ONLINE FALL ENROLLMENT FAIRS PLANNED WEDNESDAY, AUGUST 12, 2020
Fall 2020 Semester Begins August 31, Open Enrollment in Full Swing

LOS ANGELES—Special online open enrollment fairs hosted by the nine colleges of the Los Angeles Community College District (LACCD) will be held 10 a.m. to noon, Wednesday, Aug. 12, 2020. See list below for online links per college.

If you're planning to go to college this fall, do yourself—and your budget—a huge favor by enrolling at the affordable *Colleges of Los Angeles* with flexible class schedules and guaranteed admission. All applicants are welcome!

Qualifying first-time, full-time students can also receive two years of free tuition, plus a free Chromebook, as part of the many benefits of the District's L.A. College Promise Program. Read the L.A. College Promise Program's digital Welcome Kit by clicking [here](#). Additional information is on the program's special [website](#). Promise Program [contacts](#) per college are listed too.

[Open Enrollment](#) for the Fall 2020 Semester continues until August 31, 2020 when the semester begins. New applicants can go to either <http://lacolleges.net/> or <http://www.lacollegepromise.org/> for application and registration information. Existing students within the LACCD system can enroll in classes via the student portal, Mycollege.laccd.edu, with their student email and password. Current LACCD students who needs help accessing the student portal can contact the Portal Help Desk, 8:30 a.m. to 4:30 p.m., Monday through Friday, at (844) 695-2223 or email, studenthelp@laccd.edu. The Help Desk is for portal access issues only, not enrollment. Use the links below for enrollment help tomorrow!

Just like nearly all colleges and universities, LACCD's Fall Semester will be primarily conducted in a remote learning environment online due to the ongoing COVID-19 public health emergency. However, many classes that support careers and education for the state's essential services workforce infrastructure—such as healthcare, construction/utility and mechanical—will have limited on-campus instruction to complete fall term classes. Those limited on-campus classes are now listed in the Fall enrollment catalog. Enrollment Registration links per college are:
