IN CASE OF EMERGENCY:

Dial 911 for medical emergencies when an employee is seriously injured or cannot be safely transported.

(Follow up treatment should be obtained at US Health Works or one of the other treatment facilities above.

Important: If an employee is hospitalized, other than for observation, for 24 hours or more, or has an injury that results in the loss of a limb (amputation) or loss of life, please contact the Risk Management Department at (213) 891-2397, as these must be reported to OSHA within 8 hours of the event.
