## Introduction

### About this Evidence of Coverage (EOC)

This *Evidence of Coverage (EOC)* describes the health care coverage of "Kaiser Permanente Traditional Plan" provided under the *Agreement* between Kaiser Foundation Health Plan, Inc., and your Group. For benefits provided under any other Health Plan program, refer to that plan's *EOC*. In this *EOC*, Kaiser Foundation Health Plan, Inc., is sometimes referred to as "Health Plan," "we," or "us." Members are sometimes referred to as "you." Some capitalized terms have special meaning in this *EOC*; please see the "Definitions" section for terms you should know.

Health Plan provides Services directly to our Members through an integrated medical care program, rather than reimbursing expenses on a fee-for-service basis. Please read the following information so that you will know from whom or what group of providers you may obtain health care. It is important to familiarize yourself with your coverage by reading this *EOC* completely, so that you can take full advantage of your Health Plan benefits. Also, if you have special health care needs, please carefully read the sections applicable to you.

The term of this *EOC* is from October 1, 2003 through December 31, 2004 unless amended. Your Group's benefits administrator can tell you whether this *EOC* is still in effect and give you a current one if this *EOC* has expired or been amended.

### About Kaiser Permanente Traditional Plan

Kaiser Permanente Traditional Plan provides covered Services to Members using Plan Providers located in our Service Area, which is described in the "Definitions" section. You must receive all covered care from Plan Providers inside our Service Area, except as described in the following sections about:

- Getting a referral, in the "How to Obtain Services" section
- Our Visiting Member Program, in the "How to Obtain Services" section
- Emergency Care and Out-of-Area Urgent Care received from non-Plan Providers, in the "Emergency, Urgent, and Routine Care" section

Through our medical care program, you have convenient access to all of the covered Services you may need, such as routine care with your own Plan Physician, hospital care, laboratory and pharmacy Services, and other benefits described in the "Benefits" section.

## Dues, Eligibility, and Enrollment

### Dues

Members are entitled to health care coverage only for the period for which we have received the appropriate Dues from your Group. If you are responsible for any contribution to the Dues, your Group will tell you the amount and how to pay your Group (through payroll deduction, for example).

### Who Is Eligible

To enroll and to continue enrollment, you must meet all of the eligibility requirements in this "Who Is Eligible" section.

### **Group eligibility requirements**

You must meet your Group's eligibility requirements that we have approved. Your Group is required to inform Subscribers of its eligibility requirements, such as the minimum number of hours that employees must work to be eligible for coverage. Please note that your Group may not allow enrollment to some persons who meet the requirements under "Service Area eligibility requirements" and "Additional eligibility requirements."

## Service Area eligibility requirements

The Subscriber must live in our Service Area at the time he or she enrolls. Our Service Area is described in the "Definitions" section. A Subscriber or Dependent cannot enroll or continue enrollment if he or she lives in or moves to a Region outside California as described below. If you move anywhere else outside our Service Area after enrollment, you can continue your membership as long as you meet all other eligibility requirements. However, you must receive covered Services from Plan Providers inside our Service Area, except as described in the "Emergency, Urgent, and Routine Care" section about Emergency Care and Out-of-Area Urgent Care received from non-Plan Providers and in "Our Visiting Member Program" in the "How to Obtain Services" section.

**Regions outside California.** If you live in or move to the service area of a Region outside California, you are not eligible for membership under this *EOC* (unless you are one of the exceptions listed below). You should contact your Group's benefits administrator to learn about your Group health care options. You may be able to enroll in the new service area if there is an agreement with your Group in that area. However, eligibility requirements, benefits, dues, and copayments may not be the same in the other service area.

**Exceptions** <sup>¾</sup> This restriction does not apply to the following persons (see "Our Visiting Member Program" in the "How to Obtain Services" section for information about benefits when you are in another service area):

- Members who are eligible under this *EOC* because of COBRA or USERRA coverage (please refer to the "Termination of Membership" section for information about COBRA and USERRA coverage)
- The Subscriber's or the Subscriber's Spouse's children who are attending an accredited college or vocational school
- A Dependent whom the Subscriber or Subscriber's Spouse is required to cover pursuant to a Qualified Medical Child Support Order

For the purposes of this eligibility rule, the service areas of these non-California Regions may change on January 1 of each year and are currently the District of Columbia, Colorado, Georgia, Hawaii, Idaho, Maryland, Ohio, Oregon, Virginia, and Washington. For more information, please call our Member Service Call Center toll free at 1-800-464-4000 (*TTY* 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week.

**Northern California Region's service area.** If you live in or are moving to our Northern California Region's service area, you should contact your Group's benefits administrator to learn about your Group health care options. Your Group may have an arrangement with us that permits membership in the Northern California Region. However, the benefits, copayments, dues, and eligibility requirements may not be the same as under this *EOC*.

## Additional eligibility requirements

You may be eligible to enroll as a Subscriber if you are:

- An employee of your Group
- Otherwise entitled to coverage under a trust agreement, retirement benefit program, or employment contract (unless the IRS considers you self-employed)

If you are a Subscriber, the following persons may be eligible to enroll as your Dependents:

- Your Spouse. For the purposes of this *EOC*, the term "Spouse" includes your domestic partner, in accord with your Group's requirements that we approve in writing
- Your or your Spouse's unmarried children (including adopted children or children placed with you for adoption) who are under age 19, or under age 26 if a student as defined by your Group
- Other unmarried dependent persons (but not including foster children) who meet all of the following requirements:
  - ◆ he or she is under age 19, or under age 26 if a student as defined by your Group
  - ◆ he or she receives from you or your Spouse all of their support and maintenance
  - ◆ he or she permanently resides with you (the Subscriber)
  - ◆ you or your Spouse is the court-appointed guardian (or was before the person reached age 18) or the person's parent is an enrolled Dependent under your family coverage

- Your or your Spouse's Dependents who meet the eligibility requirements stated above, but exceed the age limit for Dependents, may be eligible if the following additional requirements are met:
  - ♦ he or she is incapable of self-sustaining employment because of mental retardation or physical handicap that occurred prior to reaching the age limit for Dependents
  - ♦ he or she receives from you or your Spouse substantially all of their support and maintenance
  - ♦ you give us proof of the Dependent's incapacity and dependency within 31 days after we request it
- As determined by Group, eligible family Dependents of deceased employees may continue coverage according to Group's established policies

**Persons terminated for cause or nonpayment**

If you or a member of your Family Unit has ever had entitlement to receive Services through Health Plan terminated for any of the reasons listed under "Nonpayment of any other charges" in the "Termination of Membership" section, you may not enroll until you pay the full amount owed to us. If you or a member of your Family Unit have ever had entitlement to receive Services through Health Plan terminated for any of the reasons listed under "Termination for Cause" in the "Termination of Membership" section, neither you nor any member of your Family Unit is eligible to enroll in this plan.

**Members with Medicare and retirees**

This plan is not intended for most Medicare beneficiaries and some Groups do not offer coverage to retirees. If, during the term of this EOC, you are or become eligible for Medicare or you retire, you should ask your Group's benefits administrator about your membership options as follows:

- If a Subscriber retires who is entitled to Medicare Parts A and B, and the Subscriber's Group has a Kaiser Permanente Senior Advantage plan for retirees, the Subscriber should enroll in the plan if eligible
- If the Subscriber retires and your Group does not offer coverage to retirees, you may be eligible to continue membership as described in the "Termination of Membership" section of this EOC
- If federal law requires that your Group's health care plan be primary and Medicare coverage be secondary, your coverage under this EOC will be the same as it would be if you had not become eligible for Medicare. However, you may be eligible to enroll in Kaiser Permanente Senior Advantage through your Group if you are entitled to Medicare Parts A and B
- If you are or become eligible for Medicare and are in a class of beneficiaries for which your Group's health care plan is secondary to Medicare, you should enroll in Kaiser Permanente Senior Advantage through your Group if you are eligible
- If none of the above applies to you and you are eligible for Medicare or you retire, please ask your Group's benefits administrator about your membership options

**When Medicare is primary.** If you are or become eligible for Medicare Part A or Part B (or both), as primary coverage, and you are not enrolled through your Group in Kaiser Permanente Senior Advantage for any reason (even if you are not eligible to enroll or the plan is not available to you), your Group's Dues may increase. If your Group fails to pay the entire Dues required for your Family Unit, your membership will be terminated in accord with "Partial payment of Dues for a Family Unit" under "Termination for Nonpayment" in the "Termination of Membership" section.

**When Medicare is secondary.** Medicare is the primary coverage except when federal law requires that Group's health care plan be primary and Medicare coverage be secondary. Members eligible for Medicare as their secondary coverage are subject to the same Dues and receive the same benefits as Members who are not eligible for Medicare. However, any such Members who meet the eligibility requirements for our Kaiser Permanente Senior Advantage plan may enroll in Senior Advantage if the plan is available to you. These Members receive the benefits and coverage described in the Kaiser Permanente Senior Advantage (MSP) EOC, which includes coverage that is better than most Traditional Plan coverage.

Note: You may be ineligible to enroll in Kaiser Permanente Senior Advantage if that plan has reached a capacity limit that the Centers for Medicare & Medicaid Services has approved. This limitation does not apply to existing Members who are eligible for Medicare (for example, when you turn age 65).

## **Enrollment and Effective Date of Coverage**

Your Group is required to inform you when you are eligible to enroll and your effective date of coverage. After your Group has confirmed that you are eligible to enroll, enrollment is permitted as follows and membership begins at 12:00 a.m. on the effective date indicated below (your Group may have additional requirements that we have approved, which allow enrollment in other situations).

### **New employees**

Once your Group informs you that you are eligible to enroll as a Subscriber, you may enroll yourself and any eligible Dependents by submitting a Health Plan-approved enrollment application to your Group within 30 days.

The effective date of coverage for new employees and their eligible family Dependents is determined by your Group.

### **Newly acquired Dependents**

To enroll a Dependent who becomes eligible to enroll after you became a Subscriber (such as a new Spouse, a newborn child, or a newly adopted child), you must submit a Health Plan-approved change of enrollment form to your Group within 30 days after the Dependent becomes eligible. Also, refer to "Special enrollment due to new Dependents" below.

Other than a newborn or a newly adopted child (including a child placed with you for adoption), the effective date of coverage for newly acquired Dependents is the first of the month following the date of acquisition.

- A newborn child is automatically covered from the moment of birth through the calendar month of birth, or the mother's hospitalization if she is a Member, whichever is later. The child must be enrolled within 30 days after birth for membership to continue
- A newly adopted child's (including a child placed with you for adoption) membership will begin on the date when the adopting parent gains the legal right to control the child's health care

### **Special enrollment due to new Dependents**

You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents within 30 days of marriage, birth, adoption, or placement for adoption by submitting to your Group an enrollment or change of enrollment application in a form agreed upon by your Group and Health Plan.

The effective date of an enrollment resulting from marriage is no later than the first day of the month following the date that an enrollment or change of enrollment application is signed. Enrollments due to birth, adoption, or placement for adoption are effective on the date of birth, adoption, or placement for adoption.

### **Special enrollment due to loss of other coverage**

An employee and the employee's eligible Dependents may enroll within 30 days of losing other coverage by submitting to your Group an enrollment or change of enrollment application in a form agreed upon by your Group and Health Plan. The employee requesting enrollment must have previously waived coverage for self or family Dependents when originally eligible because of the other coverage. In addition, the loss of the other coverage must be due to ineligibility to continue the other coverage, Group continuation of coverage has expired, or the other employer has ceased making contributions toward the other coverage and the loss of coverage is not due to nonpayment or cause. The employee must enroll or be enrolled in order to enroll a family Dependent.

The effective date of an enrollment resulting from loss of other coverage is no later than the first day of the month following the date that an enrollment or change of enrollment application is signed.

### **Open enrollment**

You may enroll as a Subscriber (along with any eligible Dependents), and existing Subscribers may add eligible Dependents, by submitting a Health Plan-approved enrollment application to your Group during the open enrollment period. Your Group will let you know when the open enrollment period begins and ends and the membership effective date.

## **Notice to New Enrollees about Continuity of Care**

If you are currently receiving Services from a non-Plan Provider for an acute medical condition or an acute, serious, or chronic psychiatric condition and your enrollment with us will end coverage of the provider's Services, you may be eligible for temporary coverage of that non-Plan Provider's Services while your care is being transferred to us.

To qualify for this temporary coverage, all of the following criteria must be true:

- Your Health Plan coverage is in effect
- You request this continuing coverage no later than 30 days from the start of your Health Plan coverage by calling our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week
- You are receiving Services during a current episode of care for an acute medical condition or an acute, serious, or chronic psychiatric condition from a non-Plan Provider on the effective date of your Health Plan coverage
- When you chose Health Plan, you were not offered other coverage that included an out-of-network option that would have covered the Services of your current non-Plan Provider
- You did not have the option to continue with your previous health plan or to choose a plan that covers the Services of your current non-Plan Provider
- The non-Plan Provider agrees in writing to our standard contractual terms and conditions, such as conditions pertaining to payment, and providing Services inside our Service Area
- The Services to be provided to you by the non-Plan Provider are Medically Necessary and would be covered Services under the terms of your Health Plan coverage, if provided by a Plan Provider
- Medical Group authorizes the care of your non-Plan Provider because Plan Providers are unable to maintain the continuity of your care

To request this coverage or a copy of our coverage policy, please call our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week.

## **How to Obtain Services**

As a Member, you are selecting our medical care program to provide your health care. You must receive all covered care from Plan Providers inside our Service Area, except as described in the following sections about:

- Getting a referral, in this section
- Our Visiting Member Program, in this section
- Emergency Care and Out-of-Area Urgent Care received from non-Plan Providers, in the "Emergency, Urgent, and Routine Care" section

Through our medical care program, you have convenient access to all of the covered Services you may need, such as routine care with your own Plan Physician, hospital care, laboratory and pharmacy Services, and other benefits described in the "Benefits" section.

### **Your Primary Care Plan Physician**

We encourage you to choose a primary care Plan Physician, who will play an important role in coordinating your health care needs, such as hospital stays and referrals to specialists. You may select a primary care Plan Physician from any of our available Plan Physicians who practice in these specialties: internal medicine, obstetrics/gynecology, family practice, and pediatrics. You can also change your primary care Plan Physician for any reason. To learn how to choose or change a primary care Plan Physician, please call our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week.

### **Special note about Coachella Valley and western Ventura County**

To receive care in Coachella Valley and western Ventura County, Subscribers residing in these areas are required to select a primary care Plan Physician (Affiliated Physician) for themselves and each covered

Dependent. In these areas, Plan Providers are referred to as "Affiliated," for example "Affiliated Providers," "Affiliated Physicians," and "Affiliated Specialty Physicians."

Your primary care Affiliated Physician provides or arranges your care in these areas, including Services from other Affiliated Providers, e.g., Affiliated Specialty Physicians. For Services to be covered from other Affiliated Providers, your primary care Affiliated Physician must prescribe the care or authorize the referral, except for annual mammograms and visits to your ob/gyn Affiliated Physician, which may be obtained directly without a referral from your primary care Affiliated Physician.

We will send you a letter explaining how to select a primary care Affiliated Physician. If the Subscriber does not select a primary care Affiliated Physician, we will assign one. Your Dependents may select a different primary care Affiliated Physician than the Subscriber's by calling our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week. You may change your primary care Affiliated Physician once a month.

If you need care before we have confirmed your primary care Affiliated Physician, please call our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week, for assistance. To learn about Affiliated Providers, please refer to *Your Guidebook to Kaiser Permanente Services* or the *Directory of Kaiser Permanente Affiliated Physicians for Coachella Valley and Western Ventura County*. Copies of these directories can be obtained by calling our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week.

Please refer to our Service Area description in the "Definitions" section for the ZIP codes that are in these two areas. You may still receive care from an Affiliated Physician even if you don't live in these areas. If you do live in these areas, you may receive care from Plan Providers in other parts of our Service Area that are not in these two areas.

## Getting a referral

Plan Physicians offer primary medical, pediatric, and ob/gyn care as well as specialty care in areas such as surgery, orthopedics, cardiology, oncology, urology, and dermatology. A Plan Physician will refer you to a Plan specialist when appropriate. However, you can receive care from Plan Physicians in the following specialties without a referral: internal medicine, obstetrics/gynecology, family practice, pediatrics, optometry, psychiatry, and chemical dependency. Please refer to your facility's listing in *Your Guidebook* for the departments that do not require a referral.

If your Plan Physician decides that you require covered Services not available from Plan Providers, he or she will recommend to Medical Group that you be referred to a non-Plan Provider inside or outside our Service Area. The appropriate Medical Group designee will review the request to determine if the Service is Medically Necessary and whether it is available from a Plan Provider. If the Service is Medically Necessary, but not available from a Plan Provider, the request will be approved. Medical Group must authorize the referral in writing in order for us to cover the Services. Copayments for these referral Services are the same as those required for Services provided by a Plan Provider. Please refer to "Second opinions" below for information about obtaining a second opinion from a non-Plan Provider.

## Second opinions

If you request a second opinion, it will be provided to you when Medically Necessary by an appropriately qualified health care professional. An appropriately qualified health care professional is a physician who is acting within his or her scope of practice and who possesses a clinical background related to the illness or condition associated with the request for a second medical opinion. If you want a second opinion, some examples of when a second opinion is Medically Necessary are:

- If you are unsure about whether a procedure that has been recommended by your Plan Physician is reasonable or necessary
- You question a diagnosis or plan of care for a condition that threatens substantial impairment or loss of life, limb, or bodily functions
- The clinical indications are not clear or are complex and confusing
- A diagnosis is in doubt due to conflicting test results
- The Plan Physician is unable to diagnose the condition

- The treatment plan in progress is not improving your medical condition within an appropriate period of time given the diagnosis and plan of care
- You have concerns about the diagnosis or plan of care

To get a second opinion, you can either ask your Plan Physician to help you arrange for a second medical opinion, or you can make an appointment with another Plan Provider. If Medical Group determines that there isn't a Plan Provider who is an appropriately qualified health care professional for your condition, Medical Group will authorize a referral to a non-Plan Provider for a Medically Necessary second opinion. Copayments for these referral Services are the same as those required for Services provided by a Plan Provider.

If you have any questions, please call our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week.

### Authorization procedure

Certain Services require prior authorization by Medical Group for Services to be covered by us. If Medical Group determines that the Services are Medically Necessary, then Medical Group will authorize them. The Services for which prior authorization is required are the three listed below and referrals to non-Plan Providers, which are described under "Getting a referral" above.

The applicable Medical Group designee will make the authorization decision within the time frame appropriate for the nature of your condition, but no later than five business days after receiving all the information reasonably necessary to make a decision, including information required from you, unless the request is for urgent Services, in which case the decision will be made no later than 72 hours after receipt of the information reasonably necessary to make the decision. If Medical Group cannot meet these time frames because Medical Group doesn't have information reasonably necessary to make a decision about your request or because Medical Group requested consultation by a particular physician who is an expert in the care you have requested, then Medical Group will inform you and your treating physician, in writing, that they need more time to make this decision. Medical Group will inform you about the additional information they need or the type of expert they need to consult and the date they anticipate that they will make a decision about your request.

Decisions regarding requests for Services will be made only by licensed physicians or other appropriately licensed health care professionals. Any criteria Medical Group uses to make the decision to authorize, modify, delay, or deny your request for Services will be available upon request.

Your treating physician will be informed of the decision within 24 hours after the decision is made. If the Services are Medically Necessary, your physician will be informed of the scope of the authorized Services. If Medical Group does not authorize all of the Services, you will receive a written decision that explains the decision within two business days after the decision is made. The letter will include information about your appeal rights, which are described in the "Dispute Resolution" section.

In addition to referrals to non-Plan Providers described under "Getting a referral" above, these Services require prior authorization by Medical Group:

- **Transplants.** Written referrals from your Plan Physician for transplants will be decided by Medical Group's regional transplant advisory committee or board if one exists. In cases where no transplant committee or board exists, Medical Group will refer you to a transplant center for a determination. The center will approve the transplant if it is Medically Necessary
- **Bariatric Surgery.** If your Plan Physician makes a written referral for bariatric surgery, the referral is reviewed by the Medical Group's regional Bariatric Medical Director or his or her designee, who will determine whether this Service is Medically Necessary in accordance with the bariatric surgery referral guidelines
- **Durable Medical Equipment (DME).** If your Plan Physician prescribes DME, he or she will submit a written referral to the Plan Hospital's DME Coordinator who will verify your DME coverage and determine whether your clinical condition meets the guidelines specified in our DME formulary. If your DME coverage includes the item, but your clinical condition does not appear to meet the guidelines specified by our DME formulary, then the DME Coordinator will contact the Plan Physician for additional information about the request. If the request still does not appear to meet our DME formulary guidelines, the request will be submitted to Medical Group's designee Plan Physician, who will determine whether the item is Medically Necessary

This description is only a brief summary of the authorization procedure. For more information, please call our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week. Please refer to the "Emergency, Urgent, and Routine Care" section for authorization requirements that apply to Post-stabilization Care.

### **Contracts with Plan Providers**

Health Plan and Plan Providers are independent contractors. Your Plan Providers are paid in a number of ways, such as salary, capitation, per diem rates, case rates, fee for service, and incentive payments. If you would like more information about the way Plan Physicians are paid to provide or arrange medical and hospital care for Members, please call our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week.

Our contracts with Plan Providers provide that you are not liable for any amounts we owe. However, you may be liable for the cost of noncovered Services or Services you obtain from non-Plan Providers.

**Termination of a Plan Provider's contract.** If our contract with any Plan Provider terminates while you are under the care of that provider, we will retain financial responsibility for covered care you receive from that provider, in excess of any applicable Copayments, until we make arrangements for the Services to be provided by another Plan Provider and so notify the Subscriber.

In addition, if you are undergoing treatment for specific conditions from a Plan Physician or certain other providers when the contract with him or her ends (for reasons other than medical disciplinary cause, criminal activity, or the provider's voluntary termination), you may be eligible to continue receiving covered care from the terminated provider for your condition. The conditions that are subject to this continuation of care provision are:

- Certain conditions that are acute or serious and chronic. We may cover these Services for up to 90 days, or longer if necessary for a safe transfer of care to a Plan Physician or other contracting provider as determined by Medical Group
- A high-risk pregnancy or a pregnancy in its second or third trimester. We may cover these Services through postpartum care related to the delivery, or longer if Medically Necessary for a safe transfer of care to a Plan Physician as determined by Medical Group

The Services must be otherwise covered under this EOC. Also, the terminated provider must agree in writing to our contractual terms and conditions and comply with them for Services to be covered by us. If you would like more information about this provision, or to make a request, please call our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week.

### **Plan Facilities**

At most of our Plan Facilities, you can usually receive all the covered Services you need, including specialized care. You are not restricted to a particular Plan Facility, and we encourage you to use the facility that will be most convenient for you.

Plan Medical Offices and Plan Hospitals are listed in *Your Guidebook to Kaiser Permanente Services*. *Your Guidebook* includes information about the types of covered Services that are available from each Plan Facility, because some facilities provide only specific types of covered Services.

**Note:** State law requires *Evidence of Coverage* documents to include the following notice: "Some hospitals and other providers do not provide one or more of the following services that may be covered under your plan contract and that you or your family member might need: family planning; contraceptive services, including emergency contraception; sterilization, including tubal ligation at the time of labor and delivery; infertility treatments; or abortion. You should obtain more information before you enroll. Call your prospective doctor, medical group, independent practice association, clinic, or call the Kaiser Permanente Member Service Call Center toll free at 1-800-464-4000 to ensure that you can obtain the health care services that you need."

Please be aware that if a Service is covered but not available at a particular Plan Facility, we will make it available to you at another facility.

## **Our Visiting Member Program**

If you visit the service area of another Region temporarily (not more than 90 days), you can receive certain Services as a visiting member from designated providers in that area. Except for covered Emergency Care and Out-of-Area Urgent Care, your right to receive Services in the visited service area ends after 90 days unless you receive prior written authorization from us to continue receiving covered Services in the visited service area.

The covered Services and copayments may differ from those under this EOC and are governed by our program for visiting members. This program does not cover certain Services, such as transplant or infertility Services. Please call our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week, to receive more information about our visiting member program, including facility locations in other Regions. The service areas and facilities where you may obtain visiting member Services may change at any time.

## **Using Your Identification Card**

Each Member's Health Plan ID card has a Medical Record Number on it, which is useful when you call for advice, make an appointment, or go to a provider for covered care. The Medical Record Number is used to identify your medical records and membership information. You should always have the same Medical Record Number. Please let us know if we ever inadvertently issue you more than one Medical Record Number by calling our Member Service Call Center. If you need to replace your card, please call our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week.

Your ID card is for identification only. To receive covered Services, you must be a current Health Plan Member. Anyone who is not a Member will be billed for any Services we provide. If you let someone else use your card, we may keep your card and terminate your membership.

## **Getting Assistance**

We want you to be satisfied with the health care you receive from Kaiser Permanente. If you have any questions or concerns, please discuss them with your primary care Plan Physician or with other Plan Providers who are treating you. They are committed to your satisfaction and want to help you with your questions.

Most Plan Facilities have an office staffed with representatives who can provide assistance if you need help obtaining Services. At different locations, these offices may be called Member Services, Patient Assistance, or Customer Service. In addition, we have a Member Service Call Center staffed with representatives who are available to assist you seven days a week (except holidays), from 7 a.m. to 7 p.m., toll free at 1-800-464-4000 (the toll-free TTY line for the hearing and speech impaired is 1-800-777-1370). For your convenience, you can also contact us through our Web site at [www.kaiserpermanente.org](http://www.kaiserpermanente.org).

Also, Member Service representatives at our Plan Facilities and Member Service Call Center can answer any questions you have about your benefits, available Services, and the facilities where you can receive care. For example, they can explain your Health Plan benefits, how to make your first medical appointment, what to do if you move, what to do if you need care while you are traveling, and how to replace an ID card. These representatives can also help you if you need to file a claim for Emergency Care or Out-of-Area Urgent Care received from non-Plan Providers. In addition, they can help you with any issues as described in the "Dispute Resolution" section.

## **Emergency, Urgent, and Routine Care**

This section explains how to obtain covered Emergency Care, urgent care, and routine care. It also describes how our advice nurses can help assess nonemergency medical problems.

The care discussed in this section is not covered unless it meets the coverage requirements stated in the "Benefits" section (subject to the "Exclusions, Limitations, Coordination of Benefits, and Reductions" section).

## **Your Guidebook**

*Your Guidebook to Kaiser Permanente Services* explains how to use our Services and make appointments, and includes a detailed telephone directory for appointments and advice. It also discusses the types of covered Services that are available from each Plan Facility, because some facilities provide only specific types of covered Services. The *Guidebook* is subject to change and periodically updated. You can get a current copy by calling our Member Service Call Center toll free at 1-800-464-4000 (1-800-777-1370 TTY), 7 a.m. to 7 p.m., seven days a week.

## **Our Advice Nurses**

We know that sometimes it's difficult to know what type of care you need. That's why we have telephone advice nurses available to assist you. Our advice nurses are registered nurses (RNs) specially trained to help assess medical problems and provide advice over the phone, when medically appropriate. Whether you are calling for advice or to make an appointment, you have the option of speaking to an advice nurse. They can often resolve a minor concern over the phone or advise you about what to do next, including making a same-day or next-day urgent care appointment for you if it's appropriate. To reach an advice nurse, please refer to *Your Guidebook* for the telephone numbers.

## **Routine Care**

If you need to make a routine care appointment, please refer to *Your Guidebook* for appointment telephone numbers, or log on to [www.kaiserpermanente.org](http://www.kaiserpermanente.org) to make an appointment online. Routine appointments are for health care needs that aren't urgent (for example, routine checkups and school physicals). Try to make your routine care appointments as far in advance as possible.

## **Emergency Care**

We cover Emergency Care from Plan Providers and non-Plan Providers anywhere in the world. Emergency Care is Medically Necessary ambulance Services and evaluation by appropriate medical personnel to determine if an Emergency Medical Condition exists. If one exists, Emergency Care is also the Medically Necessary care, treatment, and surgery required to stabilize your Emergency Medical Condition (make you Clinically Stable) within the capabilities of the facility. Please refer to the "Benefits" section for information about ambulance coverage.

An Emergency Medical Condition is a medical or psychiatric condition that manifests itself by acute symptoms of sufficient severity (including severe pain) such that you could reasonably expect the absence of immediate medical attention to result in any of the following:

- Serious jeopardy to your health
- Serious impairment to your bodily functions
- Serious dysfunction of any bodily organ or part

An Emergency Medical Condition is also "active labor," which means a labor when there is inadequate time for safe transfer to a Plan Hospital (or designated hospital) before delivery or if transfer poses a threat to the health and safety of the Member or unborn child.

If you think you have an Emergency Medical Condition, call 911 or go to the nearest hospital. To better coordinate your Emergency Care, we recommend that you go to a Plan Hospital if it is reasonable to do so considering your condition or symptoms. Please refer to *Your Guidebook* for the location of Plan Hospitals that provide Emergency Care.

## **Special note about Post-stabilization Care**

Post-stabilization Care is the Services you receive after your treating physician determines that your Emergency Medical Condition is Clinically Stable. We cover Post-stabilization Care if a Plan Provider provides it or if you obtain authorization from us to receive the care from a non-Plan Provider. To request authorization for Post-stabilization Care, you must call us before you receive the care if it is reasonably possible to do so (otherwise,

call us as soon as reasonably possible). After we are notified, we will discuss your condition with the non-Plan Provider and decide whether to authorize your care from the non-Plan Provider or arrange to have a Plan Provider (or other designated provider) provide the care. Please ask the non-Plan Provider whether we authorized your Post-stabilization Care.

Please refer to "Call us for non-Plan admissions or Post-stabilization Care authorization" below for the telephone number to call and additional information about notification requirements.

**Urgent Care**

When you are sick or injured, you may have an urgent care need. An urgent care need is one that requires prompt medical attention, but is not an Emergency Medical Condition. If you think you may need urgent care, call the appropriate appointment or advice nurse telephone number at a Plan Facility. Please refer to *Your Guidebook* for advice nurse and Plan Facility telephone numbers.

If you are temporarily outside our Service Area and have an urgent care need due to an unforeseen illness or injury, we cover the Medically Necessary Services you receive from a non-Plan Provider if we find that the Services were necessary to prevent serious deterioration of your health and they could not be delayed until you returned to our Service Area.

**Additional Coverage Limitations**

**Call us for non-Plan admissions or Post-stabilization Care authorization**

You must call us at 1-800-225-8883 (this telephone number is also on your ID card) to:

- Request authorization for Post-stabilization Care *before* you obtain the care from a non-Plan Provider if it is reasonably possible to do so (otherwise, call us as soon as reasonably possible)
- Notify us that you have been admitted to a non-Plan Hospital. You must notify us within 24 hours of any admission or as soon as reasonably possible. We will decide whether to make arrangements for necessary continued care where you are, or to transfer you to a facility we designate. If you don't notify us as soon as reasonably possible, we will not cover any Services you receive after transfer would have been possible

We know that extraordinary circumstances can delay your ability to call us, for example, if you are unconscious or a young child without a parent or guardian. In these cases, you must call us as soon as it is reasonably possible. Please keep in mind that anyone can call us. If you don't call us when it becomes possible for you to call, you will be financially responsible for the cost of the unauthorized Services received after you became Clinically Stable.

**Reimbursement for non-Plan Emergency and Out-of-Area Urgent Care received from non-Plan Providers**

Continuing or follow-up treatment is not covered except as discussed above. Our reimbursement will be reduced by applicable Copayments, which are the same Copayments required for Services provided by a Plan Provider.

The procedure for obtaining reimbursement for Emergency Care and Out-of-Area Urgent Care received from non-Plan Providers is described under "Non-Plan Emergency Care or Out-of-Area Urgent Care" in the "Requests for Payment or Services" section.

The Pharmacy and Therapeutics Committee meets quarterly to consider additions and deletions based on new information or drugs that become available. If you would like information about whether a particular drug is included in our drug formulary, please call our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week.

- Visits for the purpose of monitoring drug therapy

**Inpatient psychiatric care**

**Hospital alternative Services**

We cover treatment in a structured multidisciplinary program as an alternative to inpatient psychiatric care. Each treatment period of hospital alternative Services will reduce the number of covered days of inpatient psychiatric hospitalization as follows:

When a Service is excluded, all Services related to the excluded Service are also excluded, even if they would otherwise be covered under this EOC.

### **Certain exams and Services**

Physical examinations and other Services (a) required for obtaining or maintaining employment or participation in employee programs, or (b) required for insurance or licensing, or (c) on court order or required for parole or probation. This exclusion does not apply if a Plan Physician determines that the Services are Medically Necessary.

**Chiropractic Services**

**Conception by artificial means**

All Services (other than artificial insemination described under "Infertility Services" in the "Benefits" section) related to conception by artificial means, such as but not limited to: ovum transplants, gamete intrafallopian transfer (GIFT), donor semen or eggs (and Services related to their procurement and storage), in vitro fertilization (IVF), and zygote intrafallopian transfer (ZIFT).

**Cosmetic Services**

Plastic surgery or other cosmetic Services that are intended primarily to improve your appearance, except for Services covered under "Reconstructive Surgery" in the "Benefits" section.

**Custodial care**

Custodial care means assistance with activities of daily living (for example: walking, getting in and out of bed, bathing, dressing, feeding, toileting, and taking medicine), or care that can be performed safely and effectively by people who, in order to provide the care, do not require medical licenses or certificates or the presence of a supervising licensed nurse.

This exclusion does not apply to Services covered under "Hospice Care" in the "Benefits" section.

**Dental care**

Dental care and dental X-rays, such as dental Services following accidental injury to teeth, dental appliances, dental implants, orthodontia, and dental Services resulting from medical treatment such as surgery on the jawbone and radiation treatment. This exclusion does not apply to evaluation, extraction, dental X-rays, or fluoride treatment, if a Plan Physician refers you to a dentist (as described under "Getting a referral") to prepare your jaw for radiation treatment of cancer.

- It requires government approval that has not been obtained when the Service is to be provided

This exclusion does not apply to Services covered under "Services Associated with Clinical Trials" in the "Benefits" section. Please refer to the "Dispute Resolution" section for information about independent medical review related to denied requests for experimental or investigational Services.

**Hair loss or growth treatment**

**Intermediate care**

A surrogacy arrangement is one in which a woman (the surrogate) agrees to become pregnant and to surrender the baby to another person or persons who intend to raise the child. Please refer to "Surrogacy arrangements" in the "Reductions" section for information about your obligations to us in connection with a surrogacy arrangement, including your obligation to reimburse us for any Services we cover.

## **Travel and lodging expenses**

Travel and lodging expenses for any person, including a Member. However, in some situations, if Medical Group refers you to a non-Plan Provider as described under "Getting a referral," we may preauthorize certain expenses in accord with our travel and lodging policy and so notify you.

## **Limitations**

We will use our best efforts to provide or arrange for our Members' health care needs in the event of unusual circumstances that delay or render impractical the provision of Services under this *EOC*, such as major disaster, epidemic, war, riot, civil insurrection, disability of a large share of personnel at a Plan Facility, complete or partial destruction of facilities, and labor disputes not involving Health Plan, Kaiser Foundation Hospitals, or Medical Group. However, Health Plan, Kaiser Foundation Hospitals, Medical Group, and Medical Group Physicians will not have any liability for any delay or failure in providing covered Services. In the case of a labor dispute involving Health Plan, Kaiser Foundation Hospitals, or Medical Group, we may postpone routine or elective care until the dispute is resolved if delaying your care is safe and will not result in harmful health consequences in the judgment of a Plan Physician.

## **Coordination of Benefits (COB)**

The Services covered under this *EOC* are subject to coordination of benefits (COB) rules. If you have health care coverage with another health plan or insurance company, we will coordinate benefits with the other coverage under the COB rules of the California Department of Managed Health Care. Those rules are incorporated into this *EOC*.

If both the other coverage and we cover the same Service, the other coverage and we will see that up to 100% of your covered medical expenses are paid for that Service. The COB rules determine which coverage pays first, or is "primary," and which coverage pays second, or is "secondary." The secondary coverage may reduce its payment to take into account payment by the primary coverage. You must give us any information we request to help us coordinate benefits.

If your coverage under this *EOC* is secondary, we may be able to establish a Benefit Reserve Account for you. You may draw on the Benefit Reserve Account during the calendar year to pay for your out-of-pocket expenses for Services that are partially covered by either your other coverage or us. If you are entitled to a Benefit Reserve Account, we will provide you with detailed information about this account.

If you have any questions about COB, please call our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week.

## **Reductions**

### **Employer responsibility**

For any Services that the law requires an employer to provide, we will not pay the employer, and if we cover any such Services we may recover the value of the Services from the employer.

### **Government agency responsibility**

For any Services that the law requires be provided only by or received only from a government agency, we will not pay the government agency, and if we cover any such Services we may recover the value of the Services from the government agency.

**Injuries or illnesses alleged to be caused by third parties**

You must pay us Charges for covered Services you receive for an injury or illness that is alleged to be caused by a third party's act or omission, except that you do not have to pay us more than you receive from or on behalf of the third party.

To the extent permitted by law, we have the option of becoming subrogated to all claims, causes of action, and other rights you may have against a third party or an insurer, government program, or other source of coverage for monetary damages, compensation, or indemnification on account of the injury or illness allegedly caused by the third party. We will be so subrogated as of the time we mail or deliver a written notice of our exercise of this option to you or your attorney, but we will be subrogated only to the extent of the total of Charges for the relevant Services.

To secure our rights, we will have a lien on the proceeds of any judgment or settlement you obtain against a third party. The proceeds of any judgment or settlement that you or we obtain shall first be applied to satisfy our lien, regardless of whether the total amount of the recovery is less than the actual losses and damages you incurred.

Within 30 days after submitting or filing a claim or legal action against a third party, you must send written notice of the claim or legal action to:

Kaiser Permanente  
Special Recovery Unit-8553  
Parsons East, 2nd Floor  
P.O. Box 7017  
Pasadena, CA 91109-9977

In order for us to determine the existence of any rights we may have and to satisfy those rights, you must complete and send us all consents, releases, authorizations, assignments, and other documents, including lien forms directing your attorney, the third party, and the third party's liability insurer to pay us directly. You must not take any action prejudicial to our rights.

If your estate, parent, guardian, or conservator asserts a claim against a third party based on your injury or illness, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

If you are entitled to Medicare, Medicare law may apply with respect to Services covered by Medicare.

Some providers have contracted with Kaiser Permanente to provide certain Services to Members at rates that are typically less than the fees that the providers ordinarily charge to the general public ("General Fees"). However, these contracts may allow the providers to assert any independent lien rights they may have to recover their General Fees from a judgment or settlement that you receive from or on behalf of a third party. For Services the provider furnished, our recovery and the provider's recovery together will not exceed the provider's General Fees.

**Medicare benefits**

Your benefits are reduced by any benefits to which you are entitled under Medicare except for Members whose Medicare benefits are secondary by law.

**Surrogacy arrangements**

You must pay us Charges for covered Services you receive related to conception, pregnancy, or delivery in connection with a surrogacy arrangement ("Surrogacy Health Services"). Your obligation to pay us for Surrogacy Health Services is limited to the compensation you are entitled to receive under the surrogacy arrangement. A surrogacy arrangement is one in which you agree to become pregnant and to surrender the baby to another person or persons who intend to raise the child.

By accepting Surrogacy Health Services, you automatically assign to us your right to receive payments that are payable to you or your chosen payee under the surrogacy arrangement, regardless of whether those payments

are characterized as being for medical expenses. To secure our rights, we will also have a lien on those payments. Those payments shall first be applied to satisfy our lien. The assignment and our lien will not exceed the total amount of your obligation to us under the preceding paragraph.

Within 30 days after entering into a surrogacy arrangement, you must send written notice of the arrangement, including the names and addresses of the other parties to the arrangement, and a copy of any contracts or other documents explaining the arrangement, to:

Kaiser Permanente  
Special Recovery Unit  
Parsons East, 2nd Floor  
P.O. Box 7017  
Pasadena, CA 91109-9977  
Attention: Third Party Liability Supervisor

You must complete and send us all consents, releases, authorizations, lien forms, and other documents that are reasonably necessary for us to determine the existence of any rights we may have under this "Surrogacy arrangements" section and to satisfy those rights. You must not take any action prejudicial to our rights.

If your estate, parent, guardian, or conservator asserts a claim against a third party based on the surrogacy arrangement, your estate, parent, guardian, or conservator and any settlement or judgment recovered by the estate, parent, guardian, or conservator shall be subject to our liens and other rights to the same extent as if you had asserted the claim against the third party. We may assign our rights to enforce our liens and other rights.

### **Veterans Administration**

For any Services for conditions arising from military service that the law requires the Veterans Administration to provide, we will not pay the Veterans Administration, and if we cover any such Services we may recover the value of the Services from the Veterans Administration.

### **Workers' compensation or employer's liability benefits**

You may be eligible for payments or other benefits, including amounts received as a settlement (collectively referred to as "Financial Benefit"), under workers' compensation or employer's liability law. We will provide covered Services even if it is unclear whether you are entitled to a Financial Benefit, but we may recover the value of any such Services from the following sources:

- From any source providing a Financial Benefit or from whom a Financial Benefit is due
- From you, to the extent that a Financial Benefit is provided or payable or would have been required to be provided or payable if you had diligently sought to establish your rights to the Financial Benefit under any workers' compensation or employer's liability law

## **Providing Supporting Documents for Your Request**

It is helpful for you to include any information that clarifies or supports your position. You may want to include with your grievance supporting information, such as medical records or physician opinions in support of your request. When appropriate, we will request medical records from Plan Providers on your behalf. If you have consulted with a non-Plan Provider, and are unable to provide copies of relevant medical records, we will contact the provider to request a copy of your medical records. We will ask you to send or fax us a written authorization so that we can request your records. If we do not receive the information we request in a timely fashion, we will make a decision based on the information we have.

## **DMHC Complaints**

The California Department of Managed Health Care is responsible for regulating health care service plans. If you have a grievance against your health plan, you should first telephone your health plan at **(1-800-464-4000)** and use your health plan's grievance process before contacting the department. Utilizing this grievance procedure does not prohibit any potential legal rights or remedies that may be available to you. If you need help with a grievance involving an emergency, a grievance that has not been satisfactorily resolved by your health plan, or a grievance that has remained unresolved for more than 30 days, you may call the department for assistance. You may also be eligible for an Independent Medical Review (IMR). If you are eligible for IMR, the IMR process will provide an impartial review of medical decisions made by a health plan related to the medical

necessity of a proposed service or treatment, coverage decisions for treatments that are experimental or investigational in nature and payment disputes for emergency or urgent medical services. The department also has a toll-free telephone number **(1-888-HMO-2219)** and a TDD line **(1-877-688-9891)** for the hearing and speech impaired. The department's Internet Web site **<http://www.hmohelp.ca.gov>** has complaint forms, IMR application forms and instructions online.

### **Independent Medical Review (IMR)**

If you qualify, you or your authorized representative may have your issue reviewed through the Independent Medical Review (IMR) process managed by the California Department of Managed Health Care (DMHC). The DMHC determines which cases qualify for IMR. This review is at no cost to you. If you decide not to request an IMR, you may give up the right to pursue some legal actions against us.

You may qualify for IMR if your issue has been denied or it is unresolved after 30 days (or three days if the request meets expedited review criteria), and one of the following criteria applies:

- Your request for a Service, that would otherwise be eligible for coverage, has been denied, modified, or delayed based in whole or in part on a decision that the Service is not Medically Necessary
- The Service you requested is for the treatment of a life-threatening or seriously debilitating condition and has been denied on the basis that it is experimental or investigational, and your treating physician certifies that you have a condition for which the standard therapies have not been effective for this condition or would not be medically appropriate for you, or we do not cover a more beneficial standard therapy than the one proposed by you or your physician. If you request IMR for this reason, DMHC requires that you submit the following information to them:
  - ◆ a written statement from your treating physician that states you meet these criteria and that standard therapies have not been effective in treating your condition, or that describes the clinical reasons that standard therapies would not be appropriate, or that there is no more beneficial standard therapy we cover than the therapy being requested
  - ◆ if your treating physician is a Plan Physician, he or she must also include a statement verifying that the requested therapy is likely to be more beneficial to you than any available standard therapies. If your treating physician is not a Plan Physician, please contact our Member Service Call Center at 1-800-464-4000 or DMHC regarding non-Plan Physician supporting documentation requirements for the IMR process

If DMHC determines that your case is eligible for independent medical review, it will ask us to send your case to the DMHC's independent medical review organization. The DMHC will promptly notify you of its decision after it receives the independent medical review organization's determination. If the decision is in your favor, we will contact you to arrange for the Service or payment.

### **Binding Arbitration**

#### **Scope of Arbitration**

Any dispute shall be submitted to binding arbitration if all of the following requirements are met:

1. The claim arises from or is related to an alleged violation of any duty incident to or arising out of or relating to this EOC or a Member Party's relationship to Kaiser Foundation Health Plan, Inc., (Health Plan), including any claim for medical or hospital malpractice, for premises liability, or relating to the coverage for, or delivery of, Services, irrespective of the legal theories upon which the claim is asserted
2. The claim is asserted by one or more Member Parties against one or more Kaiser Permanente Parties or by one or more Kaiser Permanente Parties against one or more Member Parties
3. The claim is *not* within the jurisdiction of the Small Claims Court
4. If the Member's Group must comply with the Employee Retirement Income Security Act (ERISA) requirements, the claim is *not* a benefit-related request that constitutes a "benefit claim" in Section 502(a)(1)(B) of ERISA. Note: Benefit claims under this Section of ERISA are excluded from this binding arbitration requirement only until such time as the United States Department of Labor regulation prohibiting mandatory binding arbitration of this category of claim (29 CFR 2560.503-1(c)(4)) is modified, amended, repealed, superseded, or otherwise found to be invalid. If this occurs, these claims will automatically become subject to mandatory binding arbitration without further notice

As referred to in this "Binding Arbitration" section,

1. "Member Parties" include:
  - a. A Member,
  - b. A Member's heir or personal representative, or
  - c. Any person claiming that a duty to him or her arises from a Member's relationship to one or more Kaiser Permanente Parties.
2. "Kaiser Permanente Parties" include:
  - a. Kaiser Foundation Health Plan, Inc. (Health Plan),
  - b. Kaiser Foundation Hospitals (KFH),
  - c. The Permanente Medical Group, Inc. (TPMG),
  - d. Southern California Permanente Medical Group (SCPMG),
  - e. The Permanente Federation, LLC,
  - f. The Permanente Company, LLC,
  - g. Any KFH, TPMG, or SCPMG physician,
  - h. Any individual or organization whose contract with any of the organizations identified above requires arbitration of claims brought by one or more Member Parties, or
  - i. Any employee or agent of any of the foregoing.
3. "Claimant" refers to a Member Party or a Kaiser Permanente Party who asserts a claim as described above.
4. "Respondent" refers to a Member Party or a Kaiser Permanente Party against whom a claim is asserted.

For all claims subject to this "Binding Arbitration" section both Claimants and Respondents give up the right to a jury or court trial, and accept the use of binding arbitration. Insofar as this "Binding Arbitration" section applies to claims asserted by Kaiser Permanente Parties, it shall apply retroactively to all unresolved claims that accrued before the effective date of this EOC. Such retroactive application shall be binding only on the Kaiser Permanente Parties.

**Arbitration Advisory Committee and Independent Administrator**

Health Plan appointed an Arbitration Advisory Committee to assist in the selection of an Independent Administrator to administer arbitrations under this "Binding Arbitration" section, and to provide consultation to the Independent Administrator in administering these arbitrations. Upon the recommendation of the Arbitration Advisory Committee, Health Plan selected an Independent Administrator to perform these administrative services.

**Initiating Arbitration**

Claimants shall initiate arbitration by serving a Demand for Arbitration. The Demand for Arbitration shall include the basis of the claim against the Respondents; the amount of damages the Claimants seek in the arbitration; the names, addresses, and telephone numbers of the Claimants and their attorney, if any; and the names of all Respondents. Claimants shall include all claims against Respondents that are based on the same incident, transaction, or related circumstances in the Demand for Arbitration.

**Serving Demand for Arbitration**

Health Plan, KFH, TPMG, SCPMG, The Permanente Federation, LLC, and The Permanente Company, LLC shall be served with a Demand for Arbitration by mailing the Demand for Arbitration addressed to that Respondent in care of:

Kaiser Foundation Health Plan, Inc.  
Legal Department  
393 East Walnut Street  
Pasadena, CA 91188

Service on that Respondent shall be deemed completed when received.

All other Respondents, including individuals, must be served as required by the California Code of Civil Procedure for a civil action.

## **Filing Fee**

The Claimants shall pay a single, non-refundable, filing fee of \$150 per arbitration payable to "Arbitration Account" regardless of the number of claims asserted in the Demand for Arbitration or the number of Claimants or Respondents named in the Demand for Arbitration.

Any Claimant who claims extreme hardship may request that the Independent Administrator waive the filing fee and the Neutral Arbitrator's fees and expenses. A Claimant who seeks such waivers shall complete the Fee Waiver Form and submit it to the Independent Administrator and simultaneously serve it upon the Respondents. The Fee Waiver Form sets forth the criteria for waiving fees and is available by calling the Kaiser Permanente Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week.

## **Number of Arbitrators**

The number of Arbitrators may affect the Claimant's responsibility for paying the Neutral Arbitrator's fees and expenses.

If the Demand for Arbitration seeks total damages of \$200,000 or less, the dispute shall be heard and determined by one Neutral Arbitrator, unless the parties otherwise agree in writing that the arbitration shall be heard by two Party Arbitrators and a Neutral Arbitrator. The Neutral Arbitrator shall not have authority to award monetary damages that are greater than \$200,000.

If the Demand for Arbitration seeks total damages of more than \$200,000, the dispute shall be heard and determined by one Neutral Arbitrator and two Party Arbitrators, one jointly appointed by all Claimants and one jointly appointed by all Respondents. Parties who are entitled to select a Party Arbitrator may agree to waive this right. If all parties agree, these arbitrations will be heard by a Single Neutral Arbitrator.

## **Payment of Arbitrator Fees and Expenses**

Health Plan will pay the fees and expenses of the Neutral Arbitrator under certain conditions as set forth in the *Rules for Kaiser Permanente Member Arbitrations Overseen by the Office of the Independent Administrator* (Rules of Procedure). In all other arbitrations, the fees and expenses of the Neutral Arbitrator shall be paid one-half by the Claimants and one-half by the Respondents.

If the parties select Party Arbitrators, Claimants shall be responsible for paying the fees and expenses of their Party Arbitrator and Respondents shall be responsible for paying the fees and expenses of their Party Arbitrator.

## **Costs**

Except for the aforementioned fees and expenses of the Neutral Arbitrator, and except as otherwise mandated by laws that apply to arbitrations under this "Binding Arbitration" section, each party shall bear the party's own attorneys' fees, witness fees, and other expenses incurred in prosecuting or defending against a claim regardless of the nature of the claim or outcome of the arbitration.

## **Rules of Procedure**

Arbitrations shall be conducted according to Rules of Procedure developed by the Independent Administrator in consultation with Kaiser Permanente and the Arbitration Advisory Committee. Copies of the Rules of Procedure may be obtained from the Member Service Call Center by calling toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week.

## **General Provisions**

A claim shall be waived and forever barred if (1) on the date the Demand for Arbitration of the claim is served, the claim, if asserted in a civil action, would be barred as to the Respondents served by the applicable statute of limitations, or (2) Claimants fail to pursue the arbitration claim in accord with the Rules of Procedure with reasonable diligence, or (3) the arbitration hearing is not commenced within five years after the earlier of (i) the date the Demand for Arbitration was served in accord with the procedures prescribed herein, or (ii) the date of filing of a civil action based upon the same incident, transaction, or related circumstances involved in the claim. A claim may be dismissed on other grounds by the Neutral Arbitrator based on a showing of a good cause. If a party fails to attend the arbitration hearing after being given due notice thereof, the Neutral Arbitrator may proceed to determine the controversy in the party's absence.

The California Medical Injury Compensation Reform Act of 1975 (including any amendments thereto), including sections establishing the right to introduce evidence of any insurance or disability benefit payment to the patient, the limitation on recovery for noneconomic losses, and the right to have an award for future damages conformed to periodic payments, shall apply to any claims for professional negligence or any other claims as permitted by law.

Arbitrations shall be governed by this "Binding Arbitration" section, Section 2 of the Federal Arbitration Act, and the California Code of Civil Procedure provisions relating to arbitration that are in effect at the time the statute is applied, together with the Rules of Procedure, to the extent not inconsistent with this section.

## Termination of Membership

Your Group is required to inform the Subscriber of the date your coverage terminates. If your membership terminates, all rights to benefits end at 12:00 a.m. on the termination date (for example, if your termination date is January 1, 2003, your last moment of coverage was at 11:59 p.m. on December 31, 2002). In addition, a Dependent's membership ends at the same time the Subscriber's membership ends. You will be billed as a non-Member for any Services you receive after your membership terminates. When your membership terminates under this section, Health Plan and Plan Providers have no further liability or responsibility under this EOC, except as provided under "Coverage for Totally Disabled Persons" and "Payments after Termination" in this "Termination of Membership" section.

This section describes how your membership may end and explains how you may be able to maintain Health Plan coverage without a break in coverage if your membership under this EOC ends.

### Termination Due to Loss of Eligibility

If you met the eligibility requirements listed under "Who Is Eligible" in the "Dues, Eligibility, and Enrollment" section on the first day of a month, but later in that month you no longer met those eligibility requirements, your membership terminates on the last day of that month at 11:59 p.m. unless your Group has an agreement with us to terminate at a time other than on the last day of the month. Please check with your Group's benefits administrator to confirm your termination date.

### Termination of Group Agreement

If your Group's *Agreement* with us terminates for any reason, your membership ends on the same date. Your Group is required to notify Subscribers in writing if its *Agreement* with us terminates.

### **Coverage for totally disabled persons**

If you became totally disabled after December 31, 1977, while you were a Member under your Group's *Agreement* with us and while the Subscriber was employed by your Group, and your Group's *Agreement* with us terminates, coverage for your disabling condition will continue until any one of the following events occur:

- 12 months have elapsed
- You are no longer disabled
- Your Group's *Agreement* with us is replaced by another group health plan without limitation as to the disabling condition

Your coverage will be subject to the terms of this EOC including Copayments.

For Subscribers and adult Dependents, "totally disabled" means that, in the judgment of a Medical Group Physician, an illness or injury is expected to result in death or has lasted or is expected to last for a continuous period of at least 12 months, and makes the person unable to engage in any employment or occupation, even with training, education, and experience.

For Dependent children, "totally disabled" means that, in the judgment of a Medical Group Physician, an illness or injury is expected to result in death or has lasted or is expected to last for a continuous period of at least 12

months and the illness or injury makes the child unable to substantially engage in any of the normal activities of children in good health of like age.

### **Termination for Cause**

If you commit one of the following acts, we may terminate your membership by sending written notice to the Subscriber:

- Your behavior threatens the safety of Plan personnel, or of any person or property at a Plan Facility
- You knowingly (1) misrepresent membership status, (2) present an invalid prescription or physician order, (3) misuse (or let someone else use) a Member ID card, or (4) commit any other type of fraud in connection with your membership
- You knowingly furnish incorrect or incomplete information to us or fail to notify us of changes in your family status or Medicare coverage that may affect your eligibility or benefits

### **Termination for Nonpayment**

#### **Nonpayment of Dues**

You are entitled to health care coverage only for the period for which we have received the appropriate Dues from your Group. If your Group fails to pay us the appropriate Dues for your Family Unit, we will terminate the memberships of everyone in your Family Unit.

**Partial payment of Dues for a Family Unit.** If your Group makes a partial Dues payment specifically for your Family Unit and does not pay us the entire Dues required for your Family Unit, we will terminate the memberships of everyone in the Family Unit effective the last day of the month at 11:59 p.m. in which our determination is made.

For Members who are eligible for Medicare as primary coverage, Dues are based on the assumption that Health Plan or its designee will receive Medicare payments for Medicare-covered Services provided to Members eligible for benefits under Medicare Part A or Part B (or both). If you are or become eligible for Medicare as primary coverage, you must comply with the following requirements:

- Enroll in all parts of Medicare for which you are eligible and continue that enrollment while a Member
- Be enrolled through your Group in Kaiser Permanente Senior Advantage
- Complete and submit all documents necessary for Health Plan, or any provider from whom you receive Services covered by Health Plan, to obtain Medicare payments for Medicare-covered Services provided to you

If you do not comply with all of these requirements for any reason, even if you are unable to enroll in Kaiser Permanente Senior Advantage because you do not meet the plan's eligibility requirements, the plan is not available through your Group, or Senior Advantage is closed to enrollment, we will increase your Group's Dues to compensate for the lack of Medicare payment and transfer your membership to our non-Medicare plan if you are not already so enrolled. However, if your Group does not pay us the entire Dues required for your Family Unit, we will terminate the memberships of everyone in the Family Unit in accord with this section.

**Note:** Medicare is the primary coverage except when federal law requires that Group's health care plan be primary and Medicare coverage be secondary.

#### **Nonpayment of any other charges**

We may terminate the memberships of the Subscriber and all Dependents in your Family Unit if any one of you fails to pay any amounts he or she owes to Health Plan, Kaiser Foundation Hospitals, or Medical Group, or fails to pay Copayments to any Plan Provider. We will send written notice of the termination to the Subscriber at least 15 days before the termination date. After the effective date of termination, you and your Dependents may become Members in the future only by paying all amounts you owe us, completing an enrollment application, and enrolling when eligible.

**Termination of a Product or all Products**

We may terminate a particular product or all products offered in a small or large group market as permitted by law. If we discontinue offering a particular product in a market, we will terminate just the particular product upon 90 days prior written notice to the Subscriber. If we discontinue offering all products to groups in a small or large group market, as applicable, we may terminate the *Group Agreement* upon 180 days prior written notice to the Subscriber.

**Payments after Termination**

If we terminate your membership for cause or for nonpayment, we will:

- Refund any amounts we owe your Group for Dues paid for the period after the termination date
- Pay you any amounts we have determined that we owe you for claims for Emergency Care and Out-of-Area Urgent Care during your membership in accord with "Non-Plan Emergency Care or Out-of-Area Urgent Care" in the "Requests for Payment or Services" section. We will deduct any amounts you owe Health Plan, Kaiser Foundation Hospitals, or Medical Group, from any amount we owe you

**State Review of Membership Termination**

If you believe that we terminated your membership because of your ill health or your need for care, you may request a review of the termination by the California Department of Managed Health Care (please see "DMHC Complaints" in the "Dispute Resolution" section).

**Continuation of Group Coverage under Federal or State Law**

**COBRA**

You may be able to continue your coverage under this *EOC* for a limited time after you would otherwise lose eligibility, if required by the federal COBRA law. COBRA applies to employees (and their covered family Dependents) of most employers with 20 or more employees. Members are not ineligible for COBRA continuation coverage solely because they live in the service area of a Region outside California.

You must submit a COBRA election form to your Group within the COBRA election period. Please ask your Group's benefits administrator for the details about COBRA continuation coverage, such as how to elect coverage and how much you must pay your Group.

If you choose not to apply for COBRA continuation coverage through your Group, you may be able to convert to a nongroup Plan as described in "Conversion of Group Membership to an Individual Plan" below. If you do enroll in COBRA, when you lose your COBRA eligibility, you may be able to continue coverage under state law as described in "State Continuation Coverage after COBRA coverage" below. Also, you may be able to convert to a nongroup Plan as described in "Conversion of Group Membership to an Individual Plan" below.

**State Continuation Coverage after COBRA coverage**

If you lose eligibility for COBRA coverage because you exhaust the length of time allowed for COBRA coverage, you may be eligible to continue your Group coverage under state law (State Continuation Coverage) if required by Section 1373.621 of the California Health and Safety Code. To continue your Group coverage under state law, you must call our Member Service Call Center toll free at 1-800-464-4000 (*TTY 1-800-777-1370*), 7 a.m. to 7 p.m., seven days a week, to request enrollment within 30 days before the date COBRA continuation coverage is scheduled to end and pay applicable dues to us. In addition, you must meet one of the following requirements:

- You are a Subscriber who was 60 years of age or older and were employed by your Group for at least five years before the date employment with your Group terminated
- You are the Spouse of a Subscriber who dies, divorces, legally separates, or becomes entitled to Medicare
- You are a former Spouse of a Subscriber

**Termination of State Continuation Coverage.** Coverage continues only upon payment of applicable monthly dues to us at the time we specify, and terminates on the earliest of:

- The date your Group's *Agreement* with us terminates

- The date you obtain coverage under any other group health plan not maintained by your Group, regardless of whether that coverage is less valuable
- The date you become entitled to Medicare
- Your 65th birthday
- Five years from the date your COBRA coverage was scheduled to end, if you are a Subscriber's Spouse or former Spouse
- When you fail to make payments to us when due

If you do not elect State Continuation Coverage, you may be able to convert to a nongroup Plan as described in "Conversion of Group Membership to an Individual Plan" below.

### **Uniformed Services Employment and Reemployment Rights Act (USERRA)**

If you are called to active duty in the uniformed services, you may be able to continue your coverage under this EOC for a limited time after you would otherwise lose eligibility, if required by the federal USERRA law. Members are not ineligible for USERRA continuation coverage solely because they live in the service area of a Region outside California. You must submit an USERRA election form to your Group within 60 days after your call to active duty. Please contact your Group if you want to know how to elect USERRA coverage and how much you must pay your Group.

### **Conversion of Group Membership to an Individual Plan**

You may be eligible to convert to a nongroup plan (Individual Plan) if you no longer meet the eligibility requirements described under "Who Is Eligible" in the "Dues, Eligibility, and Enrollment" section, or if you enroll in COBRA or USERRA continuation coverage and then lose eligibility for that coverage.

However, you may not convert to this nongroup plan if any of the following is true:

- You continue to be eligible for coverage through your Group
- Your membership ends because our *Agreement* with your Group terminates
- We terminated your membership under "Termination for Cause" or "Nonpayment of any other charges"
- You live in the service area of a Region outside California, except that the Subscriber's or the Subscriber's Spouse's otherwise eligible children are not ineligible to be covered Dependents solely because they live in a non-California Region if:
  - ◆ they are attending an accredited college or vocational school
  - ◆ the Subscriber or Subscriber's Spouse is required to cover them pursuant to a Qualified Medical Child Support Order

You must apply to convert your membership within 31 days after your Group coverage ends. During this period, no medical review is required, and your individual coverage begins when your Group coverage ends. You will have to pay Dues, and the benefits and Copayments under the new coverage may differ from those under this EOC.

For information about converting your membership or about other individual plans, call our Member Service Call Center toll free at 1-800-464-4000 (TTY 1-800-777-1370), 7 a.m. to 7 p.m., seven days a week.

### **Certificates of Creditable Coverage**

The Health Insurance Portability and Accountability Act requires employers or health plans to issue "Certificates of Creditable Coverage" to terminated Members. The certificate documents health care membership and is used to prove prior creditable coverage when a terminated Member seeks new coverage. When your membership terminates, we will mail the certificate to the Subscriber unless your Group has an agreement with us to mail the certificates. If you have any questions, please contact your Group's benefits administrator.

## Miscellaneous Provisions

### Administration of Agreement

We may adopt reasonable policies, procedures, and interpretations to promote orderly and efficient administration of the *Group Agreement* and this *EOC*.

### Advance directives

The California Health Care Decision Law offers several ways for you to control the kind of health care you will receive if you become very ill or unconscious, including:

- A *Power of Attorney for Health Care* lets you name someone to make health care decisions for you when you cannot speak for yourself. It also lets you write down your own views on life support and other treatments
- *Individual health care instructions* let you express your wishes about receiving life support and other treatment. You can express these wishes to your doctor and have them documented in your medical chart, or you can put them in writing and have that made a part of your medical chart

For additional information about advance directives, including how to obtain forms and instructions, contact your local Member Services Department.

### Agreement binding on Members

By electing coverage or accepting benefits under this *EOC*, all Members legally capable of contracting, and the legal representatives of all Members incapable of contracting, agree to all provisions of this *EOC*.

### Amendment of Agreement

Your Group's *Agreement* with us will change periodically. If these changes affect this *EOC*, your Group is required to inform you in accord with applicable law and the *Group Agreement*.

### Applications and statements

You must complete any applications, forms, or statements that we request in our normal course of business or as specified in this *EOC*.

### Assignment

You may not assign this *EOC* or any of the rights, interests, claims for money due, benefits, or obligations hereunder without our prior written consent.

### Attorneys' fees and expenses

In any dispute between a Member and Health Plan or Plan Providers, each party will bear its own attorneys' fees and other expenses.

### Governing law

Except as preempted by federal law, this *EOC* will be governed in accord with California law and any provision that is required to be in this *EOC* by state or federal law shall bind Members and Health Plan whether or not set forth in this *EOC*.

### Group and Members not Health Plan's agents

Neither your Group nor any Member is the agent or representative of Health Plan.

### Health Insurance Counseling and Advocacy Program (HICAP)

For additional information concerning covered benefits, contact the Health Insurance Counseling and Advocacy Program (HICAP) or your agent. Under our *Agreement* with your Group, we have assumed the role of a "named fiduciary," a party responsible for determining whether you are entitled to benefits under this *EOC*. Also, as a named fiduciary, we have the authority to review and evaluate claims that arise under this *EOC*. We conduct this evaluation independently by interpreting the provisions of this *EOC*.

## No waiver

Our failure to enforce any provision of this *EOC* will not constitute a waiver of that or any other provision, or impair our right thereafter to require your strict performance of any provision.

If a Member does not reside with the Subscriber, he or she should contact our Member Service Call Center to discuss alternate delivery options.

## Overpayment recovery

We may recover any overpayment we make for Services from anyone who receives such an overpayment or from any person or organization obligated to pay for the Services.

## Privacy practices

Kaiser Permanente will protect the privacy of your Protected Health Information (PHI). We also require contracting providers to protect your PHI. PHI is health information that includes your name, Social Security number, or other information that reveals who you are. You may generally see and receive copies of your PHI, correct or update your PHI, and ask us for an accounting of certain disclosures of your PHI.

We may use or disclose your PHI for treatment, payment, and health care operations purposes, including health research and measuring the quality of care and Services. We are sometimes required by law to give PHI to government agencies or in judicial actions. In addition, Member-identifiable medical information is shared with employers only with your authorization or as otherwise permitted by law. We will not use or disclose your PHI for any other purpose without your (or your representative's) written authorization, except as described in our *Notice of Privacy Practices* (see below). ## Copayments

This section discusses Copayments only. It does not describe benefits. To learn what is covered for each benefit, please refer to the identical heading in the "Benefits" section (also refer to the "Exclusions, Limitations, Coordination of Benefits, and Reductions" section, which applies to all benefits).

Copayments are due when you receive the Service, but for items ordered in advance, the Copayment will be the Copayment in effect on the order date (though we will not cover the item unless you still have coverage for it on the date you receive it). In some cases, we may agree to bill you for your Copayment. If we agree to bill you, we will increase the Copayment by \$13.50 and mail you a bill for the entire amount.
