

LACCD Noncredit Course Request Form

Instructions:

- **NEW** courses must be posted for 20 days before Board approval.
- **ADDITIONS** of existing District courses can be scheduled directly for Board approval.

Start Date:

All noncredit courses (new or additions) are entered in Protocol with a placeholder start date (1-1-2199). They cannot be offered at the college until they receive approval from the State via the CIV2 course approval system. Upon state approval, the college must notify the ESC to have the start date changed to the State approval date.

Select one: **New Course** or **Addition of Existing Course**
