Our paycheck stub has been updated and has more details about earnings than before!

- **Salaried employees** can quickly see each component of their earnings listed as a Wage Type. FTE, not hours are used to calculate salaried employee pay. The sum of all wage types equals Total Gross Wages.
- **Hourly rate employees** will continue to see their hourly rate and number of paid hours identified.
- Voluntary and Involuntary deductions are itemized in the Deduction Area.
- Any Benefits the District pays are listed in the Benefits area.
- Holiday, vacation, illness, or other absences are shown as a Special Pay Code.
