PREAMBLE

The Los Angeles Community College District Board of Trustees, together with its administrative staff and representatives (hereafter referred to as “District”) and the Supervisory Employees’ Union, Local 347, together with its officers and representatives (hereafter referred to as the “Union”) hereby enter into this Agreement in a spirit of mutual commitment to enhance welfare, excellence, and prestige of the Los Angeles Community College District, and join in dedication to the students and community we are pledged to serve.

The District and the Union shall strive to promote a collegial and non-hostile work place for all district employees.

Further, the District and the Union agree not to discriminate against any employee on the basis of race, color, creed, national origin, religion, sex, age, sexual orientation, political beliefs, political activities, political affiliations, marital status, or disability as defined by the Americans with Disabilities Act. The District and the Union agree to comply with all federal and state laws regarding non-discrimination.

Employee concerns regarding discrimination, retaliation, and hostile work place should be brought to the attention of the appropriate Vice President or compliance officer for investigation and remediation, which could include the use of a mediator.

Reprisals of any nature shall not be taken against employees for exercise of their union rights.

ARTICLE 1 RECOGNITION

The District recognizes that the Union was certified by the Public Employment Relations Board (PERB) as the exclusive representative of regular full-time and regular part-time classified employees of the District who are assigned to classifications in the Supervisory Unit, as enumerated and listed in Appendix A and modification thereto in accordance with PERB Regulations.

- A. The Articles and Provisions contained herein constitute a bilateral and binding Agreement by and between the District and the Union.
- B. This Agreement is entered into pursuant to Chapter 10.7, Sections 3540-3549 of the Government Code.

- C. The Provisions of the Agreement shall be effective on the date it is approved and executed by the parties except as specifically provided otherwise in this Agreement and shall continue in full force and effect until June 30, 2008.

- B. It is further understood and agreed that all rights heretofore exercised by, or inherent in the District, not expressly contracted away by the terms of this Agreement, are retained solely by the District; and that should the District fail to exercise any of said rights or exercise them in a particular manner, it shall not be deemed to have waived such rights or be precluded thereafter from exercising them in some way or manner.

1. The normal week shall consist of not more than five (5) consecutive days and not more than forty (40) hours per week, Sunday through Saturday. The regular workday shall consist of not more than eight (8) hours per day. Nothing in this Article shall be deemed to restrict the extension of the regular workweek on an overtime basis when such is necessary to carry on the business of the District.
2. Nothing in this Article shall be deemed to bar the District from establishing a workweek of less than forty (40) hours, or preclude District from establishing a four-day week for any or all employees.
3. Employees' daily hours of work and shift shall be established at the discretion of the District to meet the operational needs of the District.
4. For the purpose of computing hours worked, time during which an employee is excused from work because of holiday, vacation, or paid absences, shall be considered as time worked by the employee.
5. Nothing contained in this Article shall be construed as a guarantee by the District of a certain number of paid hours per day, or days per week, or weeks per year.
6. The District shall make every reasonable effort to provide employees with advance notice of scheduled overtime. Where such advance notice is not possible or feasible, the District shall make reasonable efforts to consider employees' schedule problems.
7. An employee's shift may not be changed permanently unless he/she is given twenty (20) working days advance written notice, unless unforeseen circumstances prevent such notice. A permanent shift change is a change which will continue beyond twenty (20) working days.

B. Overtime

1. Overtime shall be compensated as either cash payment or compensatory time off at a rate equal to time and one-half the regular rate of the employee who worked overtime. If compensatory time off is granted in lieu of cash payment, such compensatory time off shall be taken by the employee before the end of the fiscal year in which the overtime was worked.

2. Employees assigned a workday of seven (7) hours or more and a workweek of thirty-five (35) hours or more shall receive compensation at a rate equal to one and one-half (1 ½) times the regular rate of pay, or compensatory time off, for work authorized and performed in excess of eight (8) hours in one day and in excess of forty (40) hours in any workweek.
3. Employees assigned an average workday of four (4) hours or more but less than seven (7) hours and a workweek of twenty (20) hours or more but less than thirty-five (35) hours shall be compensated at a rate equal to one and one-half (1 ½) times the regular rate of pay, or shall be provided compensatory time off, for any work authorized and required to be performed on the sixth (6th) and seventh (7th) days following the commencement of the regular workweek, or for hours worked in excess of eight (8) hours in one day or hours worked in excess of forty (40) hours in a calendar week.
4. Employees assigned an average workday of less than four (4) hours shall be compensated at a rate equal to one and one-half (1 ½) times the regular rate of pay, or shall be provided compensatory time off, for any work authorized and required on the seventh (7th) day following the commencement of the regular workweek, or for hours in excess of eight (8) hours in one day or hours worked in excess of forty (40) hours in a calendar week.
5. When an employee is authorized and required to work on any day recognized as a holiday under this Agreement, he/she shall be compensated, in addition to regular pay received for the holiday, at the rate of one and one-half (1 ½) times the regular rate of pay for actual hours worked.
6. Nothing in this section shall be deemed to bar the District from requiring the employee to work overtime.
7. Call Back: Full-time employees who are called back to work, after leaving the work site, outside their regular work hours, shall be guaranteed a minimum of four (4) hours pay at the appropriate overtime rate.

C. Lunch Break and Rest Periods

1. Lunch Break. All employees covered by the Agreement who work for four (4) hours a day or more shall be provided an uninterrupted daily unpaid thirty (30) minute or one (1) hour lunch break to be scheduled at approximately the halfway point on their work schedule whenever feasible. Unless the employee is relieved of all duty during the specified lunch break, such break shall be considered an “on duty” meal period and counted as time worked. An “on duty” meal period shall be permitted only when the nature of the work prevents an employee from being relieved of all duty.
2. Rest Periods. All employees who work four (4) hours or more but less than seven (7) hours a day, shall be granted a fifteen (15) minute rest period. All employees who work seven (7) hours or more a day shall be granted two (2) daily fifteen (15) minute rest

periods. Such rest periods shall not be taken during the first or last hour of the assignment. The rest periods shall not be used to lengthen the lunch break or to shorten the workday.

ARTICLE 8 LEAVES AND ABSENCES

A. General Provisions

1. Leave and Absence Defined. Probationary and permanent employees shall be eligible for certain paid and unpaid leaves. A leave is an authorized absence from active service granted to probationary or permanent employees, for a specified purpose and period of time, with the right to return to active service, unless the employee's service would otherwise have been terminated. Leaves are either "permissive" or "mandatory". As to permissive leaves, the term "may" is used and the District retains discretion as to whether they are to be granted, and as to the starting and ending dates of the leave. As to mandatory leaves, the term "shall" is used and the District has no discretion as to whether the leave is to be granted to a qualified employee.
2. Rights Upon Return. An employee returning from a leave of one hundred twenty (120) days or less will be returned to the location from which the leave was taken, except that the employee may be transferred, if such transfer would have been made if the employee had been on duty, or if the employee's former position in the class no longer exists, in which case the employee may exercise bumping rights in the class, provided that he/she does not have the least seniority in that class.
3. Restrictions. An unpaid leave or absence may not be converted to a paid leave or absence, except in the case of pregnancy disability as provided in Section I of this Article. A continuous period of absence or leave shall not exceed one (1) year without a return to active duty, except provided in Section K, Miscellaneous Leave; Section H, Industrial Accident Leave; Section L, Peace Corps, Red Cross, or Merchant Marine Leave; Section J, Military Leave, and Section G, Illness Leave, of this Article.
4. Applications. Applications for permissive leaves of absence must be submitted on or before the dates established by this Article or if not indicated at least ten (10) working days in advance of the commencing of the leave. Exceptions may be made at the sole discretion of the District. Applications for leaves of absence for a period of more than twenty (20) consecutive working days shall be made on a prescribed District form and shall indicate the beginning and ending dates of the requested leave and the reasons for the request.
5. Notification Requirements.
 - a. Unless otherwise provided in this Article, an employee must make every reasonable effort to contact and notify the appropriate supervisor, administrator or

designee the working day prior to the beginning of an absence, but notification shall not be later than the first half hour of the first day of absence except in unusual circumstances. Notwithstanding other provisions of this Article, an employee intending to be absent in excess of five (5) working days must also submit a written notification covering the period of absence to the appropriate supervisor no later than the third (3) day of absence.

- b. All employees returning to service must notify the appropriate supervisor, administrator or designee at least one (1) working day prior to the day of anticipated return. If such notice is not given and both the employee and a substitute report for duty, only the substitute is entitled to work and to be paid for that day.
6. Cancellation or Early Return from Leave. A request by an employee for cancellation of or early return from a leave once commenced or for cancellation of a request for a leave shall be granted unless an employee other than a substitute has been assigned. Exceptions may be made at the sole discretion of the District.
 7. Expiration of Leave. Except as otherwise provided in this Article, twenty (20) days before the expiration of a leave for one hundred twenty (120) days or more, or five (5) days before expiration of a leave for twenty (20) days but less than one hundred twenty (120) days, the employee should make every effort to notify the Personnel Office of his/her intention to return, or request an extension of leave, if eligible. Unless such notice is given or if notice is given and the employee's request is denied, failure to return to work upon expiration of the leave may be considered resignation from service.
 8. Leave of absence may be revoked by the District when the good of the service may require it or when evidence shows that the absent employee is engaged in activities for which leave would not have been granted in the original instance.

Restrictions. Notwithstanding provisions to the contrary cited below, the length of any leave described herein shall not exceed the length of time an employee has been in regular, active, consecutive service with the District, with the exception of Military Leave.

9. Health Examination.
 - a. If an employee is absent from duty because of illness or injury for more than five (5) consecutive days, the employee must, before returning to duty, submit a written medical clearance and verification of illness or injury from his/her own attending physician. Said verification and clearance must be submitted to his/her immediate supervisor (administrator) immediately upon return to service. Nothing in this Article shall be construed to limit management from requiring employees to obtain such medical clearance at any time the District deems necessary.

- b. An employee shall be required to report for a health examination to the District's Employee Health Service when, in the judgment of his/her supervisor, the apparent health condition of the employee warrants it. If the report of the physician shows that an employee in service or returning to service is not medically qualified to perform his/her duties, the employee may be required to take sufficient leave to rehabilitate himself/herself. Written notice of non-approval and the reason therefore shall be provided to the employee together with information concerning the employee's right to appeal to the Office of Employee-Employer Relations for an Administrative Review.

B. Casual Absence/Annual Physical

1. Division heads, college presidents, or their designated representatives may grant to employees permission to be absent without loss of salary parts of a day not exceeding one-half (1/2) day when good reason for such absence exists, provided that this power shall not be construed to mean a right to reduce the established number of working hours per month of the employee; and provided further that in no case shall the work of the department be materially retarded by the granting of such absence.
2. Subject to the conditions of Paragraph 1., division heads, college presidents, or their designated representatives shall grant employees permission to be absent without loss of salary for not more than one full day for the purpose of obtaining a comprehensive annual physical examination not more than once per year provided that the results of such examination are submitted to the Employee Health Service on a designated form.
3. It is not the intention of the Union or the District that casual absence be denied on a blanket basis by a unit supervisor.

C. Assault and Battery Leave

1. Definition. An Assault and Battery Leave is a type of industrial accident leave; it is granted for absences because of an injury from an assault and/or battery that was directly related to the performance of duties but is considered to be above and beyond the normal risks expected by an employee of the District. The determination of whether or not the absence is due to an assault or battery is the responsibility of the Division of Human Resources.
2. Length of Leave. Paid leave shall be granted from the first day of absence resulting from assault and/or battery, but paid leave shall not exceed one (1) calendar year.
3. Extension of Leave. If unable to return at the end of a calendar year, an employee may be placed on some other type of paid or unpaid leave for which he/she meets eligibility requirements.
4. Compensation. When an employee is absent because of such assault and/or battery, the employee will be paid his/her salary (for the assignment in which serving when injured)

for a maximum of one calendar year. Except for the one (1) year provision, compensation is paid under the same provisions as apply to other industrial accidents.

5. Report to Law Enforcement Agency. It is the duty of any employee who is attacked, assaulted, or menaced by any person and the duty of any person under whose direction or supervision such employee is employed who has knowledge of such incident, to promptly report the incident to the appropriate law enforcement authorities of the County or City in which the incident occurred.

D. Bereavement Leave

1. Employees shall be entitled to fully paid Bereavement Leave of three (3) days or five (5) days, if out-of-state travel or more than 200 miles of travel, one-way is required on account of death in the immediate family. Immediate family is defined as husband, wife, mother, father, sister, brother, son, daughter, mother-in-law, father-in-law, grandfather, grandmother, son-in-law, daughter-in-law, grandchild, brother-in-law, sister-in-law, any relative living in the immediate household of the employee, friend living in the same domicile, any other person closely related by blood or marriage who acted as a foster parent to the employee during childhood, or foster children other than wards of the court for which payment is received.
2. Bereavement Leave not to exceed three (3) working days may be granted in case of death of aunt, uncle, first cousin, or close friend. Bereavement Leave allowed under the provisions of this paragraph requires approval by the appropriate administrator who shall determine the amount of leave of absence with pay to be granted.
3. In order to receive payment for Bereavement Leave, the employee shall, upon request, provide documented verification of death. The District has the right to investigate where there is doubt as to the relationship.
4. Bereavement Leave must commence and end within ten (10) calendar days after the demise or after the date the employee is notified of the date of the funeral.
5. A permanent employee may interrupt or terminate a vacation period in order to take Bereavement Leave.
6. The employee shall, to the extent practicable, give his/her immediate supervisor prior notice of his/her intent to take Bereavement Leave.

E. Court Subpoena Absence

1. An employee covered by this agreement other than a litigant in the case, who is necessarily absent because of his/her appearance in response to a subpoena shall have no deductions made from his/her salary on account of such absence. Witness fees shall be collected by the employee and remitted to the District.

2. An employee whose regular assignment is to other than the day shift will be reassigned to the day shift on each day that such court subpoena absence occurs. Subject to the possibility of making reasonable travel arrangements, the employee shall be required to report for work during the balance of his/her assigned workday or week, when his/her presence is not required pursuant to said subpoena.

F. Family Illness Leave

1. Definition. A family illness leave is one granted to an employee who is needed at home because of the illness of any person related by blood or marriage or whose domestic relations are close or who is a close friend and lives in the same domicile. This is a mandatory leave. If an employee is eligible, the medical benefits described in Article 8, Section R, Family and Medical Leave, shall be applied concurrently.
2. Requirements. Employee must have permanent status in the District on the effective date of the leave. Employee must provide written medical verification of the need for the leave.
3. Length of Leave. Leave shall not be granted for more than one (1) year at a time for a maximum of two (2) years.
4. Compensation. No salary will be paid by the District for the period of the leave.
5. Effects on Benefits. No credit is allowed for any benefits for time spent on family illness leave. Employee may pay his/her own premiums for medical/hospital, dental and group life insurance.

G. Illness Leave

1. Definition. Illness is defined as any pronounced deviation from a normal healthy state which makes it disadvantageous to the District and/or detrimental to the employee for him/her to be at work. This definition shall include emergency medical, dental, optical, and prosthetic work.
2. Requirements. A new employee must render service before being entitled to illness leave.
3. Compensation. An employee who is absent from duty on account of illness, injury, or quarantine shall be allowed illness leave pay under the following conditions:
 - a. Each employee who receives an initial regular appointment will be credited as of the date of his/her appointment with twelve (12) working days of full-pay illness leave and 88 days of half-pay illness leave for employees assigned to a twelve (12) month position and ten (10) working days of full-pay illness leave and 90 half-pay days of illness-leave for all employees assigned to other than a twelve (12) month position.

- b. An employee serving an initial probationary period shall not be eligible to be paid for more than five (5) days of full-pay illness leave until the first day of the pay period after completion of 130 days of paid service in regular assignments. Half-pay illness leave shall not be paid during this time.
 - c. Thereafter, he/she will be credited annually with twelve (12) working days of full-pay illness leave and up to 88 working days of half-pay illness leave if he/she is assigned to a twelve (12) month position, or ten (10) working days of full-pay illness leave and up to 90 working days of half-pay illness leave if he/she is assigned to other than a twelve (12) month position, as of the first date of the pay period in which July 1 falls.
 - d. There shall be no limit to the year-to-year accumulation of unused full-pay illness leave privileges, and the balance shall appear on the pay warrant stub each pay period when current stock is depleted.
4. No half-pay illness leave shall be allowed until after all full-pay illness leave is exhausted.
 5. The number of working days of half-pay illness leave to be credited is the difference between accumulated working days of full-pay illness leave and 100 days, provided that the accumulated working days of full-pay illness leave are less than 100 days.
 6. A day of paid illness leave for an employee assigned to a position for less than eight (8) hours a day or forty (40) hours a week shall consist of the number of hours in his/her basic daily assignment as determined by the District. Authorization to work additional hours beyond the basic daily assignment shall not increase illness leave benefits.
 7. No paid illness leave shall be allowed during layoff or leave of absence, except illness leave of absence.
 8. Employees who are absent because of illness or injury resulting from industrial accidents or industrial illness qualifying under provisions of Workers' Compensation shall be allowed illness leave as provided in Section G., Industrial Accident Leave. Employees who have not completed their initial probationary period and are absent because of industrial accident shall receive whatever paid illness benefits as may be provided by other sections of this Article, within the limitations set forth in Section H., Industrial Accident Leave.
 9. Salary differentials shall be included in computing illness pay for employees who receive such salary differentials.
 10. When a regular employee, whose regular assignment is on other than a twelve (12) month assignment basis code, is assigned during the summer as a relief, substitute, or provisional employee, the employee shall be allowed to take illness leave with pay during such summer assignment(s) in accordance with the limitations set forth in the previous paragraphs of this Article.

Nothing in this paragraph shall be interpreted to permit such employees to receive illness leave in excess of the limit established in the preceding paragraphs of this Article.

11. An employee who is absent on account of illness or injury shall sign, on the prescribed form, a statement that such absence was due to illness or injury. Compensation for illness leave shall be paid only when the employee's supervisor certifies on the prescribed form that such absence was on account of illness or injury. Such official may take steps necessary to verify the validity of the illness leave. Upon obtaining such verification, he/she shall complete the required certification.

If the employee is absent because of illness or injury for more than five (5) consecutive days, the employee must submit a certificate from a licensed physician or other recognized practitioner certifying such absence to have been on account of illness or injury. Nothing in this paragraph shall be construed to limit management from requiring such certification for less than five (5) days, when it appears to management that the employee is attempting to abuse the illness leave privilege.

In any case when an employee is incapacitated and unable to sign the prescribed form, the Division of Human Resources may approve an Illness Leave without the employee's signature.

12. In order to receive compensation while absent on illness leave, the employee must notify his/her immediate supervisor of his/her absence within the first half-hour of each day's absence, if possible. Further, he/she must submit the appropriate illness leave form(s) and physician's certification, if required, upon return to service.

When an employee intends to be or is absent because of illness or injury for more than twenty (20) consecutive days, a formal Leave of Absence, subject to the approval of the Division of Human Resources, is required. The employee's college or division shall send application for such leave of absence to an employee who has been absent because of illness or injury for ten (10) consecutive days. Salary payments shall be withheld from an employee who has been absent because of illness or injury for more than twenty (20) consecutive days if formal Leave of Absence has not been approved by the Division of Human Resources.

13. If an employee has been absent on illness leave, he/she shall notify his/her supervisor at least one (1) day in advance of his/her expected return in order that any substitute service may be terminated. In case of failure to comply with this provision, if it happens that both the regular employee and the substitute report for duty, the latter is entitled to the assignment for the day. An employee returning to duty shall also be subject to the provisions of Section A.9.
14. There shall not be a lump-sum payment for any unused accumulated illness allowance upon separation from service.

15. An employee shall not be allowed to undertake any gainful employment during any part of a day that the employee has claimed absence due to illness or injury. This restriction shall apply to all hours of a twenty-four hour day, irrespective of the employee's assigned working hours. The employee shall certify on the certification of illness or injury form that he/she was not gainfully employed during the period of illness or injury absence.

Notwithstanding the foregoing, the District recognizes that in certain unusual circumstances, an employee may be allowed to undertake gainful employment while on illness or injury absence from the District. However, employees who wish to engage in such employment during illness absence must first receive written approval from his/her immediate supervisor on each occasion of illness absence.

16. Fractions of hours shall not be reported for the purpose of this Article.
17. When a permanent employee has exhausted his/her full-pay illness credit, he/she shall, at his/her request, be allowed vacation pay in lieu of half-pay illness. In order to effect such a change, the employee shall notify his/her time-report office of the dates to be paid as vacation. The beginning date shall not be earlier than the date of which the request is made, and the number of days to be paid as vacation shall not exceed the employee's vacation balance. Upon completion of payment for the designated vacation period, the employee may again be paid for illness leave.
18. A permanent employee who has exhausted all paid illness leave privileges, vacation, and other available paid leaves may, upon the recommendations of the Division of Human Resources and the employee's division head or college president, be granted additional unpaid illness leave for a period not to exceed six (6) months. The leave may be renewed for two (2) additional six-month periods.
The total of all paid and unpaid leave allowed starting with the initial six-month leave period shall not exceed eighteen (18) months.
 - a. Unless notified to the contrary within thirty (30) days, the employee may properly assume the leave has been granted.
 - b. Denial of the requested leave for medical reasons may be a basis for appeal for an Administrative Review by the Office of Employer-Employee Relations.
19. Upon return to service from such leave, an employee shall be restored to a position in his/her former class and, if possible, to his/her former position in the class. If no vacancy exists in his/her former class, he/she shall have the right to return to a regular position in the class provided that he/she does not have the least seniority in that class. If an employee's former class has ceased to exist, the employee may be reassigned or shall be placed on the reemployment lists for the classes in which he/she had attained regular status.
20. When all paid or unpaid leaves of absence have been exhausted, an employee who is unable to assume the duties of his/her position shall be placed on a reemployment list for

a period of thirty-nine (39) months as if he/she were being laid off. An employee on a reemployment list shall have the same rights and benefits as an employee laid off for lack of work or lack of funds.

21. Attendance Incentive Program. Upon approved application at the close of the fiscal year, if an employee has not been absent for that fiscal year, he/she shall be granted a \$150.00 award to be paid at the end of the second monthly pay period in the next fiscal year. Absences for this purpose do not include holidays and scheduled vacations.

For each pay period an employee has perfect attendance (no tardiness and no absence for any reason other than Jury Duty Leave, holidays and vacation scheduled in accordance with Article 12, Vacation, Section H of the Agreement), his/her vacation balance shall be credited with 0.30 days of vacation, to and annual maximum of four (4) additional days.

 - (2) Allowable leave shall not be accumulative from year to year.
 - c. Paid industrial accident leave shall be reduced by one (1) day for each day of authorized absence regardless of the temporary disability allowance made under workers' compensation. Days absent while on paid industrial accident leave shall not be deducted from the number of days of paid illness leave to which an employee may be entitled.

3. Illness Leave for Industrial Accident Purposes.

- a. If the District's employee health services determine that an employee is still unable to return to duty after exhausting paid industrial accident leave, the employee shall be placed on illness leave, provided he/she is eligible therefore.
- b. Accumulated illness leave will be reduced only in the amount necessary to provide a full day's wages or salary, as indicated in the employee's assignment when added to compensation without penalties from the workers' compensation fund. Accumulated half-pay illness leave shall be reduced by no more than eight hours for any one-day or no more than the employee's basic daily assignment.

4. Vacation Pay for Industrial Accident Purposes.

After all illness leave pay has been exhausted following a paid industrial accident leave, an employee may choose to receive pay from accrued vacation to the extent necessary to make up the employee's regular salary when receiving a temporary disability allowance without penalties from the workers' compensation fund.

5. Industrial Accident Leave Without Pay.

After the exhaustion of all accumulated paid leave privileges, an employee shall be eligible to be placed on an Industrial Accident Leave without pay, provided the employee submit satisfactory medical verification for such request. The total time of all leave benefits provided under this Article, including unpaid industrial accident leave, shall not exceed thirty-six (36) months for any one industrial accident or industrial illness.

6. Return to Service.

a. From Paid and/or Unpaid Leave.

- (1) Upon return to service within one hundred twenty (120) working days from any paid or unpaid leave resulting from an industrial accident or industrial illness, an employee shall be returned to the same position from which he was assigned at the time the leave was granted. If his/her former position no longer exists, the employee shall be assigned to a vacancy in his/her former class. If no vacancy exists in his/her class, he/she may displace the most recently appointed employee in the class with less seniority. If an employee's former class has ceased to exist, the employee may be reassigned or placed on a suitable reemployment list.
- (2) Upon return to service after one hundred twenty (120) working days from any paid or unpaid leave resulting from an industrial accident or industrial illness, an employee shall be assigned to a position in his/her former class ahead of any employee with a lesser amount of seniority. If no vacancy exists in his/her former class, he/she may displace the most recently appointed employee in the class with

less seniority. If an employee's former class has ceased to exist, the employee may be reassigned or placed on a suitable reemployment list.

Appropriate assignment is defined as an assignment to the employee's former class at the time of layoff, in his/her former status and time basis, and in assignment areas in which the employee has made himself/herself available.

8. Compensation.

a. While an employee is on any paid leave resulting from an industrial accident or industrial illness, the employee's salary paid by the Los Angeles Community College District shall not, when added to a normal temporary disability allowance award without penalties granted the employee under workers' compensation, exceed the employee's regular salary. A permanent employee's regular salary is computed on the basis of the number of hours and days in his/her basic daily assignment. An employee who receives a salary differential other than a shift differential shall lose the advantage of the differential after ten (10) consecutive days of paid industrial accident leave for any one accident or illness.

b. During all paid leaves resulting from an industrial accident or industrial illness, the District shall issue to the employee appropriate warrants for payment of wages, loss benefits, salary, and/or leave benefits and shall deduct normal retirement and other authorized contributions. Final allowance for permanent industrial disability settlements shall not be subject to remittance to the District under this Article.

2. Requirements.
 - a. Status. The employee must have permanent status in the District at the time the leave begins.

- b. Service. Leaves do not break time service continuity for Retraining and Study, but may reduce the days served in a year below the minimum requirement. Only service rendered subsequent to return from the most recent Retraining and Study Leave and subsequent to the most recent break in service is counted except that all time served between the two periods of a split Retraining and Study Leave counts for a subsequent Retraining and Study Leave.

Payment may be made to the employee in two (2) equal semi-annual installments in accordance with Education Code Section 88224, or may be made in the same manner as if the employee were performing service for the District, provided that the employee:

- 6. Return to Service. An employee must render paid service in the District after return from a Retraining and Study Leave which is equal to twice the period of the leave. Upon completion of leave of absence, the employee will be assigned, unless he/she otherwise

consents to the same unit or section to which assigned at the time the leave was granted, provided that no conditions have developed during the period of leave or at the time of return which would have changed the employee's location or duties had he/she remained in active service.

7. Failure to Complete Leave Objectives. Employees who do not complete the approved leave objectives shall reimburse the District for compensation paid for the period following discontinuance of leave-study program for failure to maintain adequate study standards.
8. Additional Assignments. Employees may, while on leave of absence, provided that there is no conflict in hours, continue existing multiple assignments or previously held outside employment. During any period of the leave in which the income from the new employment is greater than the Retraining and Study Leave pay for that month, the amount in excess of the leave pay will be deducted from the leave pay so that the total of new employment and leave pay does not exceed the regular pay of the employee including differentials for which the employee would have been eligible had he/she not been on leave.
9. Request Procedure. Request for Retraining and Study Leave cannot be received any earlier than April 1 of the year preceding the fiscal year in which the leave is taken. Applications must be received at least sixty (60) calendar days prior to the effective date of the leave. The report of the study must verify completion of the study as outlined and must be approved by the Retraining and Study Committee.

The Independent Study Report must be filed with the Division of Human Resources in person or by mail at the conclusion of the leave. If not filed prior to return to service, the report must be filed within the first two ensuing pay periods. Changes will be authorized only if in conformance with established criteria. 13. Policy on Incomplete Leaves

- a. Failure to Complete Requirements due to Injury or Illness. Interruption of the program of Retraining and Study Leave caused by serious injury or illness during said leave shall not be considered a failure to fulfill the conditions upon which such leave was granted, nor shall such interruption affect the amount of compensation to be paid such employee under the terms of the leave agreement, provided:
 - (1) Notification as soon as practicable of injury or illness during Retraining and Study Leave is given to the Vice Chancellor, Division of Human Resources, by means of certified letter, and

Changes made after the first pay period of the leave will result in the loss of Retraining and Study Leave privileges.
- b. Failure to Complete Requirements Due to Military Service. Involuntary call to active military service will justify the conversion of a Retraining and Study Leave to a military leave without jeopardy to Retraining and Study Leave salary already received. If this conversion takes place before the end of the first pay period, Retraining and Study Leave rights will be preserved. If such conversion takes place after the close of the first pay period, the employee will be considered as having used one-half (1/2) year of the Retraining and Study Leave privilege. Such employee will be permitted however, to complete the second half of the Retraining and Study Leave within two and one-half (2 ½) years following an honorable discharge and return to service with the District.
- c. Failure to Complete Requirements Due to Other Causes. An employee who has been approved for a Retraining and Study Leave of absence but who fails to complete all of the requirements of the leave due to serious illness in the family or other causes beyond one's control may receive compensation on a prorated basis if a significant portion of the requirements is completed.

For an incomplete leave originally approved for one year, fractional portions of requirements completed may be one-fourth, one-half, or three-fourths. A year's leave of absence for an "A" basis employee means 13 pay periods; for a "C" basis employee, 10 pay periods; for a "G" basis employee, 239 assigned days.

The completion of the fractional portion of the requirements must have been accomplished during the particular period for which the Retraining and Study Leave was authorized and prior to return to active duty or prior to the beginning of a leave immediately following the Retraining and Study Leave.

Regardless of the amount of work involved, the collection of data which is not summarized, and which is not used in reaching conclusions in completed units, shall not be considered as meeting any portion of the requirements for the leave.

The Committee shall have the sole and exclusive authority to rule on any and all issues concerning the Retraining and Study Leave. Approval of employees' programs shall be determined by a majority vote of the members of the Committee who are present and voting but no approval will take place in the absence of at least one affirmative management vote and one affirmative Local 347 vote. Failure to reach such majority shall be considered a denial.
15. Limit on the Number of Retraining and Study Leaves: There shall be no more than two (2) Retraining and Study Leaves granted per year. The limit shall be attained in order of receipt. Ties shall be broken by selecting the employee with the greatest District seniority.
16. Cancellation of Retraining and Study Leave

- a. A Retraining and Study Leave may be canceled at any time and converted to a resignation, return to duty, or other type of leave, if eligible.

ARTICLE 11 PERFORMANCE EVALUATION PROCEDURE

Purpose of Evaluation. The performance evaluation process is a valuable method of communicating standards and expectations to a Unit member and evaluating the extent to which the Unit member has met those standards and conformed to the expectations. Additionally, the process can be used to identify goals and objectives for the Unit member for the following year. Because the evaluation process is such an important means of communication, evaluations shall be performed, at least once every year, in accordance with the following procedures

A. Performance Evaluation Procedure.

1. Probationary employees shall be evaluated during the second (2nd) and fourth (4th) months of their probationary period using the District's form in Appendix B.
2. Permanent employees shall be evaluated once a year. The evaluation period shall be from July 1 through June 30. The evaluation form shall be completed, an evaluation conference offered, and the signed evaluation issued to the Unit member no later than two calendar months following the evaluation period.
3. Performance evaluation should be completed by the manager or administrator with supervisory responsibility for the Unit member, or manager or supervisor with higher level authority and reviewed by the appropriate Vice President. Once completed, the evaluation shall be placed in the Unit member's official personnel file.
4. If the Unit member wishes to provide written comments on the evaluation, such comments shall be attached to the evaluation itself. The Unit member shall have ten (10) working days from the date the evaluation was issued to provide the written response.

Not only should the performance levels be checked off, but also the evaluation documents should contain remarks written by the evaluator, which explain the reason for checking those levels.

B. Evaluation Components.

Each Unit member's evaluation process will include the following components using the evaluation form located in Appendix B of the Agreement:

1. Review the Job Duty Statement.
2. Review goals and objectives from the prior year (when they exist) and state goals and objectives for the next evaluation cycle, including method to complete or assessment of progress towards achieving annual goals.
3. Assess understanding of job knowledge, fulfillment of position responsibilities, and identification of areas for future professional development.
4. Assess effectiveness as a team member and colleague.
5. Assess ability to solve problems and demonstrate good judgment.
6. Assess ability to adapt to change, show creativity and develop innovative approaches.

7. Assess ability to initiate, make and carry out decisions and demonstrate leadership.
8. Assess ability to communicate and build consensus.
9. Overall assessment of professional skill and ability, including:
 - i. Leadership skills
 - ii. Communication skills
 - iii. Administrative/managerial skills, and
 - iv. Professional knowledge and expertise
10. Overall statement of expectations for performance and statement of how the employee will meet that standard.

C. Evaluation Process. The Unit member's supervisor will review all of the relevant data related to his or her performance during the evaluation period. Based on that information, the Unit member's supervisor will complete the evaluation form (see Appendix B). For each performance factor listed on the form, the Unit member's supervisor may:

1. Assign one of the following ratings: exceeds expectations, meets expectations, needs improvement.
2. Prepare a brief narrative assessment of the employee's performance that reflects the Unit member's supervisor's analysis of the data he or she collected; and
3. Include on the evaluation form any recommendations he or she believes are appropriate to promote the Unit member's personal or professional growth, or to assist the Unit member in achieving required improvement.

D. Evaluation Results. The supervisor shall forward the evaluation form to the Unit member for his or her comment. If the Unit member declines to comment, or fails to comment within five (5) working days of the date on which the supervisor sent the form to the Unit member, the supervisor shall forward the completed evaluation file (including the evaluation plan, the evaluation form, and any other relevant documents) to the appropriate Vice President or his or her designee. Based solely on the evaluation form and the accompanying materials in the evaluation file the Vice President shall either:

1. Accept the supervisor's recommendation regarding the overall evaluation of the Unit member's performance as being satisfactory or unsatisfactory (and, if satisfactory, whether it meets or exceeds overall expectations); or
2. Return the evaluation to the supervisor with a written explanation of the reasons he or she declined to accept the evaluation, and comment regarding proposed steps the supervisor should take to remedy the problems he or she perceived.
3. Once completed by the Vice President, the evaluation form and the accompanying materials in the evaluation file shall become part of the Unit member's personnel file.

E. Excellent Performance Differential. Unit members are eligible for a performance differential of a one-time, non-cumulative bonus of \$250.00 per year, in accordance with the following criteria and procedures:

1. If, at the end of the fiscal year, the Unit member receives an overall performance evaluation rating that exceeds expectations, he or she shall be awarded a performance differential of a one-time, non-cumulative bonus of \$250.00 per year.
2. The provisions of this section shall not be subject to the provisions of Article 19, Grievance Procedure, with the exception that claims that the specific procedures set forth in this section (section E) were not complied with, shall be grievable up to and including the third step of the grievance procedure.

F, Less than Satisfactory Evaluations. When the Unit member receives an overall evaluation that is “below expectations” (less than satisfactory), he or she will work with the supervisor to develop a written improvement plan. The plan will address the specific areas for improvement as they relate to the evaluation categories in section C above and will include specific suggestions about how the Unit member can improve.

If the Unit member has received a rating of “fails to meet expectations” (unsatisfactory), he or she will either accept and follow the suggestions made by the supervisor in the written performance evaluation or, within thirty (30) days from the date of issuance, provide a written proposed plan to his or her supervisor outlining the way he or she intends to achieve improvement. The Unit member shall address all the areas for improvement the supervisor has identified. The supervisor shall accept, reject or modify the proposed plan. The Unit member and his or her supervisor shall have periodic conferences to insure that measurable progress, consistent with the plan, is being made. The Unit member shall have the right to meet with the Vice President to discuss the evaluation.

G. Review. If the Unit member being evaluated believes the procedure set forth in this article has not been followed, he or she may initiate a grievance seeking to correct the procedural error, but any judgment a supervisor or the Vice President makes about the nature and quality of the Unit member’s performance as part of an evaluation is final and not subject to being modified or overturned by way of a grievance unless there is clear and compelling evidence that the judgment was made arbitrarily or capriciously, or that it was motivated by malice, fraud or corruption. The evaluatee always has the right to include his or her own statement to be added to the personnel file along with the completed evaluation form.

H. Mentors. A Unit member or his or her supervisor may request another supervisory Unit member from any location in the District (in a similar position) be designated as a mentor for the Unit member any time that all parties agree that such assistance would be helpful. The Department manager or administrator shall consult with the Unit member and his or her supervisor to identify an appropriate mentor. The mentor will provide professional guidance on the role and function of being a supervisory employee. The relationship will be confidential and the mentor will not be part of any evaluation process of the mentee. The mentor-mentee relationship will be designated for a 6-month period and may be extended for

a second 6-month period if agreed to by the Unit member and his or her supervisor. A formally designated mentor shall receive a stipend of \$250 for each 6-month mentor assignment.

- C. In order to be credited with a year of service for the purpose of this Article, an employee must have been in regular status beginning July 1, for at least 130 days. Regular status means in paid status or on leave of absence prior to layoff or for industrial accident, industrial illness, or military service.
- D. An employee serving an initial probationary period shall not be eligible to take vacation until the first day of the pay period following completion of the number of hours that correspond to 130 days of paid service in regular assignments, except for employees subject to the provisions of Paragraph E. below. No vacation shall be taken until earned. No payment for vacation accumulation shall be made to employees who separate prior to completion of 130 days of paid service. Vacation taken as provided in Paragraph E. of this Article shall not be considered in conflict with this provision.

Vacations may be denied or changed at any time, however, vacation of five (5) consecutive days or more in duration, once approved, shall not be denied or changed with less than fifteen (15) working days written notice prior to the first day of the scheduled vacation without the employee's consent. Such notice shall indicate the reason for cancellation. If it is necessary to cancel as described above, the employee will be given the opportunity to immediately re-schedule the vacation. If the employee re-schedules, the re-scheduled vacation may not be canceled without the consent of the employee. Nothing in this paragraph shall preclude an employee from requesting and being granted vacation at any time subject to the approval of the employee's supervisor. However, nothing in this Article shall be construed to prohibit the District from requiring employees to take vacation in lieu of cash payment as provided in Section I. below.

For any pay period in which a Supervisory Unit employee's vacation balance equals or exceeds 400 hours, the employee shall not earn any additional vacation credit. However, additional vacation credit earned for perfect attendance shall not be subject to these limitations. Hours earned for perfect attendance shall count toward the 400-hour limitation on vacation accrual, however perfect attendance vacation shall continue to accrue even if an employee's vacation balance equals or exceeds 400 hours.

- I. The amount of vacation actually earned, and only that amount, shall be available, regardless of changes in status. No employee shall be allowed to take vacation while temporarily serving as a substitute, relief, or provisional unless he/she has served for the equivalent of more than ninety (90) consecutive working days, or receives specific approval from the appropriate administrator.
- J. On voluntary reduction in status, layoff, or separation from the classified service, the money value of vacation balances shall be paid as a lump sum to permanent employees. In cases where separation is not at the end of a pay period, vacation credit shall be computed through the last day in paid status.
- K. Lump-sum vacation payments shall be made on the basis of the hourly equivalent rate for the employee's last regular assignment.
- L. When a regular employee (whose regular assignment is on other than a 12-month assignment basis code) is paid during the summer as a relief, substitute, or provisional employee, the employee shall earn vacation in accordance with the schedule in Paragraph A. of this Article, whichever is applicable to the position in which he/she serves during the Summer.

ARTICLE 16 HEALTH AND WELFARE

The Los Angeles Community College District (the “District”) and the exclusive representatives of the District’s employees (the Los Angeles College Faculty Guild, AFT Local 1521; the AFT College Staff Guild, Los Angeles, AFT Local 1521A; the Los Angeles City and County School Employees Union, SEIU Local 99; the Los Angeles/Orange County Building and Construction Trades Council; the Supervisory Employees Union, SEIU Local 347; and the Public, Professional and Medical Employees Union of the California Teamsters, Local 911—hereinafter collectively referred to as the District’s “Exclusive Representatives”) agree to the following provisions regarding the District’s Health Benefits Program, group life insurance coverage and employee assistance program. This agreement is intended to replace all existing agreements between the parties on the subject of the District’s Health Benefits Program as defined in this agreement, as well as the District’s group life insurance coverage and employee assistance program, and for that reason shall, notwithstanding anything to the contrary in any of the individual agreements between the District and its Exclusive Representatives, entirely supersede all previously negotiated agreements between the parties with respect to those subjects:

I. Health and Related Benefits Program for Active Employees and their Dependents and Survivors

A. **Health Benefits Program.** The District’s “Health Benefits Program” consists of group benefit plans recommended by the Joint Labor/Management Benefits Committee and approved by the Board under which eligible District employees (and their eligible dependents) receive hospital, medical, dental, and vision care coverage. The purpose of the Health Benefits Program is to provide quality health care to the District’s employees, retirees, and their eligible dependents and survivors.

1. **Eligibility.** Each of the following employees and his or her dependents and survivors are eligible to receive benefits and enroll in plans under the Health Benefits Program once the District has verified the employee’s, dependent’s or survivor’s eligibility under this agreement:
 - a. Every member of a classified bargaining unit who is employed at least half time as either a probationary or regular classified employee.
 - b. Every faculty member who is employed at least half-time in one or more monthly rate assignments.
 - c. Every member of the administrators’ bargaining unit who is employed at least half time.
2. **Dependents.** Dependents who are eligible to enroll in plans under the Health Benefits Program include an eligible employee’s:
 - a. Spouse.
 - b. Qualified domestic partner as specified in Appendix I.
 - c. Unmarried dependent children under age 19.

- d. Unmarried dependent children age 19 through 25 who are full-time students at a college or university.
- e. Unmarried dependent children (not otherwise eligible under subsection 2.c or 2.d, above) without regard to age who are physically or mentally incapacitated, and who are being claimed as dependents on the employee's federal income tax returns. (However, a dependent's coverage under this subsection must be a continuation of his or her coverage under the Health Benefits Program and, if there is ever a break in coverage, the dependent shall not be eligible to re-enroll.)

As used in this section, the term "dependent children" means an employee's natural children, step-children, legally adopted children, foster children, and the dependent children of a domestic partner only.

- 3. **Survivors.** Upon the death of an active employee, the District shall deem the employee to have resigned from District employment on the date of his or her death and to have begun receiving a retirement allowance whether or not the employee was in fact old enough to retire. If, based on that premise, the employee would have been eligible to continue his or her participation in the hospital and medical plans available to active employees under Section III below, Article III of this Agreement shall be applicable to the employee's survivors as if they were survivors of a retiree. For that purpose, references to survivors of retirees in Section III shall be deemed to refer to those individuals.
- 4. **Enrollment.** Verification of eligibility, and enrollment or re-enrollment in plans shall be administered as follows:
 - a. **Initial Enrollment.** Upon employment, each new employee who is eligible to enroll in plans under the Health Benefits Program shall receive complete information regarding the District's Health Benefits Program, and may enroll in hospital, medical, dental, and vision care plans at any time, except that enrollment in the Premium Only Plan described in Section II can only take place during the designated time periods. If the District receives the employee's enrollment forms on or before the 15th day of the calendar month, the District shall process the forms so as to make coverage effective on the first day of the following calendar month, otherwise coverage shall become effective on the first day of the second calendar month following the District's receipt of the forms.
 - b. **Re-enrollment Following a Break in Coverage.** Following a break in coverage for any reason other than an error by the District, an eligible employee may re-enroll in hospital, medical, dental, and vision care plans at any time. However, unless re-enrolling during an open enrollment period, the employee must re-enroll in the same plan he or she was enrolled in when his or her previous enrollment ended. If the District receives the employee's re-enrollment forms on or before the 15th day of the calendar month, the District shall process the forms so as to make coverage effective on the first day of the following calendar month, otherwise coverage shall become effective on the first day of the second calendar month following the District's receipt of the forms.
 - c. **Open Enrollment.** There shall be an open enrollment period each enrollment year during which eligible employees may change plans. The District shall establish and announce the dates of such open enrollment period, and shall mail open enrollment materials to employees fourteen or more days before the beginning of the open enrollment period. If an

eligible employee requests a change of plan, he or she shall continue to be covered under his or her existing plan until coverage under the new plan can be instituted.

- d. Changes in Enrollment Other Than During Open Enrollment.** Once enrolled in a plan, employees are generally barred from changing their enrollment except during an open enrollment period. Nevertheless, changes may be made under the following circumstances:
- (1) Any employee who is enrolled in a closed panel plan and who changes his or her permanent residence to a location that is outside the service area of the plan may, by submitting a timely application to the District, change his or her enrollment to a plan that provides service in the area of his or her new permanent residence without a break in coverage. To be timely, the application for a change in enrollment must be received by the District within ninety (90) days after the employee established his or her new permanent residence.
 - (2) Any employee who is enrolled in a closed panel plan and who, during an approved study, retraining or sabbatical leave of absence of sixty (60) days or more, temporarily relocates to a location that is outside the service area of the plan may, by submitting a timely application to the District, temporarily change his or her enrollment to a plan that provides service in the area in which he or she will be temporarily located. To be timely, the application for a temporary change in enrollment must be received by the date on which the employee's leave commences.
 - (3) Any employee whose enrollment in a plan is terminated at the request or option of the plan provider for any reason other than non-payment of premium may enroll in another plan without a break in coverage by submitting a timely application to the District. To be timely, the application for a change in enrollment must be received by the District within ninety (90) days after the employee's enrollment was terminated.
 - (4) Finally, any employee who has had a "qualified life event" as defined by Sections 125 and 129 of the Internal Revenue Code may change his or her eligible dependents by submitting a timely application to the District. To be timely, the application for a permissible "qualified life event" change must be received by the District within thirty-one days of the qualifying event.
- e. Mandatory Re-enrollment During Open Enrollment.** The District, upon recommendation of the JLMBC, may designate any open enrollment period as a mandatory enrollment period during which every eligible employee must re-enroll for himself or herself and for each of his or her eligible dependents. If an employee fails to re-enroll during any such mandatory enrollment period, his or her enrollment in hospital, medical, dental, and vision care plans shall end at the beginning of the next plan year. In that event, the employee may, if he or she remains eligible, re-enroll in plans at any time and the District shall verify his or her eligibility and process the employee's re-enrollment forms as if they were initial enrollment forms—i.e. if the District receives the re-enrollment forms on or before the 15th day of the calendar month, it shall process them so as to make coverage effective on the first day of the calendar month following receipt of the forms, otherwise coverage shall become effective on the first day of the second calendar month following the District's receipt of the forms.

- 5. District Contribution Towards Premiums.** Eligible employees shall be entitled to the District's contribution towards the premium costs of the plans in which they and their dependents are enrolled if:
- a. the eligible employee was in paid status during the calendar month preceding the month during which benefit coverage is effective and received at least one-half of the pay he or she would have earned had he or she received pay for full-time work; or
 - b. the eligible employee, even though not in paid status, is on a formal illness leave of absence for a period of not more than eighteen months.
 - c. a specific section of the collective bargaining agreement applicable to the employee (for example, a section specifying compensation during certain leaves) explicitly provides for his or her entitlement to the District's contribution.

For the purposes of Section 5.a, every eligible employee, other than a temporary monthly-rate faculty member, shall be deemed to be in paid status during any recess or intersession if he or she is scheduled to return to paid status in his or her position at the end of the recess or intersession. A temporary monthly-rate faculty member shall be deemed to be in paid status during any recess or intersession if, before the beginning of the recess or intersession, he or she is assigned to a position at any district location that will render him or her eligible for benefits and is scheduled to return to paid status in that position at the end of the recess or intersession.

- 6. Payment of Premiums During Unpaid Leaves.** Eligible employees who have been granted an unpaid leave of absence and who are therefore not entitled to the District's contribution towards the premium costs of the plans in which they and their dependents are enrolled may continue to receive benefits under the Health Benefits Program by paying the District in advance for the full monthly premium of the plans. The amount of the reimbursement shall be determined by dividing the annual premium for the plans by twelve and multiplying the result by the number of months of leave during which the employee will not be entitled to the District's contribution towards premium costs.

Payment must be made by check or money order made payable to the District, and may be made in monthly installments.

Should an employee fail to make a payment required by this section, coverage shall terminate at the end of the month for which the last payment was received. Should the District terminate an employee's coverage in error, it shall reinstate the employee's coverage as soon as the error is discovered and, at the employee's option, either issue the employee a refund of the amount he or she paid for the months during which he or she did not receive coverage, or extend the employee's coverage for an equivalent period.

- 7. Continued Eligibility and Payment of Premiums Following Layoff or Furlough.** Notwithstanding anything in Sections I.A.1 and I.A.6 to the contrary, employees who have been furloughed shall remain eligible to receive benefits under the Health Benefits Program, and shall continue to be entitled to the District's contribution towards the premium costs of the plans in which they and their dependents are enrolled, during the period of their furlough. Furthermore, employees who have been laid-off shall remain eligible to receive benefits, and shall continue to be entitled to the District's contribution towards the premium costs of their plans, according to the following table:

Years of Service	Months of Continuation Following Layoff
1-5	2 months
6-10	4 months
11 or more	6 months

A furlough is a temporary lay-off for a specified period with a definite return date. A layoff is a separation from regular service for lack of work or lack of funds, or because of a reduction in force.

These rules for furlough and lay-off do not apply to employees who are in temporary or limited status or classified specially funded program (SFP) status unless they hold regular or permanent status in another position in the District.

8. Conditions of and Limitations on Eligibility and Coverage.

- a. Employees and their dependents may not be enrolled in more than one District sponsored plan at any one time. For that reason, an employee may be enrolled in a plan in his or her own capacity as an employee, or as a dependent of another employee, but not simultaneously in one plan as an employee and in another plan as a dependent. Likewise, children or other individuals who qualify as dependents may be enrolled in a plan only once as a dependent, not simultaneously in one plan as a dependent of one employee and in another plan as a dependent of another employee.
- b. Every employee (or in the event of his or her incapacity, the employee's representative or agent) shall report any event or change of circumstance that has an effect on the administration of coverage under the Health Benefits Program. Such events or changes include, but are not limited to, change of address or telephone number, marriage, divorce, dependent's loss of eligibility, death of the employee, or death of a dependent.

9. COBRA (Consolidated Omnibus Budget Reconciliation Act of 1985). Once an employee who has enrolled in a plan under the Health Benefits Program becomes qualified for COBRA benefits, the District shall ensure that he or she is given the opportunity to continue coverage under the Health Benefits Program pursuant to COBRA in the manner prescribed by federal law.

10. If the internal responsibility for the administration of the Health Benefits Program is changed because responsibilities among the administrative units of the District are reorganized, notice of that change shall be given to the exclusive representatives within thirty days.

11. Health Care Legislation. The District and the Exclusive Representatives shall consult on the implementation of Education Code sections 7000-7008, Medicare Part D provisions and the District's obligation to address Governmental Accounting Standards Board (GASB) Statements 43 and 45. In the absence of an agreement to do otherwise, the Federal Medicare Part D subsidy will be held in a reserve fund for future retiree health care related to GASB 45 obligations. In the event that new health care legislation is enacted and the District is required to implement a plan pursuant to such legislation, the District and the Exclusive Representatives shall consult in order to assess the effects of such legislation.

B. Group Life Insurance Program. The District's group term life insurance program shall be continued for the duration of this Agreement subject to modification based on the recommendations of the Joint Labor Management Benefits Committee and approval of the Board.

1. All active employees eligible for benefits under Section I.A.1 of this Agreement shall be eligible for group term life insurance benefits under the program.
2. The limits of coverage under the program shall be \$50,000, however, employees age 70 or above shall receive coverage equal to an amount equal to the greater of the minimum amount required by Federal Law or 50% of the amount in force immediately prior to his or her 70th birthday. This reduction shall take place on the premium date coincident with or immediately following his or her 70th birthday.

C. Employee Assistance Program. The District's Employee Assistance Program shall be continued for the duration of this Agreement subject to modification based on the recommendations of the Joint Labor Management Benefits Committee and approval of the Board. All active employees (including those who are not eligible for benefits under Section I.A.1 of this Agreement), and their dependents, shall be eligible for participation in the Employee Assistance Program.

D. Tax Sheltered Retirement Plans. The District shall continue its voluntary salary reduction agreement program under which employees may contribute to tax sheltered retirement plans under Internal Revenue Code Sections 403(b) and 457. The process for selecting third-party administrators (TPAs) for these plans shall include the issuance of a formal request for proposals by the District, review of the responses by a task group consisting of representatives of the District and the Exclusive Representatives, and selection of TPAs based on the recommendation of the task group.

A list of the 403b vendors and enrollment forms available through our District can be found at www.403bcompare.com, or via a link on the District's web site.

E. IRC 125 and 129 Plans. The District shall continue its voluntary flexible spending account plan covering medical and dependent care expenses under Internal Revenue Code Sections 125 and 129.

II. Health Benefits Program for Part-time Temporary Faculty¹ and Temporary Adjunct Faculty

The District shall provide eligible part-time temporary faculty and temporary adjunct faculty members access to its hospital/medical, vision and dental group coverage plans as provided in this Section beginning in Plan Year 2006. Access to the District life insurance plan is not included. When an employee is eligible, he or she will have access via either of two methods: District Contribution and Premium Only Plan (see Section II. A below), or No District Contribution (see Section II. B below).

A. District Contribution and Premium Only Plan

1. **Eligibility.** A part-time temporary faculty member or temporary adjunct faculty member is eligible to receive access to hospital/medical group coverage, except the District life insurance plan, under this section if he or she has been assigned and working as A part-time temporary

¹ This refers to those part-time temporary faculty who are employed less than half time in one or more monthly rate assignments. Faculty serving in a .50 (or higher) FTE temporary monthly rate assignment as a limited or long term substitute instructor are eligible for full benefits for the duration of that assignment and should refer to Section I of this Agreement regarding their eligibility requirements.

faculty member or temporary adjunct faculty member in the District and meets the eligibility requirements in sections B.1 through B.4 below:

- a. Be assigned to a .33 (or higher) FTE temporary (limited or long term substitute) or adjunct faculty load in the District to count towards eligibility for this plan-
- b. Open but inactive assignments - no work, no pay - do not constitute employment in this context. Should the faculty member have an adjunct assignment in another community college district, verification denoting the FTE of the assignment is to be provided to the District.
- c. Have completed at least a .2 FTE part-time temporary faculty member or temporary adjunct faculty position in the District during three or more semesters out of the previous eight consecutive semesters.
- d. Sign an affidavit (to be developed by the District) that he or she is not eligible for hospital/medical coverage through another employer and provide this eligibility verification at the start of each academic year.
- e. Participate in the District's "premium only plan" (POP) under the terms of Internal Revenue Code Section 125, so that the employee's contribution to the District sponsored hospital/medical, vision, and dental group plans will be deducted, pre-tax, from salary warrants. The amount of the employee's contribution toward the premiums, for the hospital/medical plans, along with any possible premiums for vision, and dental group plans paid for by the employee must not exceed his or her net take home pay each month, otherwise the employee is not eligible to participate in or continue to participate in the POP.
- f. **District Contribution.** If criteria B.1 through B.4 are met, the District will contribute \$150.00 toward the total monthly cost of the part-time temporary faculty member or temporary adjunct faculty member's medical premium only.
- g. **Term and Conditions of Coverage.** A part-time temporary faculty member or temporary adjunct faculty member who was eligible for coverage and who has prepaid the premium(s) via the POP for the entire Spring and Fall semesters of any plan year shall remain eligible for coverage during the time between the end of that Spring semester and the beginning of the subsequent Fall semester contingent upon verification of continued eligibility. The premium payments shall equate to twelve months coverage and shall be deducted from ten monthly pay periods for each twelve-month coverage period.
- h. **Enrollment.** Eligible employees may enroll at each 6-month cycle but an employee who becomes ineligible cannot reenroll until the start of the next annual cycle because of the conditions set by the IRC 125 plan year rules.
- i. If any provision herein regarding the premium-only plan conflicts with the Internal Revenue Code, the latter will prevail and the conflicting provision will be nullified.

2. Premiums.

- a. To receive medical plan coverage under this agreement, an eligible part-time temporary faculty member or temporary adjunct faculty member must, in advance and in accordance with applicable District procedures, agree to participate in the POP for a period of a plan

year, contingent upon verification of continued eligibility, and pay the balance of the premium, minus the District contribution of \$150 per month towards the medical premium.

- b. To participate in the District's vision and dental plans, the eligible adjunct faculty member will agree to participate in the POP and pay all of the premium(s). The adjunct faculty member agrees that premiums will be deducted, pre-tax, from the faculty member's monthly salary warrants as described in Section II.B.4 above.
 - c. A part-time temporary faculty member or temporary adjunct faculty member's coverage (with a District contribution) shall cease immediately upon his or her failure to pay the balance of the required insurance premium(s) in accordance with District procedures. The faculty member's deductions for the required payments will be made for the last working day of each month preceding the month in which coverage will be effective.
 - d. New enrollment, or reenrollment, will only occur during the district "open enrollment" period and will become effective the following semester.
- 3. Extension of Coverage.** Any extension of coverage, at the adjunct faculty member's own expense, subsequent to termination of employment with the District, shall be in accordance with applicable state and/or federal law.

B. No District Contribution

Part-time temporary faculty member or temporary adjunct faculty members who meet the eligibility requirements in sections E.1 through E.3 below and who prepay the entire cost (in two installments, each representing six months coverage) of the premium(s) via check, cashier's check, or electronic fund transfer when it becomes available shall be eligible to participate in the District's medical and/or dental and/or vision plans.

1. Be assigned to at least a .2 FTE part-time temporary faculty member or temporary adjunct faculty position in the District during the semester for which coverage is requested. Only District service shall count toward eligibility for this plan. Open but inactive assignments—no work, no pay—do not constitute employment in this context.
2. Have completed at least a .2 FTE part-time temporary faculty or temporary adjunct faculty position in the District during three or more semesters out of the previous eight consecutive semesters.
3. Sign an affidavit (to be developed by the District) that he or she is not eligible for hospital/medical coverage through another employer and provide this eligibility verification at the start of each academic year.

MOU. All provisions, not contrary to statute or the terms of this Agreement, of the Memorandum of Understanding between the parties signed June 24, 1999 relating to part-time health benefit coverage shall remain in effect.

Reopener. The parties may mutually agree that Section II, Health Benefits for Adjunct Faculty, be reopened for further negotiations after one year.

III. Health Benefits for Retirees, their Dependents and Survivors

A. Hospital-Medical, Dental and Vision Benefits. Eligible retirees and their eligible dependents and survivors shall have the right to continue their participation in the Health Benefits plans available to active employees, subject to the terms and conditions of this Agreement. Nothing in this Agreement, however, shall be construed as conveying any vested right to any particular plan, plan design, or plan component. The terms of the District's Health Benefits Program, as well as the plans available under the Program, remain subject to alteration by action of the Joint Labor/Management Benefits Committee or any future agreement between the District and the its Exclusive Representatives.

B. Eligibility. A retiree who is eligible to continue his or her participation in the health benefits plans which are available to active employees is one who has retired from District service under the rules of the Public Employees Retirement System (PERS) or the State Teachers Retirement System (STRS), who is receiving a retirement allowance from that system, and who:

1.—for employees whose most recent uninterrupted District employment began before February 11, 1992—has rendered continuous paid service to the District in a “qualifying position” for three or more years immediately preceding his or her retirement; and—for employees whose most recent uninterrupted District Employment began before July 1, 1998—has rendered continuous paid service to the District in a “qualifying position” for seven or more years immediately preceding his or her retirement; or

2.—for employees whose most recent uninterrupted District employment began on or after July 1, 1998—has rendered continuous paid service to the District in a “qualifying position” for ten or more years immediately preceding his or her retirement; provided, however, the employee received district paid benefits each month during the 39 months immediately preceding his or her retirement.

For the purposes of this section, a “qualifying position” is any position that made the employee eligible to enroll in plans under Section I above, except those who are in temporary or limited status or classified specially funded program (SFP) status unless they hold regular or permanent status in another position in the District.

The District and the Exclusive Representatives agree to consult to develop policy regarding vesting rights for employees who are in temporary or limited status or classified specially funded program (SFP) status.

In addition, no absence from the service of the District under any paid leave of absence, or any unpaid leave of absence, or layoff of thirty-nine (39) months or less, shall be deemed a break in the continuity of service required by this section. An individual shall be deemed to have “retired from District service” if the effective date of his or her retirement under PERS or STRS is no later than the day after his or her resignation from District employment.

(This language, although it differs from the eligibility language that appeared in prior agreements between the parties, reflects the parties existing interpretation of that language and is declarative of the parties’ original intent.)

C. Dependents and Survivors. To qualify as a dependent or survivor who is eligible to continue his or her participation in the hospital and medical plans available to active employees—

1. a dependent or survivor must be an eligible retiree's:
 - a. spouse;
 - b. qualified domestic partner as specified in Appendix I
 - c. unmarried dependent child under age 19;
 - d. unmarried dependent child age 19 through 25 who is a full-time student at a college or university; or
 - e. unmarried dependent child (not otherwise eligible under subsection 1.c or 1.d, above) without regard to age who is physically or mentally incapacitated, and who is being claimed as a dependent on the retiree's federal income tax returns. (However, a dependent's coverage under this subsection must be a continuation of his or her coverage under the Health Benefits Program and, if there is ever a break in coverage, the dependent shall not be eligible to re-enroll under this subsection.)

As used in this section, the term "dependent children" means an employee's natural children, step-children, legally adopted children, foster children, and the dependent children of a domestic partner only.

—and—

2. a dependent may not be enrolled in any plans other than those under which the retiree is covered, or in the case of any survivor, the survivor must have been enrolled in plans as a dependent at the time of the retiree's death.

D. Limitations on Survivor Eligibility. A survivor's eligibility to continue his or her participation in the Health Benefits Program shall be limited as follows:

1. The eligibility of a surviving spouse shall terminate when he or she remarries, enters into a domestic partner relationship, or is eligible for group coverage under his or her own employment.
2. The eligibility of a surviving qualified domestic partner shall terminate when he or she marries, enters into another domestic partner relationship, or is eligible for group coverage under his or her own employment.
3. The eligibility of a surviving child who is a dependent of a surviving spouse or domestic partner shall terminate when the eligibility of the surviving spouse or domestic partner terminates, unless the eligibility of the surviving spouse or domestic partner terminates because of death, in which case the child shall remain eligible as if the surviving spouse or domestic partner had not died.
4. Any survivor whose eligibility terminates for any reason shall not be eligible for re-enrollment.

E. Enrollment. Enrollment and re-enrollment in plans shall be administered as follows:

1. **Initial Enrollment.** Upon retirement, each new retiree who is eligible to enroll in plans under the Health Benefits Program shall receive uninterrupted coverage under the plan in which he or she was enrolled as an active employee, provided the employee submits all necessary applications and other required documentation in a timely fashion.

- 2. Open Enrollment.** There shall be an open enrollment period each enrollment year during which eligible retirees may change plans. The District shall establish and announce the dates of such open enrollment period, and shall mail open enrollment materials to retirees fourteen or more days before the beginning of the open enrollment period. If an eligible retiree requests a change of plan, he or she shall continue to be covered under his or her existing plan until coverage under the new plan can be instituted.
 - 3. Changes in Enrollment Other Than During Open Enrollment.** Once enrolled in a plan, retirees are generally barred from changing their enrollment except during an open enrollment period. Nevertheless, changes may be made under the following circumstances:
 - a.** Any retiree who is enrolled in a closed panel plan and who changes his or her permanent residence to a location that is outside the service area of the plan may, by submitting a timely application to the District, change his or her enrollment to a plan that provides service in the area of his or her new permanent residence. To be timely, the application for a change in enrollment must be received by the District within ninety (90) days after the retiree established his or her new permanent residence.
 - b.** Any retiree whose enrollment in a plan is terminated at the request or option of the plan provider for any reason other than non-payment of premium may enroll in another plan by submitting a timely application to the District. To be timely, the application for a change in enrollment must be received by the District within ninety (90) days after the retiree's enrollment was terminated.
 - 4. Mandatory Re-enrollment During Open Enrollment.** Upon recommendation of the JLMBC the District may designate any open enrollment period as a mandatory enrollment period during which every eligible retiree or survivor must re-enroll for himself or herself and for each of his or her eligible dependents. If a retiree or survivor fails to re-enroll during any such mandatory enrollment period, his or her enrollment in hospital, medical, dental, and vision care plans shall end at the beginning of the next plan year. In that event, only a retiree (and his or her eligible dependents) may, if he or she remains eligible, re-enroll in plans. The retiree may re-enroll in plans at any time and the District shall verify his or her eligibility and process the retiree's re-enrollment forms as if they were initial enrollment forms—i.e. if the District receives the re-enrollment forms on or before the 15th day of the calendar month, it shall process them so as to make coverage effective on the first day of the calendar month following receipt of the forms, otherwise coverage shall become effective on the first day of the second calendar month following the District's receipt of the forms.
- F. District Contribution Towards Premiums.** The District shall contribute towards the premium costs of the plans in which an eligible retiree and his or her eligible dependents and survivors are enrolled as follows:
- 1.** For retirees (and their eligible dependents and survivors) who became eligible under Section III.B.1, the District will pay 100% of the District's contribution towards premiums.
 - 2.** For retirees (and their eligible dependents and survivors) who became eligible under Section III.B.2, the District will pay 50% of the District's contribution towards premiums for those retirees who rendered service in a "qualifying position" for at least ten years but fewer than fifteen years; 75% of the District's contribution towards premiums for those retirees who rendered service in a "qualifying position" for at least fifteen years but fewer than twenty

years; and 100% of the District's contribution towards premiums for those retirees who rendered service in a "qualifying position" for at least twenty (20) years.

G. Conditions of and Limitations on Eligibility and Coverage.

1. Active employees who become eligible retirees under this agreement are entitled to uninterrupted coverage under the Health Benefits Program provided they submit all necessary applications and other required documentation in a timely fashion.
2. Retirees, their dependents, and survivors may not be enrolled in more than one District sponsored plan at any one time. For that reason, a retiree may be enrolled in a plan in his or her own capacity as a retiree, or as a dependent of another retiree, but not simultaneously in one plan as a retiree and in another plan as a dependent. Likewise, children or other individuals who qualify as dependents may be enrolled in a plan only once as a dependent or survivor, not simultaneously in one plan as a dependent or survivor of one retiree and in another plan as a dependent or survivor of another retiree.
3. To the extent allowed by law, benefits provided under the District's Health Benefits Program shall be secondary to the benefits provided to a retiree or his or her dependents or survivors under Medicare. Furthermore, as a condition of continued enrollment in any hospital or medical plan available under the Health Benefits Program, each retiree and every eligible dependent and survivor age 65 and older must (unless exempted from this requirement under rules adopted by the Joint Labor/Management Benefits Committee) apply for and obtain coverage under Part A (hospital benefits)—either paid or premium free—and Part B (medical benefits) of Medicare. It shall be the sole responsibility of the employee or survivor to provide the District with verification of enrollment in Medicare. The District shall acknowledge receipt of verification of Medicare enrollment upon a retiree's request.
4. Every retiree (or in the event of his or her incapacity, the retiree's representative or agent) shall report, by telephone, e-mail, or written correspondence, any event or change of circumstance that has an affect on the administration of coverage under the Health Benefits Program. Such events or changes include, but are not limited to, change of address or telephone number, marriage, divorce, dependent's loss of eligibility, death of the retiree, or death of a dependent.
5. A retiree's or survivor's eligibility (and that of his or her dependents) under this agreement shall terminate whenever the retiree or survivor accepts employment in a position covered by STRS or PERS and becomes eligible for health benefits by virtue of that employment.

IV. Joint Labor/Management Benefits Committee

- A. The District shall convene, and the Exclusive Representatives shall all participate in, a Joint Labor/Management Benefits Committee (JLMBC). The role of the Committee is to contain the costs of the District's Health Benefits Program while maintaining and, when feasible, improving the quality of the benefits available to employees.
- B. The Committee shall be composed of one voting and one non-voting District Member appointed by the Chancellor; six Employee Members, one appointed by each of the Exclusive Representatives; and an additional voting member who shall serve as Chair, nominated by the President of the Los Angeles College Faculty Guild and confirmed by a simple majority of the regular voting members of the Committee. Although each Exclusive Representative will appoint

one regular voting member on the Committee, the Committee shall adopt rules under which each Exclusive Representative may appoint additional non-voting members in proportion to the size of each unit. The District shall grant the Chair of the Committee at least 0.2 FTE reassigned time to perform the duties of that assignment.

C. The Committee shall have the authority to:

1. review the District's Health Benefits Program and effect any changes to the program it deems necessary to contain costs while maintaining the quality of the benefits available to employees (this includes, but is not limited to, the authority to substitute other plans for the District's existing health benefits plans);
2. recommend the selection, replacement, and evaluation of benefits consultants;
3. recommend the selection, replacement, and evaluation of benefit plan providers;
4. review and make recommendations regarding communications to faculty and staff regarding the health benefits program and their use of health care services under it;
5. review and make recommendations regarding benefit booklets, descriptive literature, and enrollment forms;
6. study recurring enrollee concerns and complaints and make recommendations for their resolution;
7. participate in an annual review of the District's administration of the Health Benefits Program;
8. review and make recommendations about the District's health benefits budget; and
9. if health care legislation that necessitates modification of the District's Health Benefits Program is enacted before the termination of this agreement, assess the effects of such legislation and make recommendations to the District and the Exclusive Representatives about appropriate action to take.

D. Any action of the Committee must be approved by the affirmative vote of the voting District member and all but one of the voting Employee Members at a meeting of the Committee at which a quorum is present. A quorum shall consist of the voting District member and any five voting Employee Members.

E. Any changes proposed by the Committee in the benefit program, providers, and consultants shall be submitted to the Board of Trustees for its consideration.

F. The District shall provide the Committee with relevant financial data including, for example, data regarding money received from providers (as a refund, return of premium, or similar credit), and all expenditures the District considers to be part of the "overall cost to the District of maintaining the Health Benefits Program."

V. Managing the Health Benefits Program

By September 1 of each year the JLMBC shall report to the Board of Trustees on its actions and activities to mitigate increases to the cost of the Health Benefits Program so that it continues to provide quality health care to the District's employees, retirees, and their eligible dependents at a reasonable and sustainable cost to the District.

ARTICLE 17 SPECIAL PAY PRACTICES

- A. Work Out of Classification:** Claims for Work Out of Classification shall be processed in accordance with Personnel Commission Rule 550 and/or California Education Code 88010. A foreign degree must be determined to be equivalent to a U.S. degree by an accrediting agency approved by the District. It is the responsibility of the employee to arrange for such evaluation and to provide such verification of equivalency to the District. Employees shall be eligible for the differential the pay period following the receipt of proof of the degree.

ARTICLE 18 WAGES AND SALARIES

A. **Prevailing Rate:** The Union and the District agree that the wages and salaries negotiated in good faith and listed in this Agreement are at least equal to the prevailing salary or wage for the same quality of service rendered to private employers under similar employment.

B. **Salary Placement:** Entry-level placement on the salary schedule shall be at the lowest step of the schedule for the classification or at the hourly rate established for the classification, unless the District authorizes hiring at a higher rate.

C. Step Advancement on the Salary Schedules

1. Advancement from the first to the second step shall occur as of the first day of the pay period, which follows completion of 130 days in paid status in regular assignments in the class. For purposes of this rule, 130 days shall be defined as 130 times the average number of regularly assigned hours per day for the employee. A day in paid status shall be defined as any day for which pay is received.
2. Advancements to higher steps shall be made in successive years as of the first day of the correspondingly numbered pay period which the employee received his/her previous step

advancement provided that he/she has completed at least 130 days in paid status in regular assignments in the class during the thirteen (13) pay periods since the preceding advancement.

3. In the event that the employee does not meet the paid status requirement provided above, his/her step advancement shall be effective as of the first day of the pay period which follows his/her completion of such 130 days in pay status in regular assignments in the class.
4. Upon promotion or reclassification, which results in salary increase to other than the first step, the salary advance to the next step shall be in the pay period immediately following the pay period in which probation was completed. A new cycle for subsequent step advances will thus be established. Provisions of this section shall become effective at such time that necessary reprogramming of the personnel-payroll system can be accomplished.
 - a. If the employee completes 130 days in paid status in regular assignments in the new class as of the date his/her step advancement is due, no change in his/her cycle of step advancement shall occur.
 - b. If the employee has not completed 130 days in paid status in regular assignments in the new class as of the date his/her step advancement is due, it shall become effective as of the first day of the pay period, which follows his/her completion of the paid status requirement. A new cycle for subsequent step advancements will thus be established.
 - c. An employee who is subject to a new probation period must have at least seventy-five percent (75%) of the required 130 days in paid status in active on-the-job performance of the duties of a position in the class.
5. The following actions shall not affect the employee's cycle of step advancement:
 - a. Relocation
 - b. Change to an equal or lower class.
6. Notwithstanding other provisions of this Article, employees in classes on accelerated hiring steps or with shortened salary ranges shall receive step advancement as follows:
 - a. An employee on any lower step in a class for which an accelerated hiring step or a shortened salary range has been authorized shall advance to the new hiring step on the effective date of the action. Such an employee shall receive an advancement to the next higher step of the schedule for his/her class as of the first day of the pay period in which the accelerated step or shortened range became effective, provided that he/she meets the paid status requirement.

- b. A person initially employed in a class on an accelerated hiring step or with a shortened salary range shall advance to the next higher step of the schedule for his/her class on the first day of the pay period in the next salary year which corresponds in number to the pay period in which he was appointed, provided that he meets the paid status requirement. Subsequent advancements shall be based on the cycle thus established.
 7. An employee who changes from a flat hourly rate to a rate on a salary schedule shall receive his/her initial step advancement in the class as of the first day of the pay period which follows his/her completion of 130 days in paid status in regular assignments in the class following such change. Subsequent advancements shall take place as of the first day of the correspondingly numbered pay period provided the paid status requirement is met.
 8. An employee not serving in his/her regular assignment shall be treated as follows:
 - a. An employee who is temporarily serving in a limited-term assignment in an equal or higher class shall receive credit toward step advancement in his/her regular class during the period of his/her limited term assignment. His/her step in the limited-term assignment shall not be adjusted unless an adjustment is necessary to maintain a differential over his/her current regular rate as determined by the District.
 - b. An employee who has been promoted to a regular position but returns to a lower class before completing his/her probationary period in the higher class shall receive credit toward step advancement in the lower class for the full period of his/her service in the higher class. If his/her anniversary date in the lower class has passed while he/she was serving in the higher class, he/she will receive a step advancement when assigned to the lower class, provided that he/she has met the requirements of this Article. For future step advancement his/her anniversary date in the lower class will be retained.
 - c. An employee who is on leave of absence from his/her regular class in order to serve in an apprentice class shall not receive credit toward step advancement in the former class during such period of leave. If he/she returns to his/her former class upon termination of leave of absence, he/she shall be placed at the flat hourly rate of the class or at the step of the schedule, which is closest to his/her current apprentice rate.
 9. Time spent by an employee on leaves resulting from an industrial accident or an industrial illness, temporary military leave, or military leave other than temporary, shall be credited as time in paid status for purposes of step advancement.
 10. Employees who are allowed to take vacation during periods, which are excluded from their regular assignment periods, shall receive credit towards step advancement for the time they are in paid status during such periods.
- D. Nothing in this Article shall prevent the Board of Trustees from withholding step advancement provided it is first negotiated with the Union.

- E. The District agrees to continue the provisions of Section 414 (h) (2) of the Internal Revenue Code concerning tax treatment of employee retirement contributions to the Public Employment Retirement System.
- F. Effective at the beginning of the July 2005 monthly pay period increase all salary schedules by 5.23%.
- G. For 2006-2007, compensation matters of this Agreement may be reopened at the request of either party.
- H. For 2007-2008, compensation matters of this Agreement may be reopened at the request of either party.
- I. The District reserves the right to grant additional salary increases to any class or classes of positions as it deems appropriate provided the District confers with the Union prior to granting said salary increases. The District shall determine rates of pay for any new classifications implemented during the term of this Agreement.

ARTICLE 19 GRIEVANCE PROCEDURE

A. **Grievance Defined.**

1. A grievance is defined as a formal written complaint by an aggrieved permanent employee(s) that there has been a violation of a specific provision(s) of this Agreement; or
2. A formal written complaint by the Union that the District has violated a specific provision of Article 5, Union Rights. Such grievances shall be presented by the Union directly to the Office of Employer-Employee Relations within thirty (30) days of the time the Union had knowledge of the act giving rise to the grievance; or
3. An appeal of a Notice of Unsatisfactory Service which is not a basis for nor has become a basis for further disciplinary action. Provided that such appeal is based on either (a) an abuse of discretion and/or (b) such notice is not in accord with the facts. Notwithstanding the foregoing, notices issued during an initial probationary period shall not be appealable under this procedure.

B. Matters Excluded. All other matters and disputes of any nature are beyond the scope of this grievance procedure including but not limited to reduction in force; examination procedures, results and references; performance evaluations, except as provided above and in Article 11, Procedure for Performance Evaluation, Paragraph D.1.a. disciplinary matters; and complaints by one employee about another. Also excluded are those matters so indicated elsewhere in this Agreement. Claimed violations of Appendix G, Nondiscrimination and Affirmative Action, are to be handled under other District review procedures and/or statutory procedures, rather than the grievance procedure.

C. **Definitions.**

1. Grievant. An employee covered by the terms of this Agreement.

2. Group Grievances. Should the District and/or the Union feel that the significant characteristics of a number of individual grievances or potential grievance are sufficiently alike, that it would be in the best interest of time to hear this group of grievances as one, it may do so under this procedure. Such consolidated grievances shall be carried through the procedure by one designated Grievant.
3. Day. A day, for the purpose of this Article, is defined as any day of the calendar year, except Saturdays, Sundays and legal (or school) holidays.
4. Division Head. A management employee assigned the administrative responsibility for a division in the District Offices.
5. Management Employee. Any employee designated by the Board of Trustees as management, consistent with the provisions of Government Code 3540 et seq.

D. General Provisions.

1. Union Responsibilities. The Union agrees to encourage the Grievant to discuss his/her complaint with his/her immediate supervisor or the appropriate immediate supervisor.
2. Before filing a formal written grievance, the Grievant should attempt to resolve it in an informal manner with the appropriate immediate supervisor.
3. At all grievance meetings under this Article, the Grievant shall be entitled to be accompanied and/or represented by a Union representative. A Grievant shall also be entitled to represent himself/herself. The supervisor and/or administrator shall have the right to be accompanied by another supervisor and/or administrator and/or District representative. By mutual agreement other persons such as witnesses may also attend grievance meetings.
4. Released Time for Employees and Union Representatives. Grievance meetings and hearings will be scheduled by the District at mutually convenient times and places during District business hours. Such meetings will be scheduled so as to minimize interference with regular employee duties. If a grievance meeting or hearing is scheduled during working hours, reasonable employee released time including necessary travel time without loss of salary will be provided to the Grievant.
5. Effect on Time Limits. If a grievance is not processed by the Grievant at any step in accordance with the time limits of this Article, it shall be deemed withdrawn. If the District fails to respond to the grievance in a timely manner at any step, the running of its time limit shall be deemed a denial of the grievance and termination of the step in question, and the Grievant may proceed to the next step. All time limits and grievance steps may be shortened, extended or waived, but only by written agreement.
6. The respondent in any grievance shall be the District or individual campus as appropriate, rather than any individual supervisor or management employee.
7. The filing or pendency of a grievance shall not delay or interfere with implementation of any District action during the processing thereof, unless the parties agree to the contrary.

8. Processing and discussing the merits of a grievance shall not be considered a waiver by the District or the defense that the matter is neither grievable nor subject to arbitration under this Agreement or that the grievance should be denied for other reasons which do not go to the merits.
9. Only District employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the Grievant.
10. Appearance as a witness at a meeting other than a formal hearing requires the mutual consent of both parties.
11. The District shall grant released time for the processing and investigation of grievances under this Agreement to unit members who are Job Stewards, subject to the following conditions:
 - a. The Union will designate to the Office of Employer-Employee Relations the names of those members who are Job Stewards.
 - b. The Job Steward shall inform his/her immediate supervisor of the need for release time at least twenty-four (24) hours in advance. Workload permitting, the Job Steward will be granted release time.
 - c. Upon prior approval from the unit member's supervisor, the Job Steward may consult with unit members during working hours.
12. Unit members may have a grievance adjusted without the intervention of the Union as long as the adjustment is not inconsistent with the terms of this Agreement. The Union shall be provided copies of any grievances filed by unit members and any responses by the District. Prior to resolution of any grievance, the Union shall be provided a copy of the proposed resolution. Any disagreement concerning whether the settlement is inconsistent with the terms of this Agreement shall be submitted to Step Four for resolution.

E. Procedure.

1. Step One.

Within twenty (20) days after any specific or documented incident upon which the grievance is based, the grievance must be presented in writing on a District's grievance form (Appendix F) to the immediate supervisor who has the authority to adjust the grievance. If the grievance involves a disagreement or dispute between the Unit member and his or her immediate supervisor then the next line of authority shall hear the grievance. The Unit member shall write a clear and concise statement of the incident, including the names of the parties involved, which led to the grievance, identify the specific section of the Agreement that was violated and provide a desired remedy. The employee's representative, if any, shall receive a copy of the grievance.

If the grievance concerns a Notice Of Unsatisfactory Service, the grievance form should also contain a reason for the appeal (i.e., abuse of discretion or not in accord with the facts). A meeting between the Grievant and the immediate supervisor or his/her designee shall take place within ten (10) days from presentation of the grievance.

The immediate supervisor (or administrative designee who hears the grievance) shall reply in writing within ten (10) days following the meeting.

2. Step Two.

If the grievance is not resolved in Step One, the Grievant may, within ten (10) days after the receipt of the immediate supervisor's written decision, present the written grievance to the next level of authority or his/her designee. The written grievance shall contain the same information as in Step One and a copy of the Step One decision.

Within ten (10) days from receipt of the grievance, a meeting shall take place to discuss the matter. The next level of authority or his/her designee shall reply in writing within ten (10) days following the meeting.

3. Step Three.

If the grievance is not resolved in Step Two, the Grievant may, within ten (10) days after receipt of the decision in Step Two, present the written grievance to the College President or Division Head or his/her designee. The written grievance shall contain the same information as in Step One, copies of the Step One and Step Two decisions, and reasons for the appeal. Within ten (10) days of receipt of the grievance appeal, a meeting shall take place to discuss the matter. The College President or Division Head or his/her designee shall reply in writing within five (5) days following the meeting.

4. Step Four - Request for Hearing.

- a. If the Grievant is not satisfied with the decision at Step Three, the Grievant, with the concurrence of the Union, may submit the matter to the Office of Employer-Employee Relations for a hearing. This written request must be made within ten (10) days after termination of Step Three.
- b. Within ten (10) days from the date the request for hearing is received by the Office of Employer-Employee Relations, a meeting shall be arranged with the parties to the grievance, or their representatives, for the selection of an arbitrator. The arbitrator shall be selected from a permanent panel of seven (7) arbitrators, to be selected by mutual agreement of the District and the Union, by alternately striking names until one remains. The party that strikes the first name shall be chosen by lot. If the arbitrator indicates that he/she will not be available for a hearing within a reasonable time not to exceed sixty (60) days, the parties will proceed to select another arbitrator as indicated above.
- c. Final and Binding Arbitration: The decision rendered by the arbitrator in Paragraph 4.j., shall become final and binding upon the Grievant(s), the District, and the Union.
- d. The Office of Employer-Employee Relations shall be responsible for the arrangements for the hearing, the maintenance of records, and such other service required by the arbitrator in fulfilling his/her responsibilities.
- e. The parties shall exchange lists of proposed witnesses not later than five (5) days prior to the first date of the hearing.
- f. Neither party shall communicate with the arbitrator without first contacting the other party to explain the purpose of the intended communication.
- g. Optional Preliminary Hearing of Issues Which Don't Involve Merits of Grievance. If the District claims that the grievance should be dismissed for reasons which do not go to the

merit (e.g. mootness, untimeliness, matter beyond the scope of procedure, or breach of confidentiality provisions), the District may cause its claim to be heard and ruled upon by the arbitrator prior to a hearing on the merits. If the District plans to invoke this separate preliminary hearing, it shall so advise the Union in writing prior to selection of the arbitrator. Immediately after selection of the arbitrator for the preliminary hearing, either the Union or the District may require that a different arbitrator be selected to hear the merits in the event that such a hearing is required. There shall be at least fifteen (15) days between the arbitrator's decision on the preliminary matter(s) and hearing on the merits. The preliminary hearing is optional to the District and if not utilized, the District shall not be precluded from raising its arbitrability defense at the regular hearing; provided that it gives the Union ten (10) days notice of its intention to do so.

- h. Limitation Upon the Arbitrator. The Arbitrator shall have no power to add, subtract, disregard, alter, or modify any of the terms of this Agreement. The Arbitrator shall have the authority to grant or recommend the payment of salary if it is proven that the Grievant has rendered service and has not been paid for that service; the Arbitrator may require the District to pay the salary due for such service. Other monetary awards may be granted in accordance with the principle of arbitration to make the injured party whole. If a monetary award, other than salary for services rendered, is made in excess of \$2,500, the Board of Trustees shall review the Arbitrator's decision and render a final decision as to the amount, in excess of \$2,500, to be granted. In grievances involving alleged contract violations, the Arbitrator's decision shall be limited to a specific finding regarding that alleged violation of a specific term of the Agreement. Past practice of the parties in interpreting and applying the terms of this Agreement may be relevant evidence, but shall not be used so as to justify or result in what is in effect a modification (whether by revision, addition, or detraction) of the terms of this Agreement. The Arbitrator shall have no power to render recommendations on any grievance occurring before or after the terms of this Agreement or to grant a remedy exceeding that sought by the Grievant.
- i. The hearing shall be conducted in accordance with the rules and procedures prescribed in Section 11513 of the Government Code of the State of California. No other section of the State Administrative Procedure Act shall apply to this grievance procedure. The hearing shall be private with attendance limited to the parties to the grievance and their representatives, if any, witnesses while testifying and representatives of the Office of Employer-Employee Relations.
- j. The hearing officer shall render written findings, conclusions, and recommendations within thirty (30) days of the termination of the hearing. The findings, conclusions, and recommendations shall be sent to the parties concerned, the Union, and the Board of Trustees. The decision shall be final and it shall constitute the final administrative remedy available to the Grievant.
- k. Expenses. The District and the Union will share equally the payment of the services and expenses of the arbitrator. Each party shall bear the expense of the presentation of its own case. A transcript of the proceedings shall not be required, but either party may order a transcript at its own expense.
- l. Grievance Files. The District's Office of Employer-Employee Relations shall maintain a file of all grievance records and communications separate from the personnel files of the Grievant(s), and grievance documents and decisions shall not be included in the personnel file, unless it is reasonably necessary or appropriate to do so.

- m. No Reprisals. There shall be no reprisal against an employee for utilizing these grievance procedures or for assisting a Grievant pursuant to these procedures, provided such utilization or assistance conforms with rights established under this Agreement.

ARTICLE 20 CONSULTATION

The Chancellor, or his/her designee, and the designee of the Supervisors Unit shall meet at a designated date, time and place, as frequently as once a month to review and facilitate enforcement of the agreement and to discuss matters of mutual interest. Prior to each such consultation session, the District and the Unit should exchange written agendas.

- A. Similarly, the College President or her/his designee and the Supervisors Unit Representative or his/her designee shall meet at a designated date, time and place, as frequently as once a month to review and facilitate enforcement of the agreement at the college and to discuss matters of mutual interest. Prior to each such consultation session, the District and the Unit should exchange written agendas.
- B. The District, no later than January 2006, will convene a Joint Labor-Management Leave Committee comprised of one representative from each of the District's classified employee unions, selected by the respective unions, and the Associate Vice Chancellor of Employer/Employee Relations.

The goal of the committee shall be to develop leaves of absences that are consistent across all classified employee unions. "Consistent" means to the extent possible, viable, and agreeable to the members of the committee, leaves packages for the participating unions are the same or substantially similar.

The method shall be that leave provisions of all involved unions shall be scrutinized, and the committee shall choose its preferred terms and conditions from among the existing leave of absence terms and conditions. Existing terms and conditions means that no new or expanded leaves or leave terms or conditions will be implemented.
