Student Affairs Committee
Resource Table Representative Assignments for Board Meetings
2015 – 2016**

The following individuals have been assigned to serve as the Student Representatives at the Resource Table for regular meetings of the Board of Trustees. As per past practice of the Student Affairs Committee, Associated Student Presidents have been assigned to sit at the Resource Table based primarily on the campus location of the Board meeting for that particular month.

During the Board meeting, there is an item on the agenda entitled: **“Reports from Representatives of Employee Organizations at the Resource Table.”** This is where you would introduce yourself to the Board and report out, if applicable. **Please be brief.**

For those unassigned months when meetings are held at the Educational Services Center, the Student Trustee will ask for volunteers to serve as the Student Representative at the Resource Table.

The Board meetings are scheduled on Wednesdays. PLEASE check your agenda to confirm the date, location, and start time of the public session.
