<b>REPLACES:</b> HR Guide dated December 17, 2020		<b>CHANGES:</b> Addition of CDC Student Workers information

## I. POLICY

It is the policy of the District to assist students educationally and financially, in the pursuit of their education, by offering valuable work assignments in a variety of areas to help them defray the cost of their education and to provide general work experience in preparation for future employment.

## II. DEFINITIONS

- **Academic Probation** occurs when the student has attempted a minimum of 12 semester units of work and has a grade point average of less than a "C"(2.0).
- **Minor** means any person under the age of 18 years who is required to attend school under Chapter 2 (commencing with Section 48200) and Chapter 3 (commencing with Section 48400) of Part 27 of the Education Code and any person under the age of six years. A person under the age of 18 years who is not required to attend school under Chapter 2(commencing with Section 48200) and Chapter 3 (commencing with Section 48400) of Part 27 of the Education Code solely because that person is a nonresident of California shall still be considered a minor.
- **Non-Immigrant Student** is a person admitted temporarily into the United States to pursue full-time academic or vocational studies by the United States Citizenship and Immigration Services on either an M-1 or F-1 Visa.
- **Progress Probation** occurs when the student has enrolled in the Los Angeles Community College District in a total of at least 12 semester units and the percentage of all units in which a student has enrolled for which entries of "W" (Withdrawal), "I" (Incomplete), and "NC" (No Credit) are recorded reaches or exceeds fiftypercent.
- **Student Employees** are full-time LACCD students employed part-time or part-time students employed part-time in college work study programs or in work experience education programs (Education Code § 88076(b) (3) and (4).
- **Workday or Day** means the period between the time on any particular day when an employee commences work activity and the time when the employee ceases work activity. The workday may be longer than scheduled work hours.
- **Workweek or Week** means any seven consecutive days, starting with the same calendar day each week. "Workweek" is a fixed and regularly recurring period of 168 hours, seven consecutive 24-hour periods. For purposes of computing maximum hours per week, the workweek begins on Monday.

**III. REQUIREMENTS**

- A. Student employees are unclassified, at-will employees; therefore, either the student employee or LACCD is free to end employment at any time.
- B. LACCD Student Employee Classifications with hourly rates effective July 1, 2019 are shown below in Table R-320A. It provides a quick reference for identifying LACCD student employee job classifications.

**C. Recruitment and Selection**

Hiring locations are responsible for recruiting student employees according to applicable LACCD policy and procedures and program funding requirements.

**D. Enrollment Requirements**

1. Enrollment requirements apply to the regular academic term at the student’s primary institution of enrollment.
2. For intercession employment of continuing student employees, full-time status during the preceding semester qualifies.
3. Hiring locations are responsible for verifying and monitoring that student employees meet the enrollment requirements throughout the assignment period as specified in Board Rule 101910, including concurrent enrollment and good standing, for each assignment and assignment extension submitted for processing.
  - a. To verify LACCD enrollment location will validate student enrollment status in the District’s computer system.
  - b. At least once during the term, and after the census date, the hiring location will verify eligibility with a sample of student workers to determine if they meet enrollment requirements of employment.
  - c. The campus Personnel Office will notify the department if it is found that any student is ineligible.

4. Board Rule 101915 requires that all student employees must be in good academic standing and must continue to make satisfactory progress towards obtaining a degree or certificate. Consequently, assignments for students on academic probation, progress probation, or those who fail to maintain the enrollment eligibility requirements to be a student employee will be terminated.

#### E. Work Hours, Holidays, Illness Pay and Overtime

1. **Work Hours:** Student employees may work a maximum of twenty-five (25) hours per week (.625 FTE) and may not exceed a maximum of nine-hundred and ninety-nine (999) hours per fiscal year.
  - a. A student can work a cumulative maximum of 5 years for all Student Employee positions.
  - b. Definition of a year of service:
    - 1) If a student employee works more than 250 hours in a fiscal year, that year will count as a year of service.
    - 2) If a student employee works less than 250 hours in a fiscal year, that year will not count as a year of service; however, if a student employee works less than 250 hours per semester for 3 consecutive semesters the employee will be credited a year of service.
2. **Overtime:** Student employees cannot work overtime.
3. **Holidays:** Student employee positions are not eligible for holiday pay. 4. **Illness Pay:** According to the Healthy Workplace Healthy Family Act of 2014, a student employee who, on or after July 1, 2015, works in California for 30 or more days within a year from the beginning of employment, is entitled to paid sick leave.
