1. INTRODUCTION

1.1. Purpose of RFP

The purpose of this Request for Proposal (RFP) is to solicit proposals to establish a panel of well-qualified individuals and firms to assist its faculty and staff in the development of state and federal grant proposals, to provide technical assistance in monitoring funded programs, and in evaluating implementation of funded program objectives and activities. Those selected to comprise the pre-qualified panel of professionals and firms will have the opportunity to assist the District's faculty and staff in the development of proposals to be submitted to private or public philanthropic, federal, state, and local governmental agencies.

1.2. About the District

The District was organized in 1969 and is governed by an elected Board of Trustees and is part of the statewide California Community College system. Members of the Board of Trustees are elected at large to serve four-year terms.

LACCD serves a population of over five million residents in Southern California within an area of 882 square miles of metropolitan Los Angeles and unincorporated areas of the County of Los Angeles.

The District extends from Agoura Hills in the western part of the San Fernando Valley to the City of San Fernando in the northeast. The service area includes Culver City on the western side of the greater Los Angeles basin, Monterey Park and San Gabriel on the east side as well as Palos Verdes Estates and San Pedro to the south.

In keeping with its mission, the District provides comprehensive lower-division general education, occupational education, transfer education, credit and non-credit instructional programs geared to meet the needs of the communities its colleges serve and which meet the changing needs of students for academic and occupational preparation, citizenship, and lifelong learning. The Accrediting Commission for Community and Junior Colleges, a division of the Western Association of Schools and Colleges, accredits each of the nine colleges.

The physical footprint of colleges ranges in size from twenty-two acres (Los Angeles Trade Technical College) to over four hundred fifty acres (Los Angeles Pierce College). Facilities include newly constructed classroom and instructional laboratory

buildings, learning resource centers (libraries with specialized learning/tutoring centers) as well as original instructional buildings, parking structures, maintenance yards, athletic fields, and gymnasiums.

In Fall 2021 the District employed more than 6,000 full-and part-time personnel and served about 156,000 full-and part-time students in the 2021-22 academic year. More information about the District and its colleges can be found online at: <https://www.laccd.edu/Departments/EPIE/Research/Pages/Fast-Facts.aspx>

The student population of the LACCD is ethnically diverse with 58 percent who identify as Hispanic/Latinx, 16 percent as White, 9 percent as African American, and 6 percent as Asian. More detailed information about LACCD students can be found at:

<https://app.powerbi.com/view?r=eyJrIjoiN2JhOTA0OTktOGIwZi00NGQ0LTgxYjctMzQwZDMwNDQwMjQ3IiwidCI6IjBiNzEyNjFhLTQ5NWYtNGVhOS05OTExLWRhODQ0Yjk0MDJlZiIsImMiOjZ9>

In the 2019-20 Academic Year, the District conferred nearly 36,000 awards to students, including two-year degrees, degrees for transfer and certificates.

The District maintains an active free-tuition program available to all first-time, full-time students, regardless of age, race/ethnicity, or demographic background. Over 20,000 students have participated in this program since its start in 2017.

2. SCOPE OF SERVICES

2.1. Scope of Services

Please refer to Appendix A, Specifications of Services and Scope of Services for details.

2.2. Term of Contract

Any contract awarded pursuant to this RFP solicitation shall be effective for a period of three years with two (2) one-year options to renew for a maximum of five (5) years, from which services may be contracted. Said options will be exercised upon satisfactory performance and by written consent.

3.2. Internet Access to this RFP

All materials related to the RFP will be available on the internet at:
<http://www.laccd.edu/Departments/BusinessServices/Contract-Services/Pages/Bids-And-Proposals.aspx>

A Respondent who chooses to download an RFP solicitation will be responsible for checking the aforementioned web site for clarifications and/or addenda. Failure to obtain clarifications and/or addenda from the website shall not relieve Respondent from being bound by any additional terms and conditions in the clarifications and/or addenda, or from considering additional information contained therein in preparing your Proposal.

Note: There may be multiple clarifications and/or addenda. Any harm to the Respondent resulting from such failure shall not be valid grounds for a protest against award(s) made under the solicitation.

All Respondents are responsible for obtaining all RFP materials.

3.3. Unauthorized Communications

Proposers shall not, prior to Award, contact or communicate, either verbally or in writing, with any of the following persons (other than the person named above) for the purpose of discussing the requirements of the RFP Documents or the RFP process: (1) any trustee, officer, employee, or representative of the District; or (2) any consultant, or employee of a consultant, providing the District with assistance,

advice, or professional services relating to the matters covered by the RFP Documents or who is involved in any aspect of the RFP evaluation or scoring processes. Unauthorized communication by a Proposer in violation of the foregoing may result in disqualification.

3.4. Interested Parties

Providers who are advisors to the District in respect to the RFP process are not allowed to submit, or participate in submission of, Proposals. A Proposer shall not participate in, or be “interested in,” more than one Proposal. For purposes of this paragraph, “interested in” means having a managerial or financial interest in another Proposer or a Subcontractor to another Proposer. Notwithstanding the foregoing, a Subcontractor may be proposed as a subcontractor to more than one Proposer.

3.5. Proposer Clarifications

Without limitation to the District’s rights relating to the conduct and content of Negotiations, the District reserves the right, but assumes no obligation to, at any point in the RFP process to contact a Proposer directly, without notice to other Proposers, for purpose of obtaining clarifications of, or to address minor irregularities, informalities, or apparent clerical mistakes in, a Proposal (“Proposer Clarifications”). Where the District determines that there is a need and justification for seeking Proposer Clarifications, the District may request Proposer Clarifications from some Proposers and no other Proposers. If Proposer Clarifications are sought from all Proposers, the questions asked maybe different for each Proposer.

3.6. False Information

In addition to and without limitation upon any other requirements of the RFP Documents, the District reserves the right, but assumes no obligation, to disqualify any Proposer and reject any Proposal should District determine that any information submitted by the Proposer is false, incorrect, or materially incomplete.

3.7. District Confirmation

The District reserves the right, but assumes no obligation, to confirm through any means available to the District the truth, accuracy, or completeness of any information contained within the resumes or other information submitted by a Proposer or communicated by a Proposer or a Subcontractor during face-to- face communications with the District or its representatives or consultants administering

the RFP process.

3.8. No Joint Offers Accepted

Where two or more Proposers desire to submit a single proposal in response to this RFP, they should do so on a prime/subcontractor basis rather than as a joint venture or informal team. For this engagement, "DISTRICT" intends to contract with an individual provider and not with multiple providers doing business as a joint venture. Accordingly, where two or more providers desire to join in preparing and submitting Proposals, they should do so on a prime- subcontractor basis, rather than as a joint venture or informal team. The provider acting as the "prime", if it receives the Award, will enter into the Agreement with the District.

3.9. District Determinations

The District shall have the right to make all determinations and interpretations relating to the RFP Documents or the RFP process, including, without limitation, any Proposer's compliance with the RFP Documents or its qualifications to participate in the RFP process, and all such determinations shall be final and binding.

4. INSTRUCTIONS AND GENERAL CONDITIONS

4.1. RFP Instructions and General Conditions

This RFP contains the instructions and conditions governing the requirements for a proposal to be submitted by an interested Proposer, the format in which the proposal is to be submitted, the material to be included therein, and the requirements that must be met.

Each Proposer should carefully examine the entire RFP and be fully aware of the nature and quality of the services sought by "DISTRICT" as well as the conditions in providing such services.

PROPOSALS MAY BE REJECTED AS NON-RESPONSIVE IF THE PROPOSER FAILS TO FULLY COMPLY WITH ANY OR ALL OF THE INSTRUCTIONS OR CONDITIONS SET FORTH IN THIS RFP.

Submittals not conforming to the specifications of this RFP may be deemed non-responsive or result in points being deducted during evaluation.

Proposals must be received by 2:00 p.m., PST on **Tuesday, July 25, 2023**. Any proposals received after the time and date above may at the District's sole discretion of the District, be returned unopen or set aside without consideration.

Delivery of the proposal by the specified deadline is the sole responsibility of the Proposer to ensure that its proposal is delivered on time. If hand delivered, ample time should be scheduled for delays caused by downtown Los Angeles area traffic and parking.

District does not provide parking accommodations to proposers submitting proposals.

The District shall not be responsible for, nor accept as a valid excuse for late proposal receipt, any delay in mail service or other method of delivery used by the Proposer except where it can be established that the District was the sole cause of the late receipt.

Proposals submitted via fax, telephone or email will not be accepted.

All proposals must be provider offers subject to acceptance by "DISTRICT" and may not be withdrawn for a period of 180 calendar days following the Proposal Submission Deadline. Proposals may not be amended once submitted to "DISTRICT", except as permitted by "DISTRICT."

C. Meeting RFP Specifications

The services offered by the Proposer must meet the specifications as described in this RFP. The District reserves the right to reject as non-responsive any proposal that does not meet the specifications as described in this RFP.

D. Proposed Information to be Accurate, Complete and Valid

The Proposer must provide information including, but not limited to, fees for all offered services based on the scope of services, which is set forth in Appendix A – Scope of Services.

Failure to do so may invalidate the proposal. The price must be accurate, complete and must be valid for the term of the agreement. The Proposer is responsible for the accuracy of the proposal submitted, and no allowance will be made for error or fee increases that the Proposer later alleges are retroactively applicable.

E. Authorized Signatures

Exhibits A through G (Exhibit H excluded) must all be signed by the Proposer's authorized signatory and must be submitted by the Proposer in the sealed envelope along with its proposal. The District is unable to accept any proposal submitted without these statements completed and signed by the Proposer's authorized signatory.

F. Authorization to Do Business

All Proposers **must be authorized to do business in California**. If a Proposer is a sole proprietorship or partnership, the Proposer should furnish with its proposal a copy of a current business license issued in California. **If the Proposer is a corporation, it must be approved by the California Secretary of State to do business in California as shown by it having an "ACTIVE" status listed on the California Secretary of State website as of the date of submission of the proposal. The Proposer shall provide the corporate number issued by the Secretary of State with its proposal.**

Each Proposer is required to possess at the time of submitting its Proposal, and at all times during the RFP process (and, in the case of the Proposer that receives award, at the time of award, upon execution of the Agreement, and at all times during performance of the Agreement) any licenses required by Applicable Law for the performance of the Agreement.

G. Requirements

The Proposer shall be responsible for becoming familiar with the scope of services required by the District as set forth on pages of this RFP, and shall rely solely upon his or her own independent judgment, and not upon any statements or representations made by the District, whether express or implied. The failure or omission of any Proposer to acquaint himself or herself with the service requirements of the District shall in no way relieve any Proposer from any obligation with respect to this proposal or to the resulting agreement. The submission of a proposal shall be taken as *prima facie* evidence of compliance with this section.

H. Questions about RFP

Questions are to be submitted in writing by email to Ramona Divinagracia, at email address: divinarf@laccd.edu on or before **2:00 p.m. Pacific Standard Time, Friday, July 7, 2023. Please include "RFP 23-06 – Questions for "Panel of Grant Writers" in the subject line.**

Proposers are asked to submit all questions in writing by the questions' deadline. LACCD shall not be obligated to answer any questions received after the above deadline or submitted in a manner other than as instructed above.

Written responses will be posted on the website:

<http://www.laccd.edu/Departments/BusinessServices/Contract-Services/Pages/Bids-And-Proposals.aspx>

Proposers are instructed not to contact District personnel or its agents in any other manner concerning this RFP. Unauthorized contact, at LACCD's sole discretion, will be grounds for disqualification of a proposer.

I. RFP Addenda

If it becomes necessary for "DISTRICT" to revise any part of this RFP or to provide clarification or additional information after the proposal documents are released, written addenda will be posted at the following website address:

<http://www.laccd.edu/Departments/BusinessServices/Contract-Services/Pages/Bids-And-Proposals.aspx>

It shall be the responsibility of the Proposer to check the website or to appropriately inquire with "DISTRICT" for any addenda issued. All addenda issued by DISTRICT shall become part of the RFP and the Proposer shall acknowledge, in writing, receipt and incorporation of all addenda and clarifications in its response. Specifically, Proposer's acknowledgement of the addenda must be declared in the proposal in Exhibit D.

Failure of the Proposer to receive addenda shall not relieve the Proposer from any obligation under its proposal as submitted. The Proposer shall identify and list in its proposal all addenda received and included in its proposal. The Proposer's failure to identify and list in its proposal all addenda received and included in its proposal

may be asserted by the "DISTRICT" as a basis for determining a proposal as non-responsive.

J. Interpretation of Documents

If any person contemplating submitting a proposal for the services proposed herein is in doubt as to the true meaning of any part of the proposal documents, or finds discrepancies in, or omissions from the documents, he/she may submit to the District a written request for an interpretation of correction thereof. The person submitting the request will be responsible for its prompt delivery. Any interpretation or correction of the proposal documents will be made only by addendum duly issued and a copy of such addendum will be mailed or delivered to each person receiving a set of the proposal documents. No person is authorized to make any oral interpretation of any provision in the proposal documents to any Proposer, and no Proposer is authorized to rely on any such unauthorized oral interpretation.

K. Withdrawal/Proposal Irrevocable for 120 Days

A Proposer may withdraw its proposal at any time prior to the submittal deadline by sending the District a request in writing from the same person who signed the submitted proposal. As of the deadline for submittal, any proposal received by the District and not withdrawn becomes an irrevocable offer available for acceptance by the District immediately and for **one hundred and twenty (120)** days thereafter. The Proposer is responsible for the accuracy of the proposal submitted, and no allowance will be made for errors or price increases that the Proposer later alleges are retroactively applicable.

L. Exemption from Disclosure

Proposals will remain confidential in their entirety until the evaluation and analysis process is complete and a recommendation of an award has been approved by the LACCD Board of Trustees. All proposals submitted will become the property of the LACCD. The Proposer must identify, in writing, all copyrighted material, trade secrets, or other proprietary information that the preparer claims are exempt from disclosure under the Public Records Act (California Government Code Section 6250 et seq.). Any Proposer claiming such an exemption must also state in the proposal

that "the provider agrees to indemnify and hold harmless the Los Angeles Community College District, its Board of Trustees, Los Angeles City College, East Los Angeles College, Los Angeles Harbor College, Los Angeles Mission College, Los Angeles Pierce College, Los Angeles Southwest College, Los Angeles Trade-Technical College, Los Angeles Valley College, West Los Angeles College, and its officers, employees and agents, from any claims, liability, or damages against, and to defend any action brought against above said entities for their refusal to disclose such material, trade secrets, or other proprietary information by any party." Failure of a proposal to include such a statement will be deemed a waiver of any exemption from disclosure under the California Public Records Act. A blanket statement that all contents of the proposal are confidential or proprietary will not be honored by the District. The Proposer's identification of a document as "proprietary" or "confidential" does not automatically confer exclusion from disclosure under the California Public Records Act.

M. Pre-Contractual Expenses

Pre-contractual expenses are defined as any expenses incurred by the Proposer to: (1) Prepare its proposal in response to this RFP; (2) Submit that proposal to "DISTRICT"; (3) Negotiate with "DISTRICT" on any matters related to this RFP, including a possible contract; and (4) Engage in any other activity prior to the effective date of award, if any, of a contract resulting from this RFP. "DISTRICT" shall not, under any circumstance, be liable for any pre-contractual expenses incurred by Proposers. All expenses including, but not limited to, pre-contractual expenses incurred by the Proposer in preparing the proposal shall be borne and paid for solely by the Proposer and shall not be included in their offers.

N. Subcontractors

Proposers are permitted to provide for a portion of the Basic Services to be performed by one or more consultants or contractors retained by the Proposer (collectively, "subcontractor") provided that each subcontractor proposed to be used is identified in the Proposal by name, contact person, telephone number, email address, and a description of the portion of Basic Services to be performed by the subcontractor.

O. Immaterial Defect in Proposal

The District may waive any immaterial deviation or defect in a proposal. The District's waiver shall in no way modify the RFP documents or excuse the Proposer from full compliance with the RFP if awarded the contract.

P. Oral Communications

Any oral communication by the District Contact Person or his/her designee regarding this RFP is not binding and shall in no way modify the RFP or the obligations of the District, Proposer and/or Contractor.

Q. RFP as Part of Final Contract

At the District's discretion, the content of this RFP may be incorporated into the final contract.

R. Proposed Contract

The Proposer(s) selected for contract award through this RFP shall be required to enter into a written agreement with the District. The Standard Agreement for professional services presented in Exhibit H of this RFP is the contract proposed for execution. It may be modified to incorporate other pertinent terms and conditions set forth in this RFP, including those added by addendum, and to reflect the Proposer's offer or the outcome of contract negotiations, if any.

Exceptions and requested changes to the terms and conditions of the Standard Agreement, or the Proposer's inability or unwillingness to comply with any of the provisions of the Standard Agreement, must be declared in the proposal and will be considered as part of the proposal evaluation process.

S. Exceptions/Deviations

Any exceptions to, deviations from, or inability to comply with the requirements set forth in this RFP, or the terms and conditions contained in the Professional Services Agreement, must be declared in writing in Exhibit E within the proposal; and failure to do so will prevent Proposer from asserting its inability to comply with the terms or conditions later on. **Such exceptions or deviations must be segregated as a separate element of the proposal under Exhibit E - "Exceptions and**

Deviations to Professional Services Agreement." The District will make a good faith effort to consider contractual issues identified by providers and "DISTRICT" requires all proposing providers to similarly make a good faith effort to comply with the District's sample agreement terms and conditions.

Proposals that mandate the use of provider standard services contract, rather than utilizing the District's standard services contract will result in that provider's proposal being judged non-responsive and these proposals will be rejected.

Proposals that reject the following integral provisions of the District's contract terms and conditions will be treated as a rejection of the District's contract and these proposals will be rejected.

- Section 5 - Term of Agreement
- Section 14 - Family Educational Rights Privacy Act (FERPA)
- Section 18 - Governing Law
- Section 19 - Non-Discrimination
- Section 22 - Board Authorization
- Section 27 - Requirements for Federally-Funded Contracts
- Section 28 - Accessibility Requirements

The Proposer's attention is again directed to sections 12 and 13 of the Professional Services Agreement, which specify the indemnity clause and the minimum insurance requirements that must be met by the successful Proposer. The Proposer's inability or unwillingness to meet these requirements as a condition of award of an Agreement must be stated as an exception in the proposal.

Exceptions or deviations which are in conflict with the District's terms and conditions may render the proposal non-responsive. In the event that exceptions and deviations to the Professional Services Agreement are requested after the contract has been awarded, the District may deem the proposal non-responsive and may disqualify the proposal at its discretion.

T. No Commitment to Award

Issuance of this RFP and receipt of proposals does not commit "DISTRICT" to award a contract. "DISTRICT" expressly reserves the right to postpone proposal opening

for its own convenience, to accept or reject any or all proposals received in response to this RFP, to negotiate with more than one provider concurrently, or to cancel all or part of this RFP.

U. No Agreement Until Signed

No agreement with the District is effective until both parties have signed a contract and the District's Board of Trustees has authorized the contract.

V. News Releases

News releases pertaining to any award resulting from this RFP may not be made without the prior written approval of the District.

W. Use of District Employee's Names

The successful Proposer must agree not to use the names, office phone numbers, email addresses, and/or addresses of District employees for any purpose not directly related to this RFP.

X. Adjustments to Contract

All adjustments shall be proposed in writing by the District for approval prior to becoming effective. All required contract amendment(s) shall be issued by the District.

Y. Contractor Evaluation

Contractors (and its subcontractors, if applicable) will be evaluated periodically regarding their performance.

Z. Termination or Cancellation

The District reserves the right to terminate any contract awarded through this RFP by providing thirty (30) days' written notice to the Contractor.

AA. Protests

Any Proposer that has provided a proposal to the District may protest the solicitation or award of a contract for violations of "DISTRICT'S" procurement policies or of laws and regulations governing "DISTRICT'S" procurement activities, provided the proposer has complied with PP-04-09, Bid Protest and Appeals.

<http://www.laccd.edu/Departments/BusinessServices/Contract-Services/Documents/04-09-bid-protest-and-appeal.pdf>

In order to be considered, all protests must be in writing and filed with and received by "DISTRICT", not more than five (5) business days following the date of issuance of the District's Notice of Intent to Award with the contact below.

Protests received by "DISTRICT" after this date will be returned to the sender.

The protest letter must state the basis for the protest and the remedy sought and should be addressed to:

Valencia M. Moffett
Director of Business Services or designee
Los Angeles Community College District
770 Wilshire Blvd, 6th Floor
Los Angeles, CA 90017

Failure to timely file the proposal protest shall constitute grounds for the District to deny the proposal protest without further consideration of the grounds stated therein.

BB. Other District Rights

The rights, powers, and discretion expressly conferred upon the District under the RFP Documents are not intended to be exclusive but are cumulative and in addition to, and not a substitute for, every other right, power, or discretion existing or available to the District under the RFP Documents or Applicable Laws.

6. PROPOSAL EVALUATION AND CONTRACT AWARD

6.1. General

The method used for this solicitation is a Request for Proposal (“RFP”). Selection of a contractor will be made through competitive procurement procedures, which will include factors discussed in this RFP.

All proposals received in accordance with these RFP instructions will be evaluated to determine if they are complete and meet the requirements in this RFP. An award will be made to the Proposer(s) judged to be the most advantageous to the District. The District expressly reserves the right to protect and make no award under this RFP.

6.2. Evaluation Procedures

All proposals received in accordance with these RFP instructions will be evaluated to determine if they are complete and meet the requirements specified in this RFP. All terms, conditions, requirements, and procedures included in this RFP must be met for a Response to be determined responsive. If a Respondent fails to meet any material terms, conditions, requirements or procedures, its response may be deemed unresponsive and disqualified.

In order to qualify as responsible, the Respondent must demonstrate:

- a) the availability of adequate resources and staffing to efficiently and expeditiously service District’s needs;
- b) the necessary experience, organization, qualifications, skills and facilities to provide the scope of services set forth in this RFP;
- d) a satisfactory record of performance in the provision of the scope of services set forth in this RFP;
- e) the ability and willingness to comply with the requirements of Federal and State law.

ANY PROPOSAL DETERMINED TO BE NON-RESPONSIVE TO THIS RFP, INCLUDING INSTRUCTIONS GOVERNING THE SUBMISSION OF PROPOSALS, WILL BE DISQUALIFIED WITHOUT EVALUATION UNLESS THE EVALUATION COMMITTEE DETERMINES THAT THE NONCOMPLIANCE IS INSUBSTANTIAL.

An award will be made to the Proposer(s) whose offer is judged to be in the best interest of and most advantageous for the District in the sole determination of the

District. The District expressly reserves the right to reject any and/or all proposals and make no award under this RFP.

Any contract awarded through this RFP with individuals, agencies and/or firms will be effective for a period of three years , with two one-year options to renew for a maximum period of 5 years, from which services may be contracted. Said options will be exercised upon satisfactory performance and by written consent.

The RFP process ("First Phase") shall commence with issuance and advertisement by the District of the RFP inviting interested providers to submit Proposals. Subject to the District's discretionary right to disqualify any provider that is not responsive to the requirements of the RFP documents, any and all interested providers are invited to respond to the RFP and to participate in the RFP process.

Upon receipt by the District, Proposals will be examined for compliance with this RFP and that all mandatory qualifications as outlined have been met.

Proposals shall be delivered to a panel of evaluators appointed by the District ("Proposal Evaluation Panel") consisting of appropriate District staff and possibly outside consultants. The Proposal Evaluation Panel will evaluate and score the Proposals according to the criteria listed below. The Procurement Unit will tabulate the scores received by each Proposer.

After-which, the Panel may then conduct interviews of the most-highly rated proposers. Please see evaluation criteria listed in Section 6.3.

Interviews will be held at the Educational Services Center or remotely through a virtual conference platform.

The purpose of the interview may be to review Respondents' ability to provide the required services, and how specific services will be furnished.

LACCD reserves the right to forego the interview stage as determined in its sole judgement. Final selection will be based upon the above factors, as well as the interview performance. The final selection will be a "best value" selection.

Request for Additional Information

During any phase of the evaluation the District may require supplemental information in order to fairly evaluate a Proposer's offer. For this purpose, the District may request such information, including a best and final offer, from the

Proposer after the initial submittal. If such information is required, the Proposer will be notified and be permitted a reasonable period of time to submit the information.

LACCD reserves the right to reject any or all proposals, to waive any irregularities or informalities in the offers received and to change the evaluation process described above if circumstances dictate this or it is otherwise in the best interests of LACCD to do such. In the event a proposal(s) is rejected, or in the event a proposer's offer is not rejected but does not result in a contract award, LACCD shall not be liable for any costs incurred by the proposer in connection with the preparation and submittal of the proposal.

6.3. Evaluation Criteria

An evaluation committee consisting of LACCD staff and/or outside associates will review, analyze, and evaluate all proposals received.

The District will conduct interviews of the most-highly rated proposers. Representatives must be available for interviews and/or presentations at District facilities on specific dates if selected.

After completing its evaluation of the proposals, the committee will recommend for contract award the proposer(s) that is judged to best meet the requirements of this RFP. The DISTRICT will request approval from its Board of Trustees and shall execute a contract with the proposer(s). If a contract cannot be successfully negotiated with the selected vendor, DISTRICT may move on to negotiate a contract with another proposer within the highest ranked group.

DISTRICT reserves its right to award to a single proposer, reject all proposals and issue a new RFP, or reject all proposals and reopen the proposal process.

6.3.1 Evaluation Criteria for Written Proposals

Proposals will be evaluated in accordance with your response to the criteria outlined in Section 2, Scope of Services. Specifically, scores will be granted based upon the criteria listed in the below chart.

The District reserves the right to reject any and all proposals, cancel all or part of this RFP, waive any minor irregularities, to request additional information from proposing organization and to change the evaluation process described above if circumstances are in the best interests of District to do such.

In the event a proposal(s) is rejected or the proposal’s offer is not rejected but does not result in a contract award, District shall not be liable for any costs incurred by the proposer in connection with the preparation and submittal of the proposal. By requesting proposals, the District is in no way obligated to award a contract or pay expenses of the proposing institution in connection with the preparation or submission of a proposal.

6.4 Contract Award

It is the intent of the District to award contract(s) as the result of this RFP to the highest-ranked proposer(s). This may lead to one provider being awarded a single contract. However, at the absolute discretion of the LACCD, multiple proposers may be considered for award and the District reserves the right to apportion the

requirements of this RFP among multiple service providers or to apportion all the services described in this RFP to a single provider if this is determined to be in its best interests. The District reserves the sole right to make this determination. Any contract issued to a successful proposer is subject to authorization by the District Board of Trustees. No agreement with the District shall be in effect until a contract has been approved by the Board of Trustees of the Los Angeles Community College District and has been signed by both parties.

The responsive proposals receiving a score of 80 or higher will be recommended for award and selected to enter into contract negotiations with the District. If LACCD cannot come to acceptable contract terms with the vendors within a fixed timeframe that the District will specify, the District will terminate negotiations and move to the next highest ranked vendors that can provide the services requested in this RFP.

In the event there is a tie-score among one or more proposals, the District can conduct a second interview, which proposers will answer a pre-selected interview question that has been sealed and kept with the Procurement Staff. The Selection Committee will rank the responses and the highest-ranked Proposal would break the tie. Any contract issued to a successful proposer is subject to authorization by the District Board of Trustees.
