COVID-19 VACCINATIONS

- L.A. County Department of Public Health opened Education tier for appointments effective March 1, 2021—almost exactly one year since pandemic emergency declared in March 2020
- Public Health first focused on K-12, but now helping Institutes of Higher Education, including LACCD:
 - LACCD personnel 65 and older to get appointments ASAP
 - Additional vaccine allocations for Higher Ed in L.A. County in weeks ahead –more details to come
- Shortages in supplies and appointments expected to be cleared up in March as Blue Shield assumes State oversight and additional supplies from Johnson & Johnson arrive
- Active communications LACCD community

LACCD RE-ENGAGEMENT GRID

- District's Re-Engagement Grid is color-coded plan to sync with State's Blueprint for Safer Recovery
- Posted online: COVID-19, Recovery Information at: <http://laccd.edu/About/News/Pages/Recovery-Information.aspx>
- The 20-page document covers all areas of instruction, student services, athletics and administrative services
- Grid now being updated to reflect Recovery Protocol changes recently made by L.A. County Health for colleges and universities
