

Master Your Money

Sponsored by *LACCD EAP & Horizon Health*
Facilitated by *Legacy Financial of California*

“A seminar about Money”

This seminar has been designed to give you important information on financial wellness, teaching you about today’s world of money – covering topics on debt management, financial planning, retirement planning, home mortgage repair, taxes, insurance, and the state of the economy.

Workbooks will be provided to help attendees assess their current financial status and plan how to take control of their personal finances including financial planning, retirement planning, and debt management.
