- **LACCD has found calculation errors in the software pricing spreadsheet summary tab of Appendix L. Additionally; we have found that bidders will have problems completing the spreadsheet with the three different software maintenance scenarios. To address these issues, the following response changes are made:**

There are now three Software Pricing Spreadsheets. Software bidders should respond with three copies of the software pricing spreadsheets, and clearly label them as follows:

- LACCD SIS RFP - Exhibit L - Pricing – Prime Shift – [Bidder Name]
- LACCD SIS RFP - Exhibit L - Pricing – Two Shift – [Bidder Name]
- LACCD SIS RFP - Exhibit L - Pricing – 24-7 – [Bidder Name]

Bidders should substitute their firm's name at the end of each file.

Note: The Optional Software tab has been removed.
