1. Need for this Bill:
 - What policy, program, or issue are you seeking to address?
 - Why is a legislative or budget request necessary to resolve and address this problem?
 - How will this proposed policy or budget request impact LACCD students or your institution?
2. Origin of this Request:
 - What person or organization is requesting the policy or budget request? Please provide your name, phone number, and email address.
 - Do you know if a similar policy or budget request has been before the legislature in a previous session? If yes, when?
 - Have you or your organization made this legislative request previously, and what was the outcome of that request?
3. General Background Information on policy or budget request:
 - Will the policy have a fiscal impact on the institution or the state budget?
 - How much do you think it will cost to implement, and what is the funding source?
4. Please attach copies of any background material in explanation of this proposed policy or budget request for reference.
5. Please list likely support and opposition to this proposed request.
