1. INTRODUCTION

1.1 Purpose and Scope of RFP

The purpose of this Request for Proposals (RFP) is to solicit offers from qualified service professionals to work in partnership with the Los Angeles Community College District (LACCD) to connect students with employers for internships, and job placement. The objective is to enhance the student's technical skill level so they can obtain experience and knowledge in their field of study.

As discussed below in Section 1.3, Scope of Services, proposers shall provide a cost proposal for creating a Workforce Development program. The District reserves the sole right to make a single award for all programs, multiple awards for different programs listed, or to combine any programs and make or refuse to make any award.

The LACCD welcomes a diverse pool of proposers to respond to the Request For Proposal as outlined below. This includes those firms that have received LGBTQIA certification by recognized municipal agencies.

1.2 About the District

The Los Angeles Community College District ("District") was organized in 1969 and is governed by an elected Board of Trustees and is part of the statewide California Community College system. Members of the Board of Trustees are elected at large to serve four-year terms. The District is the largest community college district in California and one of the largest in the nation. More background information can be found about the District online at www.laccd.edu.

The District serves a population of several million residents in southern California within an area of nearly 900 square miles of metropolitan Los Angeles and the County of Los Angeles that includes more than 30 incorporated cities unincorporated communities. The District extends from Agoura Hills in the western part of the San Fernando Valley to the City of San Fernando in the northeast. The service area includes Culver City on the western side of the greater Los Angeles basin, Monterey Park and San Gabriel on the east side as well as Palos Verdes Estates and San Pedro to the south.

In keeping with its mission, the District provides about 230,000 full and part-time students each year with comprehensive lower-division general education, career and technical education, transfer education, credit and non-credit instructional programs geared to meet the needs of the communities its colleges serve and which meet the changing needs of students for academic and career preparation, civic engagement, and lifelong learning. The District has nine fully accredited colleges: East Los Angeles College, Los Angeles City College, Los

Angeles Harbor College, Los Angeles Mission College, Los Angeles Southwest College, Los Angeles Trade-Technical College, Los Angeles Valley College, Los Angeles Pierce College, and West Los Angeles College. The physical footprint of colleges ranges in size from twenty-two acres (Los Angeles Trade Tech College) to over four hundred fifty acres (Los Angeles Pierce College). Within the District, taxpayer approved bond programs have helped provide new and upgraded facilities at District sites and the nine colleges, including, among other projects, newly constructed classroom and instructional laboratory buildings, learning resource centers (libraries with specialized learning/tutoring centers) as well as original instructional buildings, parking structures, maintenance yards, athletic fields and gymnasiums.

Student demographics of largest enrollment include more than 58.6 percent who identify as Hispanic/Latinx; 14.9 percent as White; 8.8 percent as African American, 6.5 percent as Asian. In the 2019-20 Academic Year, the District conferred nearly 30,000 awards to students, including two-year degrees, degrees for transfer and certificates. The District maintains an active free-tuition program available to all first-time, full-time students, regardless of age, race/ethnicity or demographic background. More than 10,000 students are currently part of the Los Angeles College Promise Program. In addition, the District's 2020-2021 budget totaled \$5.6 billion. This amount included \$3.9 billion of Proposition A, AA, and Measures J and CC Bonds in the Building Fund.

Andrea Daniel, Procurement Specialist
Los Angeles Community College District
Business Services Division
770 Wilshire Boulevard – 6th Floor
Los Angeles, CA 90017-3719
Email: danielar2@laccd.edu

It is the sole responsibility of the proposer to ensure that the proposal is delivered on time. Any proposal received after the stated deadline, may, at the sole discretion of the District, be returned without consideration. It is the practice of LACCD not to consider late offers unless it is determined that a selection cannot be made from

among the proposals received on time. LACCD shall not be responsible for, nor accept as a valid excuse for late proposal delivery, any delay in mail service, or other method of delivery used by the proposer. **Proposals submitted via fax, telephone or e-mail will not be accepted.** If hand-delivered, ample time should be allowed for delays caused by downtown Los Angeles traffic and parking. LACCD does not provide parking accommodations to proposers submitting proposals.

All proposals must be firm offers subject to acceptance by LACCD and may not be withdrawn for a period of 90 calendar days following the last day to submit proposals. Proposals may not be amended once submitted to LACCD, except as permitted by LACCD.

2.2 Questions from Proposers

Questions or comments regarding this RFP (except to inquire about the number of addendums issued) must be put in writing by email to Andrea Daniel at danielar2@laccd.edu on or before **April 6, 2021, 2021** (the Questions Submission Deadline), with the subject, "**Questions for RFP No. 21-05: Employer Engagement Services**".

Proposers are asked to submit all questions in writing by the question deadline. LACCD shall not be obligated to answer any questions received after the above-specified deadline or submitted in a manner other than as instructed above.

Proposers are instructed not to contact District personnel or its agents in any other manner concerning this RFP. Unauthorized contact, at LACCD's sole discretion, will be grounds for disqualification of a proposer. Written responses from the District will be posted on the [website](#):

<http://www.laccd.edu/Departments/BusinessServices/Contract-Services/Pages/Bids-And-Proposals.aspx>

2.3 RFP Addenda/Clarifications

If it becomes necessary for LACCD to revise any part of this RFP, or to provide clarification or additional information after the proposal documents are released, written addenda will be posted at:

<http://www.laccd.edu/Departments/BusinessServices/Contract-Services/Pages/Bids-And-Proposals.aspx>.

All addenda issued shall become part of the RFP, and Proposers shall acknowledge, in writing, receipt and incorporation of all addenda and clarifications in their response. Failure of the Proposer to receive Addenda shall not relieve the Proposer

from any obligation under its proposal as submitted. The Proposer shall identify and list in its proposal all Addenda received and included in its proposal; failure to do so may be asserted by the District as a basis for determining the proposal non-responsive. All addenda issued shall become part of the RFP. Proposer's acknowledgement of the addenda must be declared in the proposal. See EXHIBIT D

It shall be the responsibility of the Proposers to check the website for addenda issued.

2.4 Pre-Contractual Expenses

Pre-contractual expenses are defined as any expenses incurred by the Proposer in: (1) preparing its proposal in response to this RFP; (2) submitting that proposal to LACCD; (3) negotiating with LACCD any matter related to this RFP, including a possible contract; or (4) engaging in any other activity prior to the effective date of award, if any, of a contract resulting from this RFP. LACCD shall not, under any circumstance, be liable for any pre-contractual expenses incurred by Proposers.

2.5 No Commitment to Award

Issuance of this RFP and receipt of proposals does not commit LACCD to award a contract. LACCD expressly reserves the right to postpone proposal opening for its own convenience, accept or reject any or all proposals received in response to this RFP, negotiate with more than one proposer concurrently, or to cancel all or part of this RFP.

2.6 Joint Offers

Joint proposals are not acceptable. Multiple firms may submit together as long as the structure is such that one firm acts as a prime and others act as subcontractors. In this case, LACCD will execute a contract with the firm acting as the prime contractor. The District may designate a lead within the selected firm(s).

2.7 Proposed Contract

The Sample Form Agreement presented in EXHIBIT F (Professional Services Agreement) of this RFP is the agreement proposed for execution with the successful proposer. It may be modified to incorporate other pertinent terms and conditions set forth in this RFP, including those added by addendum, and to reflect the proposer's offer or the outcome of contract negotiations, if any, conducted with the proposer. Exceptions to the terms and conditions of the Sample Form Agreement, or the proposer's inability to comply with any of its provisions of the Sample Form Agreement, must be declared in the proposal, as provided in the following Section

2.8, Exceptions and Deviations.

2.8 Exceptions/Deviations

Any exceptions to, deviations from, or inability to comply with the requirements set forth in this RFP, or the terms and conditions contained in the Sample Form Agreement, must be declared in writing in EXHIBIT E within the proposal; failure to do so will prevent proposer from asserting its inability to comply with the terms or conditions later on. Such exceptions or deviations must be segregated as a separate element of the proposal under Exhibit E- "Exceptions and Deviations to Sample Form Agreement." The District will make a good faith effort to consider contractual issues identified by vendors and LACCD requires all proposing vendors to similarly make a good faith effort to comply with the District's sample agreement terms and conditions.

Proposals that mandate the use of vendor standard services contract, rather than utilizing the District's standard services contract will result in that firm's proposal being judged non-responsive and these proposals will be rejected. Proposals that reject the following integral provisions of the District's contract terms and conditions will be treated as a rejection of the District's contract and these proposals will be rejected.

Section 7 – Term of Agreement

Section 18 – Governing Law

Section 19 – Non-Discrimination

Section 22 – Board Authorization

Section 27 – Requirements for Federally-Funded Contracts

The proposer's attention is directed particularly to Section 15 in the Sample Form Agreement, which specifies the minimum insurance requirements that must be met by the successful proposer(s). The proposer's inability or unwillingness to meet these requirements as a condition of award must be stated as an exception in the proposal.

2.9 Exemption from Disclosure.

Proposals will remain confidential in their entirety until the evaluation and analysis process is complete and a recommendation of an award has been submitted to the Los Angeles Community College District, except for information declared at the proposal opening date. All proposals submitted will become the property of the Los Angeles Community College District. The preparer must identify, in writing, all copyrighted material, trade secrets, or other proprietary information that the preparer claims are exempt from disclosure under the Public Records Act (California Government Code Section 6250 et seq.). Any firm claiming such an exemption must also state in the

proposal that “the proposer agrees to indemnify and hold harmless the Los Angeles Community College District, its Board of Trustees, and its officers, employees and agents, from any claims, liability, or damages against, and to defend any action brought against above said entities for their refusal to disclose such material, trade secrets, or other proprietary information by any party.” Failure of a proposal to include such a statement will be deemed a waiver of any exemption from disclosure under the Public Records Act. A blanket statement that all contents of the proposal are confidential or proprietary will not be honored by the District.

2.10 Protests

Any proposer that has provided a sealed proposal or proposal to the District may protest the solicitation or award of a contract for violations of LACCD’s procurement policies or of laws and regulations governing LACCD's procurement activities, provided the proposer has complied with PP-04-09, Bid Protest and Appeals. <http://www.laccd.edu/Departments/BusinessServices/Contract-Services/Documents/04-09-bid-protest-and-appeal.pdf>. The Annual Adjustment proposal threshold for 2021 is \$96,700.

In order to be considered, all protests must be in writing and filed with and received by LACCD, not more than five (5) business days following the date of issuance of the District’s Notice of Intent to Award with the contact below. The protest letter must state the basis for the protest and the remedy sought. Protests received by LACCD after this date will be returned to the sender.

**Director of Business Services
Los Angeles Community College District
770 Wilshire Blvd, 6th Floor
Los Angeles, CA 90017**

Failure to timely file the proposal protest shall constitute grounds for the District to deny the proposal protest without further consideration of the grounds stated therein.

4. PROPOSAL EVALUATION AND CONTRACT AWARD

All proposals received in accordance with these RFP instructions will be evaluated to determine if they are complete and meet the requirements specified in this RFP. An award will be made to the Proposer whose offer is judged to be the most advantageous to the District. The District expressly reserves the right to reject all proposals and make no award under this RFP.

4.1 Evaluation Procedures

An Evaluation Panel consisting of LACCD staff and/or outside associates will review, analyze, and evaluate all proposals received. The Evaluation Panel will rate the proposals and conduct reference checks of the top firms. The firms will receive a score based on the Evaluation Criteria for Proposals as noted below. The Proposal Score Received will determine which firm(s) will become part of a bench of service providers.

At the approval of the evaluation panel, a recommendation for award(s) will be made to one or more successful proposers and the proposed contract(s) with the selected firm(s) will be submitted to LACCD's Board of Trustees for approval. The contract(s) will be executed and notice(s) to proceed will be issued after Board approval.

LACCD reserves the right to reject any or all proposals, to waive any irregularities or informalities in the offers received and to change the evaluation process described above if circumstances dictate this or it is otherwise in the best interests of LACCD to do such. In the event a proposal(s) is rejected, or in the event a proposer's offer is not rejected but does not result in a contract award, LACCD shall not be liable for any costs incurred by the proposer in connection with the preparation and submittal of the proposal.

The District will conduct interviews of the three (3) highest ranked firms after initial review and scoring of the written proposal. The firm receiving the highest score of their written proposal and interviews will be selected for final recommendation for contract negotiations and award.

LACCD reserves the right to reject any or all proposals, to waive any irregularities or informalities in the offers received and to change the evaluation process described above if circumstances dictate this or it is otherwise in the best interests of LACCD to do such. In the event a proposal(s) is rejected, or in the event a proposer's offer is not rejected but does not result in a contract award, LACCD shall not be liable for any costs incurred by the proposer in connection with the preparation and submittal of the proposal.

After evaluation and scoring are complete the District will either (a) immediately accept the Proposal submitted by the highest-ranked Proposer or (b) conduct negotiations for the purpose of establishing agreed terms relative to pricing, staffing, and scope of services that are fair and reasonable to the District (“Negotiations”).

As part of the Negotiations, the District may, but assumes no obligation to, engage in give and take in regard to the terms of a Proposer’s Proposals, including, without limitation, staffing, personnel, price, hourly rates, or scope of services. The basis of this give and take will be from the terms of the RFP document and the Standard Form Agreements (Exhibit F). Participation by the vendor in any phase of this RFP does not, in any way, implicitly or explicitly suggest that the District agrees to any or all of the proposer’s Exceptions and Deviations as listed in the Proposer’s response. After the scores are compiled, the District will review the proposer’s response for exceptions and deviations and attempt to make good faith efforts to accommodate requests by the proposer. In no event, shall the District be under any obligation to vary from the terms of the RFP Document as delineated in Section V. F: Exceptions / Deviations.

The District will first attempt to negotiate an agreement with the highest-ranked Proposer. If the District is unable to do so, the District will formally terminate Negotiations with that Proposer and undertake Negotiations with the next highest-ranked Proposer, continuing that

process until an agreement is reached. In the event the District is unable to reach an agreement with any of the Proposers that had participated in any interviews (if applicable), the District shall then have the option, in the exercise of its sole and absolute discretion, of repeating the interviews in the manner herein provided for all of those Proposers who were not invited.

4.3 Contract Award

It is the intent of the District to award a contract or contracts as the result of this RFP to the highest ranked proposer(s). This may lead to one vendor being awarded a single contract or multiple vendors awarded at the LACCD's discretion. However, the District reserves the right to apportion the requirements of this RFP among multiple contractors or to apportion all the services described in this RFP to a single vendor if this is determined to be in its best interests. The District reserves the sole right to make this determination. Any contract issued to a successful proposer is subject to authorization by the District Board of Trustees.
