

Are you passionate about giving back to your community and making a difference?

Apply for the 2009 Student Leadership Academy.

The Leadership Academy is a training and summer internship program that connects university and college students as well as recent graduates to career opportunities within Los Angeles labor organizations.

Participants gain hands-on experience and develop leadership skills that will be valuable training for a career in civil rights work, social justice, labor, or community organizing.

- ✓ Develop leadership skills and learn more about how the labor movement is leading the struggle for social justice.
- ✓ Meet leaders who are driving some of the most dynamic campaigns to empower workers in Los Angeles and apply for an **eight-week paid summer internship**. Interns will work full time and earn a \$450 stipend per week.
- ✓ **Work directly with organization staff and members** on campaigns.
