

To All Los Angeles Community College District Employees:

We're pleased to announce **effective July 1, 2014**, the Employee Assistance Program (EAP) will be moving to MHN from Aetna Resources for Living. Outlined below for your review is some important transition information.

EAP

If you are currently receiving sessions please check with your provider to confirm if they are in the MHN network. If they are not they need to contact MHN¹. MHN will work with your provider but it does take time, so talk to your provider soon. The Aetna authorizations for EAP services received prior to July 1, 2014 will be valid until all sessions authorized have exhausted. You must contact MHN on July 1, 2014 to obtain any new authorization for EAP sessions.

The Bottom Line:

Effective July 1, 2014, help from MHN is just a call or click away – 24 hours a day, seven days a week.

MHN toll free number: (800) 227-1060

(NOTE: Services will be available on 7/1/2014)
