2021 FEDERAL Legislative and Funding Accomplishments

Secured American Rescue Plan Funding: Helped secure \$212.73 million in funding from the American Rescue Plan Act (ARPA) in HEERF III and MSI funding across all nine colleges in LACCD. We worked in coalition to ensure that the formula for allocating funds was favorable to LACCD and other community colleges (using headcount and FTE). *The American Rescue Plan was signed into law on March 11, 2021.*

Advocacy Support for DACA Students: The District strongly advocated for a pathway to citizenship for DACA students and their families, supporting HR. 6, the American Dream and Promise Act, and the US Citizenship Act of 2021. In addition, the District hosted numerous speakers for the LACCD DACA Taskforce, including Rep. Tony Cardenas (D-CA), Rep. Ted Lieu (D-CA), Alida Garcia, White House Senior Advisor for Migration

Strengthened Support for African American Students: LACCD continued to support its efforts to strengthen support for African American/Black students. The District hosted Rep. Karen Bass (D-CA) to speak before the African American/Black Students Taskforce.

2020 FEDERAL LEGISLATIVE PRIORITIES

Advocated for the Creation of the [Basic Needs for Postsecondary Students Program](#), a new \$5 million basic needs pilot program in the FY 21 Omnibus Appropriations Bill to support the basic needs of eligible community college students. Los Angeles City College received one of the first awards from the program for \$990,000.

CARES Act: In collaboration with other stakeholders, LACCD advocated for \$14.250 billion in the CARES Act for higher education institutions to prevent, prepare for, and respond to emergency relief resulting from the coronavirus.

DACA Congressional Roundtable: LACCD hosted a Congressional Roundtable with key Hispanic Caucus (CHC) leaders. Participants included Rep. Ruben Gallego, CHC Vice Chair; Rep. Nanette Barragan, CHC Vice Chair; and Rep. Linda Sanchez, CHC Immigration and Border Issue Taskforce Chair. Over 200 students, staff, and faculty participated via Zoom.

2019 FEDERAL LEGISLATIVE PRIORITIES

Advocated in Support of Student Basic Needs: Supported Rep. Adam Schiff's "Food for Thought" legislation would create a competitive grant program to enable community colleges to provide free meals and snacks to eligible college students. LACCD hosted Rep. Schiff at a media roundtable at LA City College on September 5, 2019, to discuss this important legislation and to highlight LACCD's innovative efforts to address food insecurity for students.

Expanding SNAP Eligibility for Community College Students: Advocated to expand SNAP benefits, working closely with Rep. Roybal-Allard to secure language in the House Agriculture appropriations bill.

The bill amendments require the Department of Agriculture to work with the Department of Education to expand outreach efforts on college campuses. The language was included in the final FY 20 Appropriations package, signed into law by President Trump on December 20, 2019.

Funding for Aviation Workforce: Advocated the California Congressional Delegation—and a broad coalition of supporters—to include funding in the FY 20 House Transportation, Housing, and Urban Development appropriations bill to create two newly authorized aviation workforce grant programs that could benefit the District. The bill includes \$5,000,000 for the Aviation Maintenance Technician Development Program and \$5,000,000 for the aviation workforce development program. The Department of Labor awarded a \$12 million grant for West LA College to work with five other colleges, the South Bay Workforce Investment Board, plus numerous private-sector employers and professional organizations to provide a variety of different student-focused "career on-ramps" for jobs, education, internships, and apprenticeship opportunities.

FAFSA Simplification: Advocated the Senate and House for final passage of the "Fostering Undergraduate Talent by Unlocking Resources for Education (FUTURE) Act," which extends mandatory funding for grants available to Historical Black Colleges and Universities (HBCUs), Minority Serving Institutions (MSIs), and Tribal Colleges under Part F of Title III of the Higher Education Act. This program has played a vital role in increasing STEM production and expanding institutional capacity at HSIs & MSIs. The bill also simplifies the FAFSA application process by requiring greater information sharing between the IRS and the Department of Education. The bill was signed into law by President Trump on December 19. LACCD worked with a broad coalition of supporters to help pass the FUTURE Act.

2018 FEDERAL Legislative and Funding Accomplishments

Advocated to Protect Priority Federal Programs: Working in coalition with other key stakeholders, LACCD advocated to preserve and expand funding for crucial community college programs, including securing an additional \$15 million for apprenticeships, increased funding for Pell, Work Study preserved at \$1.3 billion, TRIO increased \$1.6 billion (a \$50 million increase from the previous year), and the National Science Foundation's HSI grant program received \$15 million for FY 19.

Promise Zone Preservation: Coordinated a fly-in led by LACCD and the South LA Promise Zone to help protect and preserve the Los Angeles County Promise Zone program.

Advocated to Oppose Changes to Immigration Law/Public Charge: Aggressively opposed changes to the "Public Charge" rule that could impact DACA recipients and their families.

2017 FEDERAL Legislative and Funding Accomplishments

Advocated to Protect DACA: Following President Trump's announcement that DACA would end, LACCD responded to ensure its students remained protected. Working with a broad coalition helped draft a letter to the President urging him to uphold the 2012 executive actions that created the DACA program. Continued to advocate for the bipartisan DREAM Act.

Advocated for Increased Student Financial Aid: Advocated for vital student aid, including increases to Pell Grant funding and year-round Pell. Continued to support FAFSA simplification.

2016 FEDERAL Legislative and Funding Accomplishments

Secured a \$2.5 million American Apprenticeship Grant: In partnership with Managed Career Solutions and other key partners, LACCD advocated for the Department of Labor to secure a highly competitive American Apprenticeship grant to train 1,000 at-risk youth for careers in high-growth technology and biotechnology jobs working with employers such as AltaMed, DIRECTV, Farmers Insurance, and Toyota.

Convened a White House Roundtable on College Promise: LACCD worked with the White House to convene a roundtable with key California leadership to advance College Promise initiatives statewide.

Coordinated Dr. Jill Biden's participation in LACCD's College Promise Kick-Off: Arranged Dr. Biden's participation in the LACCD College Promise kick-off, working closely with the Los Angeles Mayor's Office.

Advocated and Secured a position for LACCD on President Barack Obama's College Promise Board. LACCD's representative was the only community college trustee on the national board.
