B. It is further understood and agreed that all rights heretofore exercised by, or inherent in the District, not expressly contracted away by the terms of this Agreement, are retained solely by the District; and that
should the District fail to exercise any of said rights or exercise them in a particular manner, it shall not be deemed to have waived such rights or be precluded thereafter from exercising them in some way or manner.

C. The Board of Trustees may legally delegate or assign any District rights or responsibilities to management or to such other official persons, divisions, departments, and committees as it shall determine appropriate.

E. The parties agree, therefore, that the other shall not be obligated to negotiate or bargain collectively with respect to any subject or matter, whether referred to herein or not, even though such subject or matter may not have been in the knowledge and contemplation of either or both of the parties at the time that

1. The normal week shall consist of not more than five (5) consecutive days and not more than forty (40) hours per week, Sunday through Saturday. The regular workday shall consist of not more than eight (8) hours per day. Nothing in this Article shall be deemed to restrict the extension of the regular workweek on an overtime basis when such is necessary to carry on the business of the District.

2. Nothing in this Article shall be deemed to bar the District from establishing a workweek of less than forty (40) hours, or preclude District from establishing a four-day week for any or all employees.

3. Employees’ daily hours of work and shift shall be established at the discretion of the District to meet the operational needs of the District.

4. For the purpose of computing hours worked, time during which an employee is excused from work because of holiday, vacation, or paid absences, shall be considered as time worked by the employee.

5. Nothing contained in this Article shall be construed as a guarantee by the District of a certain number of paid hours per day, or days per week, or weeks per year.

6. The District shall make every reasonable effort to provide employees with advance notice of scheduled overtime. Where such advance notice is not possible or feasible, the District shall make reasonable efforts to consider employees’ schedule problems.

7. An employee’s shift may not be changed permanently unless he/she is given twenty (20) working days advance written notice, unless unforeseen circumstances prevent such notice. A permanent shift change is a change which will continue beyond twenty (20) working days.

B. Overtime

1. Overtime shall be compensated as either cash payment or compensatory time off at a rate equal to time and one-half the regular rate of the employee who worked overtime. If compensatory time off is granted in lieu of cash payment, such compensatory time off shall be taken by the employee before the end of the fiscal year in which the overtime was worked.

2. Employees assigned a workday of seven (7) hours or more and a workweek of thirty-five (35) hours or more shall receive compensation at a rate equal to one and one-half (1 ½) times the regular rate of pay, or compensatory time off, for work authorized and performed in excess of eight (8) hours in one day and in excess of forty (40) hours in any workweek.

3. Employees assigned an average workday of four (4) hours or more but less than seven (7) hours and a workweek of twenty (20) hours or more but less than thirty-five (35) hours shall be compensated at a rate equal to one and one-half (1 ½) times the regular rate of pay, or shall be provided compensatory time off, for any work authorized and required to be performed on the sixth (6th) and

6. Nothing in this section shall be deemed to bar the District from requiring the employee to work overtime.

7. Call Back: Full-time employees who are called back to work, after leaving the work site, outside their regular work hours, shall be guaranteed a minimum of four (4) hours pay at the appropriate overtime rate.

C. Lunch Break and Rest Periods

1. Lunch Break: All employees covered by the Agreement who work for four (4) hours a day or more shall be provided an uninterrupted daily unpaid thirty (30) minute or one (1) hour lunch break to be scheduled at approximately the halfway point on their work schedule whenever feasible. Unless the employee is relieved of all duty during the specified lunch break, such break shall be considered an “on duty” meal period and counted as time worked. An “on duty” meal period shall be permitted only when the nature of the work prevents an employee from being relieved of all duty.

2. Rest Periods: All employees who work four (4) hours or more but less than seven (7) hours a day, shall be granted a fifteen (15) minute rest period. All employees who work seven (7) hours or more a day shall be granted two (2) daily fifteen (15) minute rest periods. Such rest periods shall not be taken during the first or last hour of the assignment. The rest periods shall not be used to lengthen the lunch break or to shorten the workday.

ARTICLE 8, LEAVES AND ABSENCES

A. General Provisions

1. Leave and Absence Defined: Probationary and permanent employees shall be eligible for certain paid and unpaid leaves. A leave is an authorized absence from active service granted to probationary or permanent employees, for a specified purpose and period of time, with the right to return to active service, unless the employee’s service would otherwise have been terminated. Leaves are either “permissive” or “mandatory”. As to permissive leaves, the term “may” is used and the District retains
discretion as to whether they are to be granted, and as to the starting and ending dates of the leave. As to mandatory leaves, the term “shall” is used and the District has no discretion as to whether the leave is to be granted to a qualified employee.

2. Rights Upon Return: An employee returning from a leave of one hundred twenty (120) days or less will be returned to the location from which the leave was taken, except that the employee may be transferred, if such transfer would have been made if the employee had been on duty, or if the employee’s former position in the class no longer exists, in which case the employee may exercise bumping rights in the class, provided that he/she does not have the least seniority in that class.

3. Restrictions: An unpaid leave or absence may not be converted to a paid leave or absence, except in the case of pregnancy disability as provided in Section I of this Article. A continuous period of absence or leave shall not exceed one (1) year without a return to active duty, except provided in Section K, Miscellaneous Leave; Section H, Industrial Accident Leave; Section L, Peace Corps, Red Cross, or Merchant Marine Leave; Section J, Military Leave, and Section G, Illness Leave, of this Article.

4. Applications: Applications for permissive leaves of absence must be submitted on or before the dates established by this Article or if not indicated at least ten (10) working days in advance of the commencing of the leave. Exceptions may be made at the sole discretion of the District. Applications for leaves of absence for a period of more than twenty (20) consecutive working days shall be made on a prescribed District form and shall indicate the beginning and ending dates of the requested leave and the reasons for the request.

5. Notification Requirements

a. Unless otherwise provided in this Article, an employee must make every reasonable effort to contact and notify the appropriate supervisor, administrator or designee the working day prior to the beginning of an absence, but notification shall not be later than the first half hour of the first day of absence except in unusual circumstances. Notwithstanding other provisions of this Article, an employee intending to be absent in excess of five (5) working days must also submit a written notification covering the period of absence to the appropriate supervisor no later than the third (3) day of absence.

b. All employees returning to service must notify the appropriate supervisor, administrator or designee at least one (1) working day prior to the day of anticipated return. If such notice is not given and both the employee and a substitute report for duty, only the substitute is entitled to work and to be paid for that day.

6. Cancellation or Early Return from Leave: A request by an employee for cancellation of or early return from a leave once commenced or for cancellation of a request for a leave shall be granted unless an employee other than a substitute has been assigned. Exceptions may be made at the sole discretion of the District.

7. Expiration of Leave: Except as otherwise provided in this Article, twenty (20) days before the expiration of a leave for one hundred twenty (120) days or more, or five (5) days before expiration of a leave for twenty (20) days but less than one hundred twenty (120) days, the employee should make
every effort to notify the Personnel Office of his/her intention to return, or request an extension of leave, if eligible. Unless such notice is given or if notice is given and the employee’s request is denied, failure to return to work upon expiration of the leave may be considered resignation from service.

8. Leave of absence may be revoked by the District when the good of the service may require it or when evidence shows that the absent employee is engaged in activities for which leave would not have been granted in the original instance.

Restrictions: Notwithstanding provisions to the contrary cited below, the length of any leave described herein shall not exceed the length of time an employee has been in regular, active, consecutive service with the District, with the exception of Military Leave.

9. Health Examination:

a. If an employee is absent from duty because of illness or injury for more than five (5) consecutive days, the employee must, before returning to duty, submit a written medical clearance and verification of illness or injury from his/her own attending physician. Said verification and clearance must be submitted to his/her immediate supervisor (administrator) immediately upon return to service. Nothing in this Article shall be construed to limit management from requiring employees to obtain such medical clearance at any time the District deems necessary.

b. An employee shall be required to report for a health examination to the District's Employee Health Service when, in the judgment of his/her supervisor, the apparent health condition of the employee warrants it. If the report of the physician shows that an employee in service or returning to service is not medically qualified to perform his/her duties, the employee may be required to take sufficient leave to rehabilitate himself/herself. Written notice of non-approval and the reason therefore shall be provided to the employee together with information concerning the employee’s right to appeal to the Office of Employee-Employer Relations for an Administrative Review.

B. Casual Absence/Annual Physical

1. Division heads, college presidents, or their designated representatives may grant to employees permission to be absent without loss of salary parts of a day not exceeding one-half (1/2) day when good reason for such absence exists, provided that this power shall not be construed to mean a right to reduce the established number of working hours per month of the employee; and provided further that in no case shall the work of the department be materially retarded by the granting of such absence.

2. Subject to the conditions of Paragraph 1., division heads, college presidents, or their designated representatives shall grant employees permission to be absent without loss of salary for not more than one full day for the purpose of obtaining a comprehensive annual physical examination not more than once per year provided that the results of such examination are submitted to the Employee...
Health Service on a designated form.

3. It is not the intention of the Union or the District that casual absence be denied on a blanket basis by a unit supervisor.

C. Assault and Battery Leave

1. **Definition**: An Assault and Battery Leave is a type of industrial accident leave; it is granted for absences because of an injury from an assault and/or battery that was directly related to the performance of duties but is considered to be above and beyond the normal risks expected by an employee of the District. The determination of whether or not the absence is due to an assault or battery is the responsibility of the Division of Human Resources.

2. **Length of Leave**: Paid leave shall be granted from the first day of absence resulting from assault and/or battery, but paid leave shall not exceed one (1) calendar year.

3. **Extension of Leave**: If unable to return at the end of a calendar year, an employee may be placed on some other type of paid or unpaid leave for which he/she meets eligibility requirements.

4. **Compensation**: When an employee is absent because of such assault and/or battery, the employee will be paid his/her salary (for the assignment in which serving when injured) for a maximum of one (1) calendar year. Except for the one (1) year provision, compensation is paid under the same provisions as apply to other industrial accidents.

5. **Report to Law Enforcement Agency**: It is the duty of any employee who is attacked, assaulted, or menaced by any person and the duty of any person under whose direction or supervision such employee is employed who has knowledge of such incident, to promptly report the incident to the appropriate law enforcement authorities of the County or City in which the incident occurred.

D. Bereavement Leave

1. Employees shall be entitled to fully paid Bereavement Leave of three (3) days or five (5) days, if out-of-state travel or more than 200 miles of travel, one-way is required on account of death in the immediate family. Immediate family is defined as husband, wife, mother, father, sister, brother, son, daughter, mother-in-law, father-in-law, grandfather, grandmother, son-in-law, daughter-in-law, grandchild, brother-in-law, sister-in-law, any relative living in the immediate household of the employee, friend living in the same domicile, any other person closely related by blood or marriage who acted as a foster parent to the employee during childhood, or foster children other than wards of the court for which payment is received.

2. Bereavement Leave not to exceed three (3) working days may be granted in case of death of aunt, uncle, first cousin, or close friend. Bereavement Leave allowed under the provisions of this paragraph requires approval by the appropriate administrator who shall determine the amount of leave of
absence with pay to be granted.

3. In order to receive payment for Bereavement Leave, the employee shall, upon request, provide documented verification of death. The District has the right to investigate where there is doubt as to the relationship.

4. Bereavement Leave must commence and end within ten (10) calendar days after the demise or after the date the employee is notified of the date of the funeral.

5. A permanent employee may interrupt or terminate a vacation period in order to take Bereavement Leave.

6. The employee shall, to the extent practicable, give his/her immediate supervisor prior notice of his/her intent to take Bereavement Leave.

E. Court Subpoena Absence

1. An employee covered by this agreement other than a litigant in the case, who is necessarily absent because of his/her appearance in response to a subpoena shall have no deductions made from his/her salary on account of such absence. Witness fees shall be collected by the employee and remitted to the District.

2. An employee whose regular assignment is to other than the day shift will be reassigned to the day shift on each day that such court subpoena absence occurs. Subject to the possibility of making reasonable travel arrangements, the employee shall be required to report for work during the balance of his/her assigned workday or week, when his/her presence is not required pursuant to said subpoena.

F. Family Illness Leave

1. **Definition:** A family illness leave is one granted to an employee who is needed at home because of the illness of any person related by blood or marriage or whose domestic relations are close or who is a close friend and lives in the same domicile. This is a mandatory leave. If an employee is eligible, the medical benefits described in Article 8, Section R, Family and Medical Leave, shall be applied concurrently.

2. **Requirements:** Employee must have permanent status in the District on the effective late of the leave. Employee must provide written medical verification of the need for the leave.

3. **Length of Leave:** Leave shall not be granted for more than one (1) year at a time for a maximum of two (2) years.

4. **Compensation:** No salary will be paid by the District for the period of the leave.
5. **Effects on Benefits**: No credit is allowed for any benefits for time spent on family illness leave. Employee may pay his/her own premiums for medical/hospital, dental and group life insurance.

### G. Illness Leave

1. **Definition**. Illness is defined as any pronounced deviation from a normal healthy state which makes it disadvantageous to the District and/or detrimental to the employee for him/her to be at work. This definition shall include emergency medical, dental, optical, and prosthetic work.

2. **Requirements**. A new employee must render service before being entitled to illness leave.

3. **Compensation**. An employee who is absent from duty on account of illness, injury, or quarantine shall be allowed illness leave pay under the following conditions:

   a. Each employee who receives an initial regular appointment will be credited as of the date of his/her appointment with twelve (12) working days of full-pay illness leave and 88 days of half-pay illness leave for employees assigned to a twelve (12) month position and ten (10) working days of full-pay illness leave and 90 half-pay days of illness-leave for all employees assigned to other than a twelve (12) month position.

   b. An employee serving an initial probationary period shall not be eligible to be paid for more than five (5) days of full-pay illness leave until the first day of the pay period after completion of 130 days of paid service in regular assignments. Half-pay illness leave shall not be paid during this time.

   c. Thereafter, he/she will be credited annually with twelve (12) working days of full-pay illness leave and up to 88 working days of half-pay illness leave if he/she is assigned to a twelve (12) month position, or ten (10) working days of full-pay illness leave and up to 90 working days of half-pay illness leave if he/she is assigned to other than a twelve (12) month position, as of the first date of the pay period in which July 1 falls.

   d. There shall be no limit to the year-to-year accumulation of unused full-pay illness leave privileges, and the balance shall appear on the pay warrant stub each pay period when current stock is depleted.

4. No half-pay illness leave shall be allowed until after all full-pay illness leave is exhausted.

5. The number of working days of half-pay illness leave to be credited is the difference between accumulated working days of full-pay illness leave and 100 days, provided that the accumulated working days of full-pay illness leave are less than 100 days.

6. A day of paid illness leave for an employee assigned to a position for less than eight (8) hours a day or forty (40) hours a week shall consist of the number of hours in his/her basic daily assignment as determined by the District. Authorization to work additional hours beyond the basic daily assignment
shall not increase illness leave benefits.

7. No paid illness leave shall be allowed during layoff or leave of absence, except illness leave of absence.

8. Employees who are absent because of illness or injury resulting from industrial accidents or industrial illness qualifying under provisions of Workers’ Compensation shall be allowed illness leave as provided in Section G., Industrial Accident Leave. Employees who have not completed their initial probationary period and are absent because of industrial accident shall receive whatever paid illness benefits as may be provided by other sections of this Article, within the limitations set forth in Section H., Industrial Accident Leave.

9. Salary differentials shall be included in computing illness pay for employees who receive such salary differentials.

10. When a regular employee, whose regular assignment is on other than a twelve (12) month assignment basis code, is assigned during the summer as a relief, substitute, or provisional employee, the employee shall be allowed to take illness leave with pay during such summer assignment(s) in accordance with the limitations set forth in the previous paragraphs of this Article. Nothing in this paragraph shall be interpreted to permit such employees to receive illness leave in excess of the limit established in the preceding paragraphs of this Article.

11. An employee who is absent on account of illness or injury shall sign, on the prescribed form, a statement that such absence was due to illness or injury. Compensation for illness leave shall be paid only when the employee’s supervisor certifies on the prescribed form that such absence was on account of illness or injury. Such official may take steps necessary to verify the validity of the illness leave. Upon obtaining such verification, he/she shall complete the required certification.

If the employee is absent because of illness or injury for more than five (5) consecutive days, the employee must submit a certificate from a licensed physician or other recognized practitioner certifying such absence to have been on account of illness or injury. Nothing in this paragraph shall be construed to limit management from requiring such certification for less than five (5) days, when it appears to management that the employee is attempting to abuse the illness leave privilege.

In any case when an employee is incapacitated and unable to sign the prescribed form, the Division of Human Resources may approve an Illness Leave without the employee’s signature.

12. In order to receive compensation while absent on illness leave, the employee must notify his/her immediate supervisor of his/her absence within the first half-hour of each day’s absence, if possible. Further, he/she must submit the appropriate illness leave form(s) and physician’s certification, if required, upon return to service.

When an employee intends to be or is absent because of illness or injury for more than twenty (20) consecutive days, a formal Leave of Absence, subject to the approval of the Division of Human Resources, shall be taken.
Resources, is required. The employee’s college or division shall send application for such leave of absence to an employee who has been absent because of illness or injury for ten (10) consecutive days. Salary payments shall be withheld from an employee who has been absent because of illness or injury for more than twenty (20) consecutive days if formal Leave of Absence has not been approved by the Division of Human Resources.

13. If an employee has been absent on illness leave, he/she shall notify his/her supervisor at least one (1) day in advance of his/her expected return in order that any substitute service may be terminated. In case of failure to comply with this provision, if it happens that both the regular employee and the substitute report for duty, the latter is entitled to the assignment for the day. An employee returning to duty shall also be subject to the provisions of Section A.9.

14. There shall not be a lump-sum payment for any unused accumulated illness allowance upon separation from service.

15. An employee shall not be allowed to undertake any gainful employment during any part of a day that the employee has claimed absence due to illness or injury. This restriction shall apply to all hours of a twenty-four hour day, irrespective of the employee’s assigned working hours. The employee shall certify on the certification of illness or injury form that he/she was not gainfully employed during the period of illness or injury absence.

Notwithstanding the foregoing, the District recognizes that in certain unusual circumstances, an employee may be allowed to undertake gainful employment while on illness or injury absence from the District. However, employees who wish to engage in such employment during illness absence must first receive written approval from his/her immediate supervisor on each occasion of illness absence.

If no vacancy exists in his/her former class, he/she shall have the right to return to a regular position in the class provided that he/she does not have the least seniority in that class. If an employee’s former class has ceased to exist, the employee may be reassigned or shall be placed on the reemployment lists for the classes in which he/she had attained regular status.

20. When all paid or unpaid leaves of absence have been exhausted, an employee who is unable to assume the duties of his/her position shall be placed on a reemployment list for a period of thirty-nine (39) months as if he/she were being laid off. An employee on a reemployment list shall have the same rights and benefits as an employee laid off for lack of work or lack of funds.

1. Definition: A Rest Leave is one granted to an employee who, in the opinion of a physician or other licensed practitioner, is not ill enough to qualify for illness leave but does need a rest. This is a mandatory leave. If an employee is eligible, the medical benefits described in Article 8, Section R, Family and Medical Leave, shall be applied concurrently.

2. Requirement: The employee must hold permanent status on the effective date of the leave. No prior service is required.
A statement from a physician or other licensed practitioner indicating that the employee is not well enough to resume the responsibilities of a full-time position must be attached to the leave request.

3. **Length of Leave**: Leave may be granted for one (1) year or less but may be extended for a total of two (2) years (including any consecutive illness leave).

**P. Retraining and Study Leave**

1. **Definition**: A Retraining and Study Leave is one which shall be granted to an eligible employee for the purpose of acquiring new skills as a result of changes in the District’s organization and methods and/or acquiring, maintaining, or improving skills used in the service of the District. Retraining and Study Leave is a mandatory leave except that a leave which includes work experience is an optional leave. Approval of Retraining and Study Leave, which involves work experience, shall be at the sole discretion of the District.

2. **Requirements**
   
   a. **STATUS**: The employee must have permanent status in the District at the time the leave begins.

   b. **SERVICE**: The employee must have rendered paid satisfactory service (no Notice of Unsatisfactory Service in the previous two (2) years, exceptions may be made at the discretion of the District) to the District for not less than seventy-five percent (75%) of his/her assigned time in each of the seven (7) consecutive years prior to the granting of the leave. Leaves do not break time service continuity for Retraining and Study, but may reduce the days served in a year below the minimum requirement. Only service rendered subsequent to return from the most recent Retraining and Study Leave and subsequent to the most recent break in service is counted except that all time served between the two periods of a split Retraining and Study Leave counts for a subsequent Retraining and Study Leave.

   c. **PROGRAM**: The employee’s program for study or retraining must be evaluated as being related to the duties described in the employee’s job description or related classification as determined by the Retraining and Study Committee. Retraining leave may include work experience in an established organization or business enterprise.

   A study plan shall indicate enrollment in at least five-semester units each semester (8 semester units each semester for “A” basis employees) or its equivalent in an accredited institution of higher education for any period of the leave or the pursuit of an equivalent program of independent study. The leave plan may combine elements of formal study and independent study in ratio so as to meet the minimum requirements.
3. **Length of Leave**: The leave may be taken for a half or a full year. The second half of a one (1) year leave may be taken immediately following the first half or may be taken at a later time on a split basis provided the second half of leave is completed within three (3) years of the beginning date of the first leave. A year shall be defined as the assignment period of the employee's basis.

4. **Compensation**: An employee on a Retraining and Study Leave will be paid at least one-half (1/2) of his/her regular rate of pay; compensation in excess of one-half (1/2) of regular rate of pay shall be subject to the approval of the Chancellor or his/her designee. Payment may be made to the employee in two (2) equal semi-annual installments in accordance with Education Code Section 88224, or may be made in the same manner as if the employee were performing service for the District, provided that the employee:

   a. Furnishes the District with a suitable bond against loss in the event that the employee fails to render the two (2) years of service required following return from the leave, or

   b. Furnishes the District with other assurances of loss as the District elects to permit.

5. **Effect on Benefits**: Time spent on Retraining and Study Leave will not be considered a break in service for any purpose.

6. **Return to Service**: An employee must render paid service in the District after return from a Retraining and Study Leave which is equal to twice the period of the leave. Upon completion of leave of absence, the employee will be assigned, unless he/she otherwise consents to the same unit or section to which assigned at the time the leave was granted, provided that no conditions have developed during the period of leave or at the time of return which would have changed the employee’s location or duties had he/she remained in active service.

7. **Failure to Complete Leave Objectives**: Employees who do not complete the approved leave objectives shall reimburse the District for compensation paid for the period following discontinuance of leave-study program for failure to maintain adequate study standards.

8. **Additional Assignments**: Employees may, while on leave of absence, provided that there is no conflict in hours, continue existing multiple assignments or previously held outside employment. During any period of the leave in which the income from the new employment is greater than the Retraining and Study Leave pay for that month, the amount in excess of the leave pay will be deducted from the leave pay so that the total of new employment and leave pay does not exceed the regular pay of the employee including differentials for which the employee would have been eligible had he/she not been on leave.

9. **Request Procedure**: Request for Retraining and Study Leave cannot be received any earlier than April 1 of the year preceding the fiscal year in which the leave is taken. Applications must be received at least sixty (60) calendar days prior to the effective date of the leave. If two (2) semesters or periods of leave outlined above are taken consecutively, they must be requested separately.

10. **Retraining and Study Leave for Formal Study**
a. REQUIREMENTS: Courses which are undertaken for the purpose of meeting Retraining and Study Leave requirements must:

(1) Be taken at an accredited institution of higher education;

11. Independent Study: Independent study is a program of independent study, research, and/or experience directly related to the duties described in the employee’s job description or related classification as determined by the Retraining and Study Committee, which promises professional values equivalent to that derived from formal study at a recognized educational institution.

Committee on Research Studies: The Retraining and Study Committee shall have sole discretion in determining and approving the study plan.

Completing the Independent Study: If approved, the study must be undertaken and completed during the period of the leave. Summer study does not fulfill the requirements for C-basis employees. The report of the study must verify completion of the study as outlined and must be approved by the Retraining and Study Committee.

The Independent Study Report must be filed with the Division of Human Resources in person or by mail at the conclusion of the leave. If not filed prior to return to service, the report must be filed within
the first two ensuing pay periods. The salary warrant for the third pay period will not be released until the final report is submitted and accepted by the Committee.

Any change of plan must be approved in advance by the District.

12. Requirements of Employees While on Retraining and Study Leave: The following are required of personnel on Retraining and Study Leave:

a. MONTHLY-CERTIFICATION OF COMPLIANCE WITH CONDITIONS OF STUDY AND RETRAINING LEAVE (Form C351): This card must be received in the Personnel Operations Branch not later than the Tuesday preceding the first payday of each pay period if the warrant is to be mailed on time.

b. NOTIFICATION OF ILLNESS OR INJURY WHILE ON RETRAINING AND STUDY LEAVE: Interruption of a program on Retraining and Study Leave by a serious injury or illness sustained during the leave will not be considered a failure to fulfill the conditions of the leave. Written notice of such interruptions must be forwarded to the Personnel Operations Branch within ten (10) days on Form C138, or by letter to which a doctor’s statement verifying the illness or injury is attached. Such communication, either Form C138 or letter, should be forwarded by certified mail.

c. CHANGE OF PLAN: All changes of Retraining and Study Leave plans following approval of the original plan must be filed on the appropriate form. Changes will be authorized only if in conformance with established criteria. Disapproval of change could result in failure to meet leave requirements; therefore, request for change approval should be filed prior to change.

13. Policy on Incomplete Leaves

a. FAILURE TO COMPLETE REQUIREMENTS DUE TO INJURY OR ILLNESS: Interruption of the program of Retraining and Study Leave caused by serious injury or illness during said leave shall not be considered a failure to fulfill the conditions upon which such leave was granted, nor shall such interruption affect the amount of compensation to be paid such employee under the terms of the leave agreement, provided:

(1) Notification as soon as practicable of injury or illness during Retraining and Study Leave is given to the Vice Chancellor, Division of Human Resources, by means of certified letter, and

(2) Written evidence (Form C138) verifying the interruption of the program due to a serious injury or illness is filed with the Personnel Operations Branch within ten (10) days. A Retraining and Study Leave may be changed to an illness leave with District approval prior to the end of the first pay period of the leave without loss of Retraining and Study Leave privilege. Changes made after the first pay period of the leave will result in the loss of Retraining and Study Leave privileges.

b. FAILURE TO COMPLETE REQUIREMENTS DUE TO MILITARY SERVICE: Involuntary call to active military service will justify the conversion of a Retraining and Study Leave to a military leave without jeopardy to Retraining and Study Leave salary already received. If this conversion takes place before the end of the first pay period, Retraining and Study Leave rights will be
preserved. If such conversion takes place after the close of the first pay period, the employee will be considered as having used one-half (1/2) year of the Retraining and Study Leave privilege. Such employee will be permitted however, to complete the second half of the Retraining and Study Leave within two and one-half (2 ½) years following an honorable discharge and return to service with the District.

c. **FAILURE TO COMPLETE REQUIREMENTS DUE TO OTHER CAUSES:** An employee who has been approved for a Retraining and Study Leave of absence but who fails to complete all of the requirements of the leave due to serious illness in the family or other causes beyond one’s control may receive compensation on a prorated basis if a significant portion of the requirements is completed.

For an incomplete leave originally approved for one year, fractional portions of requirements completed may be one-fourth, one-half, or three-fourths. A year’s leave of absence for an “A” basis employee means 13 pay periods; for a “C” basis employee, 10 pay periods; for a “G” basis employee, 239 assigned days.

The completion of the fractional portion of the requirements must have been accomplished during the particular period for which the Retraining and Study Leave was authorized and prior to return to active duty or prior to the beginning of a leave immediately following the Retraining and Study Leave.

d. **INCOMPLETE LEAVE:** To receive partial compensation for a Retraining and Study Leave, the significant portion of the requirements must have been completed.

e. **INCOMPLETE LEAVE - INDEPENDENT STUDY:** To receive partial compensation for an incomplete leave which was approved for study, the nature of the study must be such that certain units can be and are completed apart from the remainder of the study. The completed units must have significance in themselves, and not be merely an introduction to other work, and must have been completed in the required time. Regardless of the amount of work involved, the collection of data which is not summarized, and which is not used in reaching conclusions in completed units, shall not be considered as meeting any portion of the requirements for the leave.

f. **EFFECT OF INCOMPLETE LEAVE ON BENEFITS:** Incomplete leave can count toward benefits only to the extent that leave pay is received.

14. **Retraining and Study Leave Committee:** A Retraining And Study Leave Committee shall consist of four (4) members. The Vice Chancellor, Division of Human Resources shall select two members, one of who is a management employee from a campus and the other is a management employee from the Division of Human Resources. Local 347 shall select two members, one of whom is a Unit member from a campus and the other is a Unit member from the District offices. The Committee shall have the sole and exclusive authority to rule on any and all issues concerning the Retraining and Study Leave. Approval of employees' programs shall be determined by a majority vote of the members of the Committee who are present and voting but no approval will take place in the absence of at least one affirmative management vote and one affirmative Local 347 vote. Failure to reach such majority shall be considered a denial.
15. **Limit on the Number of Retraining and Study Leaves**: There shall be no more than two (2) Retraining and Study Leaves granted per year. The limit shall be attained in order of receipt. Ties shall be broken by selecting the employee with the greatest District seniority.

16. **Cancellation of Retraining and Study Leave**

   a. A Retraining and Study Leave may be canceled at any time and converted to a resignation, return to duty, or other type of leave, if eligible.

   b. If the request for such cancellation is received by the Division of Human Resources before the beginning of the leave, the Retraining and Study Leave eligibility will be preserved.

   c. If the request for such cancellation is received by the Division of Human Resources after the beginning date of the leave but before the end of the first pay period, the Retraining and Study Leave will be canceled with an effective date of the beginning date of the Retraining and Study Leave; leave pay will be canceled, but leave eligibility will be preserved.

   d. If request for such cancellation is received by the Division of Human Resources after the close of the first pay period of the leave, Retraining and Study Leave eligibility for that semester will be lost and Retraining and Study Leave pay must be refunded.

   e. An employee who is permitted to return to duty from a canceled Retraining and Study Leave has no right to return to his/her former location until the ending date of the Retraining and Study Leave; even then, such right exists only if the employee would not otherwise have been moved.

Q. **Work-Related Absence**

1. **Attendance at Hearings**

If less than two (2) days notice is given by an employee, permission to participate without loss of pay is subject to approval by his/her immediate supervisor.

3. **Epidemics and Emergencies**
An employee shall be paid his/her regular salary for any period during which he/she is unable to work at his/her regular place of employment because it is closed due to quarantine, epidemic, or other conditions involving the health or safety of students or employees. To be eligible for such pay, the employee must be ready, able, and willing to perform his/her customary or other reasonable and suitable duties. The college or division during this period shall endeavor to assign the employee to work elsewhere.

Involuntary transfer shall not be used as a form of discipline. In the event that an employee is subject to an involuntary transfer, he/she will be returned to the position from which transferred, if that position becomes available during the thirty-nine (39) months following the involuntary transfer if the employee remains in the same classification. In the event that this provision conflicts with seniority provisions as set forth in the appropriate sections of the Education Code, the Education Code provisions shall prevail.

ARTICLE 11, PROCEDURE FOR PERFORMANCE EVALUATION

Purpose of Evaluation. The performance evaluation process is a valuable method of communicating standards and expectations to a Unit member and evaluating the extent to which the Unit member has met those standards and conformed to the expectations. Additionally, the process can be used to identify goals and objectives for the Unit member for the following year. Because the evaluation process is such an important means of communication, evaluations shall be performed, at least once every year, in accordance with the following procedures.

A. Procedure for Performance Evaluation.

1. The evaluation period shall be from July 1 through June 30. The evaluation form shall be completed, an evaluation conference offered, and the signed evaluation issued to the Unit member no later than two calendar months following the evaluation period.

2. Performance evaluation should be accomplished by the manager or administrator with supervisory responsibility for the Unit member, or manager or supervisor with higher level authority.

3. If the Unit member wishes to provide written comments on the evaluation, such comments shall be attached to the evaluation itself. The Unit member shall have ten (10) working days from the date the evaluation was issued to provide the written response.

   Not only should the performance levels be checked off, but also the evaluation documents should contain remarks written by the evaluator, which explain the reason for checking those levels.

B. Performance Deficiencies. Where need for improvement is indicated, the evaluator must provide written remarks that define those areas needing improvement and that offer suggestions as to how improvement can be attained. In cases of an overall deficient evaluation, the Unit member will accept and follow the suggestions made by the evaluator in the written performance evaluation. The Unit member and the manager or administrator shall have periodic conferences to insure that measurable progress, consistent with the plan, is being accomplished.

C. Procedure for Performance Evaluation

1. Definitions. The following definitions shall govern the interpretation and construction of this article.
   a. Informal evaluation. Informal evaluations are not documented, do not occur at prescribed intervals, and serve entirely to assist a supervisor in his or her personal and professional growth and development. Periodic informal evaluation is important and should be a routine aspect of a supervisor’s employment, but (except as expressly provided in this article) is not covered by this agreement.

   b. Official evaluation. Official evaluations are formal and documented. They occur at intervals that are at least as frequent as those prescribed in Section A.1.
(1) The purpose of an official evaluation is to:

(a) Recognize outstanding performance;

(b) Improve satisfactory performance and further the growth of Unit members who are performing well;

(c) Identify weak performance and assist Unit members in achieving required improvement; and

(d) Document unsatisfactory performance.

2. **Content of Evaluations.** A formal evaluation shall review a Unit member’s performance in each of the following areas:

   a. fulfillment of the responsibilities of the position,

   b. attainment of or progress towards achieving annual goals, and

   c. professional skill and ability, including leadership skills, communication skills, administrative/managerial skills, and professional knowledge and expertise.

3. **Annual Goals.** Performance evaluation shall be based, in large part, on the Unit member’s attainment of or progress towards achieving predetermined annual goals. Each Unit member and his or her supervisor shall establish and maintain annual goals for the Unit member and document accomplishments as follows:

   a. No later than July 31 of each fiscal year, the Unit member and his or her supervisor shall meet to establish the Unit member’s goals and his or her professional development objectives for that year. The goals shall be documented in a statement of annual goals that should, to the extent practicable, also define outcome measures by which the Unit member’s success in meeting his or her goals will be evaluated.

   b. Prior to January 1 of each fiscal year, the Unit member and his or her supervisor shall meet to review the employee’s progress toward the established goals and, if they determine it is appropriate, to adjust the goals as needed.

   c. Supervisors and Unit members should take advantage of their meetings to review annual goals and accomplishments as important opportunities for informal evaluation. Any documents containing informal comments may be used in completion of the evaluation.

4. **Frequency of Evaluations.** Unit members shall receive an evaluation at least once every fiscal year.

5. **Evaluation Process.** The evaluation form shall be completed by the Unit member’s supervisor and approved by the appropriate Vice President. Once completed, the evaluation shall be placed in the Unit member’s official personnel file.
a. The Unit member’s supervisor will review all of the relevant data related to the individual’s performance during the evaluation period. Based on that information, the Unit member’s supervisor will complete the evaluation form (see Appendix ). For each performance factor listed on the form, the Unit member’s supervisor may:

(1) prepare a brief narrative assessment of the employee’s performance that reflects the Unit member’s supervisor’s analysis of the data he or she collected; and

(2) assign one of the following ratings: exceeds expectations, meets expectations, needs improvement.

b. In addition to indicating ratings of the Unit member’s performance, his or her supervisor should include on the evaluation form any recommendations he or she believes are appropriate to promote the Unit member’s personal or professional growth, or to assist the Unit member in achieving required improvement.

c. The Unit member’s supervisor shall indicate, on the evaluation form, his or her recommendation as to whether the employee’s overall performance should be rated as satisfactory or unsatisfactory (and, if satisfactory, whether it meets or exceeds overall expectations).

d. The supervisor shall forward the evaluation form to the Unit member for his or her comment. If the Unit member declines to comment, or fails to comment within five (5) working days of the date on which the supervisor sent the form to the Unit member, the supervisor shall forward the completed evaluation file (including the evaluation plan, the evaluation form, and any other relevant documents) to the appropriate Vice President.

e. Based solely on the comprehensive evaluation form and the accompanying materials in the evaluation file the Vice President shall either:

(1) accept the supervisor’s recommendation regarding the overall evaluation of the Unit member’s performance as being satisfactory or unsatisfactory (and, if satisfactory, whether it meets or exceeds overall expectations); or

(2) reject the supervisor’s recommendation and assign a different rating. If the Vice President rejects the supervisor’s recommendation, he or she shall also specify the reasons for the rejection and the assignment of a different rating.

g. Once completed by the Vice President, the evaluation form and the accompanying materials in the evaluation file shall be preserved and deemed to be a part of the Unit member’s personnel file.

6. **Review.** If a Unit member being evaluated believes the procedure set forth in this article has not been followed, he or she may initiate a grievance seeking to correct the procedural error. However, any judgment a Unit member’s supervisor or appropriate supervising authority made about the nature and quality of the Unit member’s performance as part of an evaluation is final and not subject to being modified or overturned by way of a grievance unless there is clear and compelling evidence that the
judgment was made arbitrarily or capriciously, or that it was motivated by malice, fraud or corruption. Any grievance brought may only go through step Three of the grievance procedure.

D. **Performance Differential.** Unit members are eligible for a performance differential of a one-time, non-cumulative bonus of $250.00 per year, in accordance with the following criteria and procedures:

1. If, at the end of the fiscal year, the Unit member receives an overall performance evaluation rating that exceeds expectations, he or she shall be awarded a performance differential of a one-time, non-cumulative bonus of $250.00 per year.

2. The provisions of this section shall not be subject to the provisions of Article 19, Grievance Procedure, with the exception that claims that the specific procedures set forth in this section (section D) were not complied with, shall be grievable up to and including the third step of the grievance procedure.

B. For purposes of this Article, a year is defined as the period of time between the beginnings of the Second Special School Months in successive calendar years. For the period prior to initiation of the Special School Month payroll calendar, a year shall be the 12-month period ending on June 30 each calendar year.

C. In order to be credited with a year of service for the purpose of this Article, an employee must have been in regular status during the appropriate year, as defined above, for at least 130 days in paid status or on leave of absence prior to layoff or for industrial accident, industrial illness, or military service.

D. Credits for years of service shall be applied, and vacation accrual rates shall be changed as required by this Article, effective on the first day of the Second Special School Month each year.

E. An employee serving an initial probationary period shall not be eligible to take vacation until the first day of the pay period following completion of the number of hours that correspond to 130 days of paid service in regular assignments, except for employees subject to the provisions of Paragraph F. below. No vacation shall be taken until earned. No payment for vacation accumulation shall be made to employees who separate prior to completion of 130 days of paid service. Vacation taken as provided in Paragraph F. of this Article shall not be considered in conflict with this provision.

For purposes of this Article, 130 days shall be defined as 130 times the average number of regularly assigned hours per day for the employee.

F. Employees may be required to take vacation to the extent that it has been earned, on the days during the school year which are designated by the Board of Trustees as school holidays or at any time during the assignment period to avoid leave without pay.

G. No vacation or part thereof shall be taken at a lesser rate than one (1) hour at a time.

H. Vacation shall be taken at a time convenient to the employee provided that it is requested in advance and approved by his/her supervisor, that it would not interfere with the operation of the unit. The Supervisor shall approve or deny the request for vacation within five (5) working days of the receipt of the request. If in such five (5) working days of the period, a vacation denial has not been received, the vacation shall be deemed to have been approved. Vacations may be denied or changed at any time, however, vacation of five (5) consecutive days or more in duration, once approved, shall not be denied or changed with less than fifteen (15) working days written notice prior to the first day of the scheduled vacation without the employee’s consent. Such notice shall indicate the reason for cancellation. If it is necessary to cancel as described above, the employee will be given the opportunity to immediately re-schedule the vacation. If the employee re-schedules, the re-scheduled vacation may not be canceled without the consent of the employee. Nothing in this paragraph shall preclude an employee from requesting and being granted vacation at any time subject to the approval of the employee’s supervisor. However, nothing in this Article shall be construed to prohibit the District from requiring employees to take vacation in lieu of cash payment as provided in Section I. below.

For the purpose of perfect attendance an employee shall not be tardy and have no absence for any reason other than:
1. Vacation
2. Compensatory
3. Holiday
4. Jury Duty
5. Miscellaneous

I. If employees are not permitted to take their full annual vacation, the amount not taken shall accumulate for use in the next year. Accumulated vacation shall be limited to 400 hours. Employees with more than 400 hours will be limited to their accumulation as of July 26, 1980.

For any pay period in which a Supervisory Unit employee’s vacation balance equals or exceeds 400 hours, the employee shall not earn any additional vacation credit. However, additional vacation credit earned for perfect attendance shall not be subject to these limitations. Hours earned for perfect attendance shall count toward the 400-hour limitation on vacation accrual, however perfect attendance vacation shall continue to accrue even if an employee’s vacation balance equals or exceeds 400 hours.

J. The amount of vacation actually earned, and only that amount, shall be available, regardless of changes in status. The rate at which vacation allowances are paid shall be the employee’s current rate. No employee shall be allowed to take vacation while temporarily serving as a substitute, relief, or provisional unless he/she has served for the equivalent of more than ninety (90) consecutive working days, or receives specific approval from the appropriate administrator.

K. On voluntary reduction in status, layoff, or separation from the classified service, the money value of vacation balances shall be paid as a lump sum to permanent employees. In cases where separation is not at the end of a pay period, vacation credit shall be computed through the last day in paid status.

L. Lump-sum vacation payments shall be made on the basis of the hourly equivalent rate for the employee’s last regular assignment.

M. When a regular employee (whose regular assignment is on other than a 12-month assignment basis code) is paid during the summer as a relief, substitute, or provisional employee, the employee shall earn vacation in accordance with the schedule in Paragraph A. of this Article, whichever is applicable to the position in which he/she serves during the Summer.

N. A regular employee who serves in his/her regular assignment and also in a Summer substitute, relief, or provisional assignment during the same pay period shall not earn more vacation for that pay period than if he/she had served 160 hours in his/her regular assignment.

O. A permanent classified employee shall be permitted to interrupt or terminate vacation leave in order to begin illness leave provided such leave is necessary for not less than two (2) days and the employee
indicates at the earliest practical opportunity:

1. The basis for the request for change in leave status and provides appropriate supporting documents including a certification of illness from a licensed physician or other recognized practitioner in case of illness.

2. The probable duration of the requested leave.

The responsible administrator shall take such steps, as he/she deems necessary to satisfy himself/herself that the paid illness leave was in accordance with Article 8, Section G.

P. A permanent classified employee shall be permitted to interrupt or terminate vacation leave in order to begin Bereavement Leave in accordance with Bereavement Leave, Article 8, Section D. Bereavement Leave shall not be extended by use of Personal Necessity Leave, Article 8, Section N.

4. Full-time employees who are on vacation, or who have reported in as being ill on that Friday (or the day on which the substitute holiday is taken), shall receive four (4) hours of vacation credit for that day; employees assigned for less than full-time who are on vacation or are ill on that day shall receive a proportional number of hours, in accordance with Paragraph 1 above.

2. Reimbursement requests shall be processed upon submission of evidence of successful completion of courses taken. Such evidence and all receipts for compensable expenses must be submitted no later than July 31 of each year. ARTICLE 16, HEALTH AND WELFARE

The Supervisory Unit, represented by S.E.I.U Local 347, and the District are both signatories to the “Master Agreement between the Los Angeles Community College District and the American Federation of Teachers College Guild, Local 1521; the American Federation of Teachers College Staff Guild, Local 1521a; the Los Angeles City and County School Employees Union, Local 99; the Los Angeles/Orange County Building and Construction Trades Council; the Supervisory Employees Union, Local 347; and the Public, Professional and Medical Employees Union of the California Teamsters, Local 911 Regarding Hospital-Medical, Dental, Vision Group Coverage, Group Life Insurance Coverage, and the District’s Employee Assistance Program.” That agreement (including any and all revisions or modifications to the agreement the District and the other signatories subsequently approve) is, by this reference, incorporated herein as if it were set forth in its entirety.

As indicated, the Master Agreement remains subject to modification or revision by the signatory parties. However, for information purposes, the text of the Agreement as of October 29, 2002, is set forth on the following pages.

I. Health and Related Benefits Program for Active Employees and their Dependents

A. Health Benefits Program. The District’s "Health Benefits Program" consists of group benefit plans recommended by the Joint Labor/Management Benefits Committee and approved by the Board under which eligible District employees (and their eligible dependents) receive hospital, medical, dental, and vision care coverage. The purpose of the Health Benefits Program is to provide quality health care to the District’s employees, retirees, and their eligible dependents.

1. Eligibility. Each of the following employees and his or her dependents are eligible to receive benefits and enroll in plans under the Health Benefits Program:

   a. Every member of a classified bargaining unit who is employed at least half time as either a probationary or regular classified employee.
b. Every faculty member who is employed at least half-time in one or more monthly rate assignments.

c. Every member of the administrators’ bargaining unit who is employed at least half time.

2. **Dependents.** Dependents who are eligible to enroll in plans under the Health Benefits Program include an eligible employee’s:

a. Spouse.

b. Qualified domestic partner as specified in Appendix __.

c. Unmarried dependent children under age 19.

d. Unmarried dependent children age 19 through 25 who are full-time students at a college or university.

e. Unmarried dependent children without regard to age who are physically or mentally incapacitated, and who are being claimed as dependents on the employee’s federal income tax returns. (However, a dependent’s coverage under this subsection must be a continuation of his or her coverage under the Health Benefits Program and, if there is ever a break in coverage, the dependent shall not be eligible to re-enroll.)

As used in this section, "dependent children" include an employee’s natural children, step-children, legally adopted children, and foster children only, and the dependent children of a domestic partner who meets the criteria listed in section A.4. of Appendix G.

3. **Enrollment.** Enrollment and re-enrollment in plans shall be administered as follows:

a. **Initial Enrollment.** Upon employment, each new employee who is eligible to enroll in plans under the Health Benefits Program shall receive complete information regarding the District’s Health Benefits Program. An eligible employee who is not currently enrolled may enroll in a plan during an open enrollment period or within thirty-one days of becoming eligible. However, an employee or dependent previously enrolled in a plan during the current “benefit year” must, upon re-enrollment, enroll in the same plan he or she left when his or her previous enrollment ended. Provided the effective date of a new employee’s employment is on or before the 15th day of the calendar month, the District shall process the employee’s enrollment forms so as to make coverage effective on the first day of the following calendar month, otherwise coverage shall become effective on the first day of the second calendar month following the effective date of the employee’s employment.

b. **Open Enrollment.** There shall be an open enrollment period each enrollment year during which eligible employees may change plans. The District shall establish and announce the dates of such open enrollment period, and shall mail open enrollment materials to employees fourteen or more days before the beginning of the open enrollment period. If an eligible employee requests a change of plan, he or she shall continue to be covered under his or her existing plan until coverage under the new plan can be instituted.
c. Changes in Enrollment other than during Open Enrollment. Once enrolled in a plan, employees are generally barred from changing their enrollment except during an open enrollment period. Nevertheless, changes may be made under the following circumstances:

(1) Any employee who is enrolled in a closed panel plan and who changes his or her permanent residence to a location that is outside the service area of the plan may, by submitting a timely application to the District, change his or her enrollment to a plan that provides service in the area of his or her new permanent residence. To be timely, the application for a change in enrollment must be received by the District within six months after the employee established his or her new permanent residence.

(2) Any employee who is enrolled in a closed panel plan and who, during an approved study, retraining or sabbatical leave of absence of sixty days or more, temporarily relocates to a location that is outside the service area of the plan may, by submitting a timely application to the District, temporarily change his or her enrollment to a plan that provides service in the area in which he or she will be temporarily located. To be timely, the application for a temporary change in enrollment must be received by the date on which the employee’s leave commences.

(3) Any employee whose enrollment in a plan is terminated at the request or option of the plan provider for any reason other than non-payment of premium may enroll in another plan by submitting a timely application to the District. To be timely, the application for a change in enrollment must be received by the District within sixty days after the employee’s enrollment was terminated.

4. District Contribution towards Premiums. Eligible employees shall be entitled to the District’s contribution towards the premium costs of the plans in which they and their dependents are enrolled if:

a. the eligible employee was in paid status for at least 12 working days during the calendar month preceding the month during which benefit coverage is effective. An employee shall be deemed to be in paid status during any recess or intercession if he or she is scheduled to return to paid status at the end of the recess or intercession; or

b. the eligible employee, even though not in paid status, is on a formal illness leave of absence for a period of not more than eighteen months.

5. Payment of Premiums during Unpaid Leaves. Eligible employees who have been granted an unpaid leave of absence and who are therefore not entitled to the District’s contribution towards the premium costs of the plans in which they and their dependents are enrolled may continue to receive benefits under the Health Benefits Program by reimbursing the District in advance for the full monthly premium of the plans. The amount of the reimbursement shall be determined by dividing the annual premium for the plans by twelve and multiplying the result by the number of months of leave during which the employee will not be entitled to the District’s contribution towards premium costs.
Payment must be made by check or money order made payable to the District, and may be made in monthly installments.

Should an employee fail to make a payment required by this section, coverage shall terminate at the end of the month for which the last payment was received. Should the District terminate an employee’s coverage in error, it shall reinstate the employee’s coverage as soon as the error is discovered and, at the employee’s option, either issue the employee a refund of the amount he or she paid for the months during which he or she did not receive coverage, or extend the employee’s coverage for an equivalent period.

6. **Continued Eligibility and Payment of Premiums following Layoff or Furlough.** Notwithstanding anything in Sections I.A.1 and I.A.5 to the contrary, employees who have been furloughed shall remain eligible to receive benefits under the Health Benefits Program, and shall continue to be entitled to the District’s contribution towards the premium costs of the plans in which they and their dependents are enrolled, during the period of their furlough. Furthermore, employees who have been laid-off shall remain eligible to receive benefits, and shall continue to be entitled to the District’s contribution towards the premium costs of their plans, according to the following table:

<table>
<thead>
<tr>
<th>Years of Service</th>
<th>Months of Continuation following Layoff</th>
</tr>
</thead>
<tbody>
<tr>
<td>1-5</td>
<td>2 months</td>
</tr>
<tr>
<td>6-10</td>
<td>4 months</td>
</tr>
<tr>
<td>11 or more</td>
<td>6 months</td>
</tr>
</tbody>
</table>

A furlough is a temporary lay-off for a specified period with a definite return date. A layoff is a separation from regular service for lack of work or lack of funds, or because of a reduction in force.

7. **Conditions of and Limitations on Eligibility and Coverage.**

   a. Employees and their dependents may not be enrolled in more than one District sponsored plan at any one time. For that reason, an employee may be enrolled in a plan in his or her own capacity as an employee, or as a dependent of another employee, but not simultaneously in one plan as an employee and in another plan as a dependent. Likewise, children or other individuals who qualify as dependents may be enrolled in a plan only once as a dependent, not simultaneously in one plan as a dependent of one employee and in another plan as a dependent of another employee.

   b. Every employee (or in the event of his or her incapacity, the employee’s representative or agent) shall report any event or change of circumstance that has an effect on the administration of coverage under the Health Benefits Program. Such events or changes include, but are not limited to, change of address or telephone number, marriage, divorce, dependent’s loss of eligibility, death of the employee, or death of a dependent.

8. **COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985).** Once an employee who has enrolled in a plan under the Health Benefits Program becomes qualified for COBRA benefits, the
District shall ensure that he or she is given the opportunity to continue coverage under the Health Benefits Program pursuant to COBRA in the manner prescribed by federal law.

9. If the internal responsibility for the administration of the Health Benefits Program is changed because responsibilities among the administrative units of the District are reorganized, notice of that change shall be given to the exclusive representatives within thirty days.

10. Health Care Legislation. In the event that health care legislation is enacted and the District is required to implement a plan pursuant to such legislation prior to the termination of this agreement, the District agrees to provide the current level of health care benefit coverage to those employees currently covered, for the duration of this agreement. Except as provided under Section V (Funding the Health Benefits Program and the District’s Contribution towards Premiums), the District agrees to pay any additional cost, beyond that which the District currently pays, as required by the legislation, in order to maintain the current level of health care benefits and any other mandated health care benefits under such legislation. The District and the Exclusive Representatives shall consult on this Article when such health care legislation is enacted, in order to assess the effects of such legislation.

B. Group Life Insurance Program. The District’s group term life insurance program shall be continued for the duration of this Agreement subject to modification based on the recommendations of the Joint Labor Management Benefits Committee and approval of the Board.

1. All active employees eligible for benefits under Section I.A.1 of this Agreement shall be eligible for group term life insurance benefits under the program.

2. The limits of coverage under the program shall be $40,000, however, employees age 70 or above shall receive coverage equal to an amount equal to the greater of the minimum amount required by Federal Law or 50% of the amount in force immediately prior to his or her 70th birthday. This reduction shall take place on the premium date coincident with or immediately following his or her 70th birthday.

C. Employee Assistance Program. The District’s Employee Assistance Program shall be continued for the duration of this Agreement subject to modification based on the recommendations of the Joint Labor Management Benefits Committee and approval of the Board. All active employees (including those who are not eligible for benefits under Section I.A.1 of this Agreement), and their dependents, shall be eligible for participation in the employee assistance program.

D. Tax Sheltered Retirement Plans. The District shall continue its voluntary salary reduction agreement program under which employees may contribute to tax sheltered retirement plans under Internal Revenue Code Section 403(b). In addition, by March 1, 2003, the District shall establish a tax sheltered retirement plan under Internal Revenue Code Section 457. The process for selecting a third-party administrator for the plan shall include the issuance of a formal request for proposals by the District, review of the responses by a task group consisting of representatives of the District and the Exclusive Representatives, and selection of an administrator based on the recommendation of the task group.
E. IRC 125 Plan. By March 1, 2004, the District shall be prepared to implement a voluntary flexible spending account plan under Internal Revenue Code Section 125. The JLMBC will be in charge of selecting a TPA for the plan. Each exclusive bargaining agent that is a party to this agreement shall have the sole authority to determine whether or not to implement this plan for the members of its unit.

II. Health Benefits for Adjunct Faculty

A. Scope. The District shall provide part-time temporary (adjunct) faculty access to its hospital/medical, vision and dental group coverage plans as provided in this Section II, Health Benefits for Adjunct Faculty. Access to the District life insurance plan is not included.

B. Eligibility. An adjunct faculty member is eligible to receive access to hospital/medical group coverage under this section if he or she has been assigned and working as an adjunct faculty member in the District:

1. at some time during the semester for which coverage is requested (open but inactive assignments—no work, no pay—do not constitute employment in this context); and

2. during three or more semesters out of the previous eight consecutive semesters.

An adjunct faculty member who was eligible for coverage for the entire Fall or Spring semester of any academic year shall remain eligible for coverage during the time between the end of that Fall or Spring semester and the beginning of the subsequent semester provided that he or she remits the required premium payments in a timely manner.

C. Premiums.

1. Except as provided in Subsection C.2, to receive coverage under this agreement, an eligible adjunct faculty member must, in advance and in accordance with applicable District procedures, pay the District the amount which represents the District's monthly premium for an individual in the hospital/medical insurance plan selected by the faculty member.

2. Notwithstanding Subsection C.1, once an eligible adjunct faculty member has established his or her eligibility under the provisions of Education Code Sections 87860 through 87869, he or she shall be required to pay the District only 50% of the applicable hospital/medical premium (but 100% of the applicable vision and dental premium, if relevant) in order to receive coverage under this agreement. To establish eligibility under the Education Code, the adjunct faculty member must, in accordance with applicable District procedures, satisfy all eligibility requirements, including but not limited to submittal of all required forms and certifications in a timely manner.

3. An adjunct faculty member's coverage shall cease immediately upon his or her failure to pay the required insurance premium in accordance with District procedures. It is the faculty member's responsibility to make the required premium payments on or before the tenth day of each month preceding the month in which coverage will be effective. The District will not bill the employee for the required premium payments.
D. **Extension of Coverage.** Any extension of coverage, at the adjunct faculty member's own expense, subsequent to termination of employment with the District, shall be in accordance with applicable state and/or federal law.

E. **MOU.** All provisions, not contrary to statute or the terms of this Agreement, of the Memorandum of Understanding between the parties signed June 24, 1999 relating to part-time health benefit coverage shall remain in effect.

### III. Health Benefits for Retirees, their Dependents and Survivors

A. **Health and Medical Benefits.** Eligible retirees and their eligible dependents and survivors shall have the right to continue their participation in the hospital and medical plans available to active employees, subject to the terms and conditions of this Agreement. Nothing in this Agreement, however, shall be construed as conveying any vested right to any particular plan, plan design, or plan component. The terms of the District's Health Benefits Program, as well as the plans available under the Program, remain subject to alteration by action of the Joint Labor/Management Benefits Committee or any future agreement between the District and the its exclusive representatives.

B. **Dental and Vision Benefits.** If a retiree’s retirement was effective June, 1969, or later, the retiree and his or her dependents shall also have the right to participate in dental plans as prescribed by the Joint Labor/Management Benefits Committee, and if a retiree’s retirement was effective January, 1978, or later, the retiree and his or her dependents shall also have the right to participate in the district’s vision plan as prescribed by the Joint Labor/Management Benefits Committee.

C. **Eligibility.** A retiree who is eligible to continue his or her participation in the hospital and medical plans available to active employees is one who has retired from District service under the rules of the Public Employees Retirement System (PERS) or the State Teachers Retirement System (STRS), who is receiving a retirement allowance from that system, and who:

1. —for employees whose most recent uninterrupted District Employment began before February 11, 1992—has rendered continuous paid service to the District in a “qualifying position” for three or more years immediately preceding his or her retirement; and—for employees whose most recent uninterrupted District Employment began before July 1, 1998—has rendered continuous paid service to the District in a “qualifying position” for seven or more years immediately preceding his or her retirement; or

2. —for employees whose most recent uninterrupted District Employment began on or after July 1, 1998—has rendered continuous paid service to the District in a “qualifying position” for ten or more years immediately preceding his or her retirement; provided, however, the employee received district paid benefits each month during the 39 months immediately preceding his or her retirement.

For the purposes of this section, a “qualifying position” is any position that made the employee eligible to enroll in plans under the Health Benefits Program. In addition, no absence from the service of the District under any paid leave of absence, or any unpaid leave of absence of thirty-nine months or less, shall be deemed a break in the continuity of service required by this section. An individual shall be
deemed to have “retired from District service” if the effective date of his or her retirement under PERS or STRS is no later than the day after his or her resignation from District employment.

(This language, although it differs from the eligibility language that appeared in prior agreements between the parties, reflects the parties existing interpretation of that language and is declarative of the parties’ original intent.)

D. Dependents and Survivors. To qualify as a dependent or survivor who is eligible to continue his or her participation in the hospital and medical plans available to active employees—

1. a dependent or survivor must be an eligible retiree’s:
   a. spouse;
   b. qualified domestic partner as specified in Appendix G;
   c. unmarried dependent children under age 19;
   d. unmarried dependent child age 19 through 25 who is a full-time student at a college or university; or
   e. unmarried dependent child without regard to age who is physically or mentally incapacitated, and who is being claimed as a dependent on the retiree’s federal income tax returns. (However, a dependent’s coverage under this subsection must be a continuation of his or her coverage under the Health Benefits Program and, if there is ever a break in coverage, the dependent shall not be eligible to re-enroll.)

   (As used in this section, "dependent children" include an employee's natural children, step-children, legally adopted children, and foster children only, and the dependent children of a domestic partner who meets the criteria listed in section A.4 of Appendix G.)

   —and—

2. the retiree must be enrolled in the plans under which the dependent is covered, or in the case of any survivor, the survivor must have been enrolled in plans as a dependent at the time of the retiree’s death.

E. Limitations on Survivor Eligibility. A survivor’s eligibility to continue his or her participation in the Health Benefits Program shall be limited as follows:

1. A surviving spouse for his or her life, or until he or she remarries, enters into a domestic partner relationship, or becomes eligible for group coverage under his or her own employment.

2. A surviving qualified domestic partner shall remain eligible for his or her life, or until he or she marries, enters into a another domestic partner relationship, or becomes eligible for group coverage under his or her own employment.
3. A surviving child shall remain eligible only as long as the retiree’s surviving spouse or domestic partner remains eligible.

4. Any survivor whose eligibility terminates for any reason, shall not be eligible for re-enrollment.

F. **Enrollment.** Enrollment and re-enrollment in plans shall be administered as follows:

1. **Initial Enrollment.** Upon retirement, each new retiree who is eligible to enroll in plans under the Health Benefits Program shall receive uninterrupted coverage under the plan in which he or she was enrolled as an active employee, provided the employee submits all necessary applications and other required documentation in a timely fashion.

2. **Open Enrollment.** There shall be an open enrollment period each enrollment year during which eligible retirees may change plans. The District shall establish and announce the dates of such open enrollment period, and shall mail open enrollment materials to retirees fourteen or more days before the beginning of the open enrollment period. If an eligible retiree requests a change of plan, he or she shall continue to be covered under his or her existing plan until coverage under the new plan can be instituted.

3. **Changes in Enrollment other than during Open Enrollment.** Once enrolled in a plan, retirees are generally barred from changing their enrollment except during an open enrollment period. Nevertheless, changes may be made under the following circumstances:

   a. Any retiree who is enrolled in a closed panel plan and who changes his or her permanent residence to a location that is outside the service area of the plan may, by submitting a timely application to the District, change his or her enrollment to a plan that provides service in the area of his or her new permanent residence. To be timely, the application for a change in enrollment must be received by the District within six months after the retiree established his or her new permanent residence.

   b. Any retiree whose enrollment in a plan is terminated at the request or option of the plan provider for any reason other than non-payment of premium may enroll in another plan by submitting a timely application to the District. To be timely, the application for a change in enrollment must be received by the District within sixty days after the retiree’s enrollment was terminated.

G. **District Contribution towards Premiums.** The District shall contribute towards the premium costs of the plans in which an eligible retiree and his or her eligible dependents and survivors are enrolled as follows:

1. For retirees (and their eligible dependents and survivors) who became eligible under Section III.C.1, the District will pay 100% of the District’s contribution towards premiums.

2. For retirees (and their eligible dependents and survivors) who became eligible under Section III.C.2, the District will pay 50% of the District’s contribution towards premiums for those retirees who rendered service in a “qualifying position” for at least ten years but fewer than fifteen years; 75% of the District’s contribution towards premiums for those retirees who rendered service in a “qualifying position” for at least fifteen years but fewer than twenty years; and 100% of the District’s contribution...
towards premiums for those retirees who rendered service in a "qualifying position" for at least twenty years.

H. **Conditions of and Limitations on Eligibility and Coverage.**

1. Active employees who become eligible retirees under this agreement are entitled to uninterrupted coverage under the Health Benefits Plan provided they submit all necessary applications and other required documentation in a timely fashion.

2. Retirees, their dependents, and survivors may not be enrolled in more than one District sponsored plan at any one time. For that reason, a retiree may be enrolled in a plan in his or her own capacity as a retiree, or as a dependent of another retiree, but not simultaneously in one plan as a retiree and in another plan as a dependent. Likewise, children or other individuals who qualify as dependents may be enrolled in a plan only once as a dependent or survivor, not simultaneously in one plan as a dependent or survivor of one retiree and in another plan as a dependent or survivor of another retiree.

3. To the extent allowed by law, benefits provided under the District’s Health Benefits Program shall be secondary to the benefits provided to a retiree or his or her dependents or survivors under Medicare. Furthermore, as a condition of continued enrollment in any hospital or medical plan available under the Health Benefits Program, each retiree and every eligible dependent and survivor age 65 and older must (unless exempted from this requirement under rules adopted by the Joint Labor/Management Benefits Committee) apply for and obtain coverage under premium free Part A (hospital benefits) and Part B (medical benefits) of Medicare. It shall be the sole responsibility of the employee or survivor to provide the District with verification of enrollment in Medicare. The District shall acknowledge receipt of verification of Medicare enrollment upon a retiree’s request.

4. Every retiree (or in the event of his or her incapacity, the retiree’s representative or agent) shall report, by telephone, e-mail, or written correspondence, any event or change of circumstance that has an affect on the administration of coverage under the Health Benefits Program. Such events or changes include, but are not limited to, change of address or telephone number, marriage, divorce, dependent’s loss of eligibility, death of the retiree, or death of a dependent.

5. A retiree’s or survivor’s eligibility (and that of his or her dependents) under this agreement shall terminate whenever the retiree or survivor accepts employment in a position covered by STRS or PERS and becomes eligible for health benefits by virtue of that employment.

IV. **Joint Labor/Management Benefits Committee**

A. The District shall convene, and the Exclusive Representatives shall all participate in, a Joint Labor/Management Benefits Committee (JLMBC). The role of the Committee is to contain the costs of the District's health benefits program while maintaining and, when feasible, improving the quality of the benefits available to employees.

B. The Committee shall be composed of one (1) voting and one (1) non-voting District Member appointed by the Chancellor; six Employee Members, one (1) appointed by each of the Exclusive Representatives; and an (1) additional voting member who shall serve as Chair, nominated by the President of the Los Angeles College Faculty Guild and confirmed by a simple majority of the regular voting members of the
Committee. Although each Exclusive Representative will appoint one (1) regular voting member on the Committee, the Committee shall adopt rules under which each Exclusive Representative may appoint additional non-voting members in proportion to the size of each unit. The District shall grant the Chair of the Committee at least 0.2 FTE reassigned time to perform the duties of that assignment.

C. The Committee shall have the authority to:

1. review the District’s health benefits program and effect any changes to the program it deems necessary to contain costs while maintaining the quality of the benefits available to employees (this includes, but is not limited to, the authority to substitute other plans for the District’s existing health benefits plans);

2. recommend the selection or replacement of benefits consultants;

3. evaluate and select benefit plan providers;

4. review and make recommendations regarding communications to faculty and staff regarding the health benefits program and their use of health care services under it;

5. review and make recommendations regarding benefit booklets, descriptive literature, and enrollment forms;

6. study recurring enrollee concerns and complaints and make recommendations for their resolution;

7. participate in an annual review of the District’s administration of the health benefits program; and

8. review and make recommendations about the District’s health benefits budget.

D. Any action of the Committee must be approved by the affirmative vote of the voting District member and all but one of the voting Employee Members at a meeting of the Committee at which a quorum is present. A quorum shall consist of the voting District member and any five voting Employee Members.

E. Any changes proposed by the Committee in the benefit program, providers, and consultants shall be submitted to the Board of Trustees for its consideration.

F. The District shall provide the Committee with relevant financial data including, for example, data regarding money received from providers (as a refund, return of premium, or similar credit), and all expenditures the District considers to be part of the “overall cost to the District of maintaining the Health Benefits Program.”

V. Funding the Health Benefits Program and the District’s Contribution towards Premiums

A. The JLMBC shall, by April 30, 2003, make recommendations to restructure the Health Benefits Program (effective at the beginning of the 2003-2004 benefit plan year) in a manner that will ensure that the Program continues to provide quality health care to the District’s employees, retirees, and their eligible dependents at a reasonable and sustainable cost to the District.
The District shall implement JLMBC recommendations approved by the Board. The District shall consider all relevant information gathered or produced by the JLMBC and the District’s health benefit consultant.

If the JLMBC fails to make recommendations to restructure the Health Benefits Program by April 30, 2003, or if the District reasonably determines that the recommendations will not materially reduce the overall cost to the District of maintaining the Health Benefit Program when compared to the projected overall cost without restructuring, the Board shall have full authority to implement any changes to the District's Health Benefits Program (other than the implementation of employee/retiree contributions towards premiums) that the Board determines to be necessary to address the excess costs. Before adopting any changes, the Board shall give the members of the Joint Labor/Management Benefits Committee notice of the specific changes it intends to implement.

B. For 2004-2005, the parties agree to reopen negotiations on matters related to funding the Health Benefits Program and the District’s contribution towards the cost of premiums no later than March 1, 2004.

ARTICLE 17, SPECIAL PAY PRACTICES

A. Work Out of Classification: Claims for Work Out of Classification shall be processed in accordance with Personnel Commission Rule 550 and/or California Education Code 88010. The District and the Commission may provide for an upward adjustment in salary for any period of time less than five (5) days.

The employee shall forward the claim to his/her immediate supervisor or authorized person who required him/her to perform the work out of classification. Such immediate supervisor or authorized person shall, within ten (10) working days, respond to the claim and forward it to the appropriate authority in accordance with Personnel Commission Rule 550.

B. Shift Differential

1. All employees covered by this Agreement shall receive a 6.9% shift differential for each day that 50% of their shift falls within the hours of 3:00 p.m. to 12:00 midnight and a 13.8% shift differential for each day that 50% of their shift falls within the hours of 12:00 midnight to 7:00 a.m. An employee receiving a shift differential shall not be paid the differential if reassigned to a shift not qualifying for such payment.

2. Persons assigned to night work on a continuous basis who are nevertheless ordered to temporary daytime work for periods of not to exceed twenty (20) working days each shall suffer no reduction in compensation by reason of the change.

C. Career Increment: Effective the pay period following the pay period in which July 1, 2000, falls, employees covered by this Agreement shall receive a career increment each pay period for five (5) consecutive years of experience in a supervisory position with the Los Angeles Community College District or after ten (10) years of overall service with the District at the rates listed below, and a second career increment after ten (10) consecutive years of service in a supervisory position with the District, or after fifteen (15) years of overall service with the District. The amount of each increment shall be $100
D. **Computing Differential** - Effective upon successful negotiation of the type of certification required, Supervisory Unit employees who provide documentation of having successfully completed an approved training course in office computing technologies shall receive a differential of $75 per pay period. The certification which is to be required and the period of eligibility for the differential shall be negotiated by the parties subsequent to this agreement, but prior to any employee becoming eligible for the differential. Such negotiations shall be concluded no later than sixty (60) days from the execution of this Agreement.

Notwithstanding the above provisions, those employees who already possess the required certification and if that certification is recent enough to qualify the employee for said differential, the employee shall be eligible for the differential upon execution of this Agreement.

E. **Career Differentials**

Employees with degrees above the highest job specifications for their classification/position shall be eligible for the following differentials (i.e. the highest degree attained over what is required for the classification):

<table>
<thead>
<tr>
<th>Degree</th>
<th>Differential per Pay Period</th>
</tr>
</thead>
<tbody>
<tr>
<td>AA/AS Degree</td>
<td>$20.00, or</td>
</tr>
<tr>
<td>BA/BS Degree</td>

</tr>
<tr>
<td>MA/MS Degree</td>

In order for a Supervisory Unit employee to be eligible for a degree differential, he/she must present the District with evidence of an earned degree from an accredited institution of higher education. Such evidence shall be in the form of an official transcript sent directly to the District by the institution which awarded the degree or an official sealed transcript provided by the employee. A foreign degree must be determined to be equivalent to a U.S. degree by an accrediting agency approved by the District. It is the responsibility of the employee to arrange for such evaluation and to provide such verification of equivalency to the District. Employees shall be eligible for the differential the pay period following the receipt of proof of the degree.

**ARTICLE 18, WAGES AND SALARIES**

A. **Prevailing Rate**: The Union and the District agree that the wages and salaries negotiated in good faith and listed in this Agreement are at least equal to the prevailing salary or wage for the same quality of service rendered to private employers under similar employment.
B. **Salary Placement**: Entry-level placement on the salary schedule shall be at the lowest step of the schedule for the classification or at the hourly rate established for the classification, unless the District authorizes hiring at a higher rate.

C. **Step Advancement on the Salary Schedules**

1. Advancement from the first to the second step shall occur as of the first day of the pay period which follows completion of 130 days in paid status in regular assignments in the class. For purposes of this rule, 130 days shall be defined as 130 times the average number of regularly assigned hours per day for the employee. A day in paid status shall be defined as any day for which pay is received.

2. Advancements to higher steps shall be made in successive years as of the first day of the correspondingly numbered pay period which the employee received his/her previous step advancement provided that he/she has completed at least 130 days in paid status in regular assignments in the class during the thirteen (13) pay periods since the preceding advancement.

3. In the event that the employee does not meet the paid status requirement provided above, his/her step advancement shall be effective as of the first day of the pay period which follows his/her completion of such 130 days in pay status in regular assignments in the class.

4. Upon promotion or reclassification which results in salary increase to other than the first step, the salary advance to the next step shall be in the pay period immediately following the pay period in which probation was completed. A new cycle for subsequent step advances will thus be established. Provisions of this section shall become effective at such time that necessary reprogramming of the personnel-payroll system can be accomplished.
   
   a. If the employee completes 130 days in paid status in regular assignments in the new class as of the date his/her step advancement is due, no change in his/her cycle of step advancement shall occur.
   
   b. If the employee has not completed 130 days in paid status in regular assignments in the new class as of the date his/her step advancement is due, it shall become effective as of the first day of the pay period which follows his/her completion of the paid status requirement. A new cycle for subsequent step advancements will thus be established.
   
   c. An employee who is subject to a new probation period must have at least seventy-five percent (75%) of the required 130 days in paid status in active on-the-job performance of the duties of a position in the class.

5. The following actions shall not affect the employee’s cycle of step advancement:
   
   a. Reallocation
   
   b. Change to an equal or lower class
6. Notwithstanding other provisions of this Article, employees in classes on accelerated hiring steps or with shortened salary ranges shall receive step advancement as follows:

a. An employee on any lower step in a class for which an accelerated hiring step or a shortened salary range has been authorized shall advance to the new hiring step on the effective date of the action. Such an employee shall receive an advancement to the next higher step of the schedule for his/her class as of the first day of the pay period in which the accelerated step or shortened range became effective, provided that he/she meets the paid status requirement.

b. A person initially employed in a class on an accelerated hiring step or with a shortened salary range shall advance to the next higher step of the schedule for his/her class on the first day of the pay period in the next salary year which corresponds in number to the pay period in which he was appointed, provided that he meets the paid status requirement. Subsequent advancements shall be based on the cycle thus established.

7. An employee who changes from a flat hourly rate to a rate on a salary schedule shall receive his/her initial step advancement in the class as of the first day of the pay period which follows his/her completion of 130 days in paid status in regular assignments in the class following such change. Subsequent advancements shall take place as of the first day of the correspondingly numbered pay period provided the paid status requirement is met.

8. An employee not serving in his/her regular assignment shall be treated as follows:

a. An employee who is temporarily serving in a limited-term assignment in an equal or higher class shall receive credit toward step advancement in his/her regular class during the period of his/her limited term assignment. His/her step in the limited-term assignment shall not be adjusted unless an adjustment is necessary to maintain a differential over his/her current regular rate as determined by the District.

b. An employee who has been promoted to a regular position but returns to a lower class before completing his/her probationary period in the higher class shall receive credit toward step advancement in the lower class for the full period of his/her service in the higher class. If his/her anniversary date in the lower class has passed while he/she was serving in the higher class, he/she will receive a step advancement when assigned to the lower class, provided that he/she has met the requirements of this Article. For future step advancement his/her anniversary date in the lower class will be retained.

c. An employee who is on leave of absence from his/her regular class in order to serve in an apprentice class shall not receive credit toward step advancement in the former class during such period of leave. If he/she returns to his/her former class upon termination of leave of absence, he/she shall be placed at the flat hourly rate of the class or at the step of the schedule which is closest to his/her current apprentice rate.

9. Time spent by an employee on leaves resulting from an industrial accident or an industrial illness, temporary military leave, or military leave other than temporary, shall be credited as time in paid status for purposes of step advancement.
10. Employees who are allowed to take vacation during periods which are excluded from their regular assignment periods shall receive credit towards step advancement for the time they are in paid status during such periods.

D. Nothing in this Article shall prevent the Board of Trustees from withholding step advancement provided it is first negotiated with the Union.

E. The District agrees to continue the provisions of Section 414 (h) (2) of the Internal Revenue Code concerning tax treatment of employee retirement contributions to the Public Employment Retirement System.

F. Effective at the beginning of the 0703 pay period (December 2, 2002), all salary schedules shall be increased by 3.187%.

In addition, Supervisory Unit employees shall receive a one-time lump sum payment, with each full-time employee receiving $250.00 and each part-time employee receiving an appropriate portion of that amount based on the percent of a full-time assignment for which the part-time employee is employed.

G. Effective the pay period in which July 1, 2003 falls (the 0103 pay period beginning June 29, 2003) for the 2003-2004 fiscal year, all salary schedules shall be increased by the final value for the percentage increase for an inflation adjustment (COLA) granted by the state to the District for the 2003-2004 year.

H. For 2004-05, compensation matters of this Agreement may be reopened at the request of either party.

J. The District reserves the right to grant additional salary increases to any class or classes of positions as it deems appropriate provided the District confers with the Union prior to granting said salary increases.

Rates of pay for any new classifications implemented during the term of this Agreement shall be determined by the District.

ARTICLE 19, GRIEVANCE PROCEDURE

A. Grievance Defined

1. A grievance is defined as a formal written complaint by an aggrieved permanent employee(s) that there has been a violation of a specific provision(s) of this Agreement; or

2. A formal written complaint by the Union that the District has violated a specific provision of Article 5, Union Rights. Such grievances shall be presented by the Union directly to the Office of Employer-Employee Relations within thirty (30) days of the time the Union had knowledge of the act giving rise to the grievance; or

3. An appeal of a Notice of Unsatisfactory Service which is not a basis for nor has become a basis for further disciplinary action. Provided that such appeal is based on either (a) an abuse of discretion and/or (b) such notice is not in accord with the facts. Notwithstanding the foregoing, notices issued
during an initial probationary period shall not be appealable under this procedure.

B. **Matters Excluded**: All other matters and disputes of any nature are beyond the scope of this grievance procedure including but not limited to reduction in force; examination procedures, results and references; performance evaluations, except as provided above and in Article 11, Procedure for Performance Evaluation, Paragraph D.1.a. disciplinary matters; and complaints by one employee about another. Also excluded are those matters so indicated elsewhere in this Agreement. Claimed violations of Appendix G, Nondiscrimination and Affirmative Action, are to be handled under other District review procedures and/or statutory procedures, rather than the grievance procedure.

C. **Definitions**

1. **Grievant**: An employee covered by the terms of this Agreement.

2. **Group Grievances**: Should the District and/or the Union feel that the significant characteristics of a number of individual grievances or potential grievance are sufficiently alike, that it would be in the best interest of time to hear this group of grievances as one, it may do so under this procedure. Such consolidated grievances shall be carried through the procedure by one designated Grievant.

3. **Day**: A day, for the purpose of this Article, is defined as any day of the calendar year, except Saturdays, Sundays and legal (or school) holidays.

4. **Division Head**: A management employee assigned the administrative responsibility for a division in the District Offices.

5. **Management Employee**: Any employee designated by the Board of Trustees as management, consistent with the provisions of Government Code 3540 et seq.

D. **General Provisions**

1. **Union Responsibilities**: The Union agrees to encourage the Grievant to discuss his/her complaint with his/her immediate supervisor or the appropriate immediate supervisor.

2. Before filing a formal written grievance, the Grievant should attempt to resolve it in an informal manner with the appropriate immediate supervisor.

3. At all grievance meetings under this Article, the Grievant shall be entitled to be accompanied and/or represented by a Union representative. A Grievant shall also be entitled to represent himself/herself. The supervisor and/or administrator shall have the right to be accompanied by another supervisor and/or administrator and/or District representative. By mutual agreement other persons such as witnesses may also attend grievance meetings.

4. **Released Time for Employees and Union Representatives**: Grievance meetings and hearings will be scheduled by the District at mutually convenient times and places during District business hours. Such meetings will be scheduled so as to minimize interference with regular employee duties. If a grievance meeting or hearing is scheduled during working hours, reasonable employee released time
including necessary travel time without loss of salary will be provided to the Grievant.

5. **Effect on Time Limits:** If a grievance is not processed by the Grievant at any step in accordance with the time limits of this Article, it shall be deemed withdrawn. If the District fails to respond to the grievance in a timely manner at any step, the running of its time limit shall be deemed a denial of the grievance and termination of the step in question, and the Grievant may proceed to the next step. All time limits and grievance steps may be shortened, extended or waived, but only by written agreement.

6. The respondent in any grievance shall be the District or individual campus as appropriate, rather than any individual supervisor or management employee.

7. The filing or pendency of a grievance shall not delay or interfere with implementation of any District action during the processing thereof, unless the parties agree to the contrary.

8. Processing and discussing the merits of a grievance shall not be considered a waiver by the District or the defense that the matter is neither grievable nor subject to arbitration under this Agreement or that the grievance should be denied for other reasons which do not go to the merits.

9. Only District employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the Grievant.

10. Appearance as a witness at a meeting other than a formal hearing requires the mutual consent of both parties.

11. The District shall grant released time for the processing and investigation of grievances under this Agreement to unit members who are Job Stewards, subject to the following conditions:

   a. The Union will designate to the Office of Employer-Employee Relations the names of those members who are Job Stewards.

   b. The Job Steward shall inform his/her immediate supervisor of the need for release time at least twenty-four (24) hours in advance. Workload permitting, the Job Steward will be granted release time.

   c. Upon prior approval from the unit member’s supervisor, the Job Steward may consult with unit members during working hours.

12. Unit members may have a grievance adjusted without the intervention of the Union as long as the adjustment is not inconsistent with the terms of this Agreement. The Union shall be provided copies of any grievances filed by unit members and any responses by the District. Prior to resolution of any grievance, the Union shall be provided a copy of the proposed resolution. Any disagreement concerning whether the settlement is inconsistent with the terms of this Agreement shall be submitted to Step Four for resolution.

E. **Procedure**
1. **Step One**

Within twenty (20) days after any specific or documented incident upon which the grievance is based, the grievance must be presented in writing on a District's grievance form (Appendix F) to the immediate supervisor who has the authority to adjust the grievance. The written grievance shall contain a clear concise statement of the action(s) taken by the immediate supervisor or management employee which resulted in the violation of a specific provision of the Agreement; the remedy sought; the specific provision(s) of the Agreement violated, and the name of the employee's representative, if any. If the grievance concerns a Notice Of Unsatisfactory Service, the grievance form should also contain a reason for the appeal (i.e., abuse of discretion or not in accord with the facts).

A meeting between the Grievant and the immediate supervisor or his/her designee shall take place within ten (10) days from presentation of the grievance. The immediate supervisor or his/her designee shall reply in writing within ten (10) days following the meeting.

2. **Step Two**

If the grievance is not resolved in Step One, the Grievant may, within ten (10) days after the receipt of the immediate supervisor's written decision, present the written grievance to the next level of authority of his/her designee. The written grievance shall contain the same information as in Step One and a copy of the immediate supervisor's decision. Within ten (10) days from receipt of the grievance, a meeting shall take place to discuss the matter. The next level of authority or his/her designee shall reply in writing within ten (10) days following the meeting.

3. **Step Three**

If the grievance is not resolved in Step Two, the Grievant may, within ten (10) days after receipt of the decision in Step Two, present the written grievance to the College President or Division Head or his/her designee. The written grievance shall contain the same information as in Step One, copies of the Step One and Step Two decisions, and reasons for the appeal. Within ten (10) days of receipt of the grievance appeal, a meeting shall take place to discuss the matter. The College President or Division Head or his/her designee shall reply in writing within five (5) days following the meeting.

4. **Step Four - Request for Hearing**

   a. If the Grievant is not satisfied with the decision at Step Three, the Grievant, with the concurrence of the Union, may submit the matter to the Office of Employer-Employee Relations for a hearing. This written request must be made within ten (10) days after termination of Step Three.

   b. Within ten (10) days from the date the request for hearing is received by the Office of Employer-Employee Relations, a meeting shall be arranged with the parties to the grievance, or their representatives, for the selection of an arbitrator. The arbitrator shall be selected from a permanent panel of seven (7) arbitrators, to be selected by mutual agreement of the District and
the Union, by alternately striking names until one remains. The party that strikes the first name shall be chosen by lot. If the arbitrator indicates that he/she will not be available for a hearing within a reasonable time not to exceed sixty (60) days, the parties will proceed to select another arbitrator as indicated above.

c. Final and Binding Arbitration: The decision rendered by the arbitrator in Paragraph 4.j., shall become final and binding upon the Grievant(s), the District, and the Union.

d. The Office of Employer-Employee Relations shall be responsible for the arrangements for the hearing, the maintenance of records, and such other service required by the arbitrator in fulfilling his/her responsibilities.

e. The parties shall exchange lists of proposed witnesses not later than five (5) days prior to the first date of the hearing.

f. Neither party shall communicate with the arbitrator without first contacting the other party to explain the purpose of the intended communication.

g. Optional Preliminary Hearing of Issues Which Don’t Involve Merits of Grievance: If the District claims that the grievance should be dismissed for reasons which do not go to the merit (e.g. mootness, untimeliness, matter beyond the scope of procedure, or breach of confidentiality provisions), the District may cause its claim to be heard and ruled upon by the arbitrator prior to a hearing on the merits. If the District plans to invoke this separate preliminary hearing, it shall so advise the Union in writing prior to selection of the arbitrator. Immediately after selection of the arbitrator for the preliminary hearing, either the Union or the District may require that a different arbitrator be selected to hear the merits in the event that such a hearing is required. There shall be at least fifteen (15) days between the arbitrator’s decision on the preliminary matter(s) and hearing on the merits. The preliminary hearing is optional to the District and if not utilized, the District shall not be precluded from raising its arbitrability defense at the regular hearing; provided that it gives the Union ten (10) days notice of its intention to do so.

h. Limitation Upon the Arbitrator: The Arbitrator shall have no power to add, subtract, disregard, alter, or modify any of the terms of this Agreement. The Arbitrator shall have the authority to grant or recommend the payment of salary if it is proven that the Grievant has rendered service and has not been paid for that service; the Arbitrator may require the District to pay the salary due for such service. Other monetary awards may be granted in accordance with the principle of arbitration to make the injured party whole. If a monetary award, other than salary for services rendered, is made in excess of $2,500, the Board of Trustees shall review the Arbitrator’s decision and render a final decision as to the amount, in excess of $2,500, to be granted. In grievances involving alleged contract violations, the Arbitrator’s decision shall be limited to a specific finding regarding that alleged violation of a specific term of the Agreement. Past practice of the parties in interpreting and applying the terms of this Agreement may be relevant evidence, but shall not be used so as to justify or result in what is in effect a modification (whether by revision, addition, or detraction) of the terms of this Agreement. The Arbitrator shall have no power to render recommendations on any grievance occurring before or after the terms of this
Agreement or to grant a remedy exceeding that sought by the Grievant.

i. The hearing shall be conducted in accordance with the rules and procedures prescribed in Section 11513 of the Government Code of the State of California. No other section of the State Administrative Procedure Act shall apply to this grievance procedure. The hearing shall be private with attendance limited to the parties to the grievance and their representatives, if any, witnesses while testifying and representatives of the Office of Employer-Employee Relations.

j. The hearing officer shall render written findings, conclusions, and recommendations within thirty (30) days of the termination of the hearing. The findings, conclusions, and recommendations shall be sent to the parties concerned, the Union, and the Board of Trustees. The decision shall be final and it shall constitute the final administrative remedy available to the Grievant.

k. Expenses: The District and the Union will share equally the payment of the services and expenses of the arbitrator. Each party shall bear the expense of the presentation of its own case. A transcript of the proceedings shall not be required, but either party may order a transcript at its own expense.

l. Grievance Files: The District’s Office of Employer-Employee Relations shall maintain a file of all grievance records and communications separate from the personnel files of the Grievant(s), and grievance documents and decisions shall not be included in the personnel file, unless it is reasonably necessary or appropriate to do so.

m. No Reprisals: There shall be no reprisal against an employee for utilizing these grievance procedures or for assisting a Grievant pursuant to these procedures, provided such utilization or assistance conforms with rights established under this Agreement.

d. Operators shall inform the attending physician that they are VDT operators and that the above conditions must be tested for.

If an operator is required by an optometrist or ophthalmologist to have an eye examination more frequently than once a year, the cost of the additional examination(s) shall be covered by the plan. Lenses and frames not required exclusively for VDT use shall be paid for by the operator who may utilize the benefits available from the District’s hospital/medical and/or vision care insurance plans.

5. Pregnancy and Disability: Research into the areas of radio frequency and other types of radiation has not yet yielded final conclusions regarding the effects of radiation on employees who are pregnant or who suffer from certain disabilities or diseases.

a. At their request, pregnant employees shall be reassigned from duties involving VDTs, shall be moved from the vicinity of VDTs, or shall remain in their positions and shall be relieved of their
VDT duties, for the term of the pregnancy. At the conclusion of the pregnancy, the employee shall have the right to return to the position from which she was last reassigned. If the employee does not return immediately after the pregnancy, return rights shall be in accordance with the return rights granted for the specific type of leave she is on.

Employees are also encouraged to obtain training in new office technology as it is introduced in an office or operational unit; the District shall make every reasonable effort to make such training available to those who desire it. When the District requires an employee to be trained on new hardware or software, the cost of the training shall be borne by the District, and appropriate released time shall be granted to the employee.

Other equipment shall be replaced with equipment which meets the guidelines set forth in this Article as it becomes necessary to replace such equipment; the work environment shall be improved as necessary.

   d. VDTs and associated equipment and/or accessories which do not presently meet the guidelines in this Article shall be brought up to the guideline standards within one (1) year from the date of this Agreement.

   d. Domestic Partner Recognition

A. In order to qualify for domestic partner coverage under the Blue Cross Plus Plan, the Blue Cross Classic Plan, Kaiser, CIGNA, Maxicare, Prudential Dental, Safeguard Dental and Vision Service Plan, an active Collective Bargaining Unit member must satisfy the following eligibility requirements:

1. File with the Insurance Section, Operations Division, an Affidavit of Domestic Partnership signed by both partners and notarized. Note that the form (attached) imposes additional requirements.
   a. The employee and his/her domestic partner agree to sign and file with the Insurance Section a notarized affidavit form provided by the LACCD (attached) as evidence of the domestic partnership.
   b. If the employee resides in a jurisdiction that permits registration of domestic partners, the employee must also show proof of this registration in order to qualify his/her domestic partner for health benefits; otherwise, the partners must register with the State of California as a family and show proof of such registration.

2. Application for domestic partner coverage must include all of the above plans in which the employee is presently enrolled; that is, the employee may not choose to enroll the domestic partner under only the dental but not medical and vision, etc.

3. The employee and his/her domestic partner:
   a. must share the same regular and permanent residence for at least twelve (12) consecutive months immediately preceding the application for coverage with the LACCD. Proof of residing together may include any one of the following:
      (1) driver's licenses or passports showing the same address; or
      (2) mortgage documents, deeds or leases showing both names on the document;
   b. must be financially interdependent and have proven such interdependency by providing documentation of the following: EITHER
      (1) Both of the following:
          (a) common ownership of real property or residence or a common leasehold/rental agreement interest in such property;
          (b) designation as a beneficiary for District life insurance or retirement benefits; OR
      (2) Either one of (a) or (b) in category (1) above and one of the following:
(a) common ownership of a motor vehicle;

(b) a joint bank account;

(c) a joint credit card;

(d) joint wills;

(e) joint utility bills;

(f) durable power of attorney for health care;

(g) joint safety deposit box.

(3) are engaged in an exclusive, committed relationship for mutual support and benefit to the same extent as married persons are committed to one another and intend to stay together indefinitely;

(4) are jointly responsible to each other for "basic living expenses" which shall mean the cost of food, shelter, medical care, clothing and any other expenses supporting daily living (the monetary contribution made by each person toward the expenses need not be in equal shares);

(5) are over eighteen (18) years of age;

(6) are not currently married to other persons;

(7) are not blood relatives any closer than would prohibit legal marriage in the state of residence;

(8) are mentally competent to consent to contract;

(9) have not signed a domestic partner affidavit or declaration with another person or persons within the last twelve (12) months prior to designating each other as domestic partners herein; and

4. A dependent child of a domestic partner is eligible for coverage only if the child meets the conditions contained in I.A.2., b., c, or d of the Master Agreement regarding health benefits and one of the following is true:

a. the child becomes a legally adopted child of the employee; or

b. the employee retains legal guardianship of such child; or

c. the domestic partner is the natural or adoptive parent or legal guardian of the child, and the employee shows proof that such child is not otherwise eligible for health benefits.*
5. Application for Coverage

a. Employees who meet the 12 month requirement in 3.a. above and all other requirements herein on the original effective date of this Agreement will have 31 calendar days to make application for domestic partner coverage. If application is not made within this time, the employee will have to wait for the next open enrollment period to apply for coverage.

b. Employees currently employed on the original effective date of this Agreement who acquire a domestic partnership in the future which meets all other requirements of this Agreement must wait until the relationship has continued for 12 months before applying for coverage, and will have 31 calendar days from that date to make the application. If application is not made within 31 calendar days from the date the relationship has lasted for 12 months, then the employee must wait until the next open enrollment period to apply.

c. New employees hired after the original effective date of this Agreement who meet the 12 month definition and all other requirements on their date of eligibility (the date of hire, or the date the relationship has lasted for 12 months, whichever is later) will have 31 calendar days from the date of eligibility to make application for domestic partner coverage. If application is not made within this time, the employee will have to wait for the next open enrollment period to apply for coverage.

d. New employees who acquire a domestic partner after the original effective date of these Regulations must comply with the provisions of 5.b. above.

e. In all of the late enrollment situations described in 1.- 4. above, the employee will not be required to wait until the next open enrollment period if the employee can demonstrate that the late application is due to loss of coverage for the domestic partner in a different benefit plan.

6. Change in domestic partnership:

a. The employee must notify the Health Insurance Section in writing within 31 calendar days of any change in the status of a domestic partner relationship.

b. In the event the facts attested to in the Declaration of Domestic Partnership no longer hold true due to termination of the relationship, change of circumstances, death of the domestic partner, marriage to the domestic partner or any other cause, the employee must file a Declaration of Termination of Domestic Partnership with the Health Insurance Section for adjustment in coverage.

c. After a termination of an existing domestic partner's coverage, a subsequent affidavit of a new domestic partner cannot be filed until twelve (12) months after written notification of termination has been filed.

7. COBRA Coverage: Domestic partners are not considered "qualified beneficiaries" under COBRA regulations and are not eligible for COBRA continuation coverage. However, in certain cases
continuation coverage is offered. This is not COBRA coverage and, as such, the District retains the right to modify or terminate this continuation of coverage benefit at any time consistent with this Agreement.

a. The COBRA rate applicable to the underlying plan ("Plan") will be charged for other coverage as outlined below. This is intended to reduce taxable income to the employee with respect to this extension of coverage, but the District is not responsible if such reduction is not granted.

b. A domestic partner (and his or her eligible dependent children) may continue to be covered under the Plan after the employee's termination of employment, by "piggybacking" on the former employee's COBRA coverage. The continuation of coverage would last for up to 18 months, or until expiration of the former employee's COBRA coverage, if earlier. A domestic partner may not make an independent election of COBRA. Thus, the employee must elect COBRA at the family rate in order to cover the domestic partner (and his or her eligible dependent children)

c. Unlike COBRA, which would provide no coverage, the District will allow a covered domestic partner (and his or her eligible dependent children) to continue coverage for 36 months following the death of the employee, at the COBRA rate applicable to such Plan. Domestic partners and eligible dependent children who are not covered by the Plan at the time of the employee's death are not eligible for this continuation. If a former employee died during the COBRA coverage period, this 36 month period of coverage would commence on the date of the former employee's first qualifying event (e.g. termination of employment).

d. Unlike COBRA, which would provide no coverage, the District will allow a covered domestic partner (and his or her eligible dependent children) to continue coverage, at the COBRA rate applicable to such plan, for 36 months from the date of the employee's first qualifying event (if any), if coverage would otherwise be lost following the Medicare entitlement of the employee. Thus domestic partners (and eligible dependent children) who are not covered by the plan at the time of the employee's Medicare entitlement would not be eligible for this continuation.

e. Unlike COBRA, which would provide no coverage, the District will allow a covered dependent child of a covered domestic partner to continue coverage for 36 months, at the COBRA rate applicable to the plan, when he or she would otherwise lose coverage due to the death of the domestic partner or as a result of reaching the age at which he or she cannot be covered as a dependent child under the terms of other underlying plans ("Plan").

f. In no event shall the domestic partner (and his or her eligible dependent children) be permitted to continue this coverage beyond the date of the termination of the domestic partner relationship (except in the event of the death of the employee or former employee).

g. In no event shall the domestic partner (and his or her eligible dependent children) be permitted to continue this coverage beyond the date that domestic partner coverage is terminated with respect to domestic partners of similarly situated active employees.

h. In no event shall the domestic partner be permitted to continue this coverage beyond the date that the domestic partner becomes eligible for coverage under Medicare, unless eligibility for Medicare is solely as the result of end-stage renal disease.
i. A domestic partner (and his or her eligible dependent children) who is being provided continuing coverage may not change to a different plan during the Annual Enrollment Period. That is, if a former employee selects one plan, then the domestic partner must choose coverage under the same plan.

j. The employee/domestic partner is required to notify the Insurance Section upon the occurrence of any event that would result in lapse of coverage.
LOS ANGELES COMMUNITY COLLEGE DISTRICT
AFFIDAVIT OF DOMESTIC PARTNERSHIP

I, ____________________ declare that _________________________________ and I are domestic partners, and we declare that we meet the following criteria of Domestic Partnership:

1. We share the same regular and permanent residence, and have been living as a couple in the same household for at least 12 months; and

2. We have a close personal relationship in lieu of a lawful marriage; and

3. We have agreed to be jointly responsible for basic living expenses, as defined below*, incurred during the partnership; and

4. We are not married to anyone; and

5. We are each eighteen (18) years of age or older; and

6. We are not related by blood as close as would bar marriage; and

7. We are mentally competent to consent to a contract; and

8. We are each other's sole domestic partner and are responsible for each other's common welfare; and

9. We acknowledge joint ownership of acquisitions since the start of the partnership, to an extent equal to that pertaining to community property in the case of marriage. We are aware that we have been advised to consult an attorney regarding the possibility that the filing of this Affidavit may have other legal and/or financial consequences, including the fact that it may, in the event of termination of the domestic partnership, be regarded as a factor leading a court to treat the relationship as the equivalent of marriage for purposes of establishing and dividing community property, assigning community debt, and for the payment of support.

10. We declare that any dependent child of the domestic partner, to be eligible for coverage, is not otherwise eligible for health benefits.

*Basic living expense means the cost of basic food, shelter, medical care, clothing and any other expenses of the common household. The partners need not contribute equally or jointly to the payment of these expenses as long as they agree that both are responsible for them.

Employees are advised that unless the domestic partner is also considered the employee's dependent for tax purposes under Section 152 of the Internal Revenue Code, the Internal Revenue Service currently treats as imputed income to the employee the value of the health coverage provided to domestic partners and their
dependents, if any. Employees are advised to review the consequences of electing this benefit with their own tax advisors.

It is understood that:

1. This declaration shall be terminated upon the death of the domestic partner of the employee or by a change of the circumstances attested to in this Affidavit.

2. We agree to notify the Health Insurance Section of the LACCD if the domestic partnership no longer meets all of the criteria attested to in this declaration within thirty-one (31) calendar days of the change by filing a Declaration of Termination of Domestic Partnership.

3. Following filing of a Declaration of Termination of Domestic Partnership, I understand that I may not file a subsequent Affidavit of Domestic Partnership for a period of at least 12 months; except, however, there is no waiting period for filing a second Affidavit of Domestic Partnership with respect to a partner as to whom I previously filed both an Affidavit of Domestic Partnership and a Declaration of Termination of Domestic Partnership.

Acknowledgments:

1. We understand that any person/employer/company who suffers any loss due to any false statement contained in this Affidavit, or failure of the employee to notify LACCD Health Insurance Section of any changes resulting in the domestic partnership no longer meeting the criteria contained in the Domestic Partner Recognition, within the time limit provided, may bring a civil action against either or both of us to recover their losses, including reasonable attorney's fees.

2. We have been provided the information in this Affidavit for use by the LACCD Health Insurance Section for the sole purpose of determining our eligibility for domestic partner health benefits.

3. We affirm, under penalty of perjury, that the assertions in this Affidavit are true to the best of our knowledge.
