Please come prepared to discuss the following regarding your Student Equity Planning:

1. What gaps have you identified?
2. What services are already on your campus that address those gaps?
3. What kinds of programs and services do you NOT have on your campus, but you plan to create in order to address those gaps?
4. What resources (HR, budget, facilities, etc.) do you have to help you address these gaps?
5. What are some of the biggest challenges that you face with regard to these efforts?
