed with all other terms and conditions remaining unchanged.

(d) Subdivisions (b) and (c) do not apply to any administrator who holds a position that is funded for less than a college year, is assigned to an acting position whose continuing right to hold the position depends on being selected for the position on a regular basis, is terminated pursuant to Section 87743, 88017, or 88127, or is dismissed for cause.

87458

(a) The process by which the governing board reaches the determination shall be developed and agreed upon jointly by representatives of the governing board and the academic senate, and approved by the governing board. The agreed upon process shall include reasonable procedures to ensure that the governing board relies primarily upon the advice and judgment of the academic senate to determine that the administrator possesses the minimum qualifications for employment as a faculty member. The process shall further require that the governing board provide the academic senate with an opportunity to present its views to the governing board before the board makes a determination and that the written record of the decision, including the views of the academic senate, shall be available for review pursuant to Section 87358.

(b) Until a joint agreement is reached pursuant to subdivision (a), the district process in existence on January 1, 1989, shall remain in effect.

(c) The administrator has completed at least two years of satisfactory service, including any time previously served as a faculty member, in the district.

(d) The termination of the administrative assignment is for any reason other than dismissal for cause.

(e) This section shall apply to every educational administrator whose first day of paid service in the district as a faculty member or an administrator is on or after July 1, 1990

**APPENDIX H, AGREEMENT BETWEEN THE LACCD, FACULTY GUILD AND
THE TEAMSTERS**

**Agreement
Between
The Los Angeles Community College District
and
the Los Angeles College Faculty Guild, AFT Local 1521 and
the Public, Professional and Medical Employees Union
of the California Teamsters, Local 911**

The Los Angeles Community College District (“the District”), the Los Angeles College Faculty Guild, AFT Local 1521 (“the Faculty”), and the Public, Professional and Medical Employees Union of the California Teamsters, Local 911 (“Teamsters”) (collectively “the parties”) agree to the following framework for resolution of disputes regarding whether the work of a particular position belongs in the Faculty or Teamster bargaining unit.

1. This framework will only be triggered prospectively in the following instances:
 - a. A vacant Assistant Dean, Associate Dean, Dean, Assistant Director or Associate Director position exists and it is proposed to be filled, meaning that the college has developed a job announcement and job description, and has completed an *intent to fill* form and is ready to send these documents to District Divisions of Human Resources; or
 - b. A vacant Instructor Special Assignment (ISA) or Consulting Instructor (CI) position exists and it is proposed to be filled, meaning that the college has developed a job announcement and job description, and has completed an *intent to fill* form and is ready to send these documents to the District Division of Human Resources; or
 - c. When either the Faculty or the Teamsters reasonably believe that the work being performed by an employee is primarily outside the scope of the work performed by that bargaining unit and is rather within the scope of their respective bargaining unit. The position in contention must have been created after June 30, 2004.
2. The District acknowledges it has an obligation to and will provide the Faculty and the Teamsters on a regular basis with all job announcements, job descriptions, and *intent to fill* forms which involve positions in either bargaining unit.
3. The job description referred to in Paragraphs 1 and 2 above shall include the following:
 - a. Description of overall duties and responsibilities of the position, including level of supervisory responsibility;
 - b. Description of amount of time spent on academic and professional matters in carrying out the duties of the position;

- c. Estimate of amount and type of direct contact with students in the learning process;
 - d. Statement about the level of responsibility for curriculum and/or instruction; and
 - e. Rationale for the position to be designated as non-teaching faculty or academic supervisor.
4. If a party disagrees with the proposed bargaining unit assignment, that party shall notify the other parties within five business days from receipt of the job description.
 5. The parties will thereafter meet within ten business days from written notice of such disagreement and will discuss and analyze this disagreement by reference to the following criteria:

A faculty member is primarily involved with the teaching and learning process that directly serves students.

An academic administrator is primarily involved with supervision of faculty members and other employees. An academic administrator generally has a higher level of authority than a department chair for hiring, firing and discipline.

6. If the parties are able to resolve the disagreement at this meeting, a joint recommendation will be made to the Chancellor. If the parties are unable to reach agreement, each party shall forward their recommendation to the Chancellor. Any recommendation to the Chancellor must be forwarded within ten business days of the meeting.
7. The Chancellor will render his/her determination and notify the parties within five business days of receiving the recommendation(s).
8. If either party is dissatisfied with the determination of the Chancellor, the disagreement will be referred to a mutually selected arbitrator for an expedited arbitration. The parties agree to select an arbitrator and hearing date within thirty (30) calendar days of the date of the Chancellor's determination. The hearing need not be conducted within thirty (30) calendar days.
9. The arbitrator's decision shall not be binding but rather shall be advisory to the District's Board of Trustees, who shall take action upon the advisory decision within forty-five (45) calendar days from receipt of the decision.
10. The Teamsters agree to withdraw with prejudice, PERB Case No. LA-CE-4692-E immediately upon execution of this Agreement.
11. The parties agree that disputes over classified positions are not a part of this Agreement. The parties also recognize the rights of the Faculty and the Teamsters to challenge decisions of the District's Personnel Commission.

12. The parties agree that this Memorandum of Understanding does not abridge the District's right to "select, direct and control the District's business operations and working force" and to "determine staffing levels and job duties."
13. All time limits in this Agreement are mandatory and may only be waived by mutual written agreement of the parties.

This Agreement will become effective on the date executed by the parties.
