

Leaves of Absence Related to COVID-19

Dear LACCD Employee:

This packet provides information about COVID-19 related leaves and the request forms and submittal process for the forms.

Summary of COVID-19 Related Leaves

The Families First Coronavirus Response Act (FFCRA) provides district-paid leaves for specific COVID-19 related situations to eligible employees from April 1, 2020 through December 31, 2020. When an employee is unable to work due to the need to care for children due the closure of school or unavailability of childcare, the benefit may extend up to 12 weeks. For all other qualifying situations, full-time employees are eligible for up to 10 days (faculty) or 80 hours (all other employees) of leave and part-time employees are eligible for leave up to the average of hours worked in two weeks.

For absences prior to July 11, 2020, LACCD provided guidance to employees regarding COVID-19 related leave reasons in “Guidelines for Employee Absences Related to COVID-19” which was issued by the Office of the Vice Chancellor, Human Resources Division on March 14, 2020, and in Chancellor Rodriguez’s memo dated March 15, 2020, related to employees who were required to self-quarantine due to underlying medical conditions and/or due to being age 65 or older per the California Stay-at-Home Order.

Additional information about each type of leave is provided within this packet. Information is also provided about the leave options for those employees whose need for leave exceeds the leave limits provided under the FFCRA.

Employees may need to submit more than one leave request form depending on the period of leave.

Employees who have already submitted absence request forms on other LACCD absence forms are required to complete and submit the applicable form(s) in this packet also.

For questions related to the leaves, request forms or submittal process, please contact your location Personnel Office. A list of the contacts for questions for each location is provided on page 18.

Leave Benefits Available to LACCD Employees from July 11, 2020 through December 31, 2020

The Families First Coronavirus Response Act (FFCRA) provides eligible employees with paid sick leave under the Emergency Paid Sick Leave Act (EPSLA) and expanded family and medical leave under the Emergency Family and Medical Leave Expansion Act (EFMLEA) for specified reasons related to COVID-19. These provisions apply to leaves taken between July 11, 2020 and December 31, 2020.

Paid sick leave and expanded family and medical leave are employer-paid leaves.¹

Employees who are unable to work due to the need to care for their child(ren) because of school closures or unavailability of childcare may be eligible for both paid sick leave and expanded family and medical leave. The first ten (10) days of expanded family and medical leave is unpaid, but eligible employees have the option to apply paid sick leave during the first ten (10) days of expanded family and medical leave.

No documentation is required to be submitted with the request forms.

Paid Sick Leave

- Paid sick leave is provided to eligible full-time employees for up to 10 days (faculty) or 80 hours (all other employees) and to eligible part-time employees up to the number of hours they work on average over a two-week period.
- There is no minimum service requirement for paid sick leave.
- An employee can apply paid sick leave for more than one qualifying reason, but the benefit is limited to 10 days or 80 hours for all qualified reasons combined.

Qualifying Reasons for Paid Sick Leave

Paid sick leave is available to eligible employees if the employee is unable to work or telework because:

- (1) the employee is subject to the California Stay-at-Home Order due to an underlying medical condition or due to being age 65 or older.
- (2) the employee has been advised by a health care provider to self-quarantine due to concerns related to COVID-19.
- (3) the employee is experiencing symptoms of COVID-19 and seeking a medical diagnosis.
- (4) the employee is caring for an "individual," who is subject to the California Stay-at-Home Order or has been advised by a health care provider to self-quarantine due to concerns related to COVID-19.

¹ Faculty: please contact your SPOC regarding any questions related to hard to convert classes and the MOU in place for your collective bargaining unit.

“Individual” means an employee’s immediate family member, a person who regularly resides in the employee’s home, or a similar person with whom the employee has a relationship that creates an expectation that the employee would care for the person if he or she were quarantined or self-quarantined.

- (5) the employee is caring for a son or daughter of such employee if the school or place of care of the son or daughter has been closed, or the child care provider of such son or daughter is unavailable, due to COVID-19 precautions.

“Son or Daughter” means a biological, adopted, or foster child, a stepchild, a legal ward or a child of a person standing in loco parentis, who is under 18 years of age; or 18 years of age or older who is incapable of self-care because of a mental or physical disability.

Compensation for Paid Sick Leave

Qualifying Reasons # 1-3:

Employees will be compensated at their full regular rate of pay subject to a limit of \$511 per day and \$5,110 in the aggregate. Employees whose daily full regular rate of pay exceeds the limit set by the FFCRA have the option to use their own illness days and/or vacation days (if applicable) to supplement their compensation received while on paid sick leave up to their full regular rate of pay.

Qualifying Reasons #4-5:

Employees will be compensated at two-thirds (2/3) of their regular rate of pay subject to a limit of \$200 per day and \$10,000 in the aggregate. Employees have the option to use their own illness days and/or vacation days (if applicable) to supplement their compensation received while on paid sick leave and/or expanded family and medical leave up to their full regular rate of pay.

Leave Benefits Available to LACCD Employees from July 11, 2020 through December 31, 2020

Expanded Family and Medical Leave

Employees are entitled to up to 12 weeks of expanded family and medical leave if the employee satisfies the following requirements:

- 1) The employee has worked for the District for at least 30 calendar days by the start of the leave
- 2) The employee is unable to work (or telework) due to a need to care for the son or daughter whose school or place of care has been closed, or whose child care provider is unavailable due to a COVID-19 emergency declared by either a Federal, State, or local authority
- 3) The employee has not used all available FMLA leave for other reasons earlier in the calendar year. Expanded family and medical leave is a form of FMLA leave, and is not in addition to any other FMLA leave; and
- 4) There is no other suitable person available to care for the employee's son or daughter during the period for which the employee takes expanded family and medical leave

Compensation

- The first ten (10) days of expanded family and medical leave is unpaid leave. During this period, the employee may elect to use paid sick leave if the employee has not exhausted such leave for another qualifying reason.
- If the employee has exhausted paid sick leave for another reason, an employee may use any available illness days and/ or vacation days (if applicable) for compensation during the first ten (10) days of expanded family and medical leave.
- After the tenth day, and for the remaining ten (10) weeks of expanded family and medical leave, an employee is entitled to employer-paid compensation for such leave at two-thirds (2/3) of the employee's regular rate of pay, subject to a cap of \$200 per day and \$10,000 in the aggregate.
- During this period, employees may supplement the compensation they receive under expanded family and medical leave with their available illness days and/or vacation days (if applicable) in order to be compensated up to their full rate of pay.
